# LOW COST TV Picture Tubes of HIGHEST QUALITY

ENJOY SHARP, CLEAR PICTURES IN ANY MAKE SET WITH AIRLINE TUBES

Don't let an overworked picture tube rob you of the full value of the entertaining and educational programs now shown on television. A poor picture can make a good program irritating, rather than enjoyable.

Now you can correct your picture tube troubles economically with a high-quality, precision-made, Airline aluminized picture tube. All Airline tubes are made to Wards exacting standards of quality by nationally known manufacturers.

Wards aluminized Super Airline picture tubes replace standard tubes in any set. Enjoy sharper, clearer pictures with improved contrast: whites are whiter, blacks are blacker.

Aluminum coating projects detail to viewer with accuracy and clarity. Often produces a better picture than when set was new.

How to order: Tubes on the same line are interchangeable. (\*Means aluminized versions not available for these tubes.) Find number from old TV tube, instructions or sticker inside set. Find tube number and order from table below. Wards will send you the latest version of tube-type you order. A perfect fit is guaranteed.

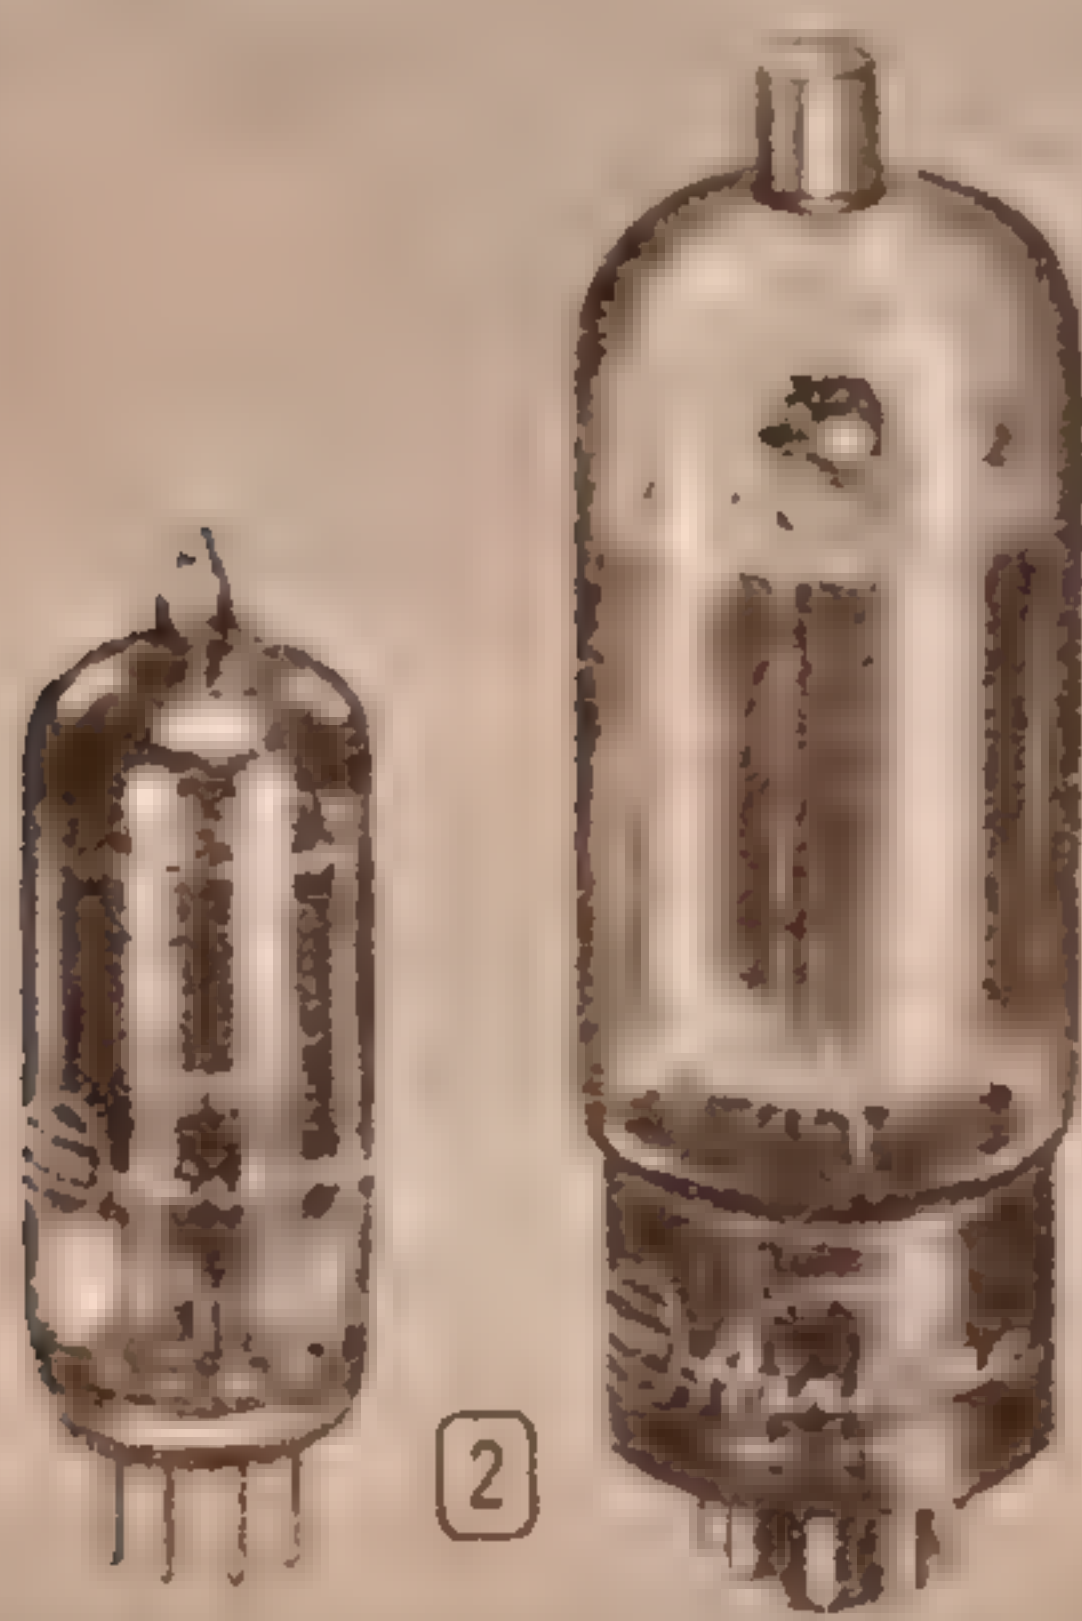

Order by Catalog Number 88A 160R. Be sure to state number of tube you want as shown in table below. Shipped promptly from nearest Mail Order House by Freight, Truck or Express. See details at right, below, before ordering.

## SAVE MORE UP TO \$10

On Exchange Price  
See Details Below

**Exchange Notice:** Now save more than ever by buying your television picture tube at Wards low exchange price. Simply return your old tube in the new tube carton to your nearest Wards retail or catalog store or Mail Order House. Be sure to include ordering papers. If you return old tube by Truck or Express, please prepay shipping charges (see Page 1274 to estimate). Wards will promptly refund the difference between the full price and exchange price of tube. Include full price when ordering.

## You Get the Best for Less When You Buy Airline

FIT ANY MAKE RADIO, TV OR PHONOGRAPH WITH AIRLINE REPLACEMENT TUBES

### GUARANTEE

Wards will replace any radio or television tube, including picture tube, that fails electronically within one year from the date of purchase—without cost to you. Here's proof that Wards back their reputation for quality merchandise.

Wards Super Airline radio, TV and phonograph replacement tubes are manufactured to Wards rigid standards of high quality by nationally known manufacturers.

Regardless of how much you pay, you can't buy a better tube than Airline. A Super Airline will replace any tube having same number.

Wards low prices for replacement tubes make it possible and practical for anyone, especially in remote areas, to keep a set of spares on hand. Tube numbers ending in "GT" are small glass tubes which will replace either metal or

large glass tubes in most sets. Tube numbers ending in "A" or "B" indicate improved design has replaced old style. For example, replace tube 6SN7GT with newly designed 6SN7GTB.

Wards stock a complete line of tubes. If your tube is not listed, ask for it by number and include money to cover approximate cost. We'll send tube and refund or bill you for the difference.

Order by Catalog Number 88A 150. Be sure to state quantity and tube number wanted: See table below. Ship. weight, each, 4 oz.

# Repairs

# Close, Quick, Expert

**YOU'RE SURE OF QUALITY SERVICE WHEN YOU BUY FROM WARDS**

**CLOSE** . . . as your phone—see pages 1267-1269 of this catalog, for the number of the Ward store nearest your home. All you need do is to ask for the Repair Service Department.

**QUICK** . . . with 2500 service men in Ward stores throughout the continental United States—always ready to serve you.

**EXPERT** . . . your Ward service man is thoroughly trained in the latest factory-approved methods, and understands completely the electrical and mechanical merchandise that Wards sell.

It may be more convenient to handle your service problem by mail, particularly if there is no Ward store in your area. Please write Wards Mail Order House, giving this information.

1. Model and Serial number from model plate.
2. Any other data appearing on model plate.
3. Approximate date of purchase.
4. Location of Ward store where item was bought.
5. The specific trouble you are having.

## SPECIAL REPAIRS . . .

**Camera Repairs** (still or movie): Write Bob Adams, Department 67, Montgomery Ward & Company, Chicago, Illinois.

**Gun Repairs:** Write your Ward Mail Order House for pamphlet, order blank . . . tells how, where to send gun. Most repairs are made within 5 days after receipt of gun—we'll advise you if more time is needed.

**Watch Repairs:** Tag your watch with your name and address. Wrap watch securely and mark package "Fragile." Paste stamped letter of instructions to outside of package and address letter to: Watch Repair Service, nearest Ward Mail Order House. For your protection, please send the package by Parcel Post, Insured.

## WARDS GUARANTEE YOUR SERVICE JOB

No matter where you live in the United States—north, south, east or west—when you order service from Wards you are assured that our unqualified 89-year-old policy of "Satisfaction Guaranteed or Your Money Back" stands back of the job.

And . . . when the job is finished—you are the final judge of the work . . . just tell us if you are not completely satisfied.

**FOR YOUR CONVENIENCE** . . . Wards have strategically located parts depots, throughout the United States, with thousands of parts in stock for your needs. So . . . no matter where you may move in the United States, you are assured of fast, dependable service on parts for your Ward-purchased appliances—from toasters to T.V.'s; from freezers to lawn mowers.

## Information on Ordering Replacement Repair Parts

Repair Parts Lists are included with many mechanical items you buy from Wards. These lists give you model and part numbers.

Replacement Parts may be ordered from your Ward Mail Order House. You will frequently find parts listed on the catalog page where the mechanical merchandise is described and sold.

Lists of Repair Parts for mechanical merchandise sold by Wards, are available in your nearby Ward retail store. Many replacement parts are in stock there for immediate delivery, too.

When you mail or telegraph your repair-part order, please give exact part-number and name; model number and name of the item for which part is being ordered. To find the model number, look for the name plate on the merchandise. When plate does not appear on the item, you may find model or name stamped on the goods.

If you cannot find identification marks, or a parts-list—send us a description of the merchandise, including the year it was bought. Also include a pencil outline of the part, or the old part itself—please tell us the part's location on the merchandise.

# Installation

# Reliable, Complete

**INSTALLING IT YOURSELF? WE WILL SUPPLY FREE BLUEPRINTS, INSTRUCTIONS, TOOL LOAN**

Planning on modernizing your home with a new kitchen—like the one below? Or—possibly you are considering a new heating system, plumbing, central air conditioning, swimming pool or an ornamental fence. No matter what the job—Wards guarantee it.

Wards technical experts will prepare and send you an estimate designed to give the greatest possible saving on your installation. On your acceptance, you will be furnished easy-to-read blueprints drawn to scale; a list of materials; instructions; and Owner's Guides covering equipment and appliances involved.

Just write Wards Mail Order House, Customer Engineering Service Department, for FREE Sketch Blanks covering type of installation you are planning, or visit Wards store nearest you for details on Installation of Modern Home Equipment.

And... Wards can even loan you tools needed for your installation. With only a small "deposit" (which will be returned, or credited to your account upon return of the tools), the tools are on their way to you. See pages 936, 967, 978, 1004, 1040, 1108, of this catalog, or visit your nearby Ward store.

## Let Wards Plan, Design and Install Your Job

In many areas, Wards will install your modern home equipment. Phone or visit your nearby Ward store and ask about this service. When we do the work, your job is fully guaranteed to fit your particular needs. And... Wards also offer the convenient Home Improvement Plan—No money down and up to 3 years to pay.

Thousands of customers have already used Wards Installation Service—it's so easy and economical, when Wards do the job for you. And... remember—it's a guaranteed job at a guaranteed price, handled from beginning to end by our technical experts.

**20** No Cord, No Ear Button, No Separate Amplifier—complete unit fits behind either ear! Flesh-colored, so small it's barely noticeable—so lightweight you scarcely know it's there. Contains both microphone and receiver powered by 3 transistors.

**High Impact plastic case,** On-Off switch with separate variable volume control—no need to remove from behind ear. Plastic tubing with small lightweight plastic ear tip.

**Tiny battery** slips easily into case, nothing to unscrew. Battery lasts for over 70 hours, costs just pennies a day to operate. Order new batteries, above. 6 batteries, ear tip included. Carrying case, instructions included. 53 AP 7177 K—Only \$5 Down, \$9 Monthly. Postpaid.....Cash \$179.50

# Clean Fresh Air

## Fram Room Air Cleaner

- Triple filtration; portable—plugs into any outlet
- Activated charcoal filter leaves air clean, sweet
- Big capacity—filters air every 7 to 10 minutes
- Efficiency-proved by hospital and clinical tests
- Doubles as a circulating fan in hot weather

**1 TO 3** New Fram Room Air Cleaner with Triple Filtration. Fram's two permachem-treated air filters kill 99+% of germs trapped, as proved by hospital, clinical tests. Air filters remove pollen, dust, other nasal irritants as well as bacteria; charcoal filter frees room air of unpleasant cooking odors and smoke. Lightweight, portable and compact. Fram can be carried from room to room, plugged into any outlet. Wonderful for use in nurseries, bedrooms, sickrooms, kitchens, doctors', dentists' offices.

All filter replacements are available below. Air filters need replacing only every 4 to 6 weeks; replace odor removal filters, only two or three times a year.

Fram is available in three sizes—125, 200 and 350 CFM (cubic feet per minute). Antique White case, gold-tone grille. 110-120 V. AC. UL Approved. *Postpaid.*

# Use Puritron AND BREATHE CLEANER AIR

## Help Banish Pollen, Odors, Smoke

- Year 'round, indoors, breathe "ionized" air—free of dust, smoke, odors, irritants, impurities
- Safeguard sickrooms, nurseries, homes, offices, factories
- Help protect furnishings, upholsteries from clinging smoke, dust, lingering odors
- Choose from 2 sizes for your home or 2 heavy duty models for offices, etc.

**Invest in a Puritron** Purify, freshen air. Breathe deeply, easily; enjoy restful sleep every night, make every day fully productive. No installation, no windows necessary, just plug Puritron into outlets... it goes to work, filters air, removes bacteria, smoke, cooking odors, mustiness, helps prevent grease accumulations on walls, fixtures. Puritron keeps draperies, upholsteries cleaner, free of cooking odors, cuts cleaning bills.

**Puritron Pulls Air** in through top of the machine, forces it over a series of ultra violet tubes, then through a unique filter. Air is released back into room electronically cleaned, purified, sanitized. No bigger than a radio, Puritron can purify air in a room up to 15x15 ft. at 24 cu. ft. per minute, even in unventilated areas like basements, attics.

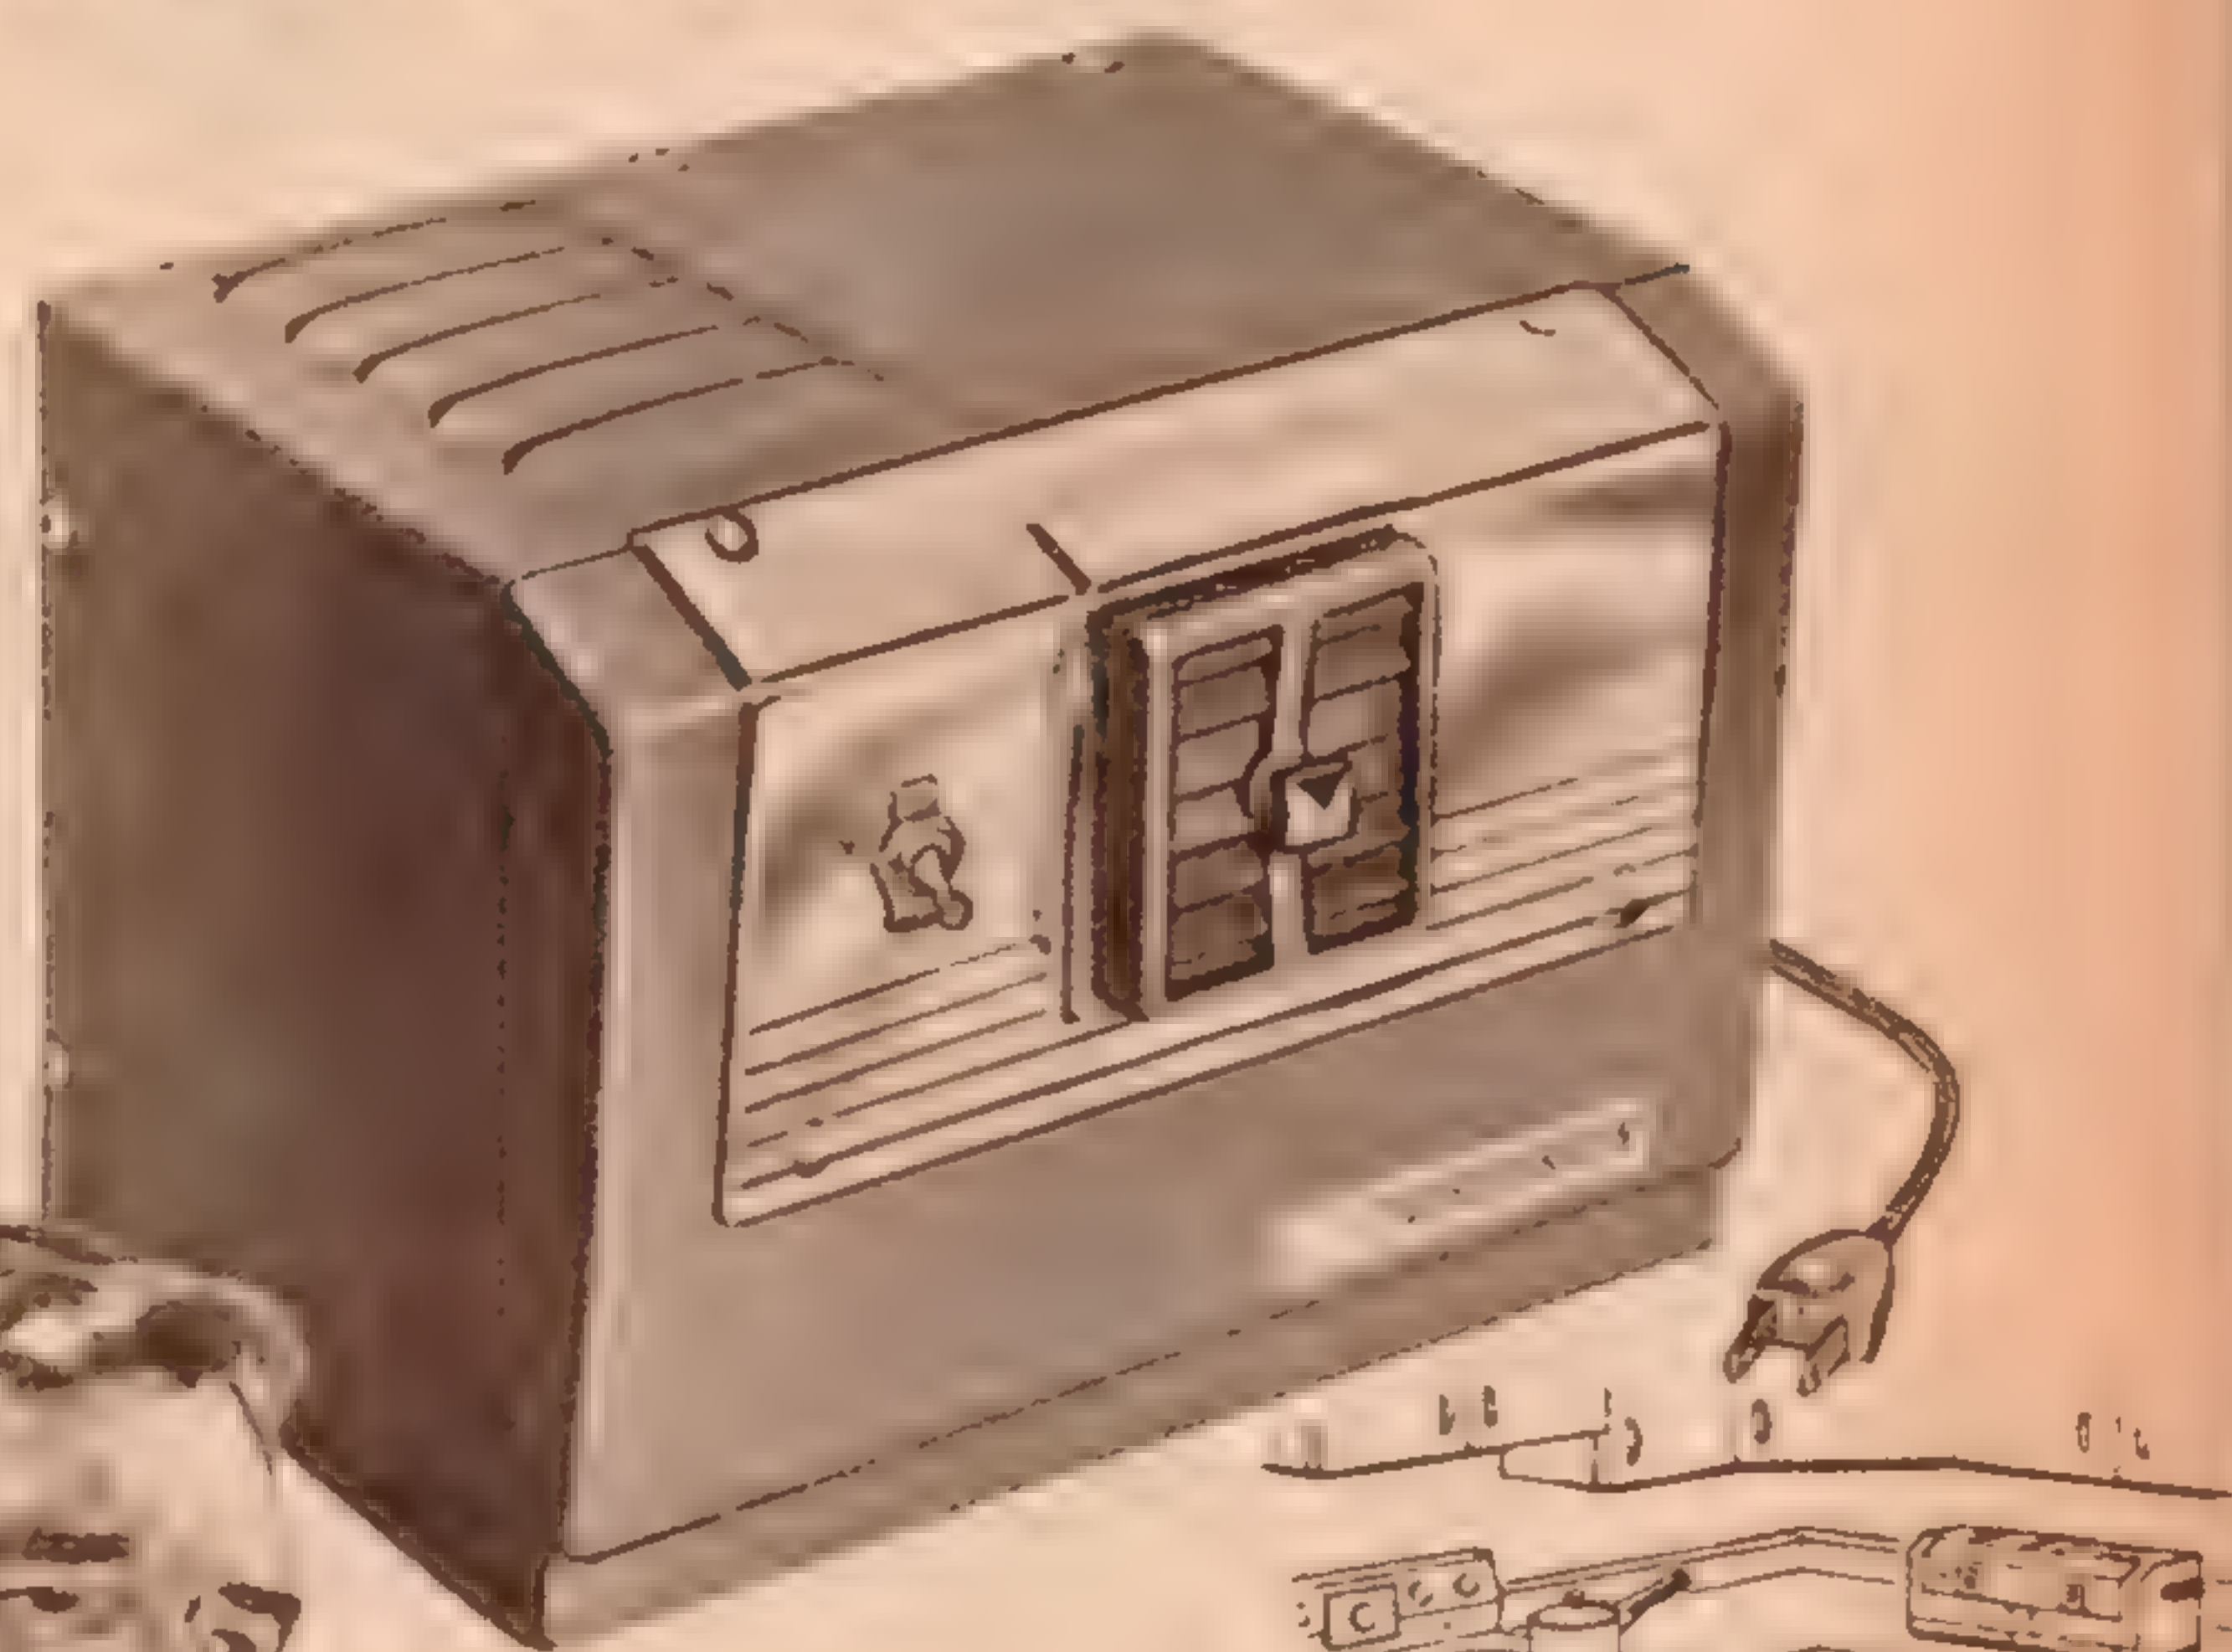

Modern design, enamel finish; chrome trim. For 110-120 V. AC., UL Approved. Mailable.

CBASKDF2 WARD S603

# Control Bed Wetting

- You Can Often Put an End to Distressing Bed-wetting Embarrassment in 2 to 4 Weeks
- Approved and Recommended by Doctors

- Harmless, No Drugs. Battery Operated
- Easy to Use, Complete Instructions, Daily Progress Chart Included

**Condition Sound Sleeper** to awaken in time. Foil pad kit (solid sheet, special separating sheet, perforated sheet) goes on bed in "wetting zone." Cover with sheet, connect to buzzer cabinet by wire. First drops of urine cause buzzer to sound, wake sleeper.

When user is conditioned to wake up in time, correction of the wetting problem is realized.

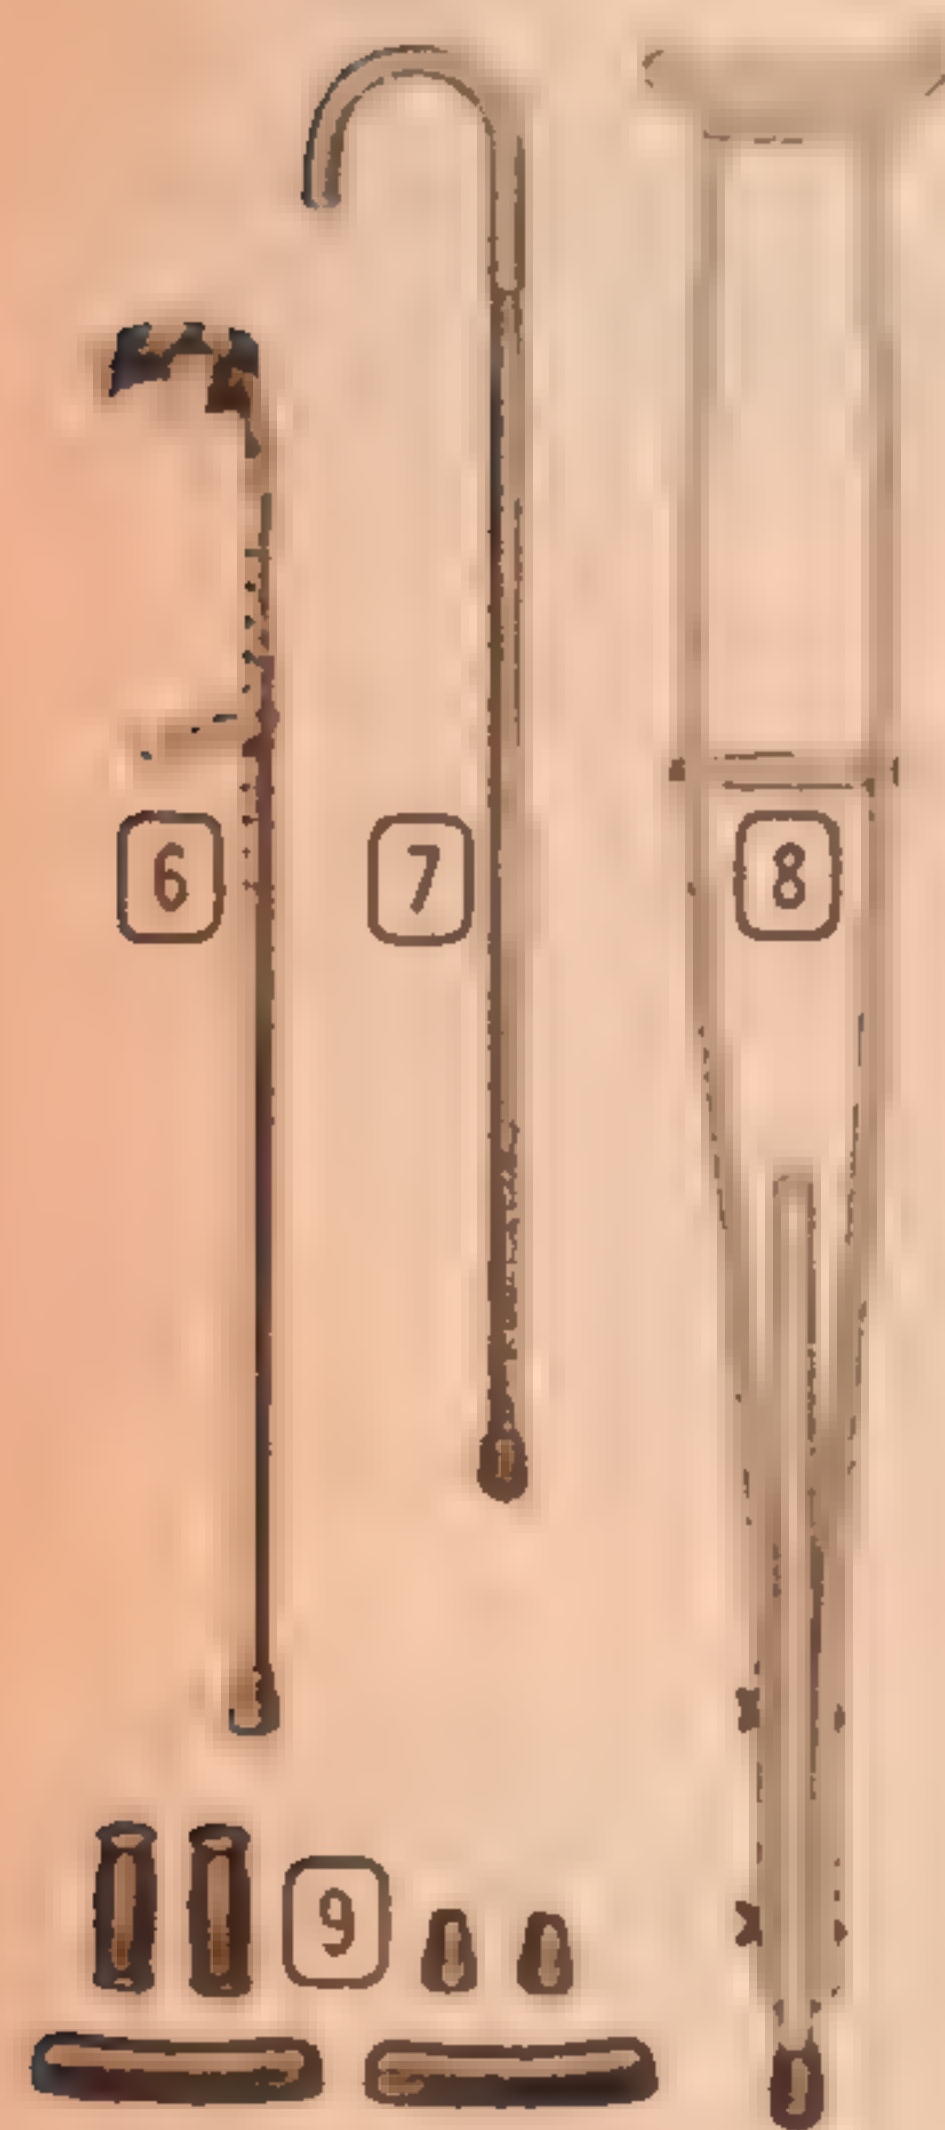

Recommended for children over 3½ and adults. Not recommended for organic disorders.

**1 New Improved Wet Guard.** Complete outfit—white plastic buzzer unit, battery, 3 complete foil pad sets (3 solid sheets, 3 perforated sheets, 3 separating sheets). Progress chart, "award stars" included.  
53 A 7014—Instructions. Wt. 4 lbs. 4 oz. .... \$21.25

**2 New Light Guard**—larger buzzer unit with volume control and light. 2 batteries, 4 complete foil pad sets (see (1) above for contents). Instructions, daily progress charts, "award stars" included.  
53 A 7032—Ship. wt. 6 lbs. 12 oz. .... \$29.50

**REPLACEMENT KIT.** 2 complete foil pad sets.

Wide Mouth  
Won't Drip,  
Fills Easily

**7-9 Wards Supreme (Best Quality) Red Rubber Bags** give years of excellent service. Big 3-quart capacity. Extremely durable, have special features not found in our Regal and Wearwell quality (see sketches at left). Retain heat longer because of strong extra thick rubber walls. Large, easy-to-fill mouths prevent dripping. Non-heat rubber handles. Leakproof necks, screw-in stoppers on (7), (8). Flush-flow wide tubing with (8), (9).

**(7) Supreme Quality Hot Water Bottle.** Easy-to-fill, easy to carry, big heating surface.

53 A 6948—Ship. wt. 1 lb. 8 oz. .... Only \$2.98

**(8) Supreme 2-in-1 Combination.** Hot water bottle, fountain syringe for douche or enema. Rubber tubing, snap-tight shut-off. Four hard rubber screw-on pipes: infant's rectal and adult's rectal and vaginal pipes, plus a smooth white rubber vaginal pipe with shield that throws upward-outward spray.

53 A 6947—Ship. wt. 2 lbs. 4 oz. .... \$4.95

**(9) Supreme Quality Fountain Syringe.** For douche or enema. Rubber tubing with easy-to-use snap-type shut-off. Three smooth hard rubber attachment pipes screw on: infant's rectal pipe and adult's rectal and vaginal pipes.

53 A 6949—Ship. wt. 1 lb. 8 oz. .... Only \$3.89

### Better Quality Red Rubber Bags

**10-12 Wards Regal (Better Quality) Molded Red Rubber**—thicker, stronger than Wearwell Good Quality sold below. 2-qt. capacity. Reinforced at points of greatest wear. Leakproof necks, screw-in stoppers on (10) and (11). Rubber tubing, snap-tight shut-off, hard rubber screw-on pipes on syringe units (10) and (12).

**(10) 2-In-1 Combination.** Hot water bottle—fountain syringe. Adult's and infant's rectal and adult's vaginal pipes.

53 A 6946—Ship. wt. 1 lb. 8 oz. .... \$2.69

**(11) Hot Water Bottle.** Special features described above. Big heating surface.

53 A 6944—Ship. wt. 1 lb. 2 oz. .... \$2.19

#### How to Order Trusses

Consult Your Physician for the type of truss you need. Stand relaxed, in natural

position. Place tape next to skin, snugly, not tightly, directly in line with rupture spot. Tape should be slightly higher in back (see sketch). This will give you Even Hip Size for ordering trusses. Do not state waist size. If measurement is odd number of inches order next smaller size.

**Special Sizes**—If your size isn't listed order size wanted, add \$3 to price. Shipped from Factory in Philadelphia. Allow 1 week extra. No C.O.D.s. No special orders on (10) or (14).

# All the Color in th

↑  
ABOVE

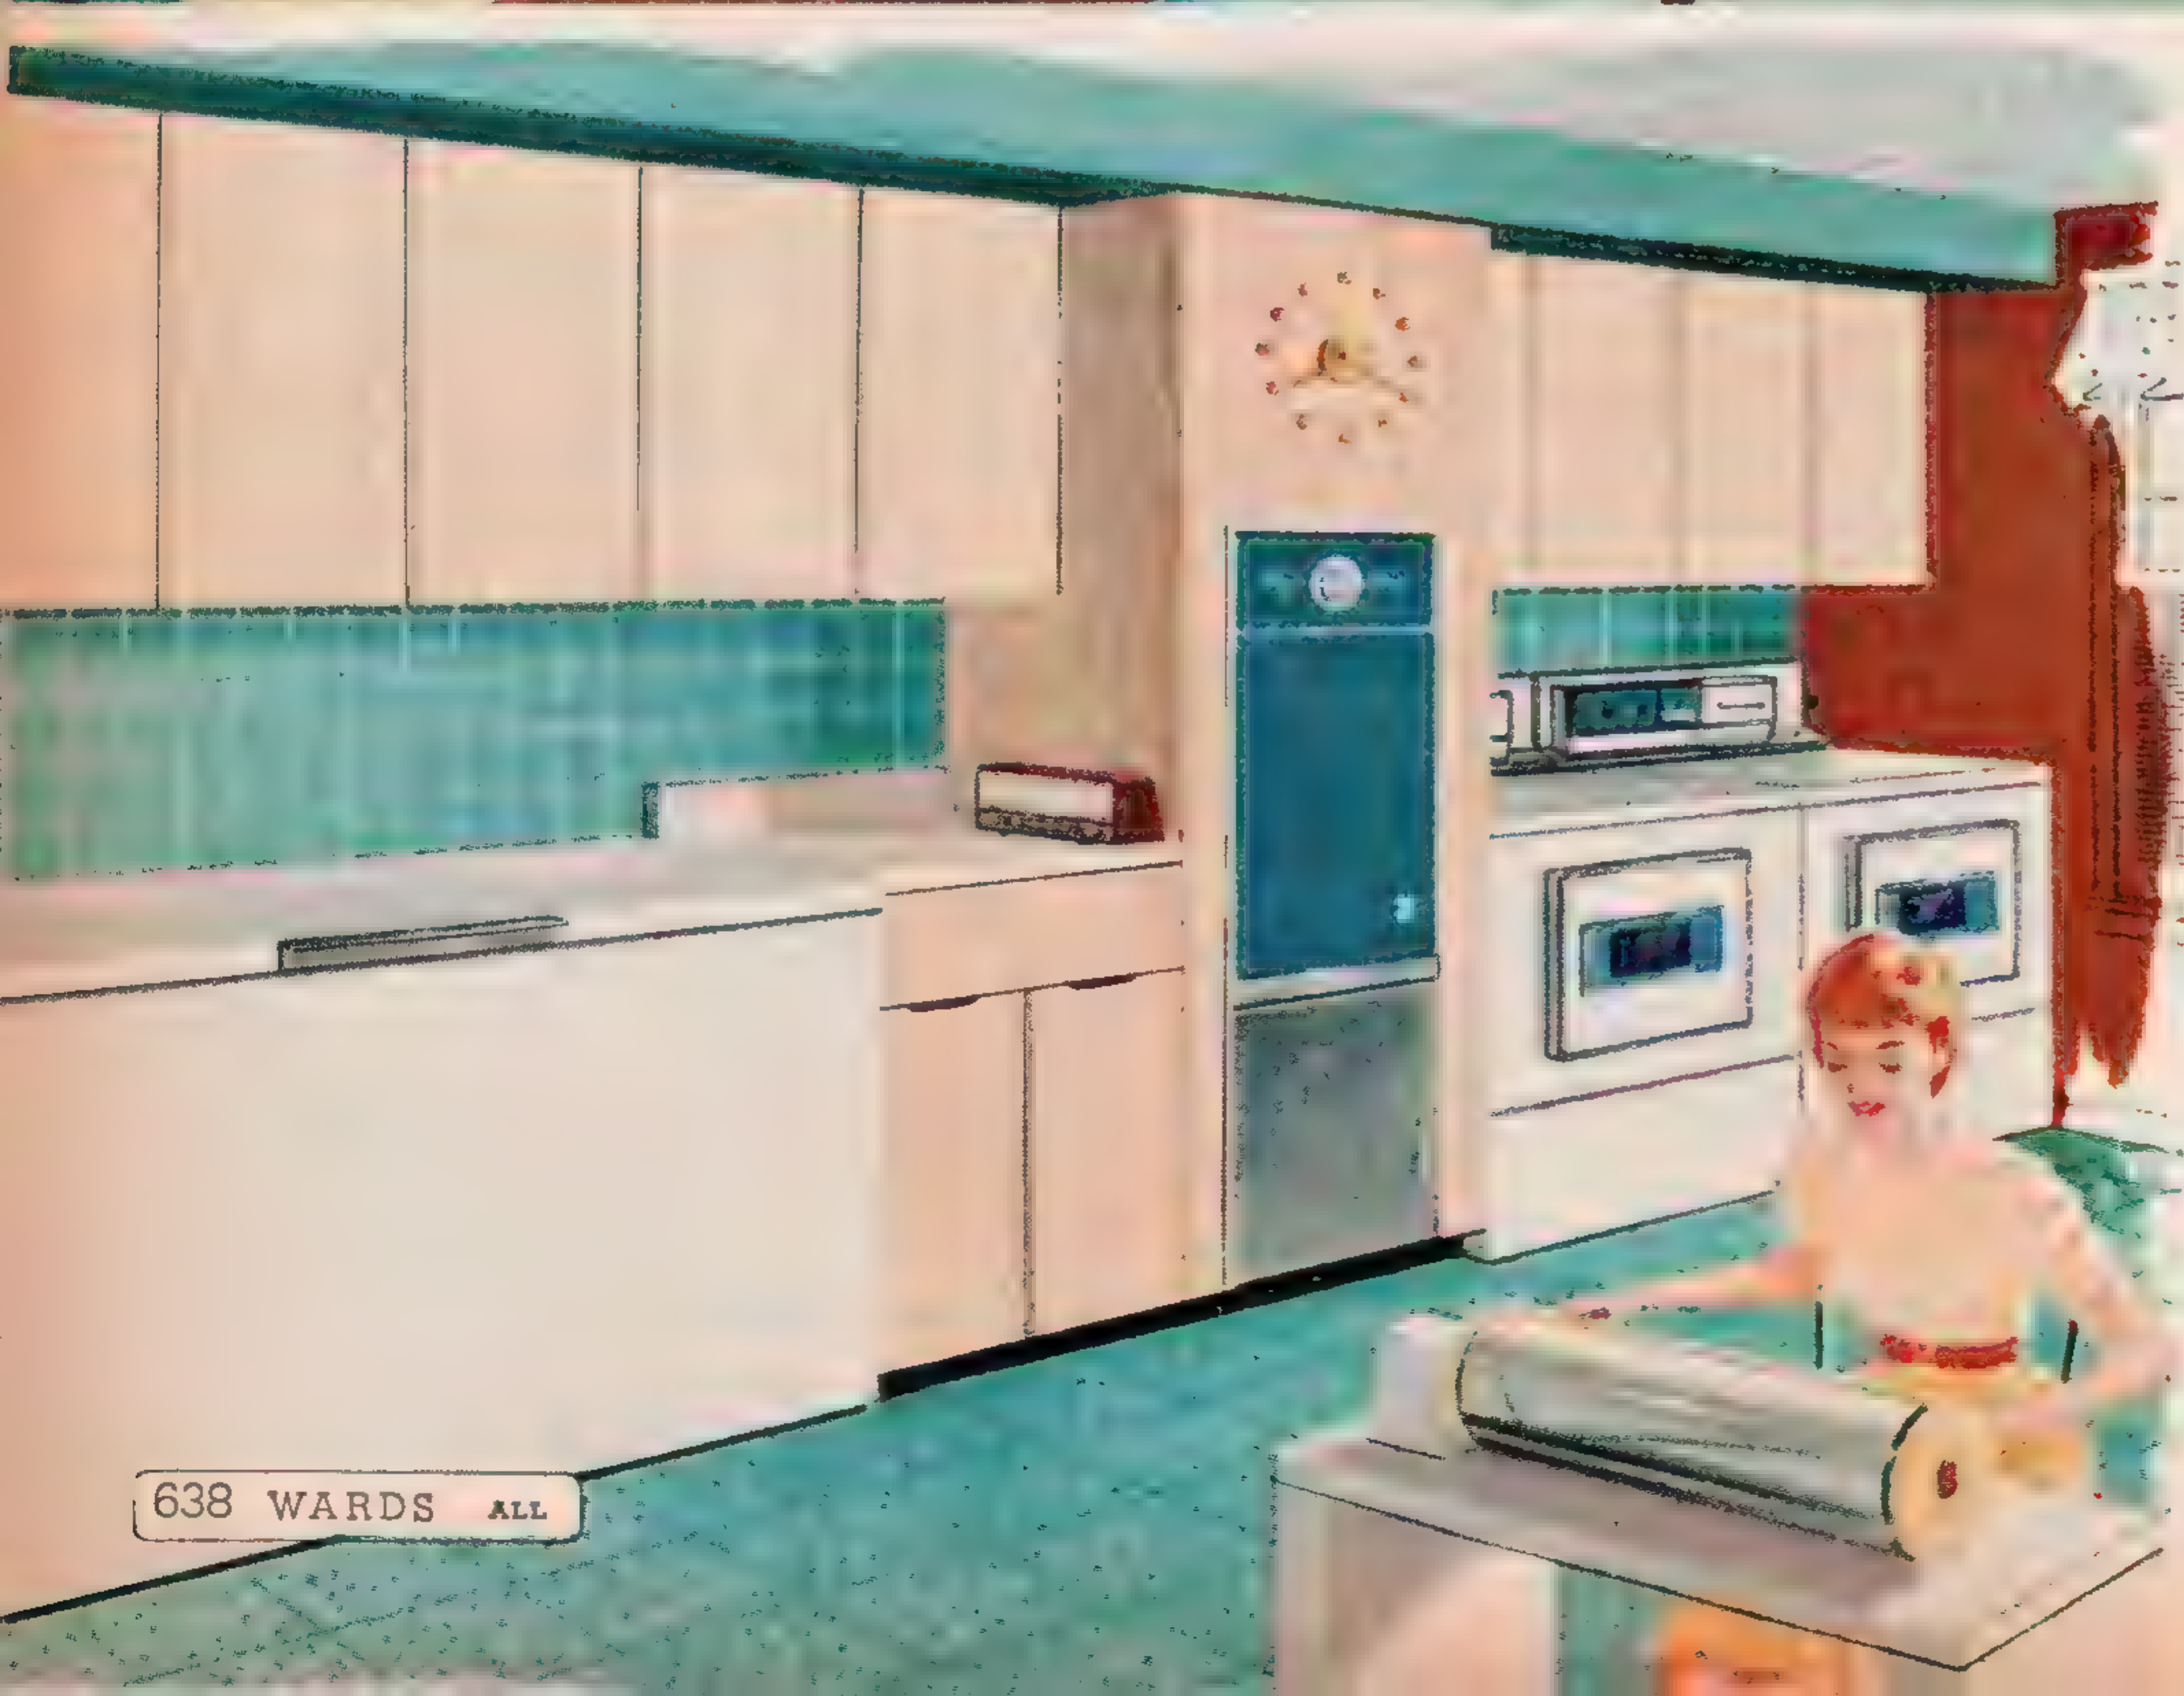

Glamorous Kitchen above has rich Tawny Birch Signature Cabinets (Page 640-1) enhanced by Tru-Cold Center-Drawer Refrigerator and Built-in Oven and Range (Page 653-4). Color Scheme is Wards Capri Blue and Candle-light Yellow, see Page 707 for Wards coordinated color plan.

← AT LEFT

Efficient Utility Room features Platinum Birch Signature Cabinets (Page 640-1) plus these work-saving appliances: Tru-Cold Freezer Chest (Page 665); Fairway Hot Water Heater (Page 935, 997), Signature Washer and Dryer twins, (Page 947, 949); Signature Ironer, (Page 950). Color scheme is Delphinium Blue, see page 707.

AT RIGHT →

Gleaming White Kitchen on opposite page is built around Signatures' finest Steel Cabinets (Page 644-5). Free-standing appliances include: Signature Automatic Range (Page 653); Tru-Cold Refrigerator (Page 661) and Portable Signature Dish-Washer (Page 655). Modern Built-in Fireplace shown is listed on page 983. Floor Tile on Page 901.

# the World For Your Kitchen

**A WARD CO-ORDINATED SIGNATURE KITCHEN IS RIGHT FOR YOU:**

## Color-Right

Whether you choose wood or steel cabinets, you can add color accents with matching or contrasting walls, countertops, floors and accessories. Walls can be painted or tiled, counters can be plastic laminate or vinyl type, floors can be rubber, vinyl, asphalt or linoleum—all come in a wide selection of colors. See Page 707 for details of Wards co-ordinated color plan.

## Design-Right

Signature Cabinets and Wards modern appliances are designed with your convenience in mind. Every work-saving, step-saving, time-saving feature has been included to shorten your kitchen hours, make meal preparation most efficient.

## Style-Right

Wards exclusive Signature products, wood or steel cabinets, built-in or free-standing stoves, portable or built-in dishwashers, even laundry equipment and hot water heaters, have been given a modern, matching design that gives your kitchen a custom harmony you never before thought possible. A complete harmony—even to uniformly designed control panels and trim.

## Price-Right

At Wards, a luxury kitchen need not be luxury-priced. Whether you need just one cabinet or a whole new kitchen, you'll find that you'll save at Wards low prices. And you can take 3 years to pay on Wards Home Improvement Plan—see Pg. 960.

# When Only the Best Will Do

## PREFINISHED *Signature* BIRCH CABINETS—TAWNY OR PLATINUM FINISH

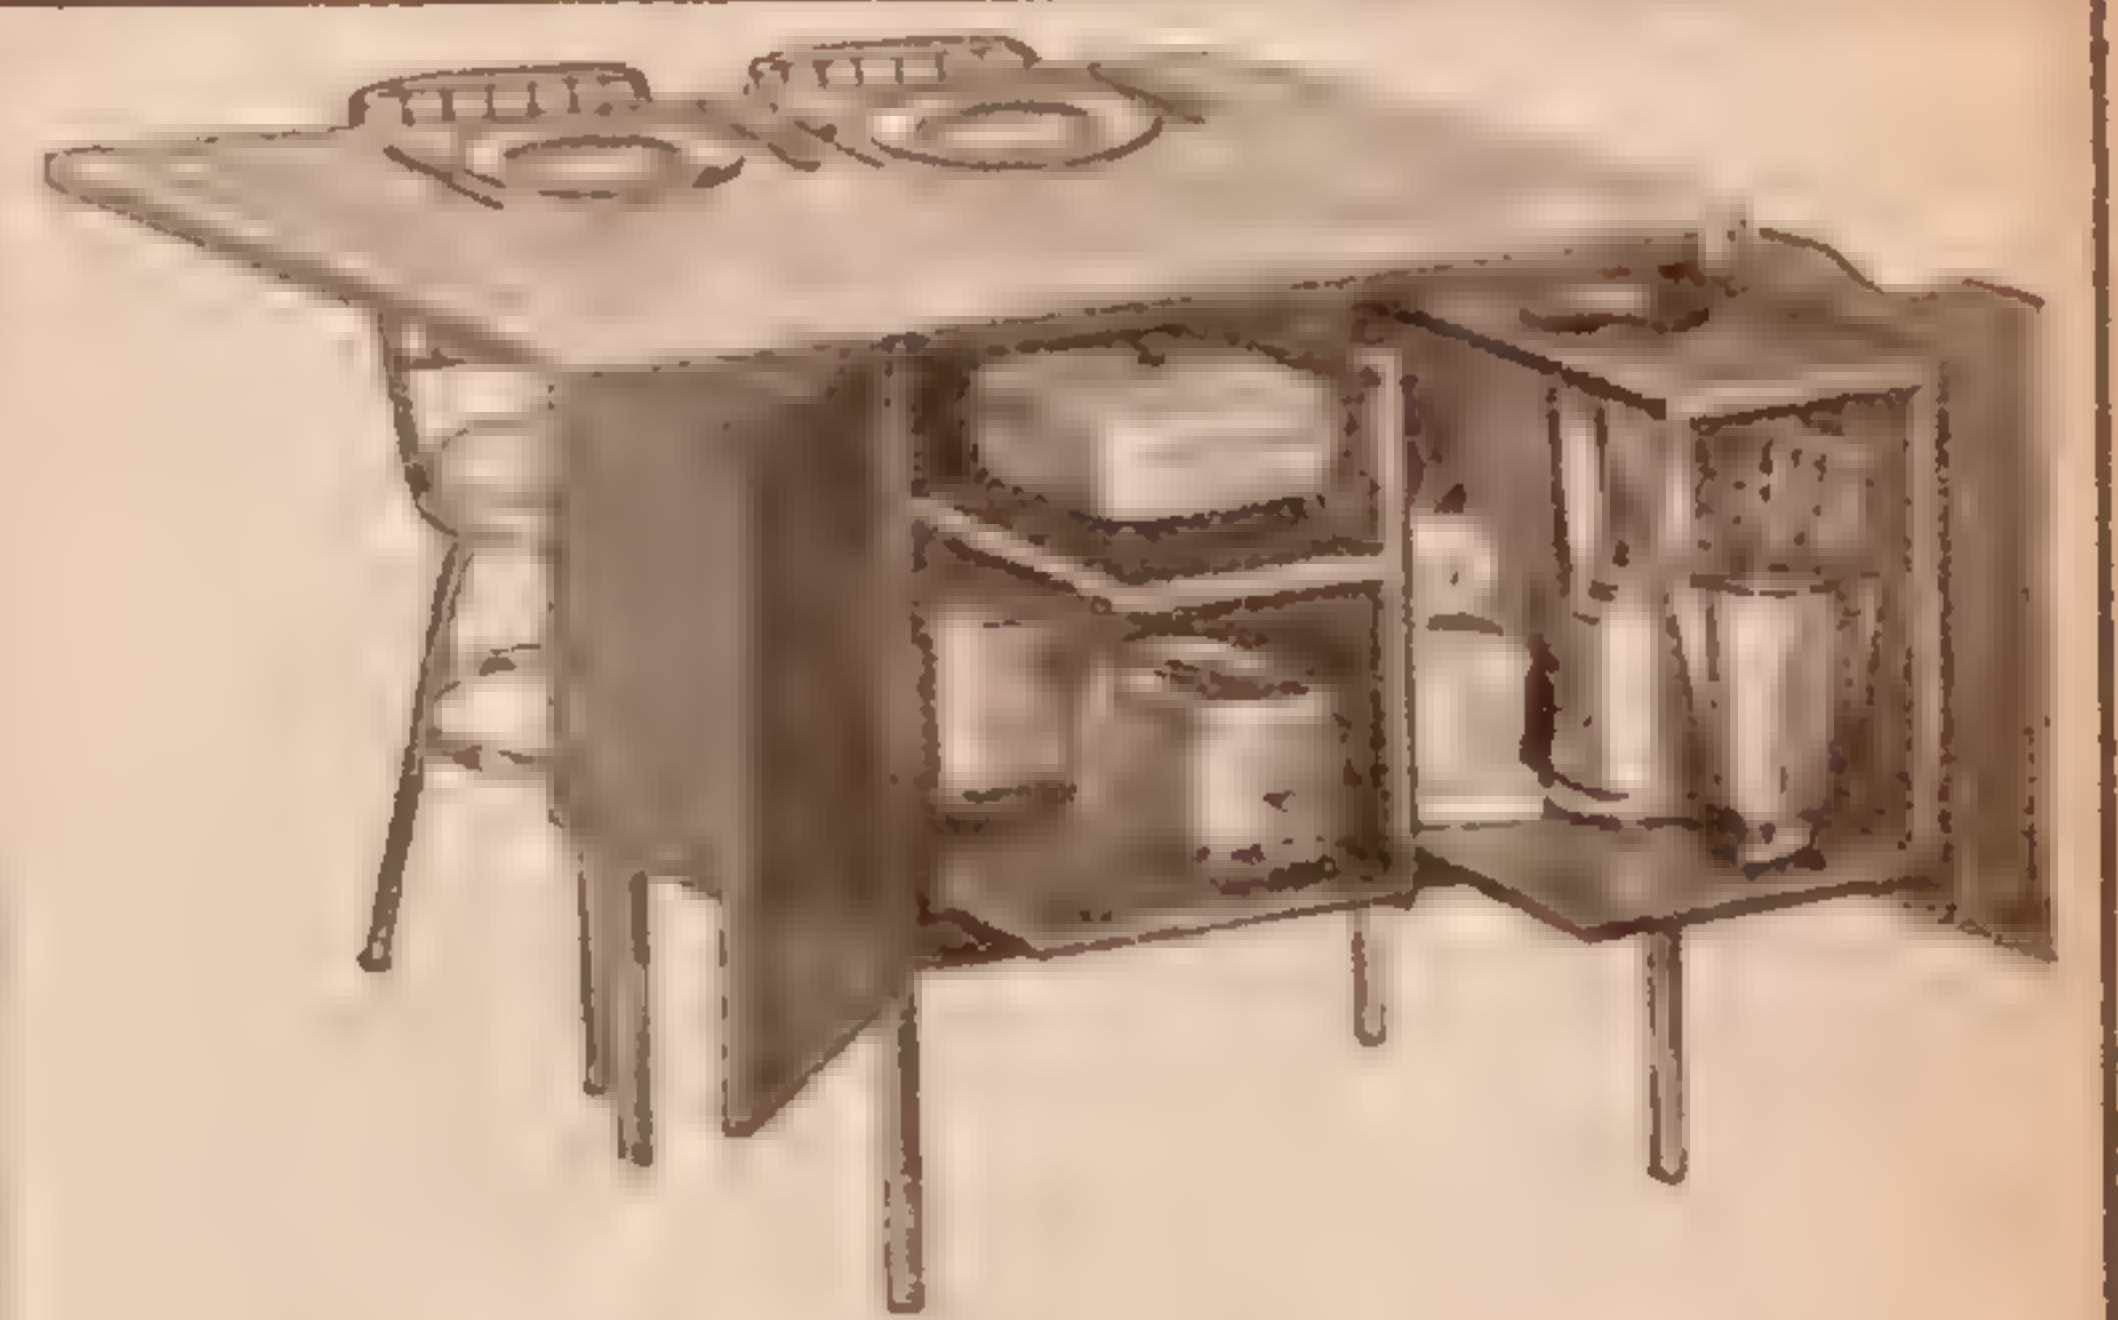

### HAND RUBBED FINISH

Three-coat furniture type finish in toned Tawny or Platinum—hand sanded and hand waxed for lasting beauty. Specially designed and tested to withstand hard kitchen use.

### MAGNETIC DOOR CATCHES

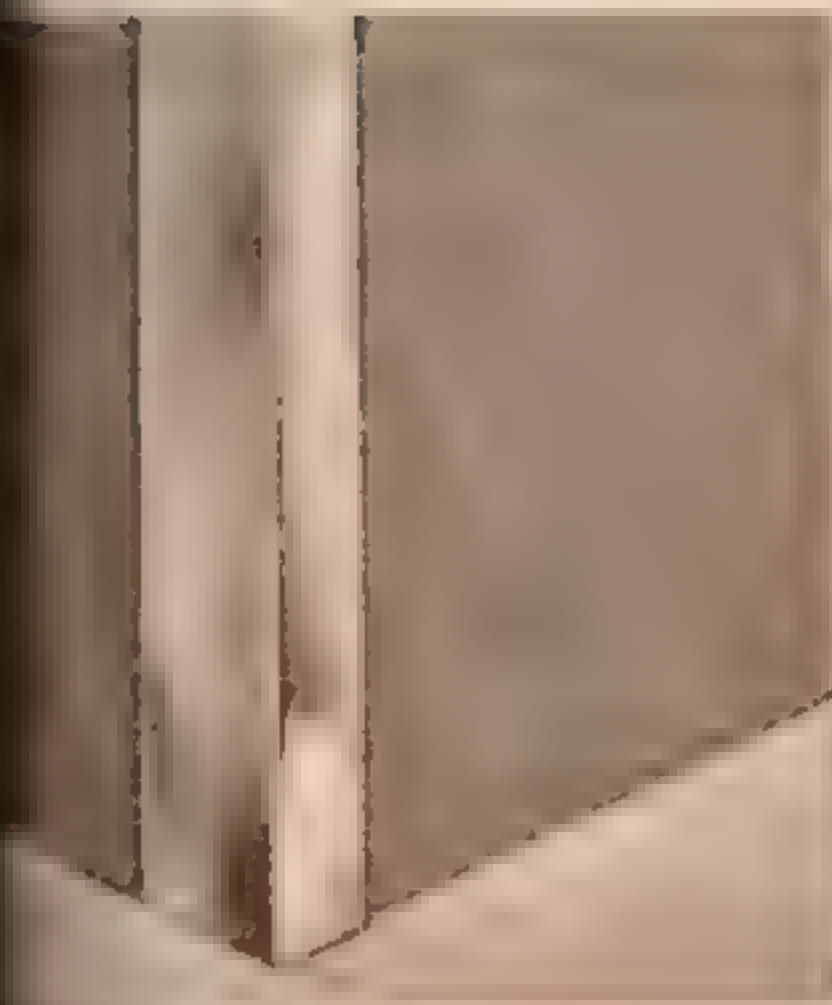

Spring cushioned, adjustable catches insure easy opening and positive closing action. Hinges are sturdy semi-concealed furniture type. Made of 14-gauge steel with nylon bearings.

## Exclusive 2-in-1

### "SMALL APPLIANCE CENTER"

Wards now offer a complete line of Signature Island Base Units for your custom-kitchen. Write Wards Customer Engineering Dept. for information. See Kitchen Planning, Pg. 639. Unit shown above is the compact small-appliance center with 2 pull-out pegboard racks. Also serves as a handy breakfast bar when used with extra-wide counter top.

### STAINLESS STEEL EDGES

Smart metal trim enhances the fine natural wood finish—affords extra protection, too. Exceptionally attractive when coordinated with Signature appliances, see index.

### OAK DRAWER GUIDES

Oak drawer sides ride on full-length guides. Guides are impregnated with permanent lubricant for smooth, quiet operation—won't stick. Safety stops prevent accidental removal or spilling.

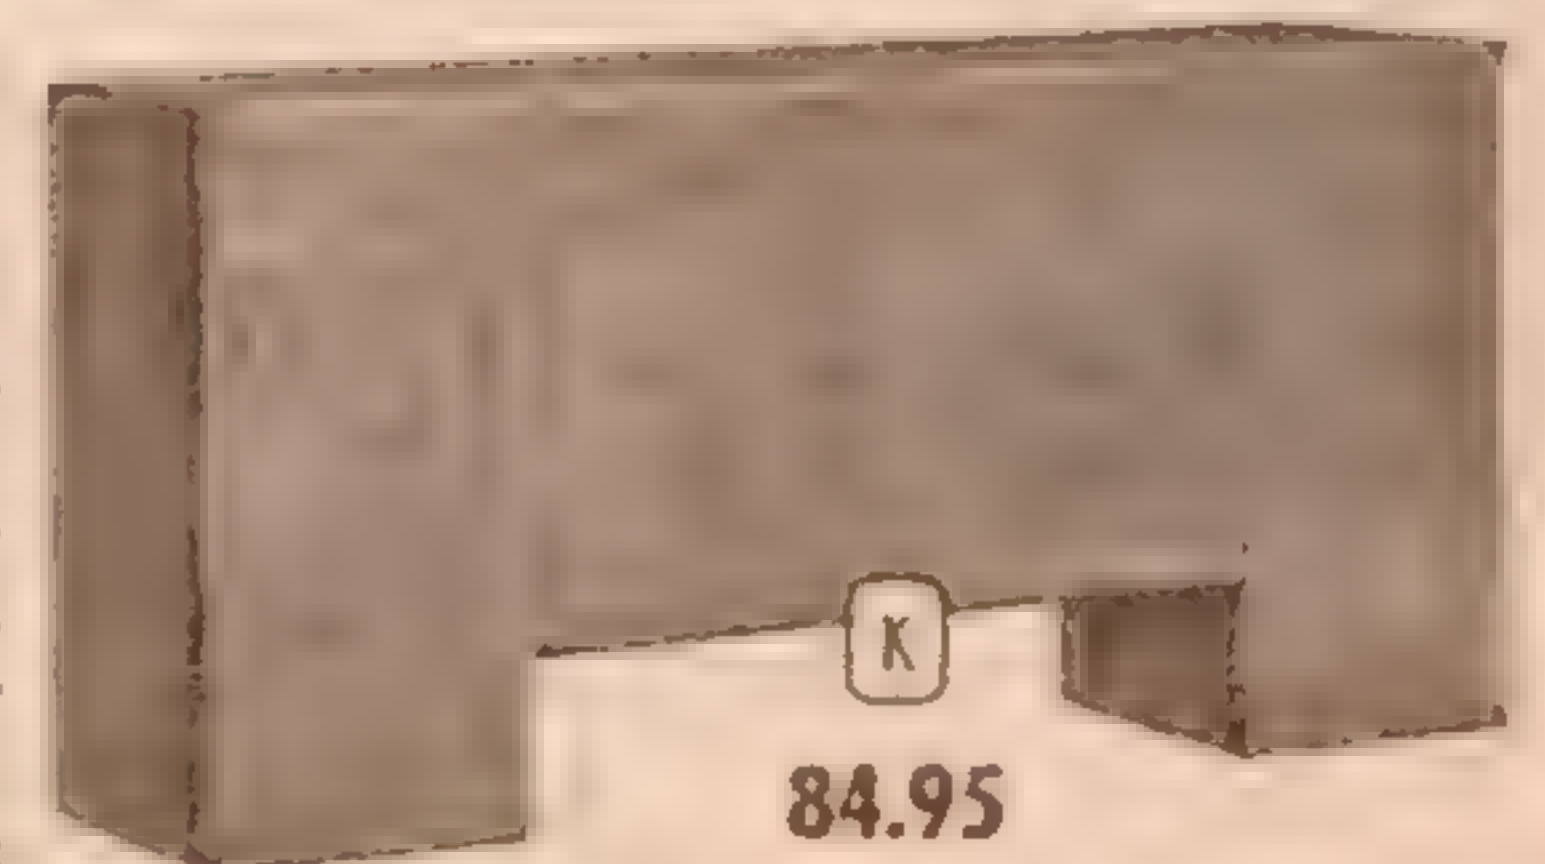

## 66-in. Birch Cabinet Sink \$184<sup>95</sup> . . . Matching Wall Cabinet \$84<sup>95</sup>

# Natural Sunny Birch...Two Ways to Buy:

## 1. SEMI-ASSEMBLED...EASY TO FINISH YOURSELF...Low as \$14<sup>95</sup>

Save a big 30% by assembling and finishing cabinets yourself. No special tools needed—cabinets can be completely assembled with hammer and screwdriver! Factory completes important part of job by assembling and bonding side frames and supports. No cutting, no fitting. All parts machined and sanded—ready to lacquer, varnish or enamel. "Locator" hinges assure perfect door hanging. Check "4 Foolproof Steps" below: Shipped promptly from Stock.

✓ Screw pre-assembled end panels to pre-assembled, bonded front frame.

✓ Slide top and bottom panels into pre-cut grooves and attach back panels.

✓ Mount hardware—hinges are paired right and left, have special locators—hang doors.

✓ Apply finish of your choice and cabinets are ready to use. The easiest assembly ever!

## 2. FULLY ASSEMBLED AND LACQUERED

Low As \$21<sup>95</sup>

Easiest, most convenient way to order Wards finest light-grain lacquered Birch cabinets—the perfect units for your glamorously-modern, wonderfully-efficient cabinet kitchen. Ready to set in place when delivered. Same as cabinets described at left but completely assembled and lacquered. Prime coated with penetrating sealer, given two spray coats of clear lacquer—then oven-dried. Factory-finishing process also includes special toning of cabinet front frames and finishing of recessed toe space in black satin.

### NO WAITING

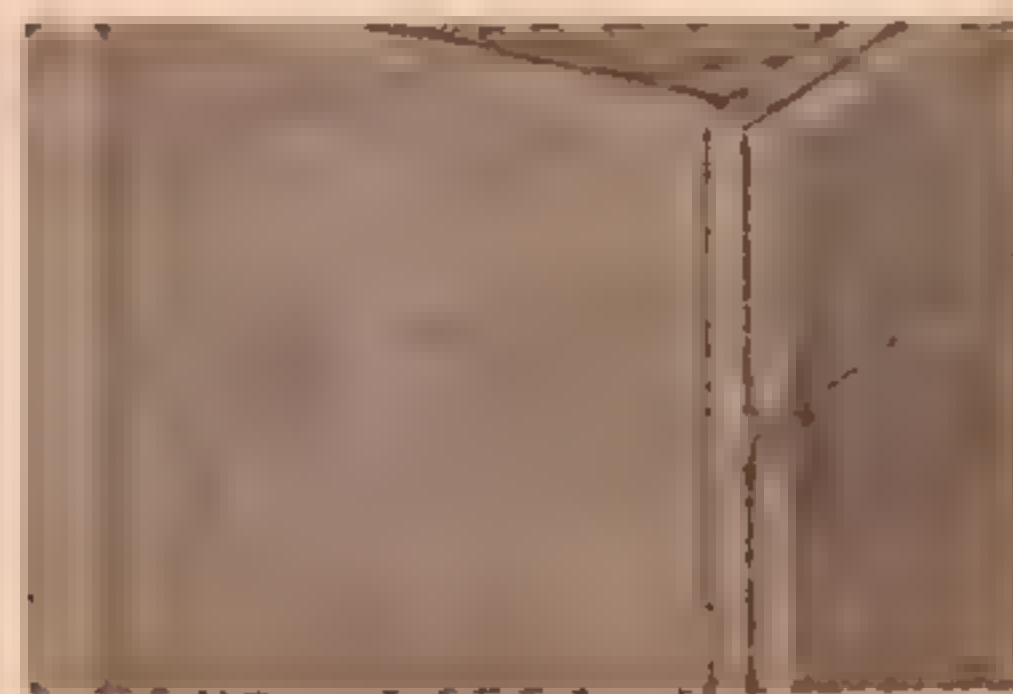

All semi-assembled cabinets on these two pages are ready for immediate shipment from Stock.

## All Sunny Birch Cabinets Have These Quality Features:

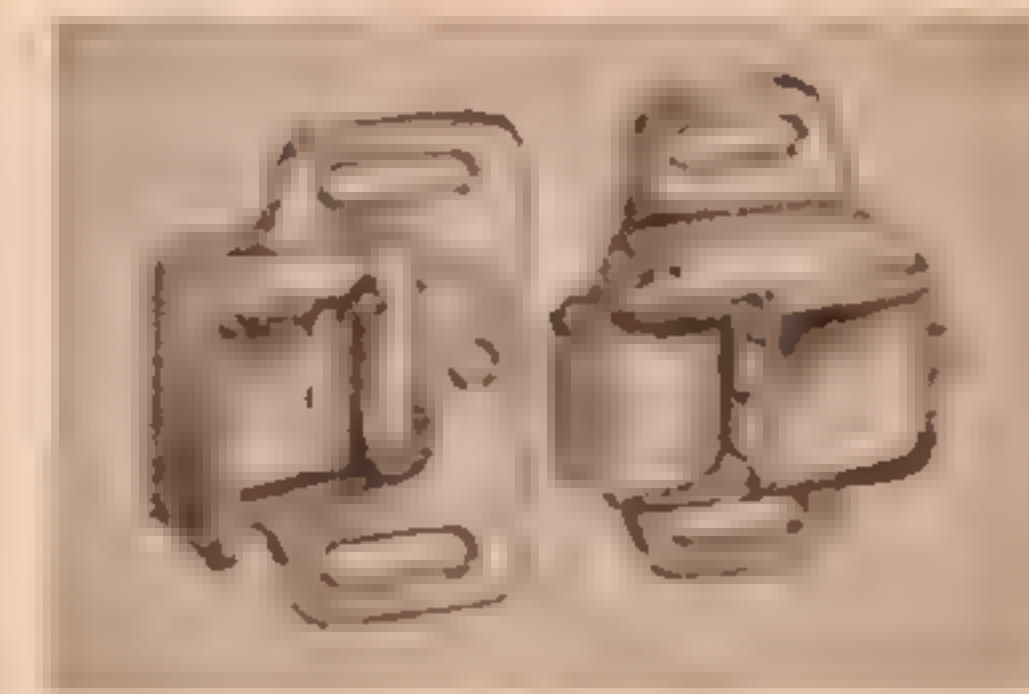

### HANDSOME HARDWARE

Smart modern 1-in. diameter pulls styled of brushed chrome and copper with fine pewter finish. Unique design goes with any kitchen decor. Semi-concealed hinges for modern straightline look. Wall Cabinets have recessed finger wells.

### BIRCH END PANELS

Finished end panels included on all cabinets. Many cabinets are sold elsewhere with plain fir plywood end panels which do not match birch fronts and require additional cover panels. Doors are full 3/4 in. thick ladder-core construction.

### RUBBER ROLLER CATCHES

Modern catches on all base and wall cabinet doors engage under finger-tip pressure, hold doors tightly closed. Smooth, silent spring action operation with built-in slot adjustment. Never need oiling—stay quiet, firm.

### ADJUSTABLE SHELVES

Shelves are removable and adjustable. Strongly-built of 3/4-in. clear lumber framing with 3/8-in. 3-ply panel inserts. Base shelves adjust to 3 positions—allow you to arrange storage areas the way you want them.

# YOU CAN'T BUY FINER STEEL CABINETS!

## Signature Semi-Deluxe Sinks <sup>Low</sup> as \$79<sup>95</sup>

(10) to (12) Same fine quality porcelain enamel top and heavy steel construction as Deluxe Cabinets on opposite page, but cabinets have fewer drawers and straight-line styling with recessed center section. Built-in splash rim and no-splash bowls prevent spattering. Doors are completely insulated for sound-deadening. Drawers ride on nylon glides in steel tracks, won't warp or stick. Equipped with Finest Fittings: two-valve mixing faucet with spray head; hose, Foam-Flo Aerator, basket strainer. Tops: 24 in. front to rear. Height: 36 in., 4-in. backsplash. Modern chromed hardware, semi-concealed hinges.

(10) Semi-Deluxe 2-Basin 66-inch Width. Big double basins and 2 large drainboards simplify dishwashing and food preparation. Each basin 14 $\frac{3}{4}$ x15 $\frac{3}{4}$  in., 6 $\frac{1}{2}$  in. deep. Two 15 $\frac{1}{4}$ x17 $\frac{1}{4}$ -in. drainboards. Two drawers, three compartments, two shelves. See "Shipping Information" below.

74 A 8328 R—Ship. wt. 195 lbs. See Terms, Pages 1281, 1283.....\$119.95

(11) Semi-Deluxe 1-Basin 54-inch Width. Basin 20x15 $\frac{3}{4}$  in., 7 in. deep. Two 15 $\frac{1}{4}$ x17 $\frac{1}{4}$ -in. drainboards. Two drawers, three compartments, two shelves.

74 A 8327 R—Ship. wt. 164 lbs. See Terms, Pages 1281, 1283.....\$89.95

(12) Semi-Deluxe 1-Basin 42-inch Width. Compact—convenient apartment size. Provided with big 17 $\frac{3}{4}$ x17 $\frac{1}{4}$ -in. drainboard. Basin: 20x15 $\frac{3}{4}$  in., 7 in. deep. One-drawer cabinet. Contains large compartment with one shelf.

74 A 8319 R—WITH LEFT DRAINBOARD (shown). Ship. wt. 128 lbs.....\$79.95

All Cabinets on These 2 Pages Shipped Promptly from Stock.

### FREE KITCHEN PLANNING SERVICE

Using equipment you select and measurements you provide, Wards experts will design a completely coordinated custom-kitchen for you. A scale model of your new kitchen will be assembled and photo-

graphed. You will receive a full-color photograph of the model along with a cost estimate and floor plan—absolutely no charge or obligation. See Pg. 639 for Free Kitchen Planning blank.

## Signature Steel Wall Cabinets to Match Sink Cabinets <sup>Low</sup> as \$15<sup>95</sup>

(16) to (21) Steel Wall Cabinets—gleaming white baked-on enamel finish. Cabinets (16) and (17) have shelves that adjust to five positions. Backs are recessed for metal hanger bars—afford easy installation. Sound-deadened, fully insulated, double-wall doors. Positive action catches—open and close quietly, firmly on rubber cushions. Semi-concealed hinges.

WALL CABINETS (16) and (17) have 2 adjustable shelves. On (17) specify right or left hand hinge. CORNER WALL CABINETS (18) and (19) both require 25 in. along each wall. (18) has 2 fixed shelves, (19) has 3 revolving "Lazy Susan" shelves. Wall fillers (not shown) help give your cabinet kitchen a perfect wall-to-wall custom fit. Use (20) over sink or refrigerator—has 1 full shelf. WALL HOOD CABINET (not shown) is 18 in. high—use with range hoods on Page 652. Constructed with hardboard-panel shelf, top and bottom—easy to cut opening for hood installation. Order wall cabinets from table at right.

All hinges and handles are attached at factory. Wall Cabinets match all sinks and base cabinets sold above and on opposite page. Send for free Kitchen Planning blank on Page 639. Not Mailable.

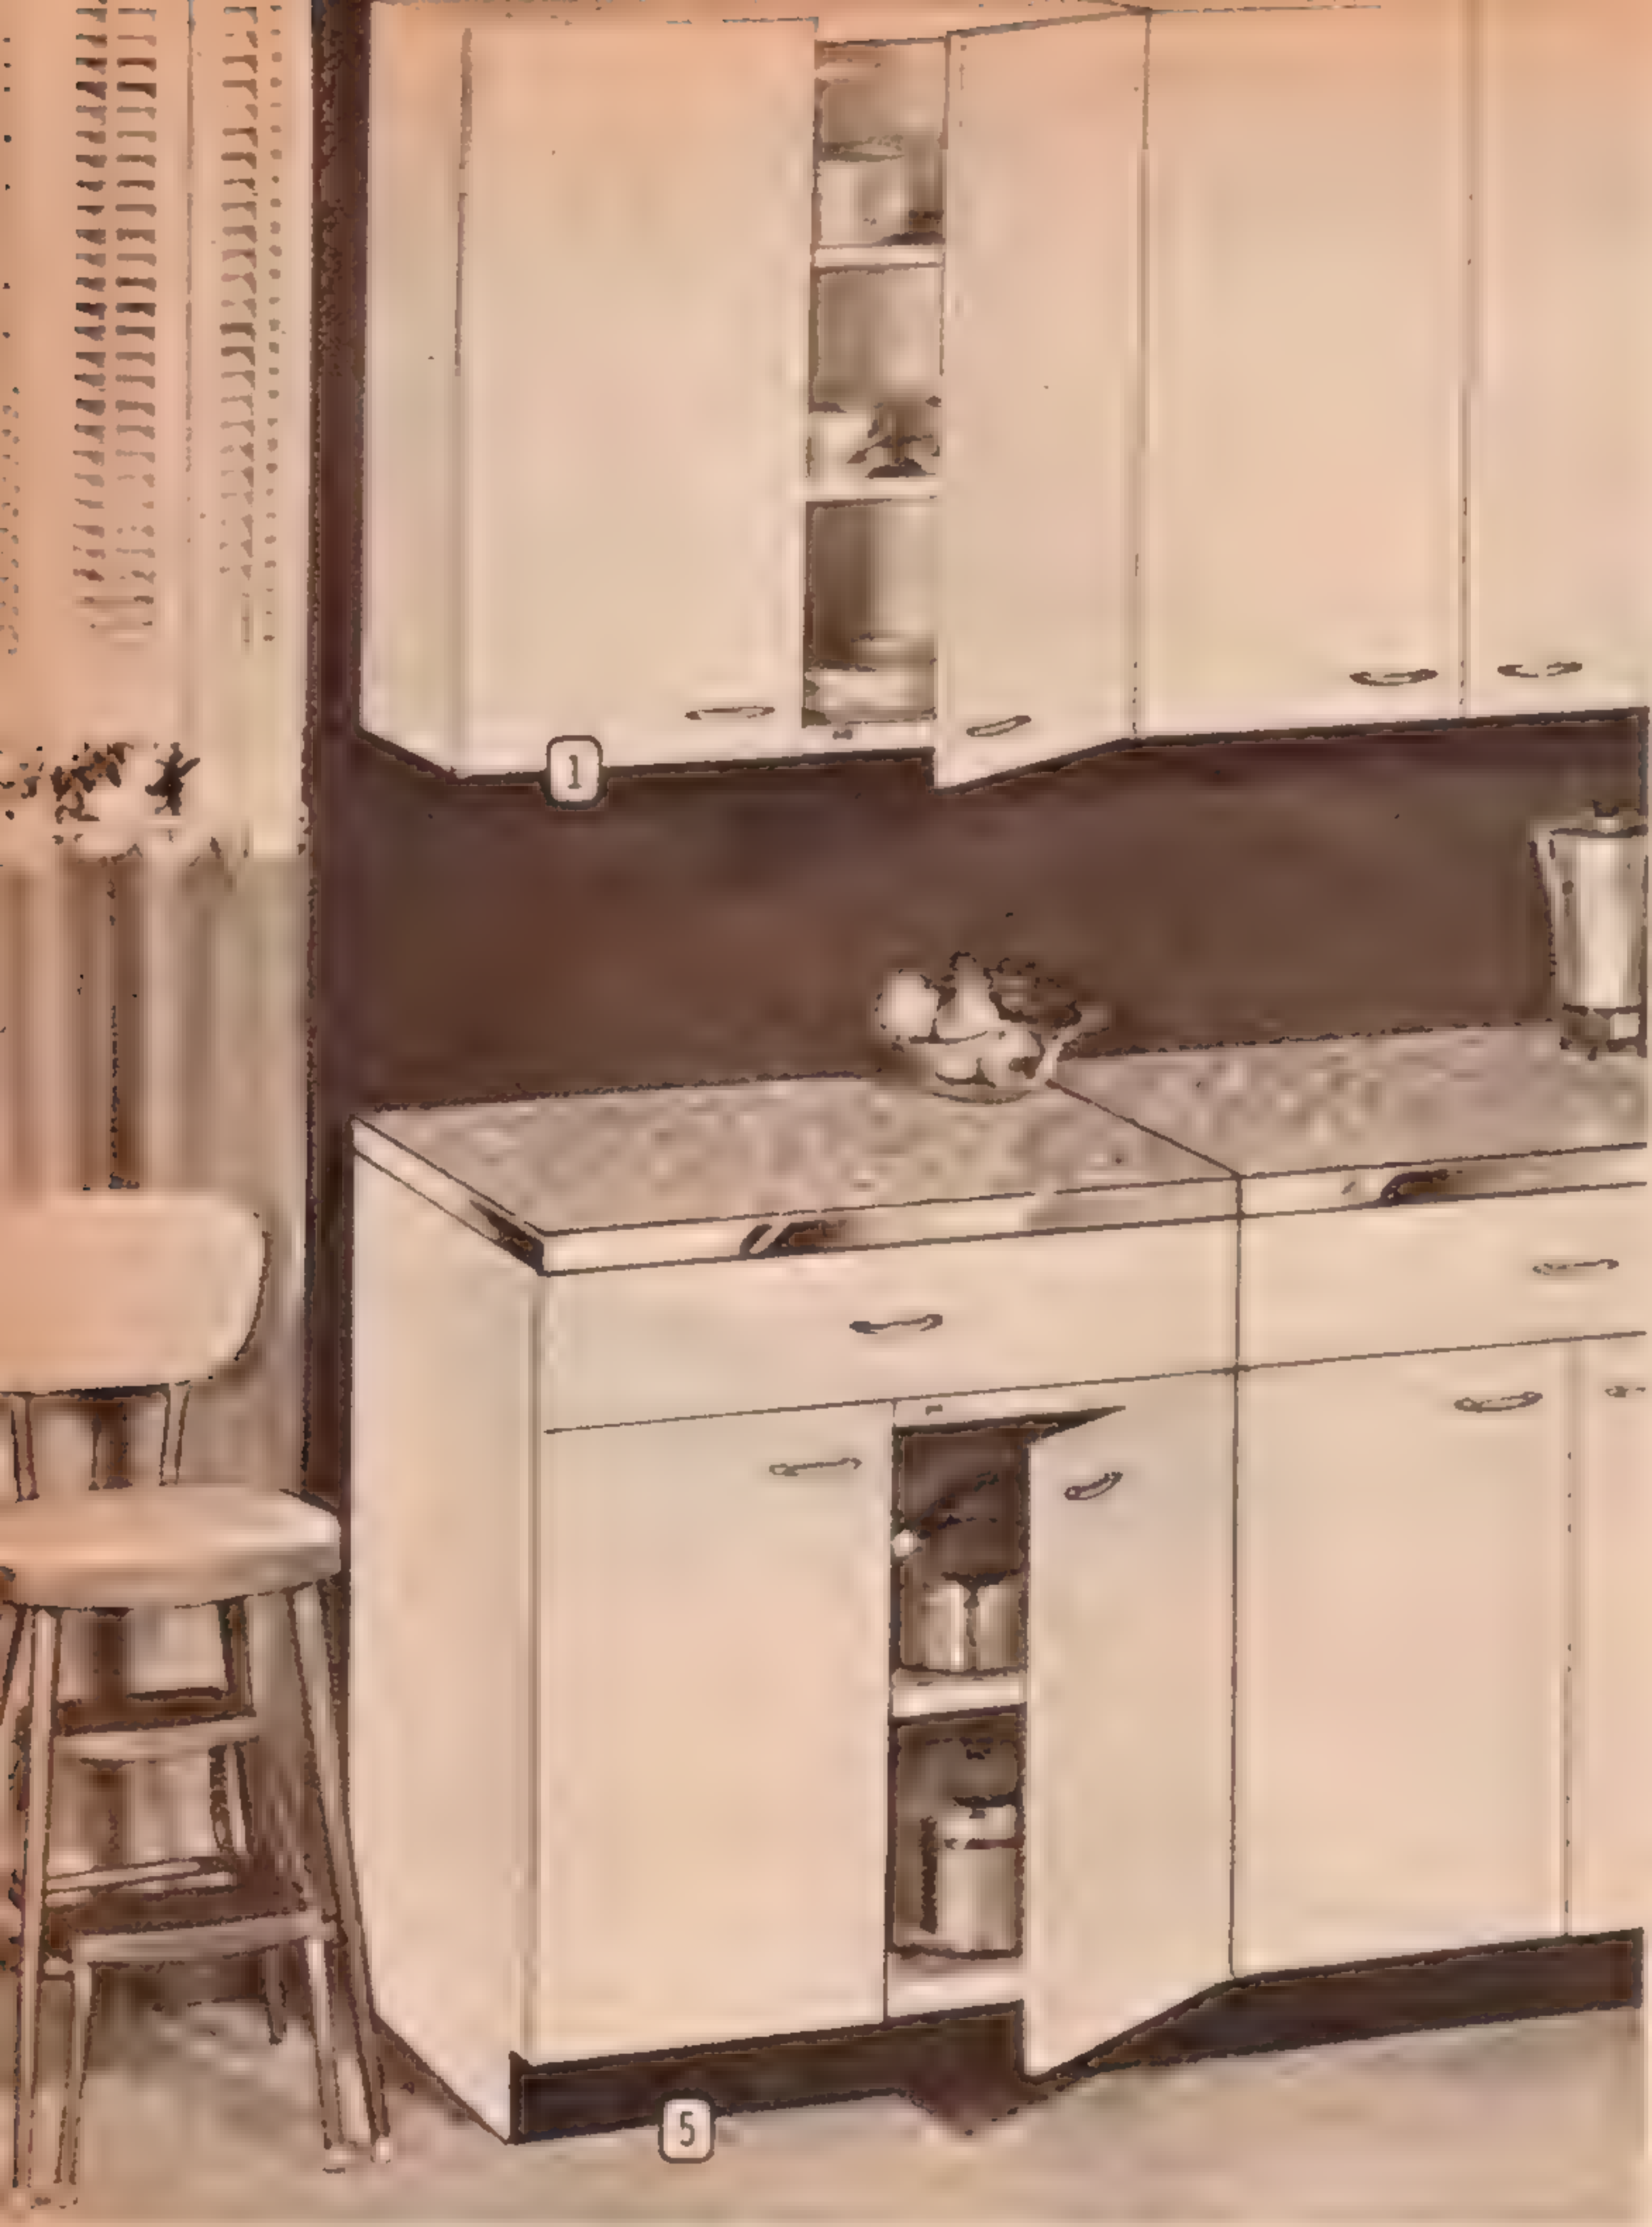

74 A 8053 R—State Catalog Number and Style Number. For (17), specify "L" or "R".

## The "Customized" Beauty of Built-Ins—Without the Expense of Installation!

- Sturdy Steel Construction—designed for long, continuous service.
- Baked-on White Enamel Finish wipes clean with a damp cloth.
- Space-saving Sliding Doors work quietly on Nylon rollers.
- Smartly Styled Picture-Frame Design.
- Chromed Handles on all drawers.
- Mar-Proof Plastic Tops on bases have Gray "Mother-of-Pearl" pattern.
- Aluminum Edging—prevents chipping.
- Black, Recessed Kickplate hides scuffs.

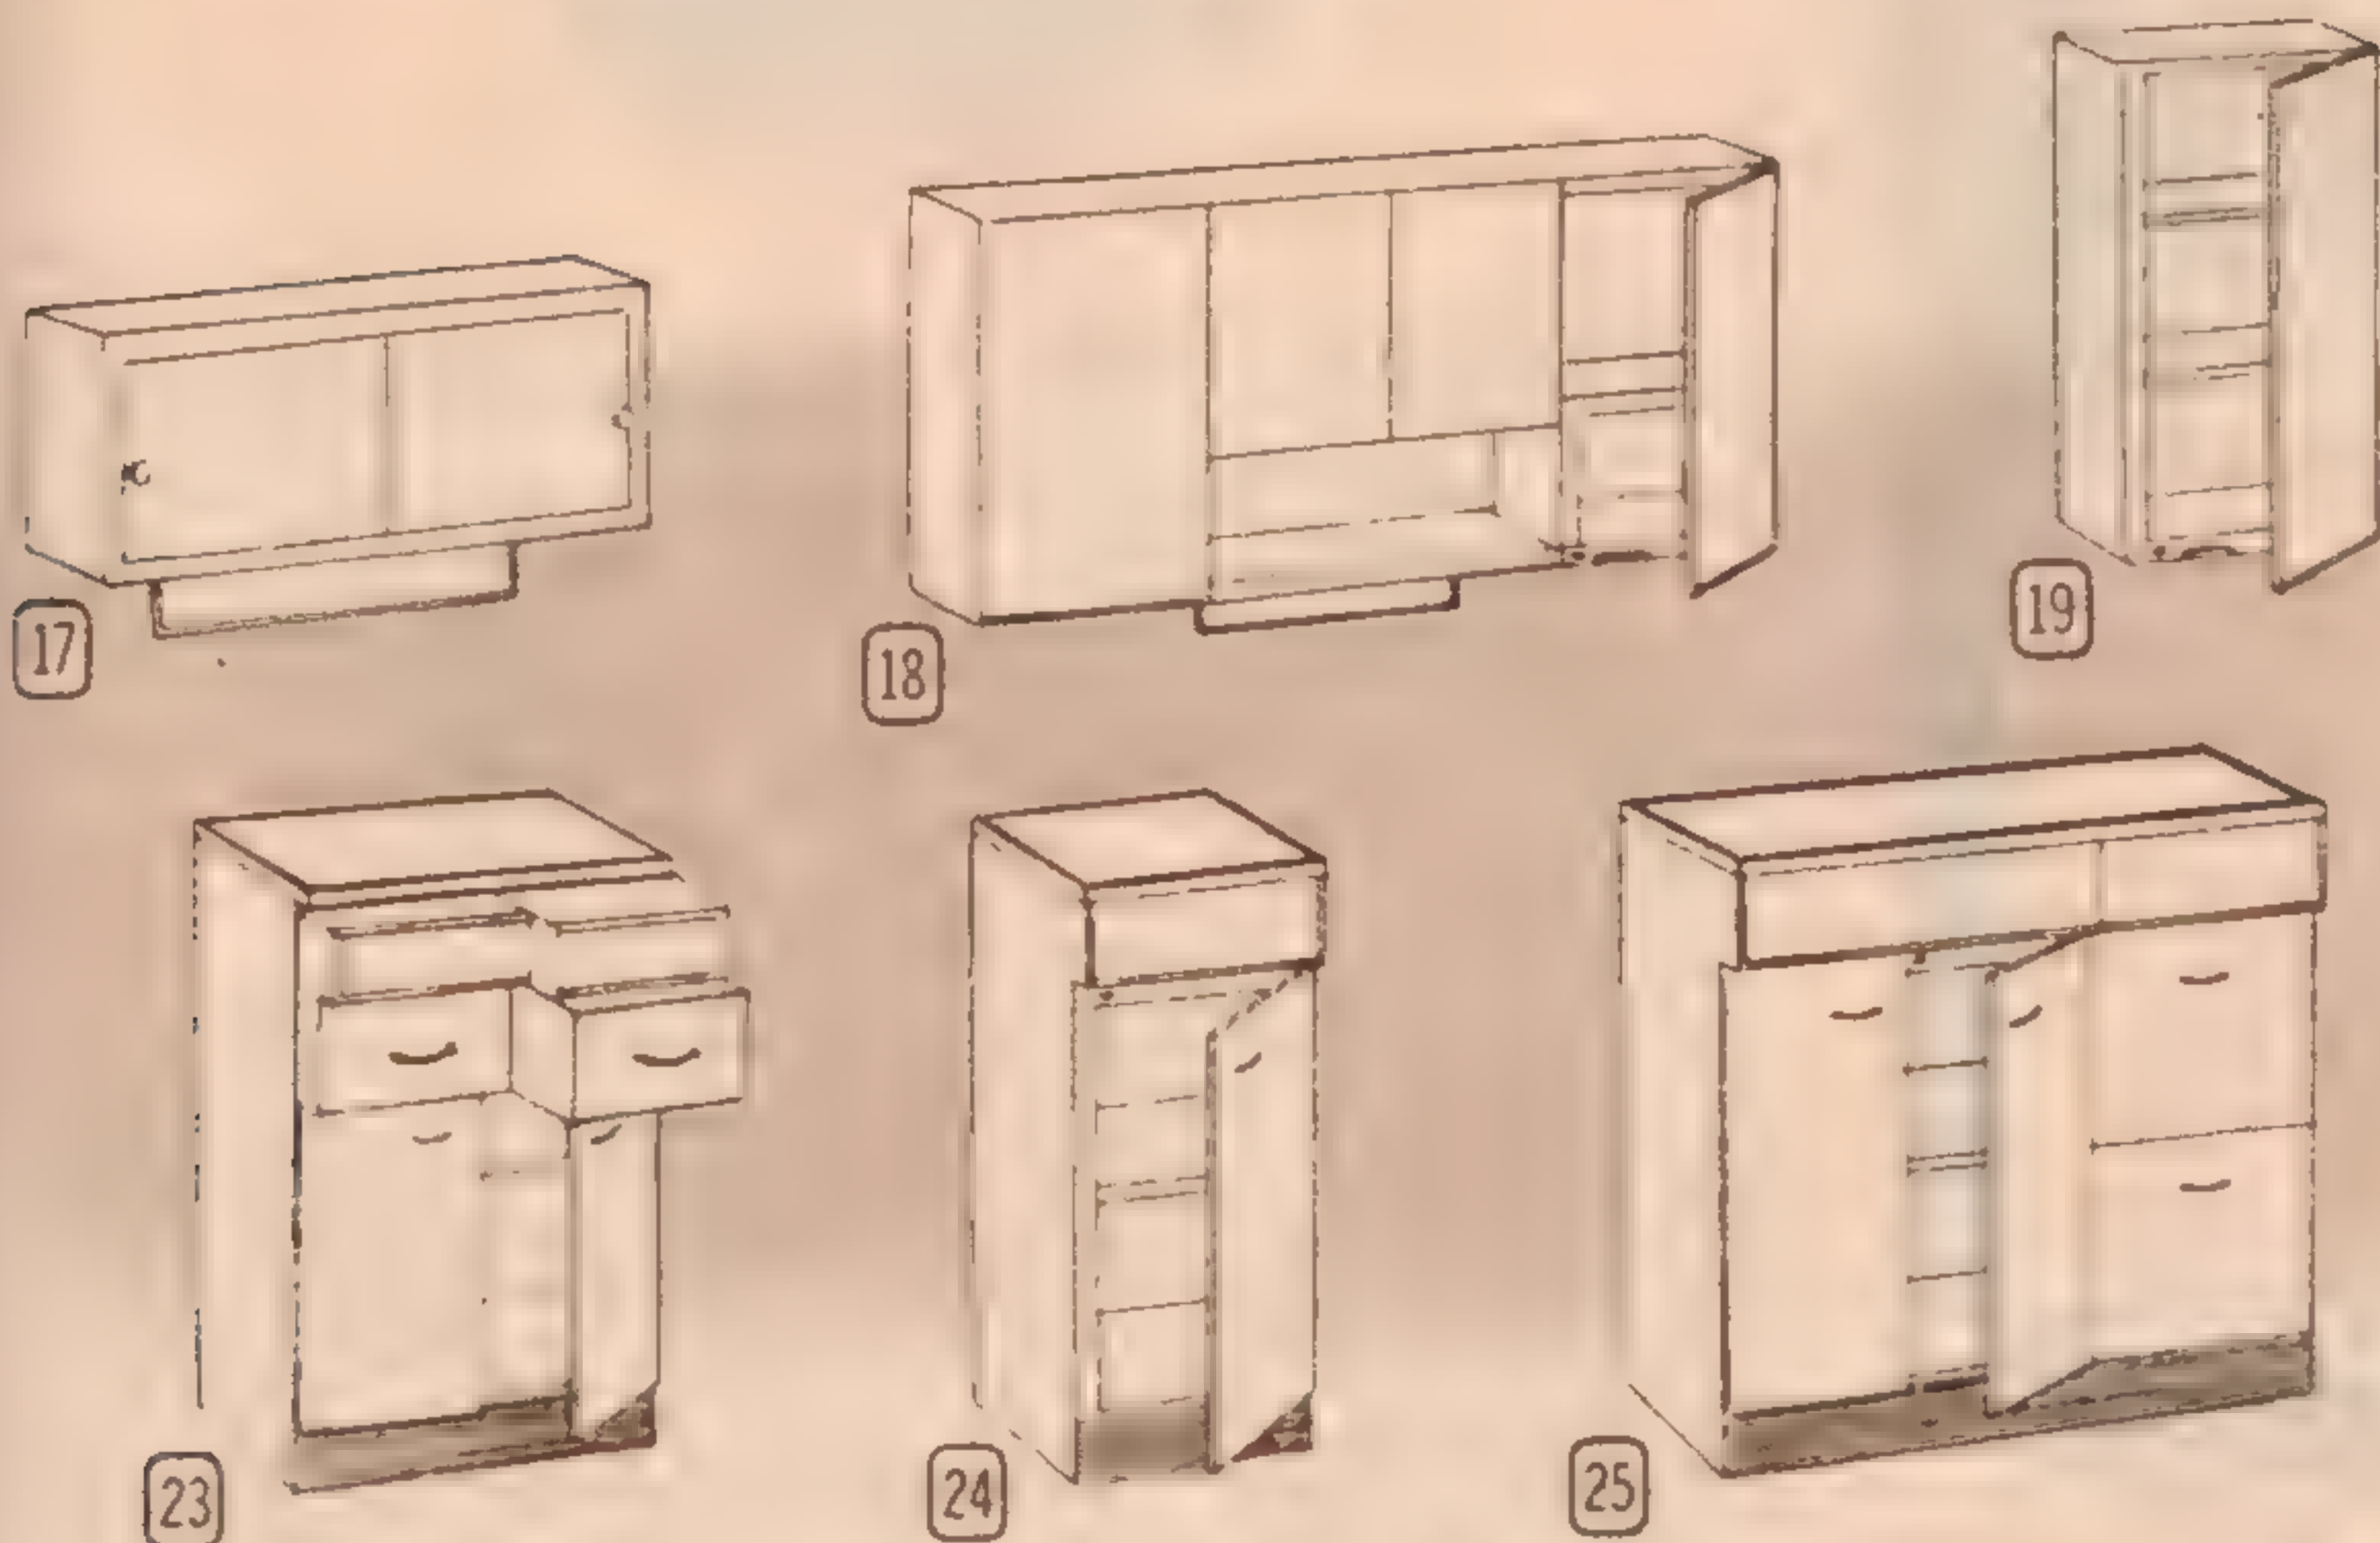

Why wait to modernize your kitchen? Do it now with these expensive-looking, easy-to-arrange cabinets. Convenient and eye-appealing . . . and for far less money than costly built-ins! Use singly or in groups for plenty of work space. Base Cabinets are 36 in. high, 25 in. deep; all have 1 drawer, except (12) which has 2. Wall Cabinets are 26 in. high except (15) which is 14 in.; all have 3 shelf spaces except (15) which has 2.

# Lowest Prices We Know

STRAIGHT  
GRAIN FIR

## BUDGET-PRICED KITCHEN CABINETS

- **California Styled**—Straight-grain fir is the warm, friendly wood so popular in West Coast homes.
- **Modern Flush Doors**—no door pulls necessary. No interference when finishing and cleaning.
- **Fir Plywood Side Panels**—cabinets may be used individually or in complete built-in kitchen.
- **Vertical Grain Solid Fir Doors**—better quality than most cabinets found in this price range.
- **Kiln-Dried Ponderosa Pine Frames**—same framing members used in much more expensive cabinets.
- **Semi-Concealed Hinges**—for modern, straightline look. Easier to install and finish cabinets.
- **Modern Rubber Roller Catches**—engage under fingertip pressure, hold doors tightly closed.
- **Hardboard Backs and Drawer Bottoms**—hard, durable pressed-wood with extra-smooth surfaces.

**72-in. Group \$126<sup>95</sup>**  
WITH SINK, FITTINGS

**SAVE \$13** Sells for \$139.96  
Separately

- Straight-Grain Fir, Sanded, Easy to Finish
- Complete with Plastic Laminate Counter Top

① Your Chance to Save on big 72-inch wide base cabinet group. Perfect starter set for your new cabinet kitchen. Includes: 36-inch sink front listed under (10), 18-inch 1-door, 1-drawer unit (8), 18-inch 4-drawer unit (11), plus counter top, sink and fittings. Top is tough melamine (high pressure) plastic laminate in White Gold-Dust pattern (shown in color on Page 961) trimmed in stainless steel; measures 25 inches front to back, 4-inch back-splash. Resists household acids, alkalies, cigarette burns—temperatures to 275°F! Clean with damp cloth. Double-bowl sink basin is white porcelain enamel on steel—includes Finest Chrome 2-lever Faucet with spray, aerator, 2 basket strainers and stainless steel rim.

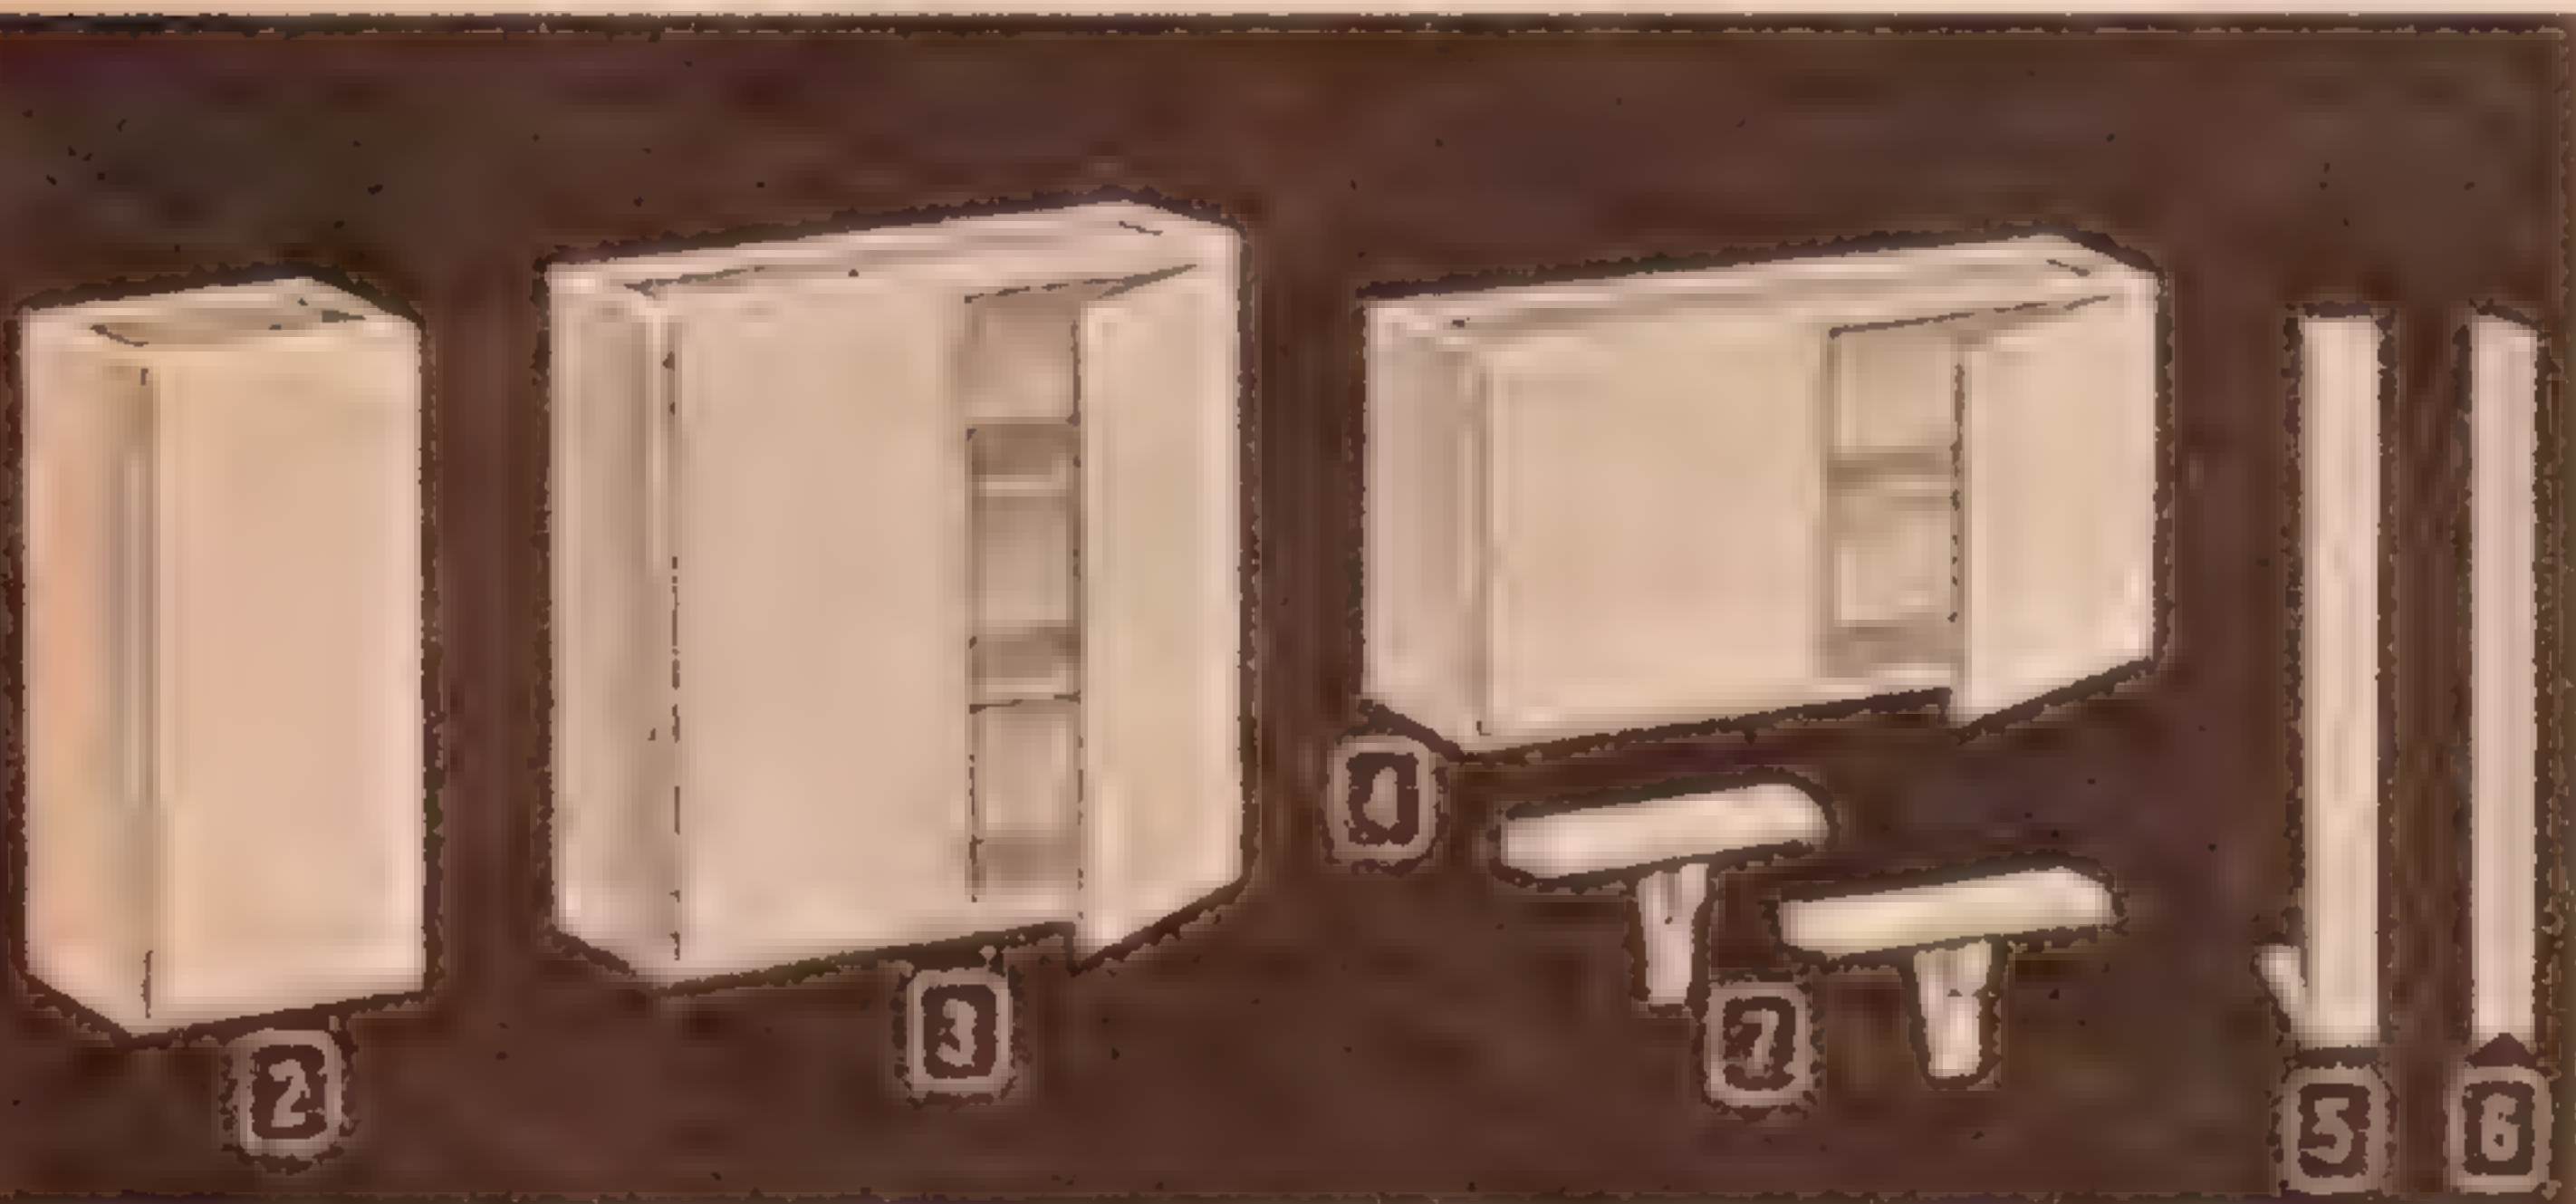

Cabinets come unassembled (saves on shipping costs) and are sanded smooth, ready to be finished as you desire. Shipped promptly from M.O. House.

74 A 8056R—Ship. wt. 219 lbs. Complete...\$126.95

You'll Like the Ease of Assembly—no cutting, all parts precision machined and sanded at the factory. Ready for your choice of finish: lacquer, varnish or enamel. NOTE: some doors may have small pitch pockets—highlight beauty of grain if light stain is used; not visible if enameled or stained dark.

To Plan a Built-in Kitchen start with base cabinets and take measurements 36 in. above floor (leave space for appliances.) Allow space for sink cabinet. Next figure space from sink to walls and select other base cabinets to fill space. Use Corner Filler to turn corner. Select wall cabinets in same manner.

3 YEARS TO PAY  
**No Money Down**  
SEE PAGE 960

**Fir Wall Cabinets . . . low as \$8<sup>95</sup>** (each, 4 or more)

② to ⑦ All Wall Cabinets are 13 in. deep. All have 3 shelf spaces, except (4). Single door (2) is reversible for right or left hand opening. Use (4) for over refrigerator—has 2 shelf spaces. (Shelves 1/8-in. hardboard supported with 7/8-in. pine frame.). Corner Wall Filler (6) requires 13-in. space along each wall. Use Wall Fillers for perfect wall-to-wall fit—careful planning often eliminates need for fillers.

**Fir Base Cabinets . . . low as \$11<sup>65</sup>** (each, 4 or more)

⑧-⑬ All 34 1/2 In. High, 23 In. Deep. Have open tops for installing counter tops (see opposite page). Backs, drawer bottoms are hardboard. All door-type cabinets have 2 shelf spaces. Shelves 1/8-in. hardboard supported by 7/8-in. pine frame. Single door units reversible for right or left-hand opening. Base corner Filler (13) requires 25-in. space along each wall. Use Base Filler for perfect wall to wall fit. Buy 4 or more cabinets on this page to get 10% off.

74 A 8050RD—State Style Number. Shipped promptly from Mail Order House

**SAVE 10%**

Buy any combination of 4 or more cabinets (2) to (4), (8) to (11), to get a 10% discount.

## Plastic Counter Tops ... MADE-TO-ORDER LOW AS 60c per in.

**(14) (15)** Custom-Built to provide continuous, easy-to-clean surface. Highly resistant to acids, alkalis, scratches, heat. Wipes clean with a damp cloth—keeps its beautiful finish. Hard melamine

high-pressure plastic laminate bonded to 3/4-in. base—1 1/2-in. overall thickness. 25 in. deep, 4-in. backsplash. Patterns are shown in color on page 961. State: GOLDSUN PATTERN in White, Misty

Pink, or Pale Thrush Beige; GOLD DUST in White, Candlelight Yellow, Delphinium Blue; LINEN in Light Shadow Gray, Red, Tan; PEARL in Gray; WHIRL in White; SPINET in White.

**(14) Contour-edge Style.** One continuous plastic sheet from front to back. Easy to keep clean. Raised, rounded no-drip front. State Pattern, Color, Length.  
74 A 8311F—Not Mailable. Ship. wt. per in. 1 lb. .... Price per 6 in. \$4.20

**(15) Stainless Steel Trim Style.** Metal moldings on cove, top and edges prevent dripping. Trim stays bright, won't rust. State Pattern, Color and Length.  
74 A 8310F—Ship. wt. per in. 1-lb. Not Mailable. .... Price per inch 60c

### How to Order Counter Tops (14) and (15)

Tops will be custom-made exactly to your specifications. Make diagram showing shape of counter—show cabinets in position along walls with sizes and style number. Indicate backsplash with double lines. Add length (A), (B), (C) where applicable. State length to nearest 1/4 in. (fractions take next higher price). Give distance (D) to center of sink or range—if range or sink is ordered, add \$4.00 for each cutout and specify Catalog Number of range or sink. On Contour-edge style add \$10 for each corner and add \$7 for rounded bar end. State whether top will be used with wood or metal cabinets. Terms, Pg. 960.

**Shipping Information:** Shipped in 2 weeks from Factory: (14) from Baltimore, Md., Albany, N. Y. (15) from Factories in Albany, N. Y. or York, Pa. Cannot be sent C.O.D. and cannot be returned for credit unless damaged on receipt.

### Individual Plastic Counter Tops ... low as \$11.75

**(16) Wards Own High-Pressure Melamine** plastic laminate bonded to wood core. Resists cracks and chips; unaffected by food stains, boiling water, cleaning alkalis. Trimmed with stainless steel moldings. 25 in. front to back, 4-in. backsplash, 1 1/2-in. thickness overall. Attractive Light Shadow Gray linen color. Easy to install. Use 31x31-in. top for steel corner cabinet (7) on Page 644; use 25x25-in. top for steel base corner filler, Page 644. From Stock. Not Mail.

74 A 8422 R—Plastic Tops. State Catalog Number, Width.

# Fresher, Cooler, Cleaner Kitchens

## With Signature Range Hoods

COMPLETE SELECTION . . . TOP QUALITY . . . <sup>Low</sup> as **\$37<sup>95</sup>**

- Give top kitchen efficiency—whisk away greasy vapors, odors, steam
- Ultra-modern design saves space, adds beauty to any kitchen decor
- Non-corroding construction, hidden weld seams—choice of two types
- Convenient up-front push-button controls. All hoods are UL Approved.

**1** Signature Deluxe Blower-type Range Hood for the kitchen of tomorrow . . . ready to fit your kitchen now! A complete unit that you don't have to assemble yourself . . . it's ready to install under wall cabinet. Powerful built-in blower . . . not a fan, but a unique centrifugal impeller system that pulls the air through the filter. Removes kitchen fumes at the rate of 300 cubic feet per minute! Washable aluminum filter traps grease and dirt before they reach exhaust line. Complete with recessed tubular non-glare light and frosted glass; enameled pipe (30 in. long, 7-in. diameter), ceiling collar and built-in back-draft damper. Hood is 5 in. high, 18½ in. deep. Choice of 4 beautiful finishes—see listing in table below. State Catalog Number and Width. Shipped promptly from Mail Order House. NOTE: To complete your outside vent system order fittings from Page 911.

**Also Available in Custom Made-to-Measure Sizes.** Same deluxe range hood as (1) described above, but made to your measurements in any width from 30 to 42 in. inclusive. Shipped from Factory near Ft. Worth, Texas; allow Factory one week extra for preparation plus transit time. Be sure to State Catalog Number and Exact Width desired.

## NEW Signature

## Duct-Free Hood <sup>Low</sup> as \$89<sup>95</sup>

**ELIMINATES COOKING FUMES, ODORS, GREASE, SMOKE . . . WITHOUT DUCTS OR VENTS**

**5** New! Needs No Duct Work or cabinet space above hood. Ideal for apartments or homes where ducting is impractical. Made possible by a unique 3-way filter system. Grease, smoke and cooking odors are drawn through a permanent aluminum foil grease filter, through a special smoke filter and then through an activated charcoal filter. Up front push button controls, recessed tubular light with frosted light bulb. Non-corroding steel construction with hidden weld seams. Self-contained unit installs in seconds—attaches under cabinet or to kitchen wall above free standing ranges. May be plugged into any conventional outlet. Easy to clean with just a damp cloth. Smoke and charcoal filters can be replaced. Choose White enamel, Coppertone finish, or Stainless Steel. 19½ in. deep, 10 in. high. Not Mailable. ## Signature Big Capacity Automatic BUILT-IN OVENS . . . Low as \$99<sup>95</sup>

- ✓ Up-front eye-level controls—above the reach of little children.
- ✓ Special Robertshaw "Lo-Temp" control on all ovens! 140° setting lets you keep food warm without over-cooking!
- ✓ Big Capacity—30% larger inside than average ovens. 18x19x15-in. size takes 30-lb. roast or 25-lb. dressed fowl—fits in 24-in. wide cabinet.
- ✓ Perfect heat distribution—indicator on instrument panel of electric oven lights when oven is pre-heated.
- ✓ Choice of two popular finishes—rich Brushed Chrome or new Porcelain-Enameled Copper-tone.
- ✓ Silicone gaskets on oven door keep heat in, door panel cooler. All ovens are Fiber glass insulated.
- ✓ All ovens are UL or AGA approved. Electric ovens require 220-240 Volt, 3-wire service. Gas ovens use any type gas.

**(A)** Signature Fully Automatic Gas Double Oven with 2 giant ovens. Bake in one, broil in one or roast in both at separate temperatures! "Infra-Ray" ceramic burners in upper oven give faster heating, faster cooking . . . broil meats in half the time. Thousands of tiny ceramic ports transmit heat rays in a straight line directly to food to give you new 3-micron wave cooking—seals in natural juices to give rich barbecued flavor.

Upper oven has triple rotisserie, electric motor. Lower oven is equipped with its own Flame Master control—and a special "Lo-Temp" adjustment. Roastender in lower oven assures perfect cooking every time. Just insert probe into meat, set dial to degree of doneness desired. When meat is cooked just right, oven turns off automatically and notifies you with a buzzer. Large "look-through" glass doors. Full 18-in. width—10,000 cubic inches of cooking space, yet occupies only 24 in. of cabinet width. Automatic oven ignition, oven light, concealed vents. Ship. wts. 215 lbs. Needs cabinet cut-out 22x49 in. 74A8531R—Chrome \$329.95; 74A8532R—Coppertone \$329.95

**(B)** Signature Fully-Automatic Gas Oven with Rotisserie. Rotisserie spit turns at constant speed; quiet but powerful electric motor. Rack and spit easily removed. Automatic clock can be pre-set to turn oven on and off up to 12 hour period. Clock also has one-hour "Minute Minder" which sounds buzzer. Full 18-in. width oven. Automatic oven ignition, look through glass oven door, oven light. Separate broiler drawer. Wt. 145 lbs. Fits cabinet cutout: 22x34 3/4 in. 74A8567R—Chrome \$184.95; 74A8568R—Coppertone \$184.95

**(C)** Signature Thermostat Gas Oven. Same as (B) above, except no rotisserie, automatic clock control. Has four hour "Minute Minder" clock and lower broiler unit. Wt. 145 lbs. 74A8565R—Chrome \$149.95; 74A8566R—Coppertone \$149.95

**(D)** Signature Thermostatically-Controlled Gas Oven. Has all the fine quality features of (C) above except no "Minute-Minder" clock or oven light. Has solid panel door, lower broiler drawer. Ship. wt. 145 lbs. 74A8563R—Chrome \$129.95; 74A8564R—Coppertone \$129.95

**(E)** Signature Fully-Automatic Electric Double Oven with 1 large 18-in. wide unit and 1 compact 16-in. wide unit. Separate ovens, each thermostatically controlled, allow you to bake or broil in each—at the same time at different temperatures! And . . . check this low price . . . costs what you would expect to pay for a single oven with just a broiler. Upper oven has removable rotisserie unit, double-glass window. Equipped with self-cleaning 3000-watt broil and 2200-watt bake heating elements. Automatic clock control turns on and shuts off oven any time up to 12 hour period. Automatic ignition, oven light, concealed vents. "Lo-Temp" control. Cutout: 22x34 3/4 in. Fits 24-in. cabinet. Wt. 140 lbs. 74 A 8596R—Chrome \$189.95; 74 A 8597R—Coppertone \$189.95

**(F)** Signature Fully-Automatic Electric Double Oven with 2 giant 18 in. wide ovens. Same features as Gas Model (A), including triple rotisserie, clock-controlled upper oven, Roastender in lower oven and "Lo-Temp" control. Has self-cleaning 3000-watt Broil and 2200-watt Bake heating elements. Hinged rod-type elements lift up for easy cleaning. Cutout: 22x49 in. Wt. 200 lbs. 74 A 8527R—Chrome \$329.95; 74 A 8528R—Coppertone \$329.95

**(G)** Signature Fully-Automatic Clock Controlled Electric Oven. Separately controlled broiler. 3000-watt broil, 2200-Bake hinged heating elements. Cutout: 22x34 3/4 in. Ship. wt. 135 lbs. 74 A 8598R—Chrome \$159.95; 74 A 8599R—Coppertone \$159.95

**(H)** Signature Fully-Automatic Clock-Controlled Electric Oven with double glass door. Compact—requires only 25 1/2 in. height. 3000-watt Broil, 2200-bake elements. Cutout: 22x25 1/2 in. Wt. 100 lbs. 74 A 8588R—Chrome \$134.95; 74 A 8589R—Coppertone \$134.95

**(I)** Signature Single-Door Thermostatically-Controlled Electric Oven. Has 3000-watt broil, 2200-watt bake elements. Hinged, rod-type elements lift up for cleaning. Cutout: 22x25 1/2 in. 74 A 8587R—Brushed Chrome. Ship. wt. 100 lbs. . . . . \$99.95

**(J)** Signature Oven Hoods. Assembled—ready to install. Built-in blower pulls air through Aluminum filter to remove grease, fumes, odors. Size: 23 3/4 in. wide, 5 3/4 in. deep, 4 in. high. Wt. 15 lbs. 74 A 8638R—Chrome \$42.95; 74 A 8639—Coppertone \$39.95

# FROSTLESS

## TRU-COLD

### Big 13.8 Cu. Ft.

### Refrigerator-Freezer

### Combination

- Frostless Freezing—No Chopping, No Scraping, No Hidden Labels
- Frostless Cycle-Cold Refrigeration—Cool, Crisp Air Circulates through Refrigerator to Keep Your Foods Market-Fresh Longer
- Ice Ejector—Press a Lever and Cubes Fall Separately Into Bucket

**(A)** New! Big 9.5 cubic foot refrigerator section plus a separate 150-pound capacity true freezer in one unit. Handsome in its simplicity, this combination is trimmed with just enough chrome to accent its "built-in" look. Handsome brushed chrome handle.

Frostless freezer has these important features. Ice ejector mechanism with two 20-cube trays and a special 60-cube capacity bucket—make them in advance.

Swing-out basket puts most-used foods at your fingertips. Two "bookshelf" racks in door for extra convenience. Expanded bead, pre-formed door insulation for positive protection. Foot pedal opens door easily. White interior.

Frostless Cycle-Cold refrigerator section has 2 full-width glide-out adjustable shelves plus removable half-width shelf to accommodate tallest, bulkiest items.

Twin porcelain crispers keep fruits and vegetables "market" fresh, "garden" moist. Glass dew-plate cover serves as shelf. Cloud Blue door liner and trim, White porcelain interior. Door storage includes molded rack for 16 eggs, butter-cheese compartment with dish, plus shelf space for tall bottles, 1/2-gal. milk cartons, etc.

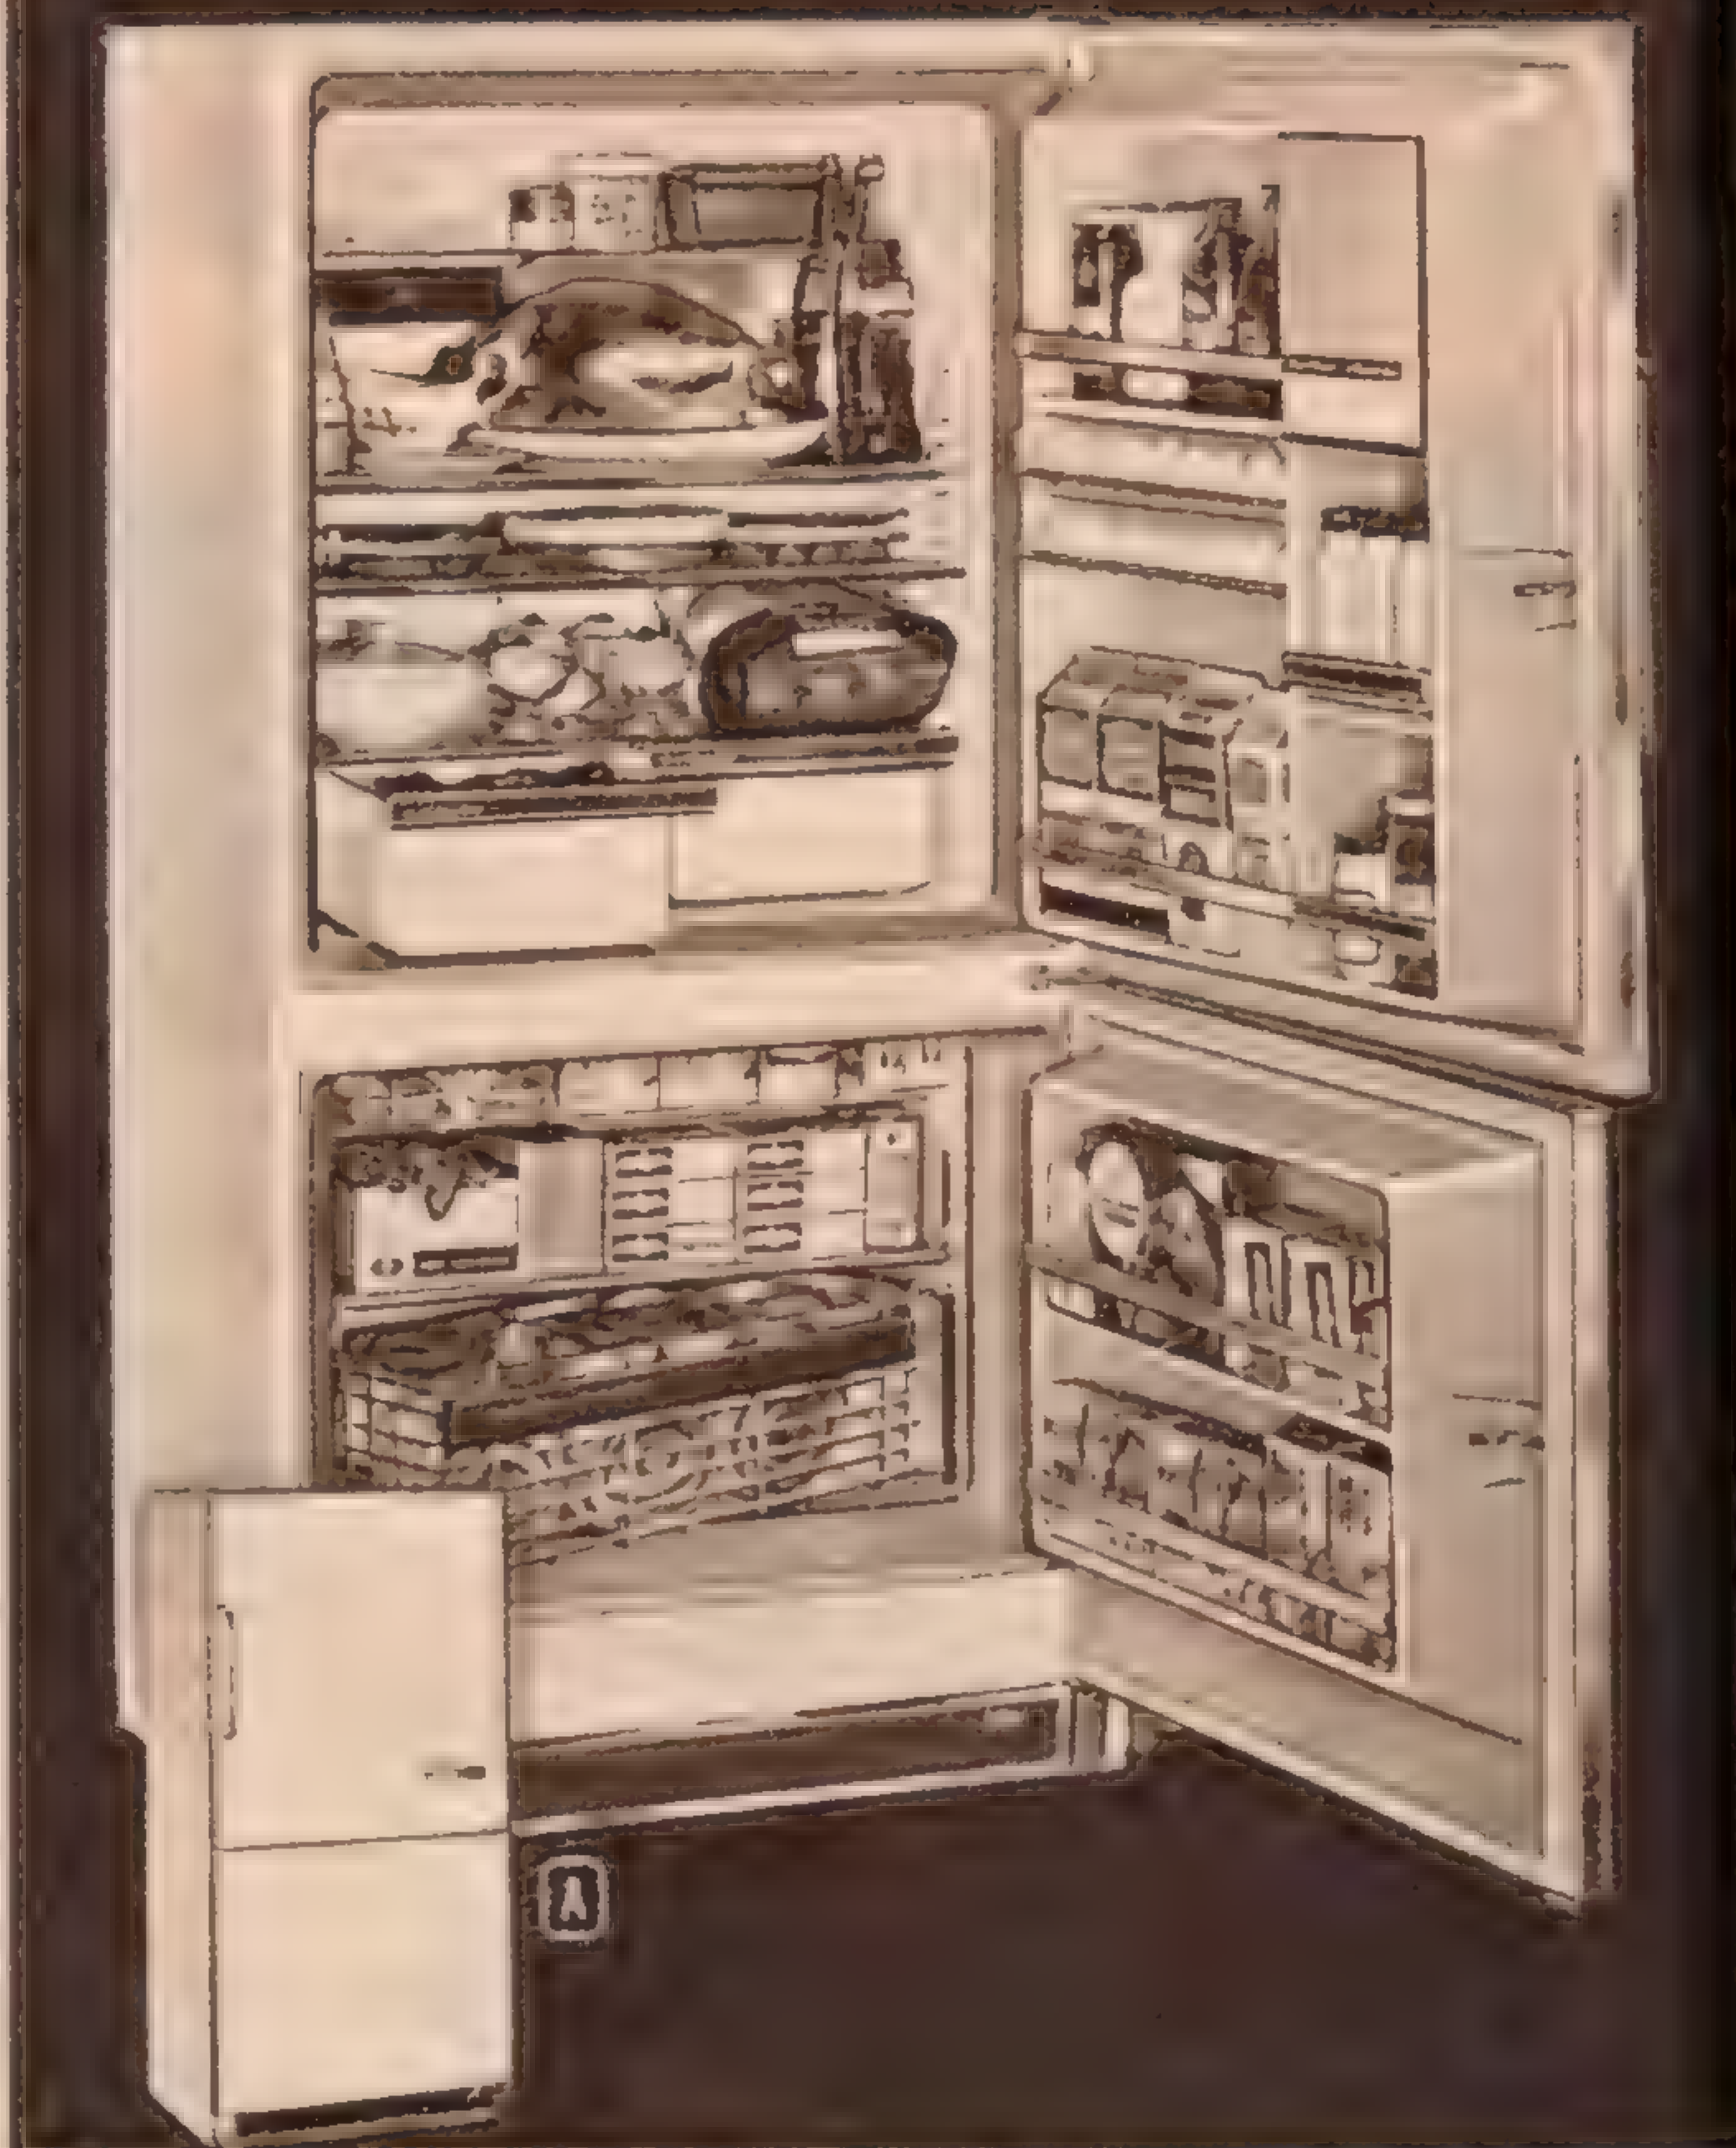

Epon base White deluxe exterior finish. 90° door hinging, interior coils permit placing flush to side and back wall. Total shelf area: 23.8 sq. ft. Safety latches permit opening doors from inside. 65 5/8 x 33 x 28 1/16 in. deep. Shipping Note on facing Page. 5-Year Guarantee, Page 662.

# NEW "Her Majesty"

## TRU-COLD 16.1-Cu. Ft. Combination

- ✦ Big Frostless Top Refrigerator with 11.1 Cu. Ft. Capacity.
- ✦ Two-Climate Frostless Drawer.  
SEPARATELY CONTROLLED CLIMATES for meat section and vegetable section preserve natural goodness and flavor a week or more. Keeps 21 pounds of meats red and juicy . . . vegetables stay crisp, colorful and market-fresh.
- ✦ Big Frostless Bottom Freezer Section Holds 175 Lbs.
- ✦ Choice of White or Three Smart Ward-Coordinated Colors.

NOW **\$525<sup>00</sup>** \$10 DOWN

**(E)** Her Majesty for 1961 has more in store for you—more refrigerator, more freezer, more convenience features and more eye-appeal.

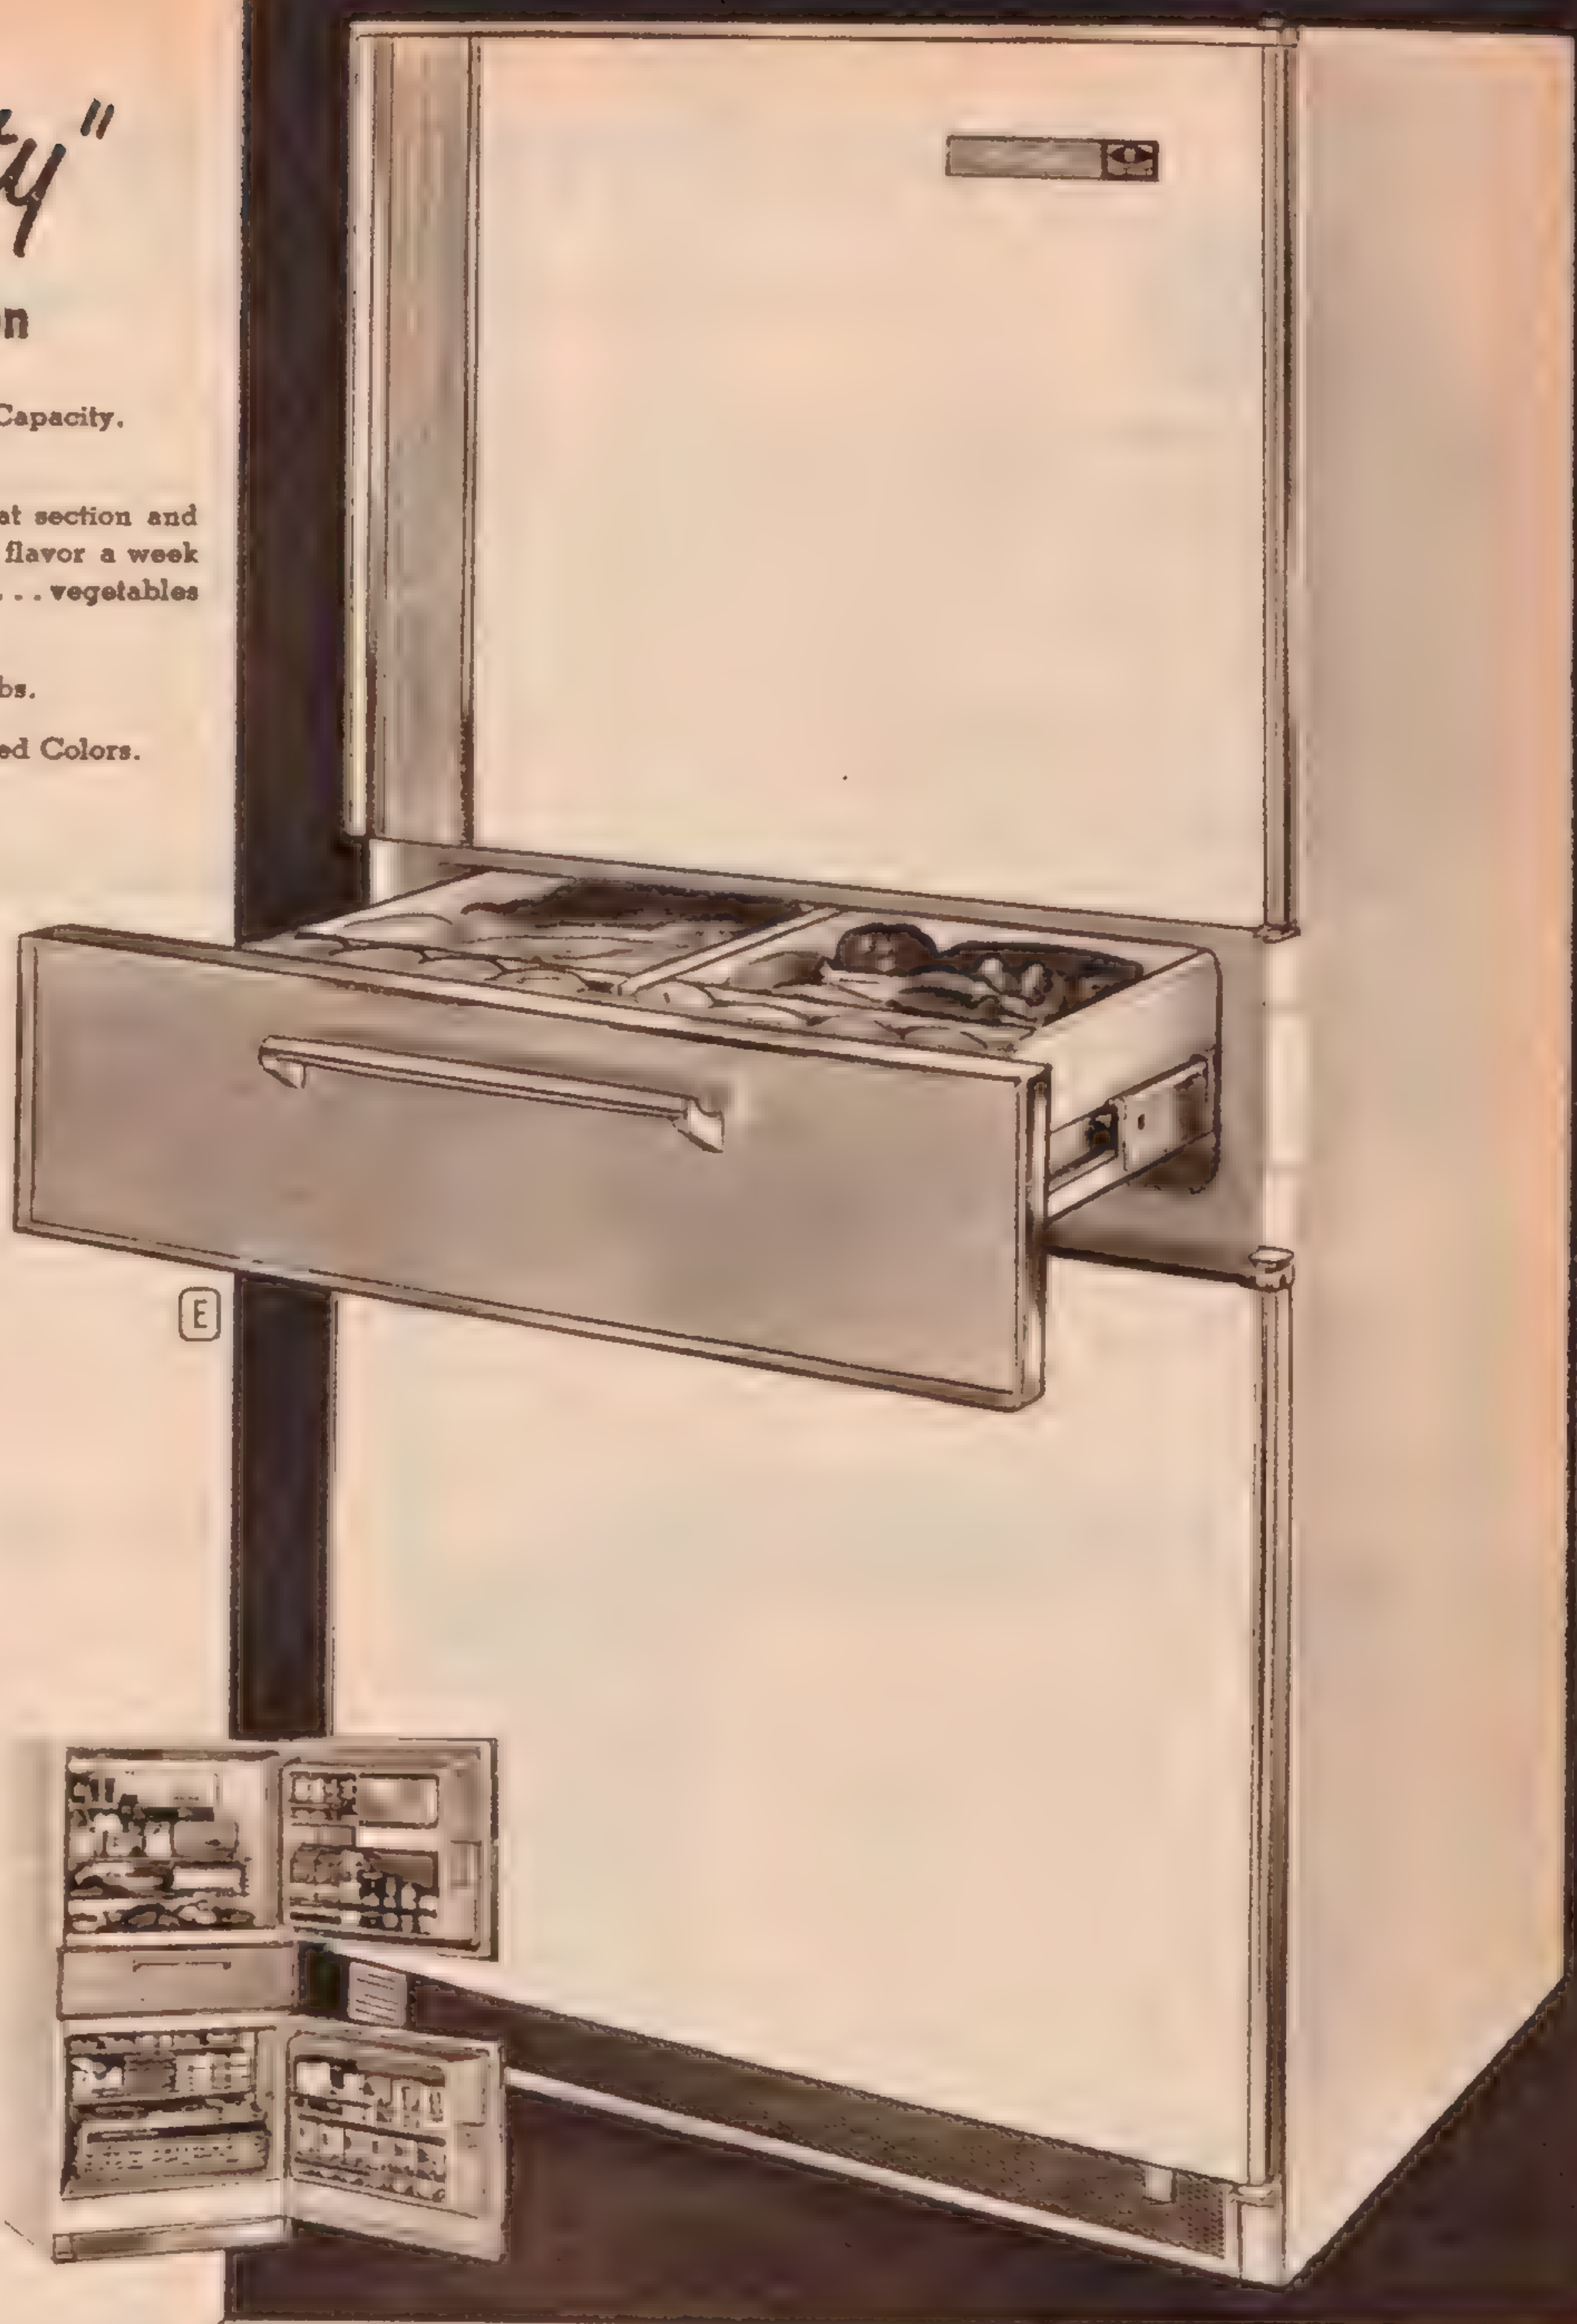

**More frostless refrigerator!** Everything in its 11.1-cu. ft. interior glides to your fingertips on 2 full-width adjustable shelves—no "hopscotching" items from back to front. Handi-drawer for eggs, leftovers. Compartment in door keeps butter and cheese at just the right consistency. Magnetic safety latch.

**More convenience!** Waist-high 2-climate drawer is so easy to use, see into and reach into. Saves you tiring trips to the store. Has 2 baskets for fruit, canned drinks, etc.

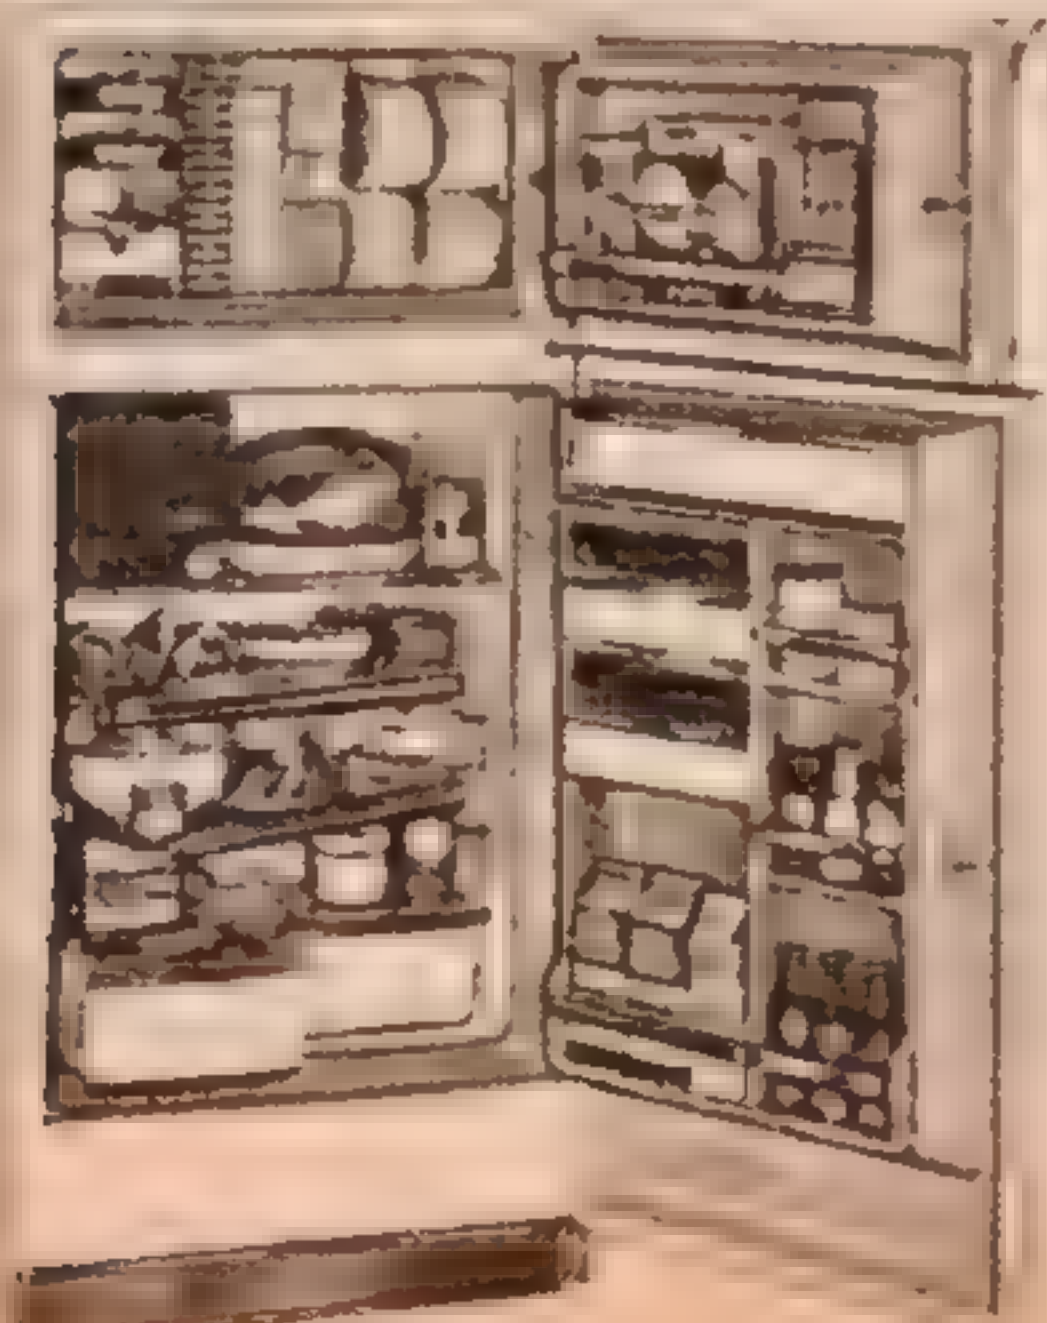

**More frostless freezer!** All 175 lbs. of frozen food are at your fingertips with glide-out basket and shelf, plus door storage. Touch a lever and ice cubes drop from either of two 20-cube trays into a pan. Pedal opens door—handy when hands are full.

**More eye-appeal!** Choose an exterior of White or one of 3 Wards glamorous coordinated colors: Candlelight Yellow, Thrush Brown or Misty Pink . . . each coordinated with other Wards home furnishings to give your kitchen color harmony. Exteriors complemented with interiors of White accented with Cloud Blue door liners, trim. Coll-free back, 90° hinging for flush installation. All models have right-hand door (pictured)—White only is also available with left-hand door. Vast 26.7 sq. ft. total shelf area. 65 $\frac{5}{8}$ x33x29 $\frac{9}{16}$  in. deep. UL listed. 110-120-V. AC. Read "Important Notice" below, 5-Yr. Guarantee, Pg. 662. Wt. 435 lbs.

## TWO MORE NEW Her Majesty TRU-COLD Refrigerator-Freezers

**(F) (G)** You'll appreciate Her Majesty features in your kitchen as much as its beauty. For example, both models at left are TOTALLY FROSTLESS—refrigerator and freezer. Both have a special compartment with a SEPARATELY CONTROLLED CLIMATE that keeps meat red, fresh and juicy a week or more. Vegetables, too, stay moist and market-fresh in two full-width crispers. Her Majesty lets you buy food for a whole week in one trip, confident that everything you buy will stay as fresh as the day you bought it.

**In the frostless freezer,** a touch of a lever drops 20 ice cubes from either of two trays into a pan below. Book-shelf door storage keeps most-used foods at your fingertips. (F) has a swing-out basket for even greater convenience.

**In the frostless refrigerator,** two swing-out adjustable shelves bring food to you. In the door is a special compartment to keep butter and cheese at just the right consistency and a lift-out egg rack with a 2-dozen capacity. 90° hinging permits flush-to-side installation. White interiors with Cloud Blue trim and door liners. Exteriors in your choice of White, Candlelight Yellow, Thrush Brown or Misty Pink. All models have right-hand doors (pictured)—White only is also available with left-hand door. Guarantee, Page 662.

**(F) 13.8-Cu. Ft. Combination** with 150-Lb. bottom freezer. Refrigerator volume: 9.5 cu. ft. Total shelf area, 26 sq. ft. Pedal opens freezer door. 69 $\frac{5}{8}$ x33x26 $\frac{9}{16}$  in. deep. UL-listed. 110-120-V, AC. See "Important Notice" below. Ship. wt. 387 lbs.

# 3 Big Reasons

TO BUY  
TRU-COLD  
FREEZER SUPPLIES

## Greater Economy

**Shop and Compare**—see how much lower Tru-Cold prices are than those of leading competitive brands. Wards tested Polyethylene bags and containers save you even more because they are re-usable. Stock up by mail now—make home freezing an even greater economy.

## 2 10% Discount

**Order \$10 or More—Deduct 10%** from the total. Choose from items on this page, except (20). Order a whole season's freezing needs at one time—spares for refrigerator, pantry, extra bags for closet, china, silver—get the discount on every item. (No discount in Sale Books.)

## 3 Better Protection

**Tested by Wards Own Laboratories** until we were convinced they're the very best of their types on the market today—proven your best buy because they guard best against rancidity, shrinkage; protect best the flavor, food value, freshness of your food investment.

### Tru-Cold Polyethylene Containers

- Stronger . . . harder plastic. Won't warp or crack, no holes or bubbles. Take boiling foods or freeze to 60° below 0. Save time; no need to cool foods before filling.
- Stain-resistant, cleaner . . . no dust catching lines.
- Safer . . . 100% pure virgin polyethylene. No chance of contamination from re-used, reprocessed materials.
- Easier to use . . . rigid enough for easy stacking, handling. Measure marked for easy filling. Snug-fit covers have spill-proof fit, lift tabs for easy removal.
- Handy for use in refrigerator for left-overs, cold drinks, or on pantry shelf for crackers, cookies, cereals.

**1** 2-Quart. Package of 4 with lids. Wt. 1 lb. 11 oz.  
86 A 4536 D . . . . . \$2.19

**2** 1-Quart. Package of 8 with lids. Wt. 2 lbs. 2 oz.

**4** 1-Pint. Package of 12 with lids. Wt. 1 lb. 5 oz.  
86 A 4541 D . . . . . \$2.14

### Heavy-Duty Tru-Cold Polyethylene Bags

- Quick, easy freezer wrap for poultry, baked goods, vegetables—any kind of storage. Just put food in tough, odorless bag, press out air, seal. You can see what you store.
- No outer wrap needed . . . rubber bands included for snug, safe seal that keeps spoilage out, fresh flavor in.
- Moisture-proof, vapor-proof . . . protect against rancidity and dehydration. Heavyweight—last longer. Bags stay pliable through freezing, won't crack or split.
- Wash and re-use. Handy for storing fruit, vegetables, baked goods in refrigerator; china, silver in pantry.

Beater-Shift Chromed Head . . . Instant Beater Release . . . Recipe-Dial . . .  
Automatic Bowl-Drive . . . Governor-Controlled Motor . . . Infinite Speed Control

① Wards Finest Gives You More Features Per Dollar. Plus-power from direct power drive—attachments operate on mixer's 150-watt motor, need no adapter. Recipe-Dial in back of handle, easier to see and set. Set Multi-Speed Selector at any of 10 recipe-marked settings or anywhere in between. Governor-controlled motor turns beaters at exact speed you set—won't race, stall in thick or thin batters.

Chromed Mixing-Head Shifts to accommodate either 1½-qt. or 2½-qt. white glass bowls (incl.) for better coverage; tilts back so you can add ingredients neatly. Giant nickel-chrome beaters—one beater specially designed to turn bowl automatically while mixing. Trigger releases beaters instantly. Head lifts off for portable use. Black plastic base. Cord. Recipes, instr. ★★EXTRA—With this mixer, choose two \$1 items from Pages 677 and 682. Give Cat. Nos., Ship. wts.; state EXTRA for price.

86 A 2031YD—AC or DC. Complete with Grinder. Ship. wt. 20 lbs. \$4 Dn. Cash \$38.95  
86 A 2030 MD—Mixer (1), no grinder. Ship. wt. 16 lbs. \$4 Down. . . . . Cash 35.95

② Food Slicer-Shredder for (1), (9). 2 nickel-plated plates grate, chop. Stainless steel blades. Needs no adapter.  
86 A 2052—Ship. wt. 4 lbs. 4 oz. . . \$5.95

③ Can Opener for Mixers (1), (9). Plated steel; magnet. Needs no adapter.  
86 A 2064—Ship. wt. 1 lb. 5 oz. . . \$4.89

④ Meat-Vegetable Grinder for (1), (9). Grinds raw, cooked foods. Steel plate, blade; wood tamper. Needs no adapter.  
86 A 2032—Ship. wt. 1 lb. 15 oz. . . \$3.95

## WARDS "PRESTIGE"

TOP QUALITY TRI-PLY . . . WARDS LOW PRICES

**1 TO 7 Easy-Cooking, Easy-Care Waterless Cookware.** Tri-ply—a layer of even-heating carbon steel sandwiched between inner and outer layers of tarnish-free, high-luster 18/8 stainless. Spreads heat quickly, evenly over the entire pan. Precision-fitted vapor seal rims and self-basting covers lock flavor in—foods cook in their own juices to retain natural flavor, fresh color and healthful nutrients; reduce food shrinkage, too.

**Check the Features!** 1. Saves fuel—cooks on LOW or SIMMER heat. 2. No scrubbing or scouring; ordinary washing keeps stainless steel bright and sparkling—resists rust, stains, pitting, chipping. 3. Self-nesting covers fit perfectly knob-side down; easy to stack or hang for display-storage. 4. Heat-resistant, firm-grip Bakelite handles with metal hang-up rings. 5. Decorative black knobs mounted on gold-tone discs. Buy now on Easy Terms, Pg. 1281.

## Cook 'n Serve in Wards Porcelainized Iron

**(36) TO (40) Cooks Like Iron, Washes Like China.** Even-heating cast iron with sparkling white porcelainized finish combines old-fashioned flavor and modern cleaning ease. Equally at home on range-top or in oven—cooks foods superbly, serves them smartly, then keeps them hot at the table. Beauty from top to bottom—contemporary shapes with lovely blue leaf decor, matching decorated covers.

**Washes Easy as a Dish.** Glassy-smooth finish resists sticking—foods sponge off without hard rubbing, scouring. Won't absorb odors, flavors. Acid-resistant porcelain is fused on iron at extreme heat—won't peel, discolor. Guaranteed not to chip, crack or stain in normal use or replaced Free.

# Mix or Match

## Magic Cover and Magic Counter Cover

## Versatile Magic Cover Adhesive Plastic

Was \$1.79 **\$1.30** 12-Ft. Roll

**JUST PUT IT ON . . . PROTECTS, DECORATES . . . WON'T RAVEL OR FRAY . . . RESISTS GRIME**

- Cover Canisters, Splashboards
- Use on Tables, Chests, Cabinets
- Cover Closet Shelves and Boxes
- Beautify Window Ledges, Frames
- Cover Hampers, Wastebaskets
- Decorate Screens and Cornices
- Revitalize Lampshades, Books
- Protect Stove and Sink Areas

You Need Only a Pair of Scissors to decorate with Magic Cover, amazing Goodyear Vinylfilm. No tacks, no messy paste, no water, no tools. Simple-to-follow instructions and cutting-guide on paper backing (save this backing—it's Cedar-grain-pattern inside, use as drawer liner). Just cut to desired size, peel off backing, place on surface—and presto—it sticks! Lift to alter position; re-adheres easily. Sticks to glass, wood, tile, wallpaper, enamel, paint, varnish, lacquer. Durable, waterproof—clean with damp cloth, mild soap.

Choose from Magic Cover Patterns in Tables, Below—mix or match with Counter Cover. Please State Pattern Name, Color and Number. 86 A 4636—12-Ft. Roll. 18 in. Wide. Ship. wt. 1 lb. . . . . Now \$1.30 86 A 4637—Big 75-Ft. Roll. 18 in. Wide. Wt. 5 lbs. 12 oz. . . . . 8.10

### Lustre-Cover

ONLY \$2.59 15-Ft. Roll

The Professional Finishing Touch. Metallic Lustre-Cover in glowing Gold or Chrome colors adds rich accents to any decor. (See (A) in room scene). Adhesive back; paper cutting-guide—cut in strips or designs for trimming. State: Gold or Chrome.

86 A 4630—15-Ft. Roll. 9 in. wide. Ship. wt. 12 oz. . . . \$2.59

Be sure surface is clean, dry and smooth before applying Magic Cover, Magic Counter Cover or Lustre Cover. If porous or flaky (as plasterboard, wallpaper, etc.), size before applying.

### Magic Counter Cover

ONLY \$5.95 12-Ft. Roll

Inner Layer of Aluminum Foil for strength and heat-resistance, between layers of Goodyear Vinylfilm—see (33) in room scene. Scuff-resistant, washable, durable. Economical, extra-wide (27 in.) to cover counter plus "splash areas". Adhesive back with protective paper cutting-guide. Cuts with scissors, easy to apply. Flexible, goes around corners; won't shrink.

Choose from Counter Cover Patterns in Tables Below. Be Sure to State Pattern Name, Color and Number. 86 A 4638 M—27 in.x12-Ft. Roll. Wt. 3 lbs. 8 oz. . . . \$5.95

### the timeless elegance of TRADITIONAL . . .

For important, more formal occasions, set a luxurious table, rich with decorative color. "Iris" patterned all linen tablecloth in shades of MW Bitter Green with Bitter Green fringed napkins. Paper doilies give harmonizing color accent.

### the warm look of COLONIAL . . .

Charming simplicity, a perfect expression of hospitality in the Early American tradition. "Coloray" tablecloths in MW colors--Delphinium Blue, Coin Gold and Chapel Green.

**COLORAY.**  
THE ULTIMATE FAST COLOR

# All the Color in the World

## FOR YOUR TABLE

Your table is always the center of attention when you entertain—its attractiveness is your way of expressing hospitality and is a reflection of your pride in your home. Make your table more beautiful . . . more gracious . . . more appealing . . . with the delightful magic of COLOR.

Table settings shown combine latest fashion trends with favorite decorating styles. They achieve flair and distinction by using the wonderful, versatile colors that make up Wards new COLOR PROGRAM (the key to color coordination in your home—read about it on Page 707). Choose from every color in the spectrum—12 lovely colors, each in 10 shades from light to dark—all the color in the world for your home, and ALL THE COLOR IN THE WORLD FOR YOUR TABLE.

Wards 22-page Hostess Shop provides everything you need to set a charming table—an assortment of table furnishings unequalled by any but the largest stores. Here, you can shop leisurely for table linens, dinnerware, flatware and interesting new table accessories. You can take advantage of Wards traditionally low prices, and you can enjoy the convenience of a Charge Account or Monthly Payment Account.

### Where to buy Merchandise shown on these two pages

**Table Linen.** "Iris" Linen Tablecloth (Traditional Table), "Coloray" Tablecloths (Colonial Setting), Place Mats and Linen Plaid Tablecloth (Contemporary Settings), Fringed Linen Napkins.....Page 703

1. **Special Set Compositions.** 57- and 66-pc. sets include 4 extra cups—most often replaced piece in any set; 98- and 100-pc. sets include 6 extra cups—100-pc. set, salt and pepper shakers, too.

2. **Triple Selected.** Glaze—uniform, lustrous; Design—exact placement, clear colors; Shape—free from variations.

3. **Open Stock on All.** Immediate delivery on all current, many discontinued patterns. Listings, Pg. 687.

4. **Wide Choice.** 24 patterns, each in 4 set sizes on these two pages and Page 689. Something for everyone.

5. **Low Prices.** Compare Wards with other prices before you buy either sets or Open Stock. You'll find at Wards it's always MORE QUALITY FOR LESS.

**Genuine China** is delicately lovely, yet is completely vitrified, impervious to moisture, resistant to breaking and chipping. Ward patterns are all imports—(1) to (4) from Bavaria, all others from Japan. Only 10% Down on Easy Terms—or Charge It—see Pgs. 1281-1283. 98- and 100-pc. sets and 66-pc. Pompadour shipped Freight, Truck, Express.

## FACTS About This All-Purpose Dinnerware

**Suitable for Any Occasion . . . Yet Inexpensive.** Clays are fired at high temperature, and when glazed are hard, non-porous, impervious to moisture.

**Ovenproof for Extra Utility . . . Crazeproof for Long-Lasting Beauty.** On many patterns, design is under the glaze—detergentproof, dishwasher-safe. Prices vary because of intricacy of design or difficulty of application.

**Imported and Domestic.** Patterns 1 to 6, 9, 10, 12, 13 and 17 were made in Japan, center of ceramic art; imported directly by Wards to bring you fine quality at lowest possible price. Other patterns are American-made.

- 1 **TRIPLE SELECTED . . .** Glaze must be uniform, lustrous in texture. No imperfections in Shape. Exact placement and clear colors in Design.
- 2 **OPEN STOCK ON ALL . . .** Wards carry Open Stock for immediate delivery on all current, many discontinued patterns. See Page 687 for listings.
- 3 **WIDE CHOICE . . .** 17 patterns, each in 3 or 4 set sizes. You're sure to find exactly what you want at Wards—and at a price to fit your budget.
- 4 **LOW PRICES . . .** Compare Wards with other prices before you buy dinnerware. You will find that at Wards it's always MORE QUALITY FOR LESS.

## Bring the Out-of-Doors Inside

Enjoy the fun of indoor gardening. In line with today's trend, accent your decorative scheme with plants displayed in sunny windows. Choose one or several of the window shelves listed at right on this page—show house plants to best advantage and give them the sunlight they need at the same time.

## DISPLAY PLANTS IN SUNLIT WINDOWS

**(A) 2-Tier and 3-Tier Shelves**—especially attractive in windows; nice for wall, too. Highly polished 4x20-inch heavy glass shelves, imported from Germany, have bulbous edges for extra strength and break-resistance. Decorative, sturdy steel brackets smoothly enameled. Screws for mounting are included; plants not included. State bracket color: White or Black.

86 A 7721 M—3-Tier, 26½ in. high. Ship. wt. 6 lbs. .... \$2.98  
86 A 7720—2-Tier, 18 in. high. Ship. wt. 4 lbs. .... 1.98

**(B) (C) 2-Tier and 3-Tier Steel Shelves** with decorative gallery rim. Smartly designed, exceptionally sturdy, smoothly enameled in gleaming white to show off plants to advantage. Use in windows for plants or glass collection—or hang on wall. Each shelf about 5¾x18 inches. Screws for mounting included.

(B) 86 A 7725 M—3-Tier, 25 in. high. Ship. wt. 4 lbs. .... \$4.49  
(C) 86 A 7724—2-Tier, 16¾ in. high. Ship. wt. 3 lbs. .... 2.98

**(D) Decorative Steel Single Shelf.** Graceful scroll trim encloses 6 x 24-in. steel shelf—keeps plants from sliding off, displays them to advantage. Glossy white enamel finish. Brackets and screws included.

86 A 7712—Ship. wt. 2 lbs. 8 oz. .... \$1.79

**(E) 2-Tier Modern Window or Wall Shelf** has gleaming nickel-plated frame; two 4x22-inch sparkling glass shelves that reflect the beauty of your plants. Shelves slide out so you can clean them easily. Brackets and screws for mounting are included. About 16½ in. high.

86 A 7722—Ship. wt. 5 lbs. 4 oz. .... \$2.69

## Chest of Custom-Cut, Boneless, U.S. Prime Aged Beef \$59.95

Imagine the thrill of owning 24 3/4 lbs. of carefully selected, scientifically aged, U.S. Prime (there is no better) Beef. Wards special Treasure Chest holds 18 deluxe steaks, 2 succulent roasts and five 1-lb. containers of the finest chopped Sirloin. Finest Aged Beef, all meat—completely boned, trimmed, portion-controlled.

- Six 6-oz. Filet Mignon—the tenderest steak in the steer, from the most prime part of the tenderloin, abt. 2 in. thick.
- Six 12-oz. Boneless Strip Sirloins—so delicious, there are only 16 available in a 1000-lb. steer; about 1 1/4 in. thick.
- Six 8-oz. Delmonico (Rib Eye) Steaks—cut from the choice eye of the rib, beautifully marbled, about 1 in. thick.
- 5-Lb. Sirloin Tip Roast—flavorful to the last bite. All lean meat, compact, easy to carve.
- 5-Lb. Rump Roast—scores 100% for rich beef flavor and appetite appeal, no bones—all lean meat.
- 5 Lbs. Chopped Sirloin in 1-lb. packages. Not mere hamburger—true Sirloin for superlative burgers.

The Exceptional Kind Of Beef you enjoy only in the most celebrated steak houses or restaurants; not available in most local stores. Beef from only the finest corn-fed cattle—slowly aged under scientific conditions; U.S. Gov't. Inspected. Blast-frozen (-20°) at the peak of perfection.

Custom-cut, trimmed—you don't pay for excess fat, you get the most possible for your money; completely boned. Portion-controlled—uniform in size and thickness.

Shipped Express Prepaid from Cedar Rapids, Iowa. Each cut in "clear-view" wrap, packaged for your freezer. Expertly packed in insulated containers with plenty of dry ice for enroute protection.

Orders delivered promptly to locations within Continental U.S.A. (not shipped to Alaska or Hawaii). Allow 2 weeks.

Use Your Credit to fill your freezer now. See Wards Monthly Payment Plan, Page 1283. No C.O.D. orders, please.

## *All the Color in the World* FOR EVERY ROOM IN THE HOUSE

... from Wards inspired palette of twelve basic colors, each in ten light to dark values ... sparkling pastels, medium hues and vibrant dark shades. These color gamuts were especially developed to insure blends and harmony and to combine all home furnishings, interior finishing materials and decorative accessories in room schemes JUST FOR YOU.

This color system revolves around a Color Name for each family and in shopping the home furnishings pages, harmonious selections are assured when you choose colors with identifying names. The pastels complement and relate to the deeper medium shades and contrast to the darkest value. For example, Misty Pink through Misty Red to Misty Wine ... "Misty" is the key name and guarantees that these colors blend.

This season's top fashion color, Violet (which Montgomery Ward has called "MW" Amethyst) creates a beautiful bedroom scheme in the upper right hand drawing. Another forecast color, "MW" Bitter Green, sets the contemporary living room at the bottom of the page. These new schemes, using Wards new palette are "put together" for the most exciting Spring decoration plans in years. Turn to the reference pages designated and see the wonder world of color Wards has created for YOUR HOME.

### Decorating Magic . . .

"Putting the Pieces Together" . . . Wards new decorating book . . . tells you very simply the theory of color, design, period, clever ways with accessories, kitchen and bathroom planning. 20 pages, generously illustrated. Order below, or from your nearest Ward Retail or Catalog Store.

# SQUARE

*Custom Crafted*

Solid Maple

## SALEM SQUARE BORROWS ONLY BEAUTY FROM THE PAST

A wonderful livability in today's terms—that's Salem Square Furniture. Surround yourself with beauty that can only improve with age—as all fine things do. Your home in today's world has more and more importance as a symbol of your ability and discernment. Make it the tasteful scene of social triumphs... the best background for your family's life together—make it Salem Square and the gracious way of life; yours to have for years to come in the luxurious look that is everywhere apparent in Salem Square. You'll find a wealth of possibilities for your own home in the Living, Dining, Bedroom selections shown on these pages.

Made all of solid Maple; there are three different groups in this Furniture Collection. They are: Custom Crafted... when only the best will do; Quality Crafted... excellent construction—only the look is expensive; and Coordinates... versatile stacking units, work wonders in small spaces.

All three groups are finished in a warm, antiqued Maple tone to blend with one another. Delightful details of authentic styling repeat throughout each group. Choose to suit your purpose—suit your budget... buy from one group or mix all three with sure harmony, great effect. See all of Salem Square on these and the next six pages.

## CUSTOM CRAFTED When Only The Best Will Do

This is the finest of the three furniture groups in the Salem Square Collection. Custom Crafted pays painstaking attention to details—uses methods and materials that accomplish the look of time-warmed heirloom pieces, the ones that have had centuries of

loving care. Created for the discerning, for whom only the very best will do, Custom Crafted is far finer in every way. Made of solid, Northern Hardrock Maple by one of America's greatest manufacturers exclusively for Wards Salem Square collection.

### Upholstered Living Room Pieces

① AND ② All the attractiveness of solid Maple with all the comfort of innerspring construction. Reversible loose cushions offer deep roomy comfort with individually muslin pocketed innersprings. # CUSTOM CRAFTED

SOLID  
MAPLE

WHEN ONLY THE BEST WILL DO

Custom Crafted is all made of Solid Northern Hardrock Maple that has been carefully selected for beauty of grain and texture. This fine Maple is finished by an exclusive process that is both beautiful and practical—with great resistance to heat, scratches, even alcohol—then hand-rubbed to a mellow luster.

Case pieces have full platform bases, built separately, then securely attached to the case—an expensive method of construction that combines good looks with great sturdiness.

Drawers are dovetailed front and back; completely hand fitted and have both interlocking steel center guides and Nylon side guides for super-smooth operation. Full dustproof panels between each drawer. Solid-cast Brass drawer pulls in authentic scroll design. "Floating" top on each case allows for natural expansion and contraction to prevent warpage and splitting. All in all, Salem Square Custom-Crafted offers you the beauty that only the finest Maple woods can provide, the perfection of workmanship that only expert craftsmen can produce.

## Dining Room

Custom Crafted sets a tasteful scene for social triumphs or daily family life. Note the handsome butterfly supports and broad stretchers on the tables; shaped chair tops, curved arms and gracefully rounded cornices on the hutches.

**[14] BUFFET.** Shown on Page 708. Full width top drawer, two half-width drawers. Two doors with shelf inside. Size: 45x20x34 in. high. 66 A 30400 R—Ship. wt. 140 lbs. .... **\$149.95**

# Suburbia

FOR PEOPLE WHO THINK YOUNG...LIVE YOUNG

## EXCLUSIVELY WARDS—HERE'S MODERN WITH A DIFFERENCE

Whether planning your first home, redecorating or rejuvenating, look to Suburbia for the clean-line, contemporary styling you've always wanted. It is a complete grouping of Living, Dining and Bedroom pieces that gives your home a continuity of line, form and color. Years from now, these classic, sculptured designs will look just as modern and tasteful as they do today.

Here are glowing, richly grained Walnut veneers found only in the finest furniture (and yet Suburbia only looks expensive; it is actually most sensibly priced). Thanks

to modern ingenuity, the beautifully polished surfaces are thoughtfully finished to enhance and protect—a real must for the practical minded!

Every distinctive fabric is carefully calculated to match, harmonize or accent another. All sizes are scaled to use together. Use Suburbia as a starting point in planning your decorating scheme, then select accessories and appointments that reflect your own personality and taste. Timelessly handsome, it can capture any mood you desire, be it Danish Style Modern, Casual Contemporary or Classic.

## Handsome Lamps

# Suburbia

## FASHION'S FAVORITE IN THE MODERN MANNER

A DISTINGUISHED COLLECTION OF DINING AND BEDROOM PIECES to mark you as a gracious and successful homemaker. Rich, glowing Walnut veneers on all table tops, drawers, fronts, sides, tops of storage pieces . . . all other parts of finest hardwoods. Swiftly gliding drawers finished inside, doweled and glued, center guided and dustproof. Bright accent notes of brass-plating—legs, ferrules, mirror liners, drawer pulls and knobs. Magnetic catches on all doors for greater ease in closing. Every piece finished a rich and warm Walnut so that they all will blend with one another.

### Dine at Home Graciously

**NO MATTER WHAT YOUR MODE OF LIVING**, each meal you prepare deserves the elegant setting that Suburbia achieves. Richly grained tables with softly gleaming surfaces . . . smoothly sculptured chairs cleverly crafted for comfort . . . stately cabinets and buffets for treasured linens and serving pieces. A Suburbia dining room is truly a perceptive choice, for it is meant to be used every day—dressed up for company, or enjoyed by the family to make every day seem an occasion.

**(21) TO (23) EXTENSION TABLES.** There's a marvelous new floating look to Suburbia. Here it comes into full expression—stated in table tops. See how these tops shape from underneath—gently transpose from thick to thin. Important, too, that each of the four tables expand with leaves included, all 29½ in. high.

**(21) RECTANGULAR TABLE.** Top size 40x60 in. extends to 40x96 in. with three 12-in. leaves.

66 A 22000 R—Wt. 105 lbs. \$5 Down or Cash **\$69.95**

### Traditional Tables with "Nevamar" Tops

(9) to (13) "Nevamar" high pressure plastic tops give you invisible protection from burns, mars. Enjoy this group of fine tables the relaxed way—so easy-care you just wipe clean with a damp cloth.

Inspired by fine traditional pieces, developed in selected Hardwoods and veneers finished in lustrous Mahogany. Accessories are Brass-plated. These tables are well-built, designed to give years of service.

(9) COCKTAIL TABLE. Most useful style of all—long and narrow, for the space in front of the sofa or under the picture window. Always in good taste, blends with any decor. Size about 42x18x15-in. high.

66 A 1057 R—Shipping wt. 23 lbs. \$17.95

(10) STEP TABLE. Perfect height for a lamp, large or small. Use singly or in pairs, beside sofa or chair—adds decorative note to living room. Abt. 36x18x16 in. high.

66 A 921 R—Shipping wt. 20 lbs. \$17.95

(11) END TABLE. Fits into most decorating plans. Lower shelf. Abt. 23x15x22-in. ht.

66 A 922 R—Shipping wt. 23 lbs. \$17.95

(12) DRUM TABLE. Show off an impressive lamp—a favorite plant... fits a bay window situation perfectly. Abt. 24-in. diam. 26-in. ht.

66 A 918 R—Shipping wt. 21 lbs. \$17.95

(13) COCKTAIL TABLE. Duncan Phyfe single pedestal. Brass-footed legs. Center it between two lounge chairs. Abt. 26x18x23-in. ht.

66 A 920 R—Ship. wt. 21 lbs. \$17.95

(14) BUNCHING TABLES. Use one, two, or three—wonderfully decorative, amazingly useful. May be lined in a row; whisked to chair-side, transformed to a snack table; hold a chess set, checkers or any game for two. Mahogany finished. Hardwood with inlaid mahogany top, inlaid contrasting border.

66 A 919 R—Abt. 18-in. sq. 17 in. ht. Fluted pedestal base. Ship. wt. 14 lbs. Each \$17.95

## PRACTICAL Modern ACCENT TABLES \$14<sup>95</sup> To \$32<sup>95</sup>

(15) TO (21) Formica, high pressure plastic tops on choice of seven styles, all distinctively different modern design. Give you the easy-care service of invisible plastic protection—will not burn, scratch or mar

—ever. You need never wax, polish or rub—to clean, just wipe with damp cloth. Hardwood, developed in beautiful Walnut or Lined Oak finish. Brass-plated ferrules and pulls, Gold color routing.

(15) COCKTAIL TABLE. Rates the center of attention in your living room—in front of the sofa, or under the picture window. Useful drawer and full length undershelf. Abt. 42x20x15-in. ht.

66 A 956 R—State finish. Wt. 40 lbs. . . . \$24.75

(16) END TABLE. Well-proportioned, perfect beside a lounge chair. One full drawer. Open shelf space in bottom. Abt. 30x20x28-in. ht.

66 A 959 R—State finish. Wt. 31 lbs. . . . \$24.75

(17) STEP TABLE. Top shelf perfect height for a lamp. Use lower shelf for ash trays, etc. One handy drawer. Abt. 30x20x24-in. ht.

66 A 958 R—State finish. Wt. 28 lbs. . . . \$24.75

(18) ROUND COCKTAIL TABLE. Large 34-in. diam. Useful with low chairs. Ht. abt. 15 in.

66 A 957 R—State finish. Wt. 25 lbs. . . . \$24.75

"R" after Cat. No. means shipped from Stock by Freight, Truck or Express

(19) DISTINCTIVE PLANTER TABLE. Has a built-in planter at each end—perfect for the picture window. Equally effective with live plants or cleverly simulated ones—metal insert containers take care of the planting. (Plants not included.) One handy drawer in front. Size about 46x17x26 inches high.

# Erecta Shelf® FOR EXACT SPACE NEEDED

- Individuality Unlimited—design the arrangement that is individually and personally yours
- Choose Satin Black or Gleaming Brass finish wrought iron panels or combine both
- With only 4 panel sizes construct any number of dramatic room settings—and the cost is low
- Assemble quickly and easily with no fuss or bother—add new arrangements at any time

All Erecta panels are 8½ in. wide. Straight panels can be used either vertically or horizontally. Horizontal panels may be attached at any desired height on the vertical panels. Corner panels can be used for either outside or inside corners, extend 24 in. on each wall. 30-in. Rod included with each corner panel. Rod is scored at 20 and 24 in., may be cut easily to the length desired.

New Book Divider (E), about 7½ in. high, clips on any shelf for convenient holding of books, albums, records, makes any shelf a book rack. Safe, sturdy, patented clip-locks assure all panels absolute rigidity capable of holding as much weight as you care to put on them. And, you can add arrangements at any time, make shelves taller, deeper, longer, or dismantle them when you move.

## Create Countless Arrangements

Custom-Tailor your own space—for example Wall Case and Room Divider (I) pictured above consists of eight 20-in. panels, eleven 30-in. panels and 6 wood bases. Assembled size 53x80 in. high. You will get a step-by-step construction booklet which provides complete instructions for easy assembling. Contains many suggestions for other useful arrangements. All pieces Mailable.

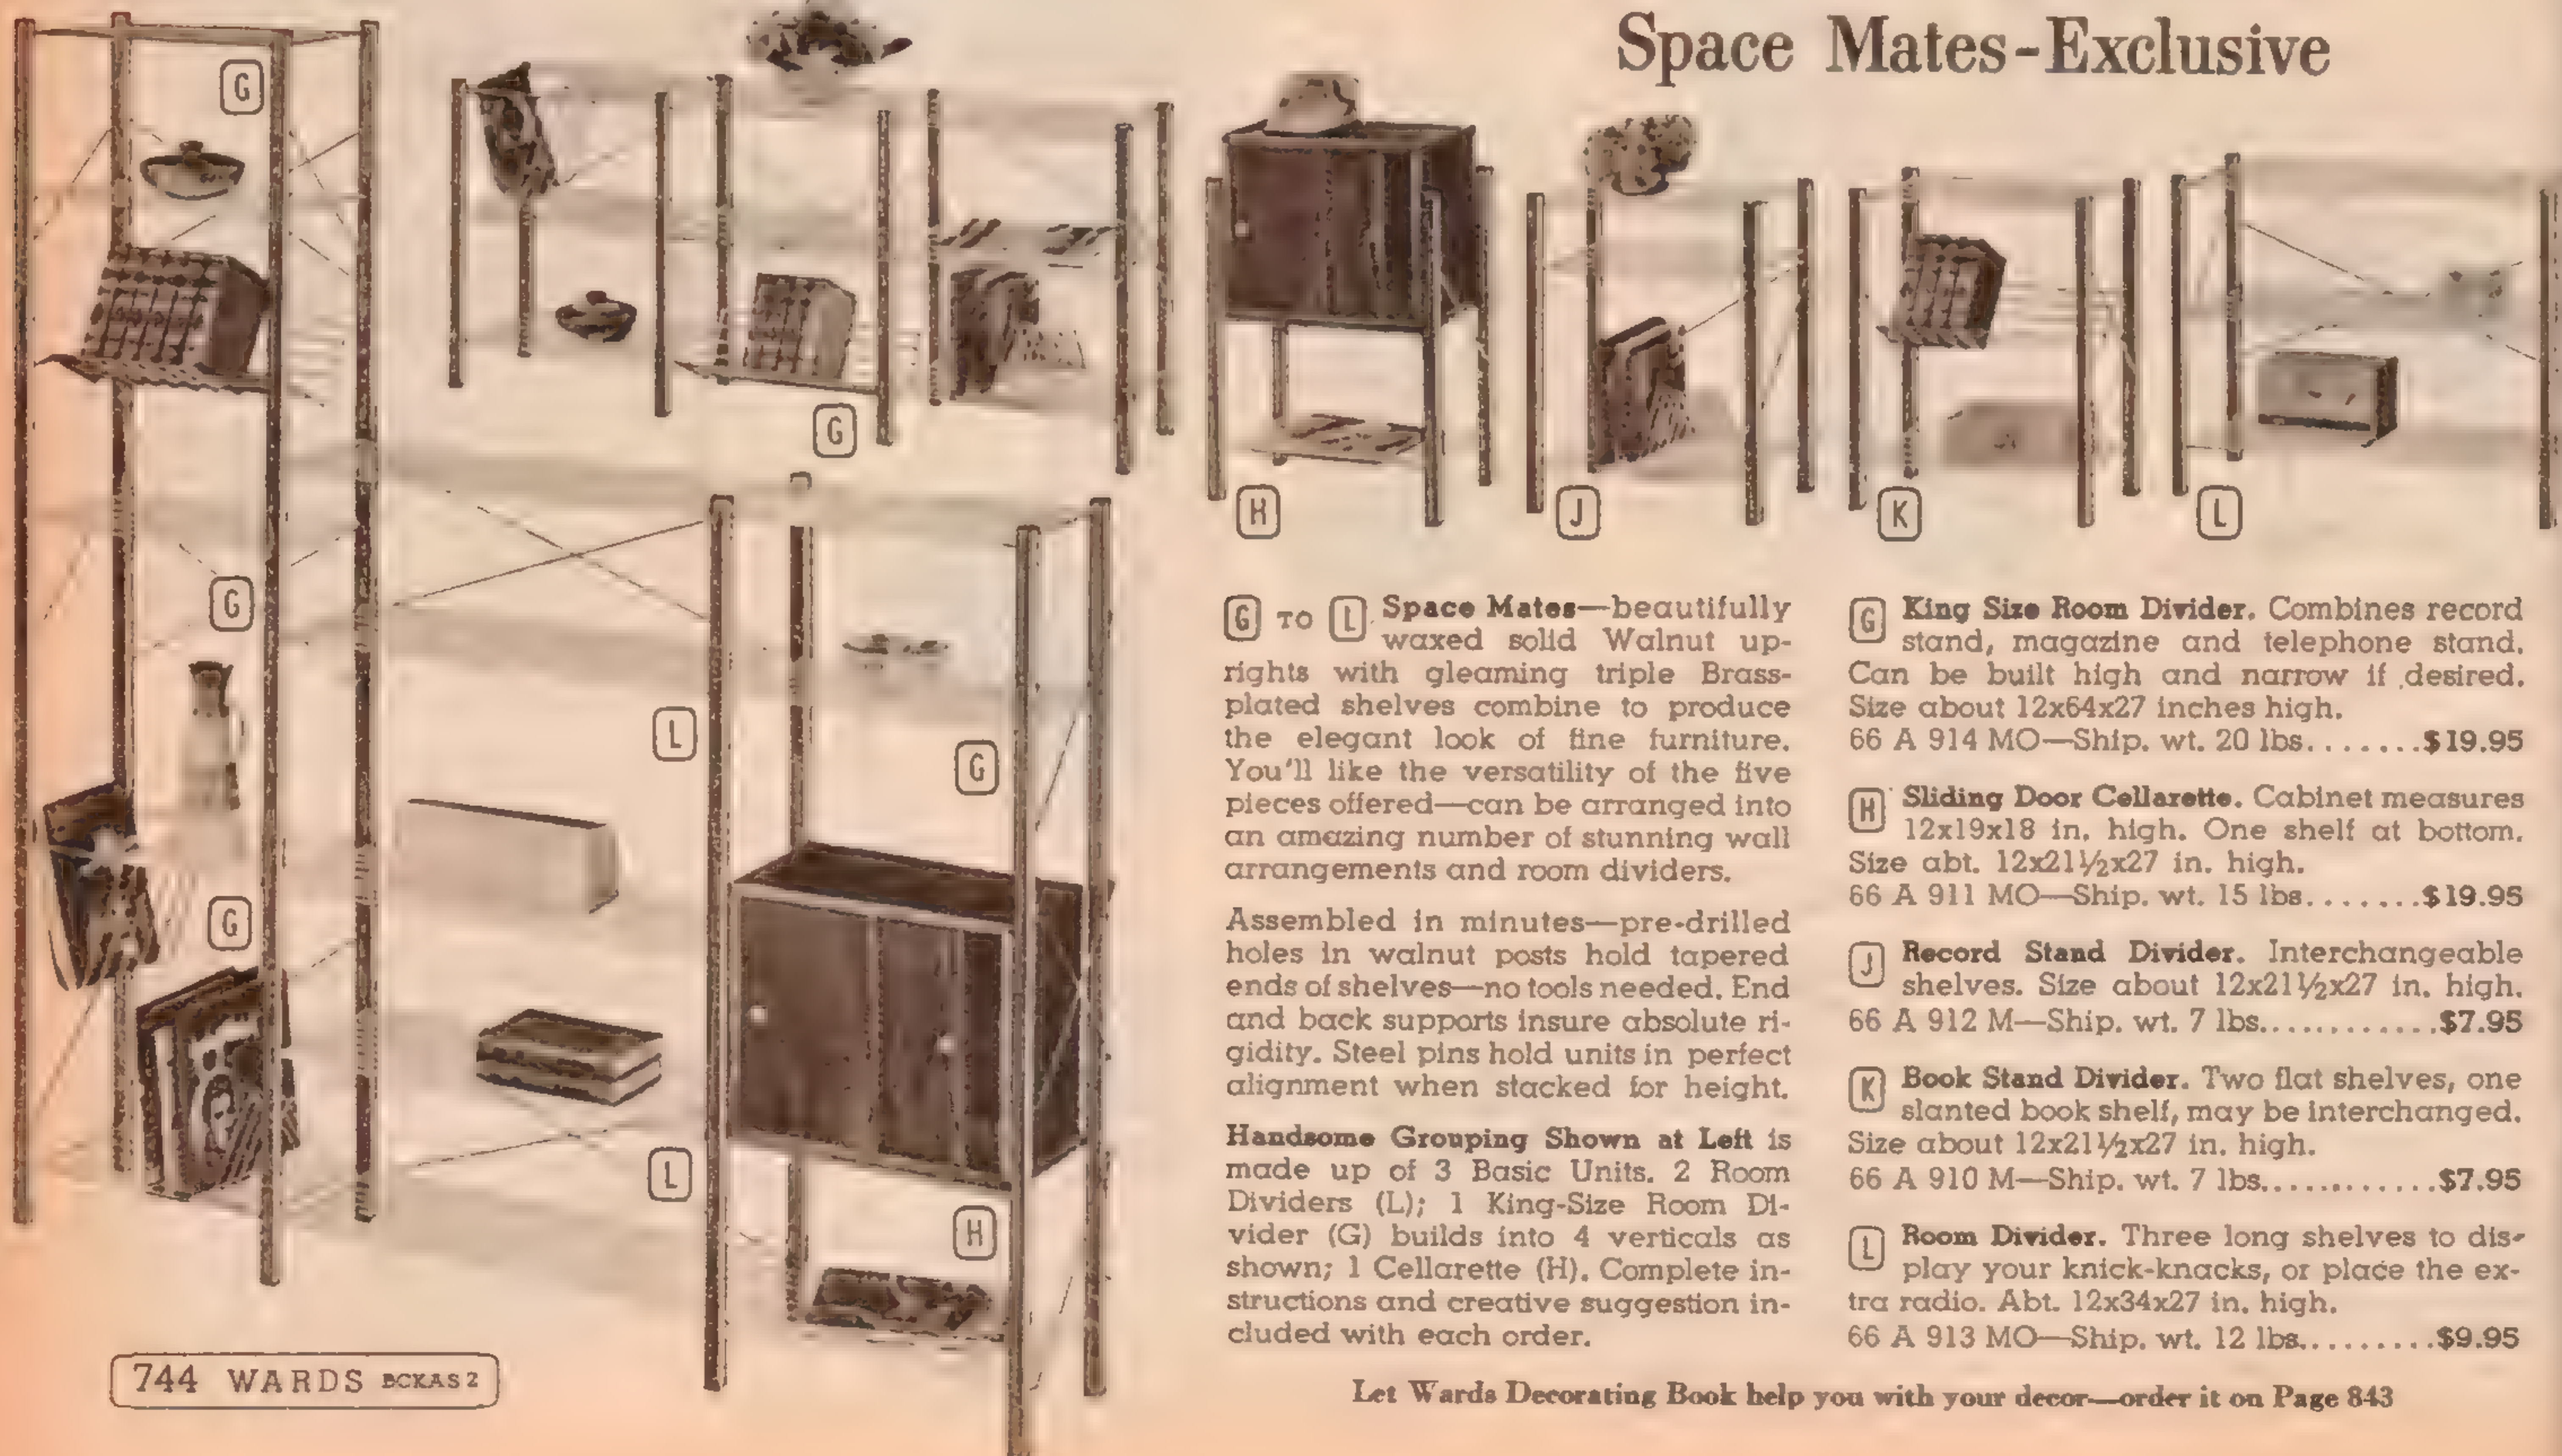

## HOW TO ORDER VERSATILE ERECTA SHELF

Determine the maximum width, height and depth of your planned unit. Build to double depth for television or phonograph holder. Panels actually measure the width used to describe them. For ASSEMBLED SIZE, note: for each vertical panel you use as a side, your unit will gain almost one inch in length. Be sure to order Bases—sturdy hardwood cubes—in good-looking Black.

Key	Item	Ship. wt.	Black	Price	Brass	Price

## Build High — Build Wide — Wards Low-Cost Walnut and Brass

### SOLVES STORAGE SPACE PROBLEMS Space Mates-Exclusive

**G to L Space Mates**—beautifully waxed solid Walnut up-rights with gleaming triple Brass-plated shelves combine to produce the elegant look of fine furniture. You'll like the versatility of the five pieces offered—can be arranged into an amazing number of stunning wall arrangements and room dividers.

Assembled in minutes—pre-drilled holes in walnut posts hold tapered ends of shelves—no tools needed. End and back supports insure absolute rigidity. Steel pins hold units in perfect alignment when stacked for height.

**Handsome Grouping Shown at Left** is made up of 3 Basic Units. 2 Room Dividers (L); 1 King-Size Room Divider (G) builds into 4 verticals as shown; 1 Cellarette (H). Complete instructions and creative suggestion included with each order.

## 4 Reasons Why Ward Plate Glass Mirrors are Best

**1 WALL MIRROR CLIPS** add a new note of decoration. Clips are styled for beauty and utility, hold mirror securely, yet inconspicuously. Nickel-plated clips are durable, will not bend or tarnish.

**2 BEVELED EDGES** are another distinguishing feature of fine mirrors. Edges are cut at a long angle to emphasize thickness and quality. Polished edges are especially good for recessed areas.

**3 FULL 1/4 INCH THICK** for a deeper, truer reflection from any angle. Mirrors are heavily silvered and sealed with a copper coating to keep out moisture, prevent clouding and streaking.

**4 SWIVEL HOOKS** are securely attached to back of wall mirrors for convenience in hanging. Hooks turn so mirror can hang either horizontally or vertically, whichever suits your decorating need.

## Plate Glass Excellence...Reflection of Good Taste

**1 PLATE GLASS DOOR MIRRORS.** Ground and polished on both sides to give a clearer, better reflection of you from head to toe. Essential to good grooming and an important clothes fitting aid. Beveled or Polished edges. State Catalog Number and Size of mirror.

HOW TO MEASURE DOOR. Measure recessed panels, order mirror big enough to cover them. Allow for knob.

INSTALLATION IS EASY. Plastic clips and screws incl.

## Walnut Finished or Ready-to-Finish

WARDS NEW CONTEMPORARY MODERN GROUP offers modern styling with the Danish look at exceptionally low prices. Each piece is constructed with the same care used in the manufacture of fine furniture and carries the "Aristo-Bilt" quality trademark.

SIZE AND STYLE CORRELATED—arrange to suit your taste; add as your needs change. There are tapered Hardwood legs or a reversible base (sold separately) for each piece.

CONSTRUCTED OF FINE SOLID HARDWOOD and Hardwood plywood, kiln-dried to resist warping. Innerframe of case routed and grooved at joints—keeps each piece rigid, adds to durability. Drawer bottoms and backs made of pressed wood are lock-jointed—glide easily on plastic center guides. All cabinets and bookcases have matching plywood backs. Sliding doors, Tambour style (A), (L) or covered in Madagascar cloth (D), (K), and distinctive Brass plated pulls provide added accent.

AVAILABLE TWO WAYS—in a beautiful Danish-inspired modern Walnut finish for a small additional cost, or be your own decorator, finish them yourself and save more. All pieces listed as "Ready-to-Finish" are smoothly sanded, ready to wax, stain, lacquer or paint. Chair available in "Ready-to-Finish" only.

BADFSK WARDS 759

## COORDINATED EARLY AMERICAN

SELECT, SOLID HARDWOOD AND HARDWOOD PLYWOOD used throughout. Sanded; kiln-dried to resist warping. Solid tops are glued and screwed from inside—no nail holes to mar finish. Plywood sides are framed for extra strength. Drawers use lock-joint and glue construction; have solid fronts, Plywood bottoms and backs. Center guides on drawers, waxed for easy opening. Antiqued, Brass-plated pulls.

AVAILABLE TWO WAYS—in a beautiful, warm Salem (Brown) Maple finish for a small additional cost.

Or save more by doing your own finishing—easy to spray or paint by hand or wax and polish, retain beautiful finish. All pieces listed under Ready to Paint are smoothly sanded, ready to decorate. Chairs available in Ready-To-Paint only. Order today. Items \$20 or more only 10% Down.

## Clear Pine BY ARISTO-BILT

**NEW "ARISTO-BILT" GROUP AT NEW LOW PRICES.** Attractive in any room setting—coordinated to provide unlimited, functional, on groupings—you are the decorator.

**CLEAR PONDEROSA PINE**, kiln-dried to prevent warping. Tops, sides formed into solid piece. Extra-heavy drawer rails and bottom

frame interlocked and glued into sides. Pressed wood back. New sculptured drawer fronts. Bottoms and backs, pressed wood with dovetailed lock-joints for extra-rigidity. Drawers glide smoothly on plastic center-guides. Each piece fully assembled, sanded, ready to finish—paint or wax natural color. Will harmonize with any color scheme.

## Check These "Spacious" Extras

- Extra Large Cases. Fine Furniture Depth—Full 18 Inches Deep.
- Mortise And Tenon Construction—Joined With Glue And Steel Dowels.
- Solid Case Design Keeps Dust Out
- Styled For Unlimited Group Arrangements

100% CLEAR PONDEROSA PINE THROUGHOUT . . . thoroughly kiln-dried to prevent warping. Distinctive, picture-frame styling lends handsome, decorator look. Smoothly finished, the pieces come to you fully assembled and ready to finish. And best of all, they are priced to fit any budget.

UTILIZE THE FULL 18-INCH DEEP Chests and Cabinets (same depth found in fine furniture) with 15-inch Stack in any space or choice of decor. Your imagination is the one and only limit. (Sizes below are approximate.)

SPECIAL LOCK-MITER JOINTS on top, sides and bottom of cases are glued and screwed to form a solid, rigid unit. Front rails under each drawer use mortise-tenon construction; joined with glue and steel dowels. Drawers are lock-mounted for rigidity, slide easily on both center and side guides. These features assure your lasting satisfaction.

ALL CASES HAVE DUSTPROOF BOTTOMS. Handsome, brass-accented drawer pulls. Tapered wood legs have Brass ferrules and self-leveling glides (detached to save you money on shipping costs).

SHIPPING INFORMATION: "R" after Catalog Numbers means not available—Merchandise shipped promptly from stock by Freight, Truck or Express. "M" after Numbers means "Mailable".

## NEW STYLING, NEW FEATURES...FULL 18 IN. DEEP

**11** DROP-LID DESK. Use on top of chests, cabinets or hang on wall. Deep top shelf. Lower section has divided section with shelves for papers, etc., covered by hinged door which lowers to form writing surface. Legs not included. Overall, about 35x15x25 in. high.

# Simmons *Beautyrest* Mattresses

## Be Wards Guest for 30 Days . . . Try a Beautyrest . . . 28 Sizes, Firmnesses

Muslin Pocketed,  
Individual Coils.

"Floating Ac-  
tion" Springs—  
each adjusts to  
body weight.

**BE WARDS GUEST FOR 30 DAYS.** Choose any style, firmness or size. After sleeping on your Beautyrest for 30 days, if you are not completely satisfied, return it to Wards and get your money back including transportation costs. The mattress will be returned to Simmons and destroyed according to law.

**FLOATING ACTION SPRINGS**—837 of them—are the reason why Beautyrest gives firm support to every part of your body. Original Simmons design—each spring is wrapped in muslin, moves independently of its companions. Each spring has 6 compression coils for more resiliency, faster spring "bounce-back." And the greater number of springs means a smaller area is supported by each, increasing the life of the mattress.

**DEEP CUSHION** of White, layer-felted Cotton prevents "coil feel."

**CRUSH-PROOF, DOUBLE-STITCH BORDER**—made only by Simmons keeps edges firm—mattress can never sag. 8 screened air vents circulate fresh air, keep mattress cool. Built-in border handles.

**HEAVY-WEIGHT SATEEN TICKING** on both mattress and box spring. Precision button-tufting (in Tufted mattresses) and inner-stitching

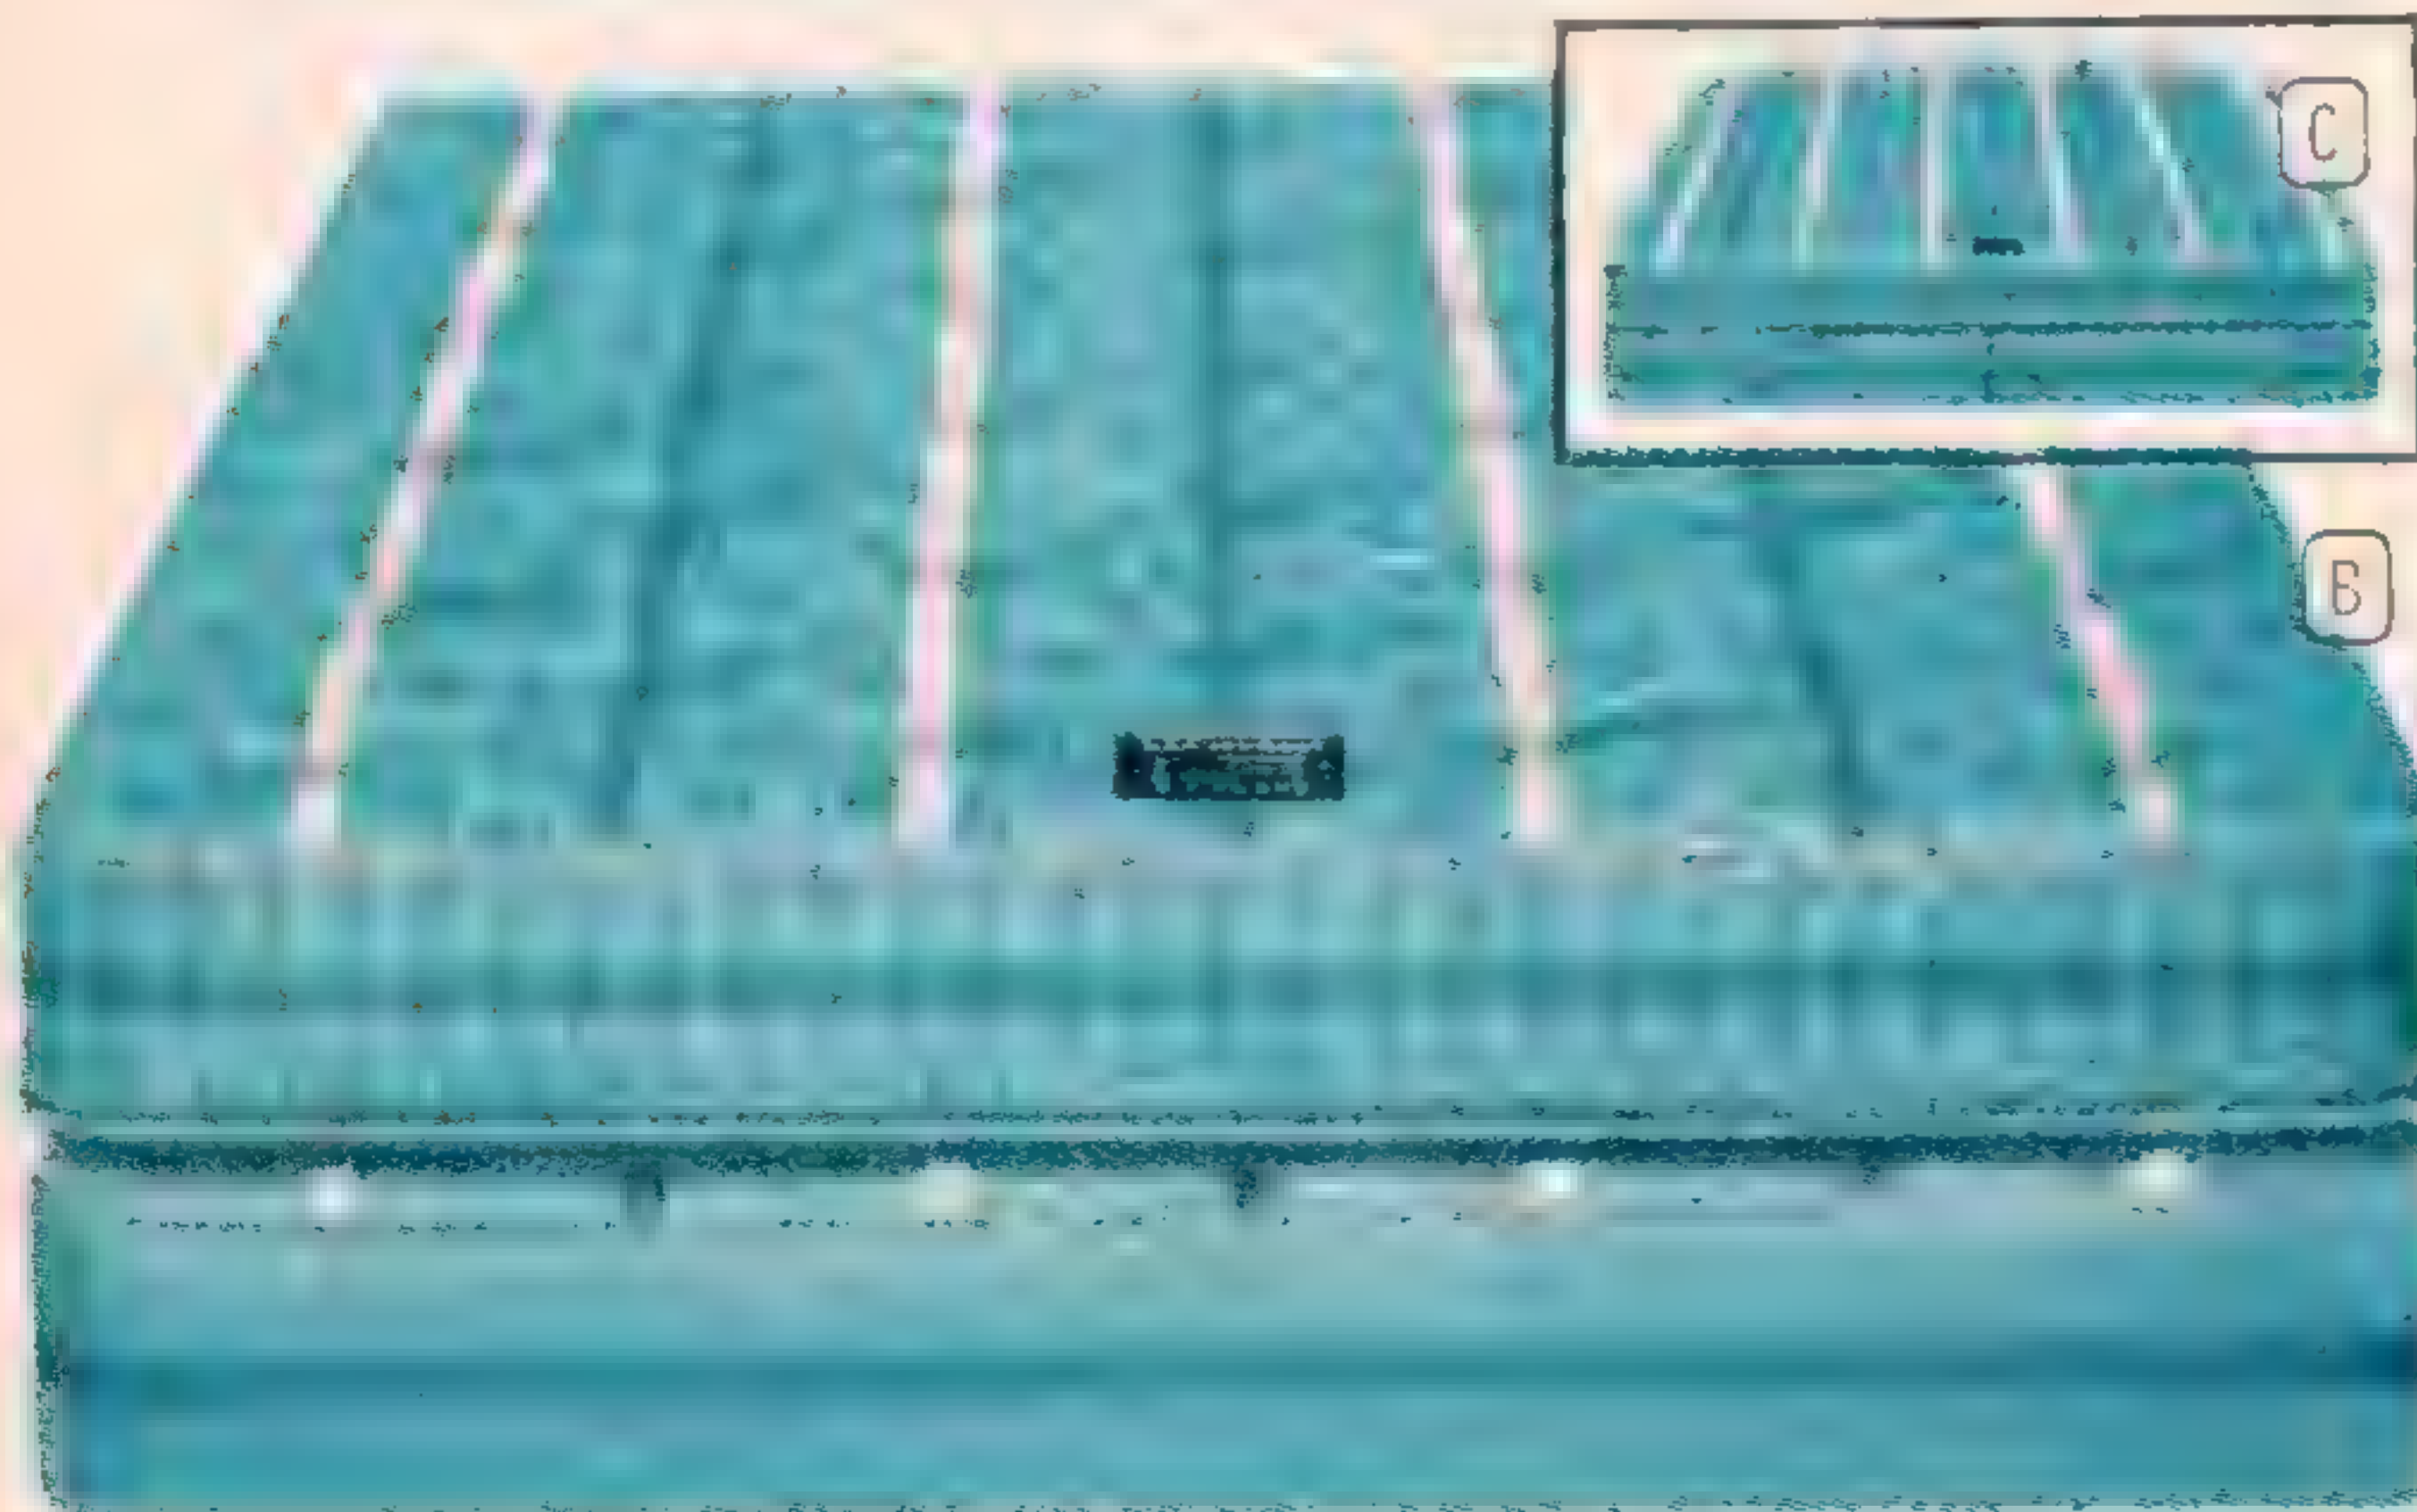

(in Quilted) holds cushioning and ticking firmly in place. Tufted mattress has Blue floral overprint on Sky Blue background accented by Silver Lurex and Blue stripes. Quilted set has colorful Spray-floral pattern on Beige.

**SPECIALLY DESIGNED BOX SPRING** has 88 deep springs (in 54 in.) mounted on seasoned wood base frame. Tempered steel bands hold spring securely; stabilizers keep spring in perfect alignment. Thick, felted-Cotton cushioning provides a smooth surface.

**CHOOSE FROM TWO DEGREES OF FIRMNESS.** STANDARD FIRMNESS for normal support; EXTRA-FIRM for Orthopedic type comfort. Extra-firm has same construction as Standard, but springs are of heavier-gauge wire. Regular Length 75 in.; Extra Length 80 in.

**WARDS PAY FREIGHT.** REGULAR LENGTHS shipped promptly from Stock; EXTRA-LENGTHS and OVERSIZE sets from Factory near Mail Order House—allow 2 weeks plus transit time.

**WARDS ASSURE YOU OF CLEAN, FACTORY-FRESH MATTRESSES**—each in their original carton. And you get a double guarantee Wards and Simmons. Choose any of the 28 sizes, firmnesses below be our guest. Headboard, Legs not included.

# STYLE HOUSE EXTRA FIRM Orthopedic Type

## Maximum Support for the 1 out of 3 with Backaches

3 Compression Coil 2-Layer Insulation  
Springs-Deep Support. No "Coil-feel" Ever.

Thick Foam Cushion Foam-backed Border  
Won't Mat or Pack. Won't Ever Sag.

**D** EXTRA FIRMNESS FOR THOSE WHO NEED MAXIMUM SUPPORT or who prefer sleeping on a firmer-than-average mattress. Orthopedic type gives welcome relief from muscular aches, pains caused by uneven or overly-soft beds.

DELUXE ORTHOPEDIC TYPE HAS 300 DELUXE SERVICE SPRINGS. Heavy-gauge wire, each with 5 compression coils (two more than most springs) to provide deeper than usual support. The sleeping surface stays even . . . you lay on top of mattress, not in it.

TWO INSULATION LAYERS--Double-strength Cellulose Fiber Fabric and thick, 1/2-in. Tufflex in place of Sisal provides a firm, non-allergenic surface on top of springs--no "coil-feel" ever.

1-IN. THICK FOAM CUSHIONING doesn't mat or pack down--retains its springiness no matter the humidity. Compression ratio of 30 furnishes firm support. (See Compression Story, Page 781.) Provides cooler, dust-free, non-allergenic surface.

SPECIALLY DESIGNED, PRE-BUILT BORDER has thick cushioning of Foam.

UNUSUAL FOAM SURFACE does not require tufting or quilting--stays smooth, firm for life of mattress.

SET COVERED IN 8-OZ. TWILL--Tan and White stripes accented with sparkling Red, Gold, Silver Lurex threads.

MATCHING BOX SPRING HAS 80, HEAVY-GAUGE SPRINGS mounted on strong wood frame. Designed to give the best, end-to-end, side-to-side support for mattress.

TWO LENGTHS--REGULAR, 75 IN.; EXTRA, 80 IN. LONG. Regular shipped promptly from Stock; Extra from Factory near Mail Order House, allow 2 weeks extra. State width: 54 or 39 in. Headboard, Legs not included.

66A7676F EXTRA LGTH. SET. Wts.: 159, 133 lbs. . . . 114.95

## Motel Style . . . Orthopedic Firmness with Motel Durability

"Cotton-feel"  
Covering

**E** GIVES SIMILAR FIRM SUPPORT AS DELUXE SET above. The basic difference is in spring design, filling materials used. Motel Orthopedic type has 252 Motel Service Springs (shown left) of heavy-gauge wire, each with 4 compression coils--one more than most springs.

Thick, two-layer Sisal insulation; thick, 3-layer cushion of Cotton-linter Felt. Pre-built border has Cotton backing. Surface deeply tufted to prevent heavy, 8-oz. Twill in Blue, Green and White stripes.

Matching Box Spring has same construction as (D) above. State mattress width: 54 or 39 in. Headboard, Legs not included.

# More Coils FOR YOUR MONEY

IN WARDS ECONOMY PRICED, COMFORT-FASHIONED INNERSPRINGS

## 837 SPRING MATTRESS . . . One Of The Finest Buys This Season

837 of these coils in every full-size mattress. Steel, Therma-Glass Open Spring; coiled 3 times.

**E** COMFORTABLE, SOUND SLEEP AT AN ECONOMICAL PRICE. We believe, price-wise, one of the finest buys this season.

837 HEAVY-GAUGE SPRINGS (proportionately fewer in Twin size) have 3 compression coils each. Provide a firm, relaxing sleeping surface. 1/4-IN. SISAL INSULATION prevents "coil feel."

COTTON-LINTER FELT CUSHIONING adds surface comfort.

PRE-BUILT BORDER, vertically stitched. Combined with heavy-gauge border wire. Gives same firm support to edges as in middle.

SMOOTH SURFACE stitched in scroll design will never lump.

EXTRA-HEAVY, 8-OZ. WOVEN TWILL TICKING with varied Avocado (Gray-Green) stripes on White background.

MATCHING BOX SPRING has 80 springs (proportionately fewer in Twin size) mounted on strong wood frame. Designed to give the proper supporting foundation to the mattress.

AVAILABLE IN TWO LENGTHS. Regular (75 in.) or Extra (81 in.). Regular length shipped promptly from Stock; Extra length from Factory near Mail Order House, allow 2 weeks plus transit time. State: 54 or 39-in. width.

## Firm, 6-inch Set

Twin Mattress,  
Box Spring **\$89<sup>95</sup>** \$5 Down,  
\$5 Month

**A** QUALITY SET ECONOMICALLY PRICED. 6-in. thick, full-width Foam set for \$109.95. Deep-comfort foam latex gives buoyant firmness for those who want a regular-firm mattress. Mattress density is guaranteed 19 to 24 (see opposite page) . . . just right for comfortable, resilient sleep.

Triple-tied box spring has 72 heavy-gauge, double-level springs for additional firmness . . . adds greater supporting capacity to this ensemble. Springs insulated with Sisal, cushioned with Cotton felt. Taped seams, handles on box spring.

Attractive Fawn and Yellow woven stripe ticking adds beauty to this luxurious sleep set. Outfit is guaranteed for 10 years. Regular (75-in.) length only.

Sets shipped promptly from Stock by Freight, Truck or Express.

## King Size Foam Latex

Mattress, Two Springs **\$189<sup>50</sup>** \$5 Down, \$10 Month  
Cash

**C** EXTRA-FIRM KING-SIZE SET. 76x80 in. long. 22 in. wider, 5 in. longer than regular full-size bed. Provides that extra space along with the advantages of a foam mattress. 6-in. thick mattress has 25 to 29 density . . . supports your weight evenly, firmly.

Two box springs; each has 60 heavy-gauge springs, triple-tied to stress firmness; adds to resiliency of mattress. Surface cushioned with Cotton felt over Sisal insulation. Taped seams, handles.

Set: one 76-in. mattress, 2 regular twin-size springs, all covered in long-wearing heavy woven ticking—attractive Avocado (Gray-Green) stripes on White. Guaranteed for 15 yrs. (see opp. page).

66 A 7516 F—KING SIZE SET. Ship. wt. 248 lbs. . . . .Cash **\$189.50**

QUEEN-SIZE SET (not shown). Same features as (C) above, only 60x80 in. long. Set: one mattress; one 99-spring Box Spring.

66 A 7522 F—QUEEN SIZE SET. Ship. wt. 181 lbs. . . . .**\$149.50**

Sets above from Factory near Mail Order House. Allow 2 weeks extra.

For King-Size Sheets, See Page 810. Luxurious King-Size Coverlets, Pages 792, 802

# COOL, CLEAN, ODORLESS, NON-ALLERGENIC

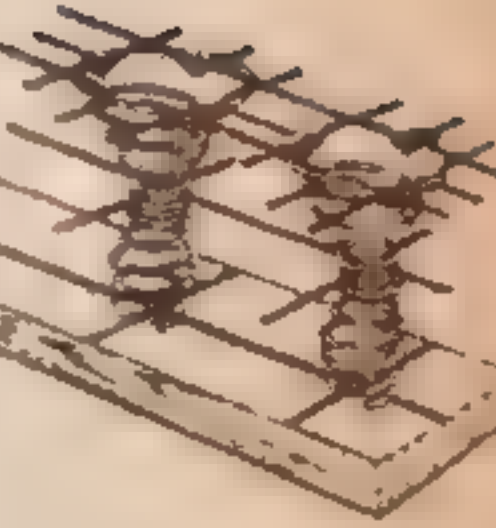

**Plus GREATER FOAM DENSITY**—More foam per cubic inch than most other foam mattresses . . . and Wards greater density means more firmness plus the luxurious deep sleep qualities of foam.

Wards foam mattresses have been designed for perfect support . . . Wards will accept only foam that is made to highest specifications—to give you years of dependable service.

**Plus GREATER COMPRESSION RATIO.** Compression Ratio is the measure of firmness or "softness" per square inch of foam. Compression ratios, between 19 and 29 density, are the most desirable. Within this range, the higher compression ratios give firm support and the lower compression ratios give regular-firm support. This compression ratio or density helps you in selecting the foam mattress you prefer or require for your greatest sleep comfort.

Wards foam mattresses are selected from within this group, which is higher than used in many foam mattresses, to assure you the finest "foam sleep" possible.

**Plus NEW TRIPLE-TIED BOX SPRING**—a feature found only in Wards foam sets . . . springs are wire-tied at the top, center, and bottom (see right). This new design means that each double-level spring gives the firmness and carrying capacity of two single springs, but at the same time gives cushioning and resiliency to your foam mattress.

**Plus WARDS LABORATORY TESTING** assures proper service and lasting comfort.

**Plus UP TO 20 YEAR GUARANTEE** (as specified below)—These sets are guaranteed by Wards against defects in material and workmanship. If a defect appears and is reported the first year after purchase, Wards will either replace or repair, at its option, the defective product or part thereof, without charge. If after the first year, but before end of guarantee, Wards will either repair or replace, at its option, the defective product or part thereof, making a charge proportionate to the years of usage received.

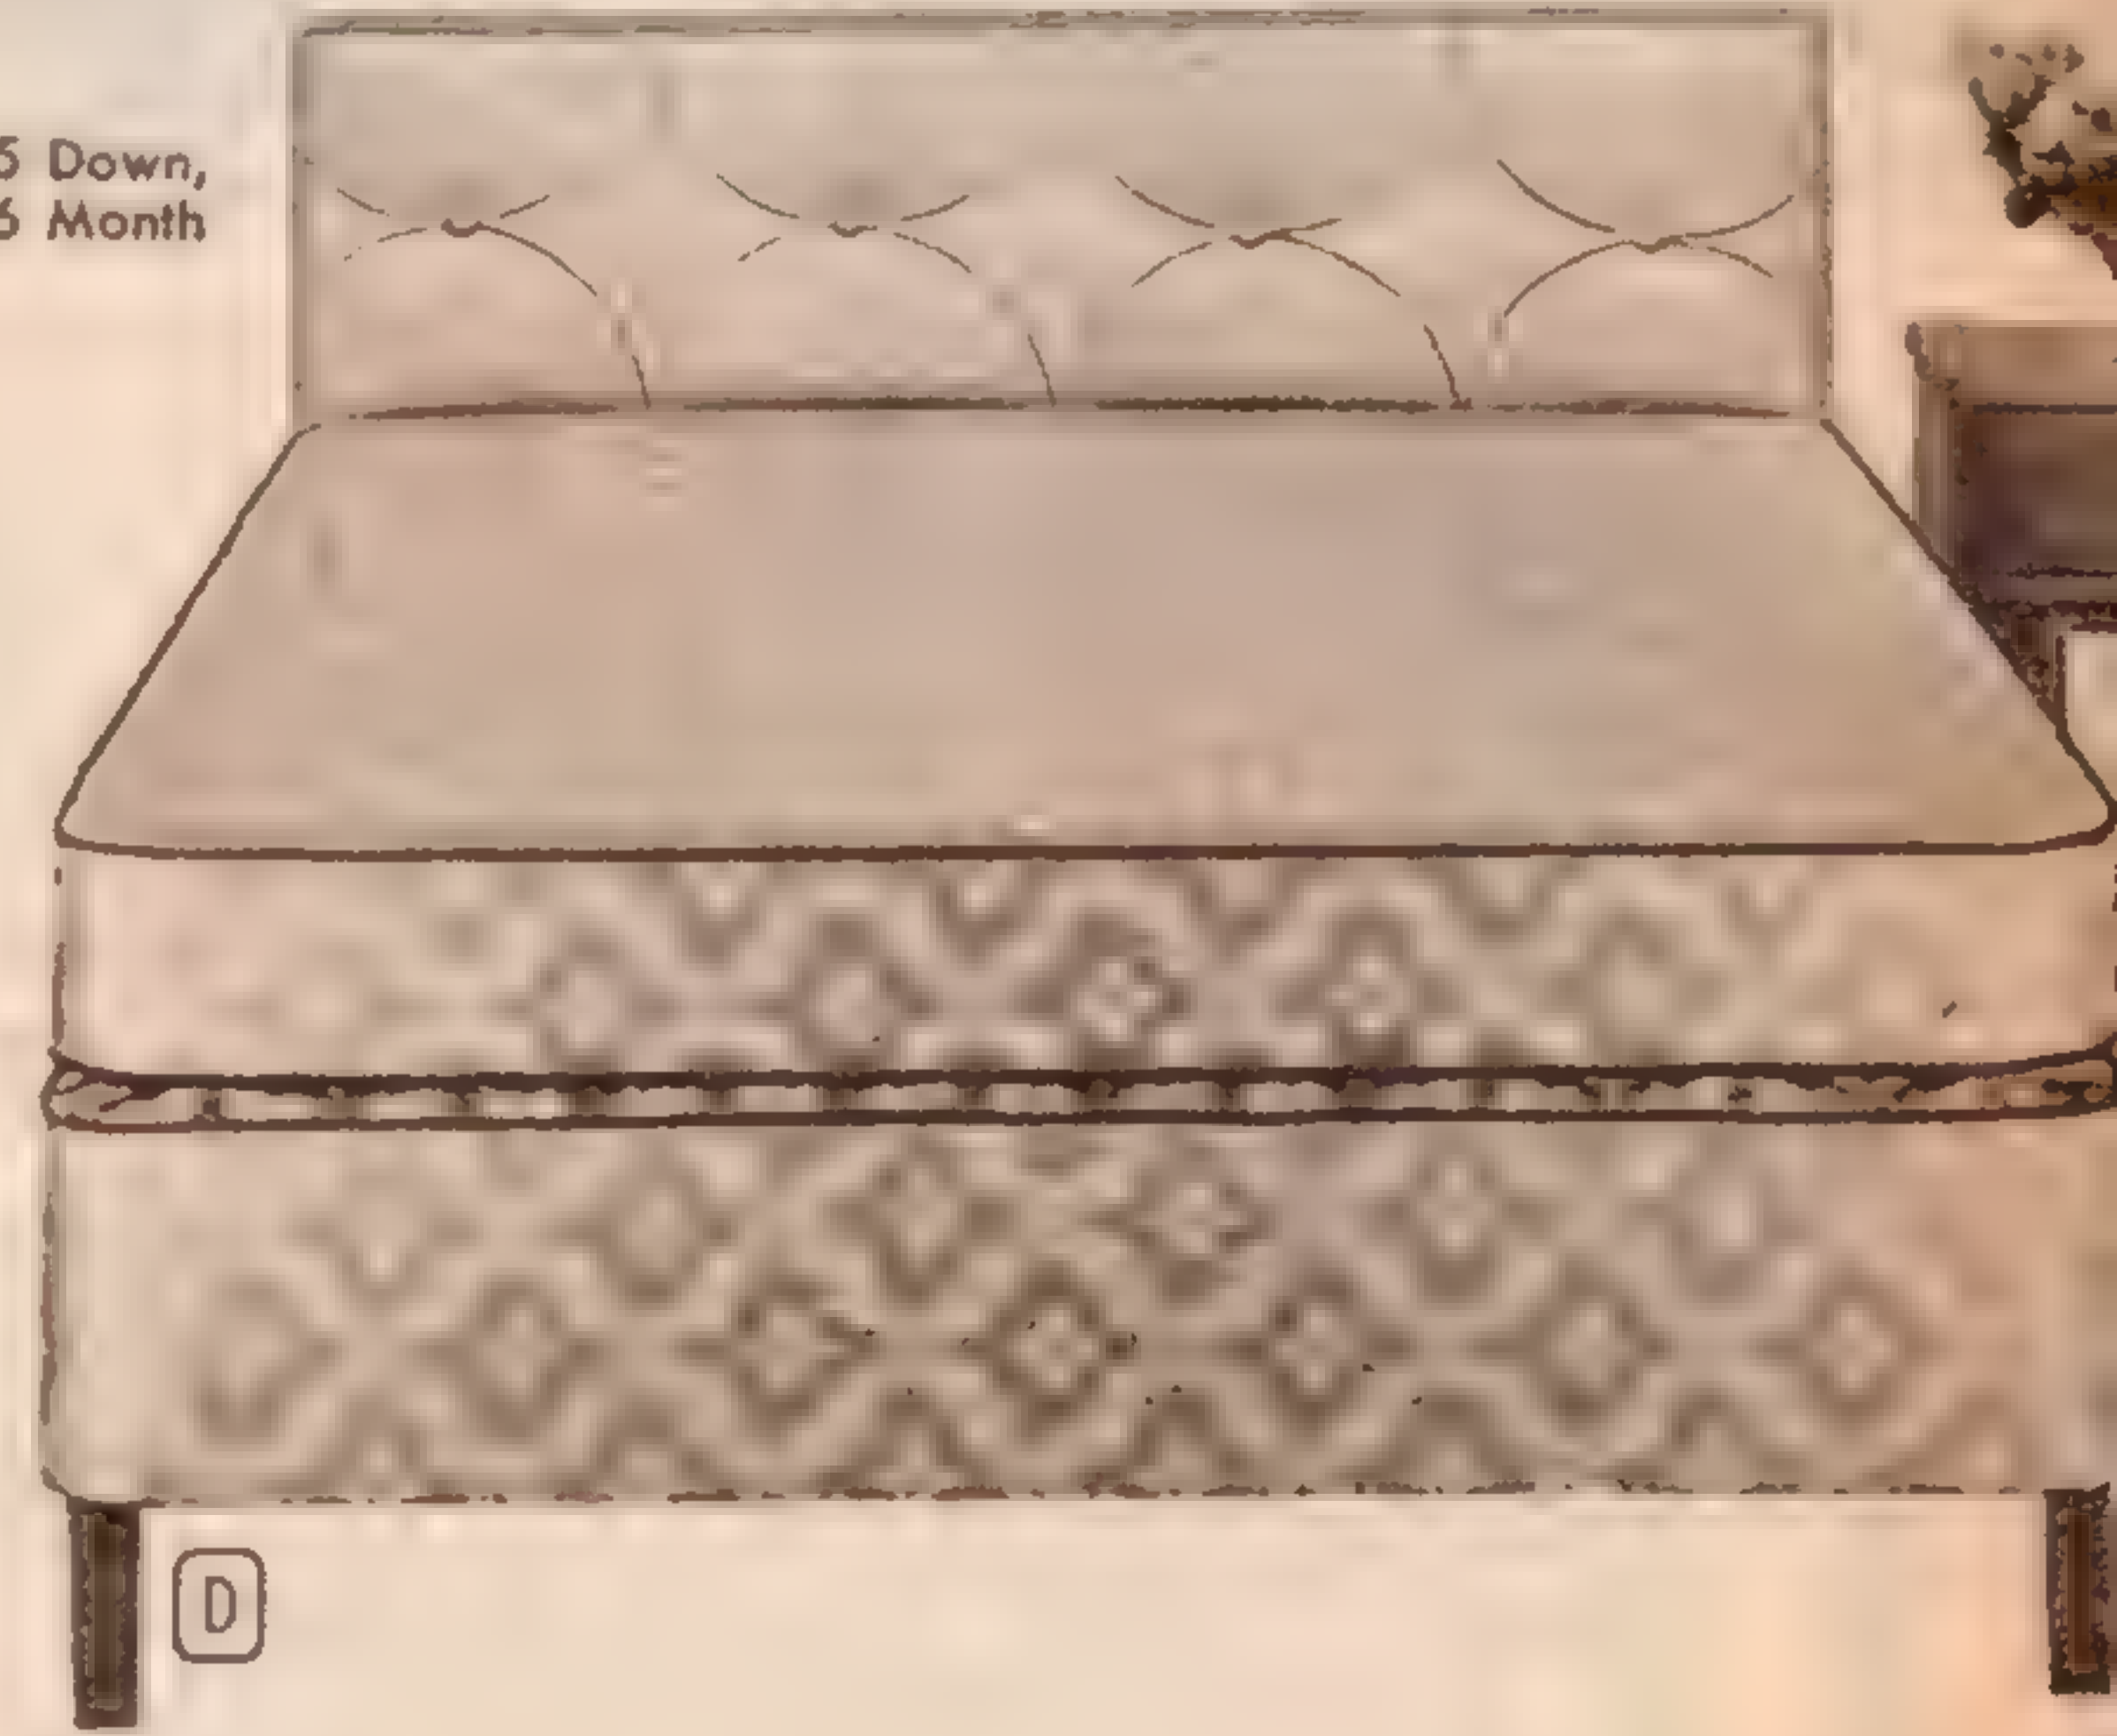

## Extra Firm 6-inch Set Twin Mattress, Box Spring \$104<sup>95</sup> Cash \$5 Down, \$6 Month

**SHOP AND COMPARE THE OUTSTANDING FEATURES OF WARDS FOAM LATEX SETS.** Outstanding sleep comfort . . . extra-firm, 6-in. thick mattress (density guaranteed 25 to 29) supports every inch of your body, for complete muscular relaxation.

Firmness, durability, and quality are the outstanding characteristics of the Box Spring Wards has created for this foam latex ensemble. 80 triple-tied springs provide greater carrying capacity, more resiliency for the mattress. Extra-thick Cotton felt cushioning and Sisal insulation cover each spring.

Set covered in beautiful imported Gold Rayon Damask with an elaborate White Jacquard design. Outfit guaranteed for 15 years. Regular (75-in.) and Extra (80-in.) lengths. Regular lengths shipped promptly from Stock. Extra length sets shipped from Factory near Mail Order House, allow 2 weeks plus transit time. Outfit only \$5 Down, balance on Terms. See Page 791.

## Firm 4½-inch Set Twin Mattress, Box Spring \$74<sup>95</sup> Cash \$5 Down, \$5 Month

**FIRM, 4½-IN. SET.** Mattress (density guaranteed 19 to 24) conforms to body contours, assures you fine sleeping comfort. Firmer than most sets at these low prices. Matching Box Spring has 63 heavy-gauge, triple-tied springs . . . provides firmness but at the same time adds to the resiliency of the mattress. Box Spring insulated with Sisal, is cushioned with Cotton felt.

Set covered in fine quality Gray and Blue multicolor woven stripe ticking. Outfit guaranteed for 10 years. Regular (75-in.) and Extra (80-in.) lengths. Regular lengths shipped promptly from Stock. Extra-length sets shipped from Factory near Mail Order House. Allow 2 weeks plus transit time. Outfit: \$5 Down on Terms. See Page 791.

## Three-Position With "Big-Bed" Firmness

**A** OUR MOST COMFORTABLE ROLL-AWAY COMBINATION. Premier wire springs of heavy-gauge, U.S. Steel are connected to each other and to the frame by 45 tempered helicals. Galvanized steel bands are woven across width and length and connected to top of springs to distribute pressure over all springs—gives you a plus in sleeping comfort; a plus in mattress and spring life. 40 springs in 30-in. width; 60 in 39 in.; 70 in 48 in.

Strong, angle-steel frame with baked Aluminum finish. 3-position adjustable back permits use as bed or chaise lounge. Mattress guard holds mattress and bedding in place. Two lock-bars secure bed in folded position. Composition casters, 2-in. diameter. Bed open is 74 in. long, about 13 in. high; folds to about 21½x42 in. high.

## PRICE REDUCED... "Thin-Line" Rollaway

PATIO position to give you a comfortable lounge chair; indoors or out.

FLAT position for a night's sleep—or afternoon nap.

SLANT position— aids circulation; also nice for lounging.

HERE'S THE IDEAL FOLDING BED... no wider than a woman's hand span. Space-saving Thin-Line folds to a compact 7 inches. Easy on space, light in weight and long on comfort.

Features a strong steel frame 27x74 in. long, sturdy tubular legs, link fabric spring. Comfortable, 2-in. Foam pad with Blue, woven ticking. Bed converts to 3 positions (see above). Folds easily to about 27x37 in. high—fits in the smallest closets, under regular bed, or in the trunk of your car. Handy carrying handle and smooth rolling casters make it easy to move wherever you go. Order storage cover listed at left under (L).

### Suburbia Stripes

The look of tomorrow captured in an intriguingly striped 100% Bulk Chromspun Acetate Taffeta bedspread. The sun-fast muted stripes are effectively dramatized by all-over channel quilting. Fine detail workmanship such as the rounded corners, the plump 100% Acetate filling, the strong cotton backing promise years of wear. And note the new KING SIZE shown above. Dry clean.

# LUXURIOUS BEDSPREADS

by *Treasure Chest*

## Sculptured High Pile Chenille in 100% Cotton

**F** The flavor of romantic Early Americana in an exquisitely sculptured Chenille spread. Snowy-white luxurious high pile will add richness to your room. Pretty flowers framed in a gracefully scalloped center motif lend charm to any decor. Fringed border brings heirloom-elegance to a truly lovely spread. 100% Cotton high pile chenille overlayed on durable all cotton sheeting won't shrink or stretch out of shape—easy to care for—needs no ironing. Preshrunk (max. shrinkage 3%). Here is a spread you'll treasure forever—its traditional simplicity makes it adaptable to any period. Color: White with multi-color trim only. Wash with care.

For a complete explanation of the new Montgomery Ward color coordination program, see Page 707 ★

**Measure Your Bed to Insure Proper Fit.** Bed sizes may vary—check length and width of mattress and height of bed before ordering a spread. "Drop" or "Flounce" quoted in catalog is the number of inches a spread hangs from edge of mattress to floor. This measurement is based upon standard mattress sizes: Full (54x76), Twin (39x76).

# FIRST QUALITY SHEETS...YOUR BEST BUY ALWAYS!

## All About Sheets

**Fitted Sheets** cut bed-making time in half and stay silken-smooth in spite of nights of tossing and turning. You can have all this comfort and convenience for the same low price as our flat sheet.

The newest fashions of the sheet world are offered to you at an old-fashioned price and present day shopping convenience. Wards constant quality control assures each sheet to be of first quality.

Sheet sizes are before hemming.

Convenient size tabs quickly identify sheets in your linen closet.

## Multi-Stripe Muslin 133 Count

Twin, Each \$2.35 Flat or Fitted

The loveliness of a rainbow for your bed is yours with these multi-striped 133 count All Cotton Muslin sheets, time-proven in its durability for hard use. Softly colored stripes of Pink, Yellow, Blue alternate on a bleached white ground. Combined with a coordinating solid color used alone, either way you choose, the result is striking. The colors remain true. A very easy way to beauty. Washfast.

of a mighty store

Only the very largest department-store could offer the vast selection of merchandise that is here in your hands, in this 1284-page Ward catalog. In the compact magic of this 8x11-inch "store", you move from counter to counter with a flip of a page. You make your selections in the comfort of your home. And your "shopping trip" is no farther than your phone.

# NO-IRON NO-STRETCH NO-SHRINK FIBERGLAS®

## Pastel Pinch Pleats Shortie Draperies and Cafés

Heavy weight Fiberglas in a rich drapery weave. Lustrous crepe texture of all glass fibers, opaque for privacy. Won't soil easiest to care for! Just douse in suds (protect from abrasion), hang to dry in 7 minutes. Fireproof. See "How to Measure"—Pg. 843. State: Pink-ice, Turquoise, Gold, White or Champagne.

## Du Pont Dacron® Priscillas

LUXURIOUS BEAUTY—EASE OF CARE—LONG WEAR

### Machine Washable—Drip Dry

Our Best Quality, beautifully made of Du Pont's 140-  
denier reverse twist Dacron Polyester. Twice as strong as  
ordinary Dacron yet beautifully sheer. So easy to wash  
(instructions included); hang on rod to drip dry, smooth  
and wrinkle free. Less than 1% shrinkage. 6¾-in. double  
full valance and ruffles are French headed and have  
hankie edges. Tiebacks have bone rings. Back edges  
hemmed. All 272-inch width and the two longest sizes in  
184-inch width are tapercut for graceful hanging with-  
out bunching. Ivory-white—never yellows. (272-in. width  
shown.) State Catalog Number.

### Good Quality—5-in. Ruffles

Make your windows pretty as a picture with these "good"  
quality Priscillas of all Dacron Polyester Marquisette.  
Their graceful beauty and charm belies the small cost  
and easy up-keep. Washable—quick to dry, need little  
if any ironing. Shrinkage only 1%. Heat, sun and flame  
resistant. Fine tailoring details include 5-in. ruffles gath-  
ered to 1½ times fullness of the curtain, neat hankie-  
hemmed edge, matching tiebacks. Ivory-white—never  
yellows. State Catalog Number.

## Decorator Tricks

With Windows

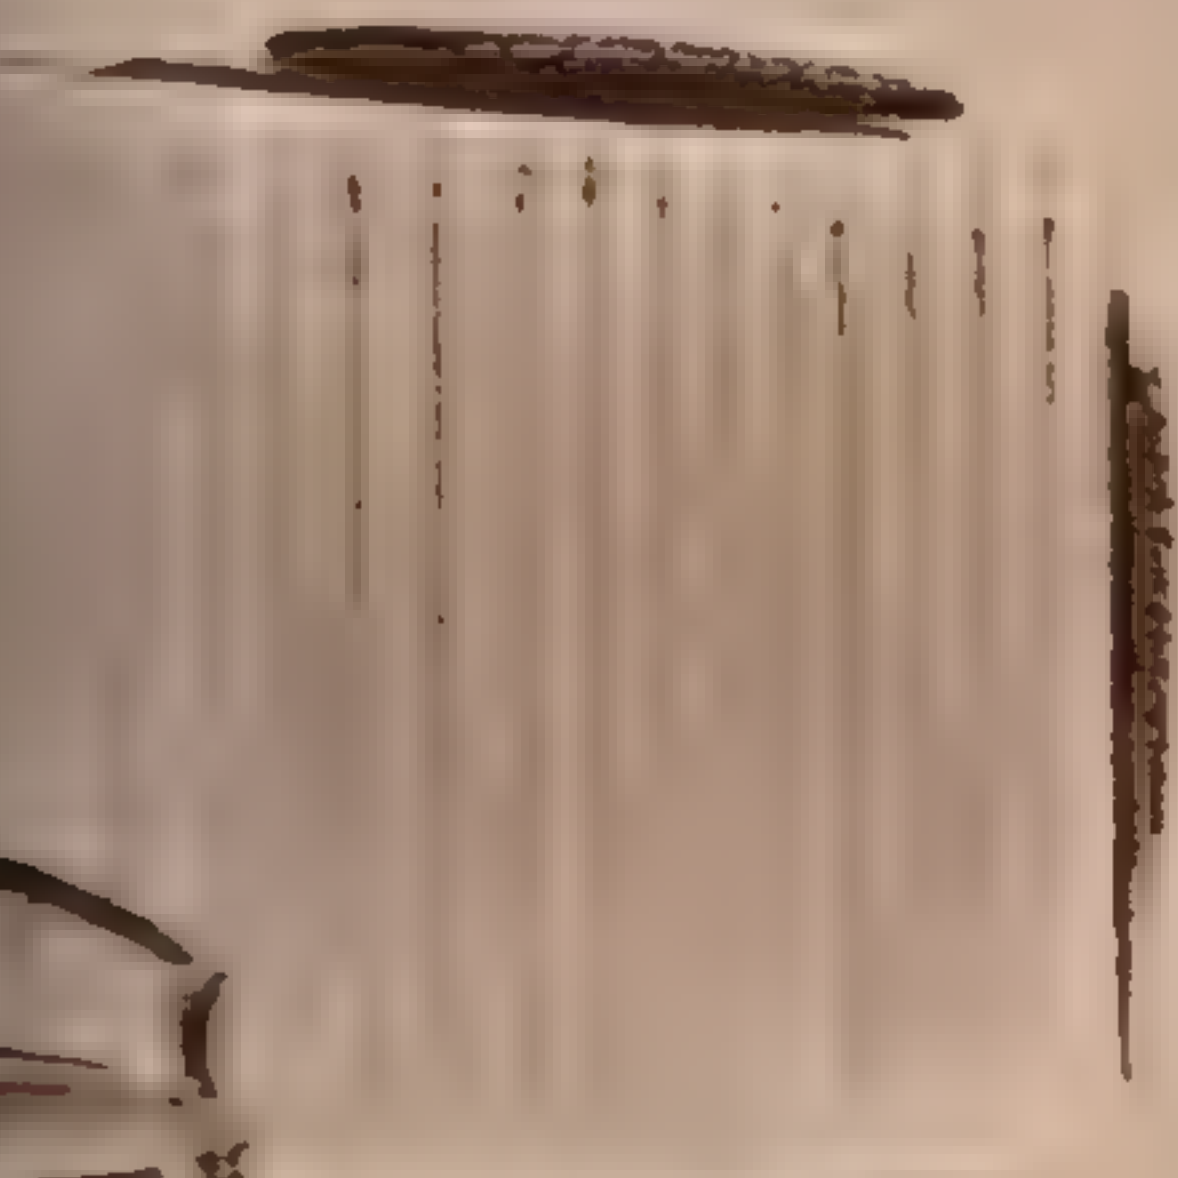

narrow window  
—wide wall

the effect of a picture window—hanging draperies 6 to 12 inches beyond frame on each side—easy with Wards Window Saver Rod—see Page 840.

Corner windows  
a problem?

from a center of interest—draperies or floor length—combined with cafés. They are made to draw to the center—One-Way Traverse Rods—see Pages 840 and 841.

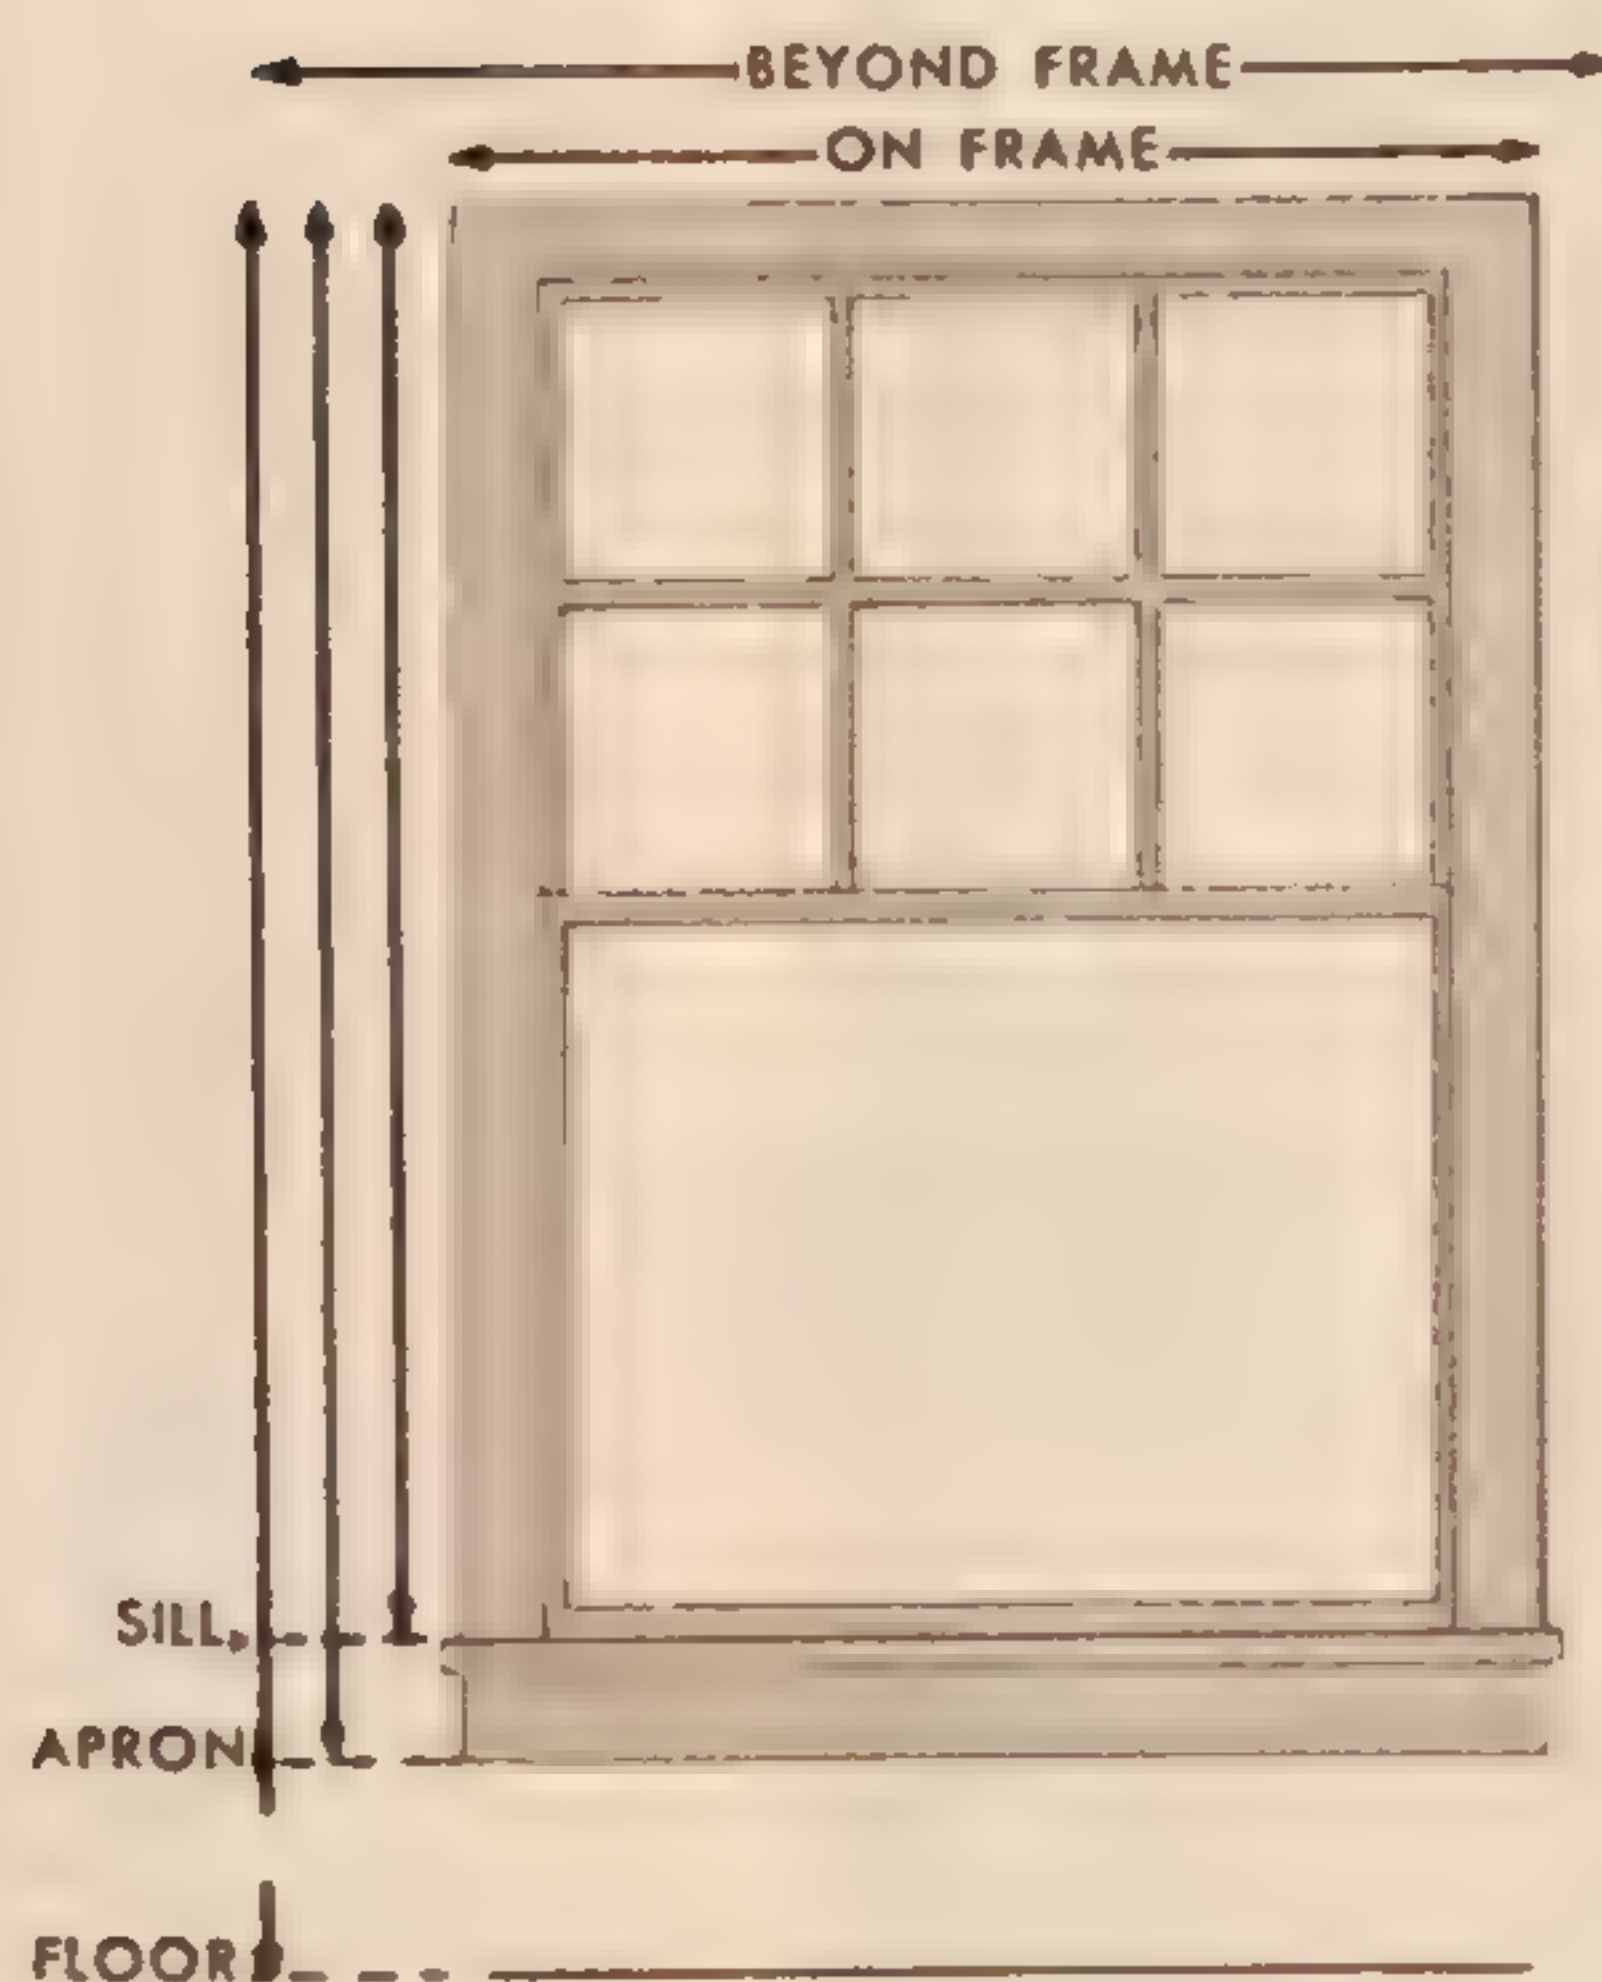

different size  
windows on a  
single wall

by creating an imaginary window-wall effect with ceiling to floor draperies—as those photographs on Pages 824 and 825.

# Measure Every Window

BEFORE YOU ORDER DRAPERIES OR CURTAINS

Don't Guess  
Measure and be Sure!

DON'T GUESS AT LENGTH  
Better too long than too short—why not 'just right'?

DON'T SKIMP ON WIDTH  
Extra fullness means extra beauty for every window.

## It's Important... It's Easy... Here's How

USE A METAL RULE OR YARDSTICK AND FOLLOW THESE SIMPLE STEPS:

### For Ready-Made DRAPERIES

Wards Draperies are pinch pleated, ready to hang. Widths given are after pleating; no other allowance for fullness required.

**To Find Correct Length:** If rods are already installed, measure from top of rod to floor, apron or sill (see diagram) and add 1 inch. All three lengths are decorator-approved. If rods have not been installed we recommend placing them above frame so hardware and headings will not show from the outside.

**To Find Correct Width:** Measure width of area you wish to drape, whether window or wall. We recommend extending draperies beyond sides of window to prevent skimpiness when draperies are drawn and to prevent light streaks at sides. If using traverse rods, add 10 in. for center overlap and return at sides.

### For Ready-Made CURTAINS

Measure length and width exactly the same as for draperies. However, extra allowance should be made for fullness as described below. The secret of the decorator-look in curtains is generous fullness!

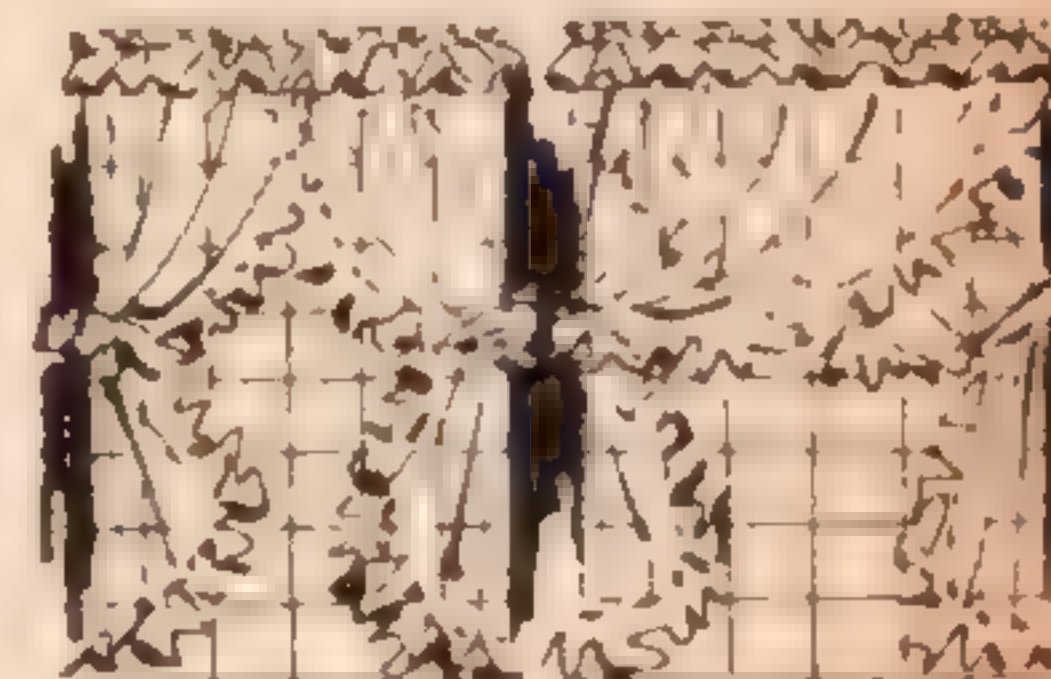

**For Tailored curtains,** either panels or pairs, allow two to three times measured window width.

**For Priscillas.** To hang center-meet (see sketch) allow twice the measured window width for double fullness; for criss-cross allow three or four times measured window width.

**For Tiers or Cafés** allow double fullness. They may be hung with valance (see sketch) or several pairs over one another. In the latter case allow 6 inches extra length overall to permit 3-inch overlap at center. Lengths given for Wards Cafés include attached rings.

## Decorating Can Be Fun!

Choosing curtains and draperies, furniture and floor covering can be an exciting adventure when you shop in Wards Home Furnishings section, Pages 707 to 910. When you have made your selections you will want Wards own little decorating book to show you how to go about

"PUTTING THE PIECES TOGETHER"

It contains a quick theory of color, simple notes on period styles, and suggests ways of using typical accessories for style accent. Twenty pages are generously illustrated with photographs and sketches, many in color.

Tucked in the back are clever furniture cutouts and graph paper, to help you work out your room arrangements. You'll have fun experimenting with new ideas. It makes it easy for you to do as decorators do—plan your rooms on paper! Order below or from your nearby Wards Catalog Store.

## 3 Easy Steps to Perfect Pinch Pleats

### Pleater Kit for Draperies

- Preshrunk cotton tape with 100 woven pockets
- Hooks, end pins, instructions

Use 1 pair draperies from 2 widths of fabric. Follow steps left above: (1) tape to top of drapery, (2) slip into pockets, (3) draperies are pleated. Fabric pleats to 1/2 original length. Kit contains 2 2/3 yds. 4-in. washable, 10 Niptite hooks, 4 end pins. Kit 71 A 5770—Wt. 1 lb. .... Kit \$1.27

**Kit for Scalloped Cafés.** Stitch tape to fabric, cut scallops, turn and press. Fabric pleats to 1/2 original length. Kit contains 3 yds. washable, 1/2 in. tape, 8 hooks with 7/8-in. rings, 4 end pins, instr. Kit 71 A 5789—Ship. wt. 1 lb. .... Kit \$1.39

### Adjustable Ward Easypleat Tape

- Space pleats to suit your needs
- Adjust drapery length as much as 1 1/2 in.

(3) Twice as many pockets as regular pleater tapes let you space pleats as you like. Three rows of openings to vary heading height and drapery length. New flexibility allows wonderful leeway for fabric shrinkage and minor error. Order hooks below. Tape is Sanforized Cotton to guard against shrinkage. Wash or dry clean.

71 A 5789—White. Ship. wt. 3 oz. .... Yard 29c

(4) **Pinch-Rite Pleater Hooks** for Easypleat Tape, sold above. Package contains 10 pleater hooks and 4 end hooks. Buy one package hooks to make one pair of 48-inch draperies, using 2 2/3 yards pleater tape sold above.

71 A 5787—Ship. wt. 6 oz. .... Pkg. 64c

(5) **Crinoline.** Light weight for shorty draperies and light materials. Permanent finish, can be washed or dry cleaned. 3 in. wide. Natural color.

71 A 5770—Wt. 2 oz. Pkg. of 6 yds. 55c

**Heavy-weight Stay-stiff Crinoline.** Keeps headings firm on floor length draperies, heavy materials. Permanent finish, may be washed or dry cleaned. 4 inches wide. Natural color.

71 A 5771—Wt. 5 oz. Pkg. of 3 yds. 75c

(6) **Simplest Tape.** 2 1/2 in. wide. Sew to drapery or curtain. Pleats form as rod is slipped in and out of 1-in. eyelets. Washable. Not for traverse rods. 3 yards in package.

71 A 5761—Wt. 4 oz. .... Pkg. 58c

### HOW TO MEASURE FOR CUSTOM SHUTTERS AND DOORS

**Shutters** need 1-in. flat surface on inside edge of casing (to mount flush) or outside edge (to mount on casing). Width: measure overall top width (1), center (2), bottom (3). Height: measure overall Height at left (4), center (5), right (6). Measure each area separately. Make no allowances. Order smallest width and height. If for inside casing, manufacturer will make necessary allowances.

870 WARDS RDAS 2

**Doors:** Measure like shutters. Give width to 1/8 in., Ht. (78-84 in.), Inside, Outside Casing.

**Stock Shutters.** Save by finishing, fitting and hanging them yourself. Convenient sizes fit most windows, bars and cabinets. Domestic kiln-dried pine 3/4-in. frames have glued mortise-tenon joints. Adjustable louvers mortised into frames. Easy to install with household tools. Instructions included.

**How to Measure:** (See sketch.) Width: Measure top (1), center (2), bottom (3) to find widest width (ex. can be trimmed 1/2 in. on ea. side). Order no. of panels as needed.

**Height:** Measure left (4), center (5), right (6) to find longest height (each panel can be trimmed 1 1/2 in. from top, 2 in. from bottom).

71 A 8573 M—Stock Shutters.

## Venetian Blind Retaping Kits

Retaping Kit. Herring-  
bone, strong woven  
cords. Colors: Off-  
white, Mingled Linen,  
both sides. Washable.  
Instructions included. State  
color. Wt. 9 oz.  
Kit 94c

Make used Venetian Blinds look new again by merely replacing tapes and  
cords. Kits have everything you need to retape blind with 2 tapes up to 72  
inches long. Contains 4 yards of tape (fits 1 7/8 or 2-in. slats). 10 yards of  
matching woven Cotton cord, 2 plastic pulls.

Easy-Do Cotton Retaping Kit. Retape, re-cord  
blinds at window. Special placement of  
string cross ladders enables you to slip new  
tape between slats before snipping off old.  
Herringbone weave solid color tape in  
Mingled Linen, Off-White or White. Instr.  
Washable. State color.

71 A 8454—Ship. wt. 9 oz..... Kit \$1.27

ALL FEATURES ABOVE plus sturdy U-shape steel head box with easy mount locktite  
brackets. Easy to clean baked-on enamel finish on bonderized steel—edges coated  
to prevent chipping. Slats overlap 3/16 in. Tilt (with self-leveling feature) and lift  
controls operate smoothly, built for long wear. Cotton tapes, strong braided Cotton  
cords. Plastic tassels. Smart bottom rail, sill-protecting plastic endcaps. Invisible  
clamps for securing tapes—remove for shortening. Hold down brackets on request.

## How to Measure for Venetian Blinds

**Stock Sizes.** Measure each window separately and accurately. Use a wood or metal rule—not cloth tape. Measure Stock Size blinds are ready made; can be adjusted to window openings ¼ in. narrower or ⅝ in. wider than widths listed. Example: if window measures from 26¾ in. to 27⅝ in., order 27-in. width. To shorten remove slats.

**Custom Made.** Measure each window separately. Use wood or metal rule—not cloth tape. SEND US EXACT MEASUREMENTS, DO NOT MAKE ALLOWANCES and do not measure old blinds. Slats will be slightly narrower than window opening ordered to prevent scratching of window casing. Headbox will be narrower to allow brackets. Blinds can be hung inside or outside of window casing—see below.

### INSIDE INSTALLATION

At least 1 in. of flat surface inside of casing is required for mounting brackets. Gives neater appearance, blinds are out of way of draperies, curtains. (A) **Width.** Measure EXACT distance between points inside of casing where brackets are to be placed. (B) **Length.** Measure EXACT distance from inside of casing (top) down to sill.

### OUTSIDE INSTALLATION

Ideal when inside casing less than 1 in. of flat surface to make windows look neater or over group of windows. (C) **Width.** Brackets should be placed AT LEAST 1½ in. beyond each side of window opening. Measure EXACT distance between these points. (D) **Length.** Top of headbox must be 3 in. above opening to allow for installation. Measure from there to sill or bottom of window.

### IMPORTANT

Sorry, no C.O.D.'s on Custom Blinds—no returns unless damaged on receipt.

### TO MEASURE FOR SHADES

each window separately at top of frame as shown. Be accurate: use a wood or metal rule. Do not stretch. There must be at least 1-in. clearance on which to install brackets.

#### For Inside Installation

1 in. Below Sill

Width. (1) Measure between points inside casing where brackets will be (tip-to-tip measure).

For Length. (2) Measure from inside top casing to 8 in. below sill. Order next longer length shade listed.

#### For Outside Installation of Window Shades

1 in. Below Sill

Width. (3) Measure between points outside casing where brackets will be (tip-to-tip measure).

For Length. (4) Measure outside top casing to 8 in. below sill. Order next longer shade listed.

#### Measure Old Window Shades And Rollers

Shades fit well, measure tip-to-tip of roller (use a metal rule—tapes may stretch). State on order "width was measured tip-to-tip." For old shade to measure.

#### TIP-TO-TIP OF ROLLER

Scrubable . . . \$248 37 1/4 in. x 5 ft.  
Best Vinyl Impregnated Cloth

Most beautiful—longest wearing. Miracle Vinyl permeates finest 140-thread-count all cotton cambric. Can actually be scrubbed! Permanent Vinyl sealed colors won't discolor in washing or sunlight. Translucent—filters light, protects furnishings, provides privacy. Multi-stop roller with heavier spring for years of service. State color, tip-to-tip width, length.

Stock Sizes. Colors: White or Eggshell.

# GET More Cleaning Power Pe

COMPARE EASE OF HANDLING AND OTHER FEATURES.

**Big, Roll-Easy 10-Inch Vinyl Tired Wheels.** Roll right over door sills and scatter rugs, etc. Wheels won't jam in deep pile or on scatter rugs—soft-tired wheels won't mar polished floors.

**Greater Mobility.** Rolls anywhere and tilts to a secure stop so you can clean even on stairway. No lifting, no stretching—just tags along smoothly by strong Vinyl hose securely locked to canister.

**Handy Cord Storage.** Attached cord stores right at hand on adjustable brackets on back. Brackets recede into body when cleaner is in use to prevent scratching furniture or walls.

**Cleaner, Safer Carpets.** Greater HP for greater pulling power. 1-HP motor develops 21,000 rpm. Gets that hidden, germ-infested dirt out of the carpet and away from the children.

**A Signature's Big Wheel Canister Cleaner**—the ideal combination of power and mobility. Experience new ease in your cleaning chores—better, faster cleaning in your home.

**Powerful 1-HP Motor** is guaranteed for 5 years\*—every Signature motor must pass rigid factory tests for power and performance before we can pass it on to you.

**You'll Do So Many Jobs With It**—faster, easier and better too. Cleans rugs, carpeting, hard-surface floors, drapes, out-of-the-way corners. Also cleans lint from clothes, dusts, cleans drawers, typewriters and hard to reach places and crevices.

**Simplest Bag Removal.** No clamps, no screws. Your hands never touch dirt. Just open door at the front and throw-away bag is easily detached. And we include three bags.

**Fingertip Power Control** adjusts suction from a "whoosh" to a "whisper". Positive snap-lock extension wands for no-stoop cleaning—easily detached and stored when not in use.

**Beautiful Candlelight Yellow and White** finished metal body. Satin chrome plated wheel caps. Included with cleaner are two Wands, Rug-N-Floor Tool, Crevice Tool, Drapery Nozzle, Dusting Brush and 3 new Sanitized® Throw-Away bags.

**Order Cleaner with Power Brush and Save 3 More.** Power Brush (B) described below alone for \$19.95. Adds rotating-sweeping to remove embedded dirt. Either way you get adjustable Rug-N-Floor Tool.

## \* Guarantee

On all Vacuum Cleaners, Wards will replace or repair FREE any part found defective in workmanship or materials within guarantee period. Motor on (A), (C) guaranteed 5 years; other motors, parts guaranteed 1 year.

880 WARDS ALL

## Add Pickup Power to Your Cleaner with a Power Brush

**B Matching Power Brush**... modernizes any make or model suction cleaner into a powerful rotating brush model... rotating-sweeping action gets out all type of dirt with less work and in less time. Handsome Candlelight Yellow and White finish. Operates entirely on air power—uses no extra electricity. Brushes up stubborn clinging litter as it loosens embedded dirt—then suction power whisks it away.

**Can't Clog**—handles bobby pins, toothpicks, thread or pet fur as easily as dust... the air turbine cleans itself by centrifugal force.

**Automatically adjusts to rug level.** Power head swivels for easier handling. Brush fluffs up rug nap... makes rugs look newer. Lifetime bearings never need oiling. Justing. Approved by Good Housekeeping.

**Fits all Wards Signature and Tru-Vac**... Gives more cleaning power to any cleaner. Some other makes require adapter. Include it. State make and model of cleaner in order.

## Three Signature Canister Cleaners

**(C) (D) (E)** All Wards Signature Canister Vacuum Cleaners have the following features:

- Large powerful 1-HP motor—creates deep-down suction.
- Turbine fan develops 21,000 RPM—power to spare for picking up lint, threads, deeply imbedded particles.
- Large Vinyl bumper prevents damage to furniture.
- Tip-toe on/off switch—no bending or stooping.
- Long, flexible Vinyl hose for pivotal cleaning.
- Long-lasting, strong steel body assures you years of satisfied service and good looks.
- UL listed, Wards Laboratory Tested to give you the safest, best rug-floor cleaning machine we can.
- Sanitized® Disposable Bags—inhibits growth of bacteria, germs, fungi, mold, and rot. Odor resistant and retards odor development. Non toxic and non irritating.

**(C) Best** Signature Deluxe Canister Cleaner has all the above features and benefits plus the following: Save \$9.95 . . . Power Brush only \$10 with this Canister. Read about this amazing attachment on opposite page—sells alone for \$19.95. Convenient cord storage—wraps-around into special recessed bracket. Attachment clips for tool storage. New positive snap-lock aluminum wands, won't work loose. No lifting, no carrying—roll-away dolly has 3 large ball bearing casters. Chrome plated handle.

**Seven tools:** Special no-flop adjustable rug-floor tool with snap control, Vinyl hose, two wands, drapery nozzle, crevice tool, dusting brush. Three Sanitized® disposable bags. Finger tip power control for gently cleaning draperies, extra power for carpets. 2-toned Yellow and White enameled finish. 5-yr. Guarantee—see opposite pg.

### FREE Carpet Services

**Free Cutting and Finishing** on all Rugs and Carpets. Wards professional workrooms will cut the carpet to the width and length you specify and finish the ends expertly. Order 9-ft. width for rooms 9-ft. wide or less; 12 or 15-ft. width for carpets wider than 9 ft. or narrower than 15 ft. All leftover pieces will be sent to you.

**Free Estimating Service** saves you time and money. Do you have an irregular room, an attached area, stairway, alcove or recess? Ask us for a solution! Wards maintains a staff of experts who will work out your problem in the most economical manner. They will estimate the length and width of carpet you will need—without any charge or obligation on your part. Just write to "Customer Service" at your nearest Ward Mail Order House.

**Free "Carpet Care" Book With Every Order.** Years of experience on correct carpet care now condensed into 12 fact filled pages. How to install, maintain, daily care and cleaning . . . all types of carpets and rugs. Plus a Check List of carpet "Do's and Don'ts."

### Carpet Shipping and Ordering Information

**All Broadloom Rugs, Carpets and Cushions** shipped from Factory near Baltimore, Md. Up to 60 ft. of 27-in. width *Mail*. Other by *Frt.*, *Trk* or *Exp.* Pay from Mail Order House.

**Measure Accurately . . . Broadloom is Cut to Order.** Be sure to order all lengths of the same width for a given room as rolls of different widths may vary slightly in color.

**Wall-to-Wall Installation.** Specify "unbound ends." Allow 2-in. extra on all sides for turn-under. Your Ward Store will suggest installation experts in your community.

**How to Measure Stair Carpet.** For straight stairways, add height of riser to depth of tread (include stair nose); multiply by number of steps. If steps turn, measure each at deepest point. Order 9 in. extra so carpet may be shifted to distribute wear. If you desire Installation Instruction, be sure to request them in your order.

**Don't Forget a Rug Cushion . . . for Greater Resilience, Longer Life and Extra Underfoot Comfort.** See Pg. 883.

# Fashion-Right FLOORS NEED NOT

## DuPont 501 Nylon Pile

**\$8<sup>99</sup>** sq. yd. **\$107<sup>64</sup>** 9x12 ft.

**Dramatic Development** in carpeting—specially engineered to bring you all the benefits of Nylon plus exciting new performance, texture, color.

501 Nylon, unlike previous nylon, is a continuous filament yarn spun into a long thread, crimped by special process to reduce shedding, fuzzing and add more resilience, greater soil resistance. Deeper denser 501 Nylon has a rich bulky look that adds new dimension to carpet styling. 501 Nylon yarns tufted through sturdy latexed backing and reinforced with an additional back for stability. Mothproof, non-allergenic. Regency Chair shown in room sold Page 728.

## Good All Wool Pile Axminster

\$649 sq. yd. \$7788 9x12 ft.

**All Wool Cut Pile** stubbornly resists scuffing, matting and soiling.  
resilient, closely woven cut pile springs back even after harsh,  
wear. Always looks good, even in heavily traveled areas . . . a  
choice for homes on a limited budget, with the best features in  
quality and service to be found in this price range. Mothproofed.  
and Best Axminsters can be found on Pages 887-8.

**Textured Patterns** add rich color and form a harmonious back-  
ground to any decorating scheme. Clear colors in subtle shadings and  
ve patterns are styled to conceal tracked-in soil and foot prints.  
is easily cleaned at home or professionally.

Rich appearing multilevel weave adds charming background to any  
home . . . the look of casual elegance and simplicity most homemakers  
prefer. Dense loop pile is tightly woven of select wool to give you great  
wearability, service and resilience—Resists matting and crushing.  
Random texture conceals footprints, helps mask tracked-in soil. Moth-  
proofed. Cleans easily—at home or professionally. Captivating colors add  
charm and drama to any room. See "Carpet Fiber Facts" Page 884. Be  
Sure to State Color, Letter and Size or Length.

**Tweed Colors:** Beige (GG), Nutria (JJ), Brown and Green (KK), Gold (LL).

**Plain Colors:** Beige (MM), Sandalwood (NN), Nutria (PP), Green (RR).

## Go Modern With Exciting Color

DECORATOR DESIGNED CARVED NYLON

\$4<sup>78</sup> 24x36 in.

**100% Nylon** captures all the jewel-rich clarity and deep brilliance of today's exciting colors . . . because pure white Nylon fibers permit precision dyeing for greater uniformity, subtlety and color control. The extra smooth surface of Nylon cut pile vacuums clean in a jiffy . . . spots and stains remove easily because Nylon is less absorbent than most fibers. Colorfast, remains bright and clear even after repeated washings. Machine washable. Wash separately. Max. shrink, only 1%.

**Loop Design Carved in Cut Plush Pile** . . . pleasingly modern in the growing tradition of simple proportions. Nylon's exceptional yarn definition gives the effect of deeper firmness and more uniformly level surface . . . eliminates messy "powder puff" effects and imparts unusual clarity of design. Sturdy non-skid latexed back gives added strength, guards against slipping.

**MW Colors:** White; Bitter Green; Oriole Rose; Thrush Beige; Delphinium Blue; Coin Gold; Misty Pink; Amethyst; or Burnt Orange. State Size and Color.

## EMBOSSSED OR SPATTER Inlaid Linoleum

by **Armstrong**

**\$214**  
Run. ft.

The Traditional Floorcovering—long famous for dependable quality, smart looks, durable construction and ease of installation.

Smart Attractive Colors go through to fiber felt backing . . . will last lifetime of linoleum. Wax-sealed surface wipes clean with mild suds. Smart new patterns in exciting colors add a new note of charm to your home. Will camouflage tracked-in dirt and dust until cleaning time. Blends beautifully, lends an air of informality to any setting.

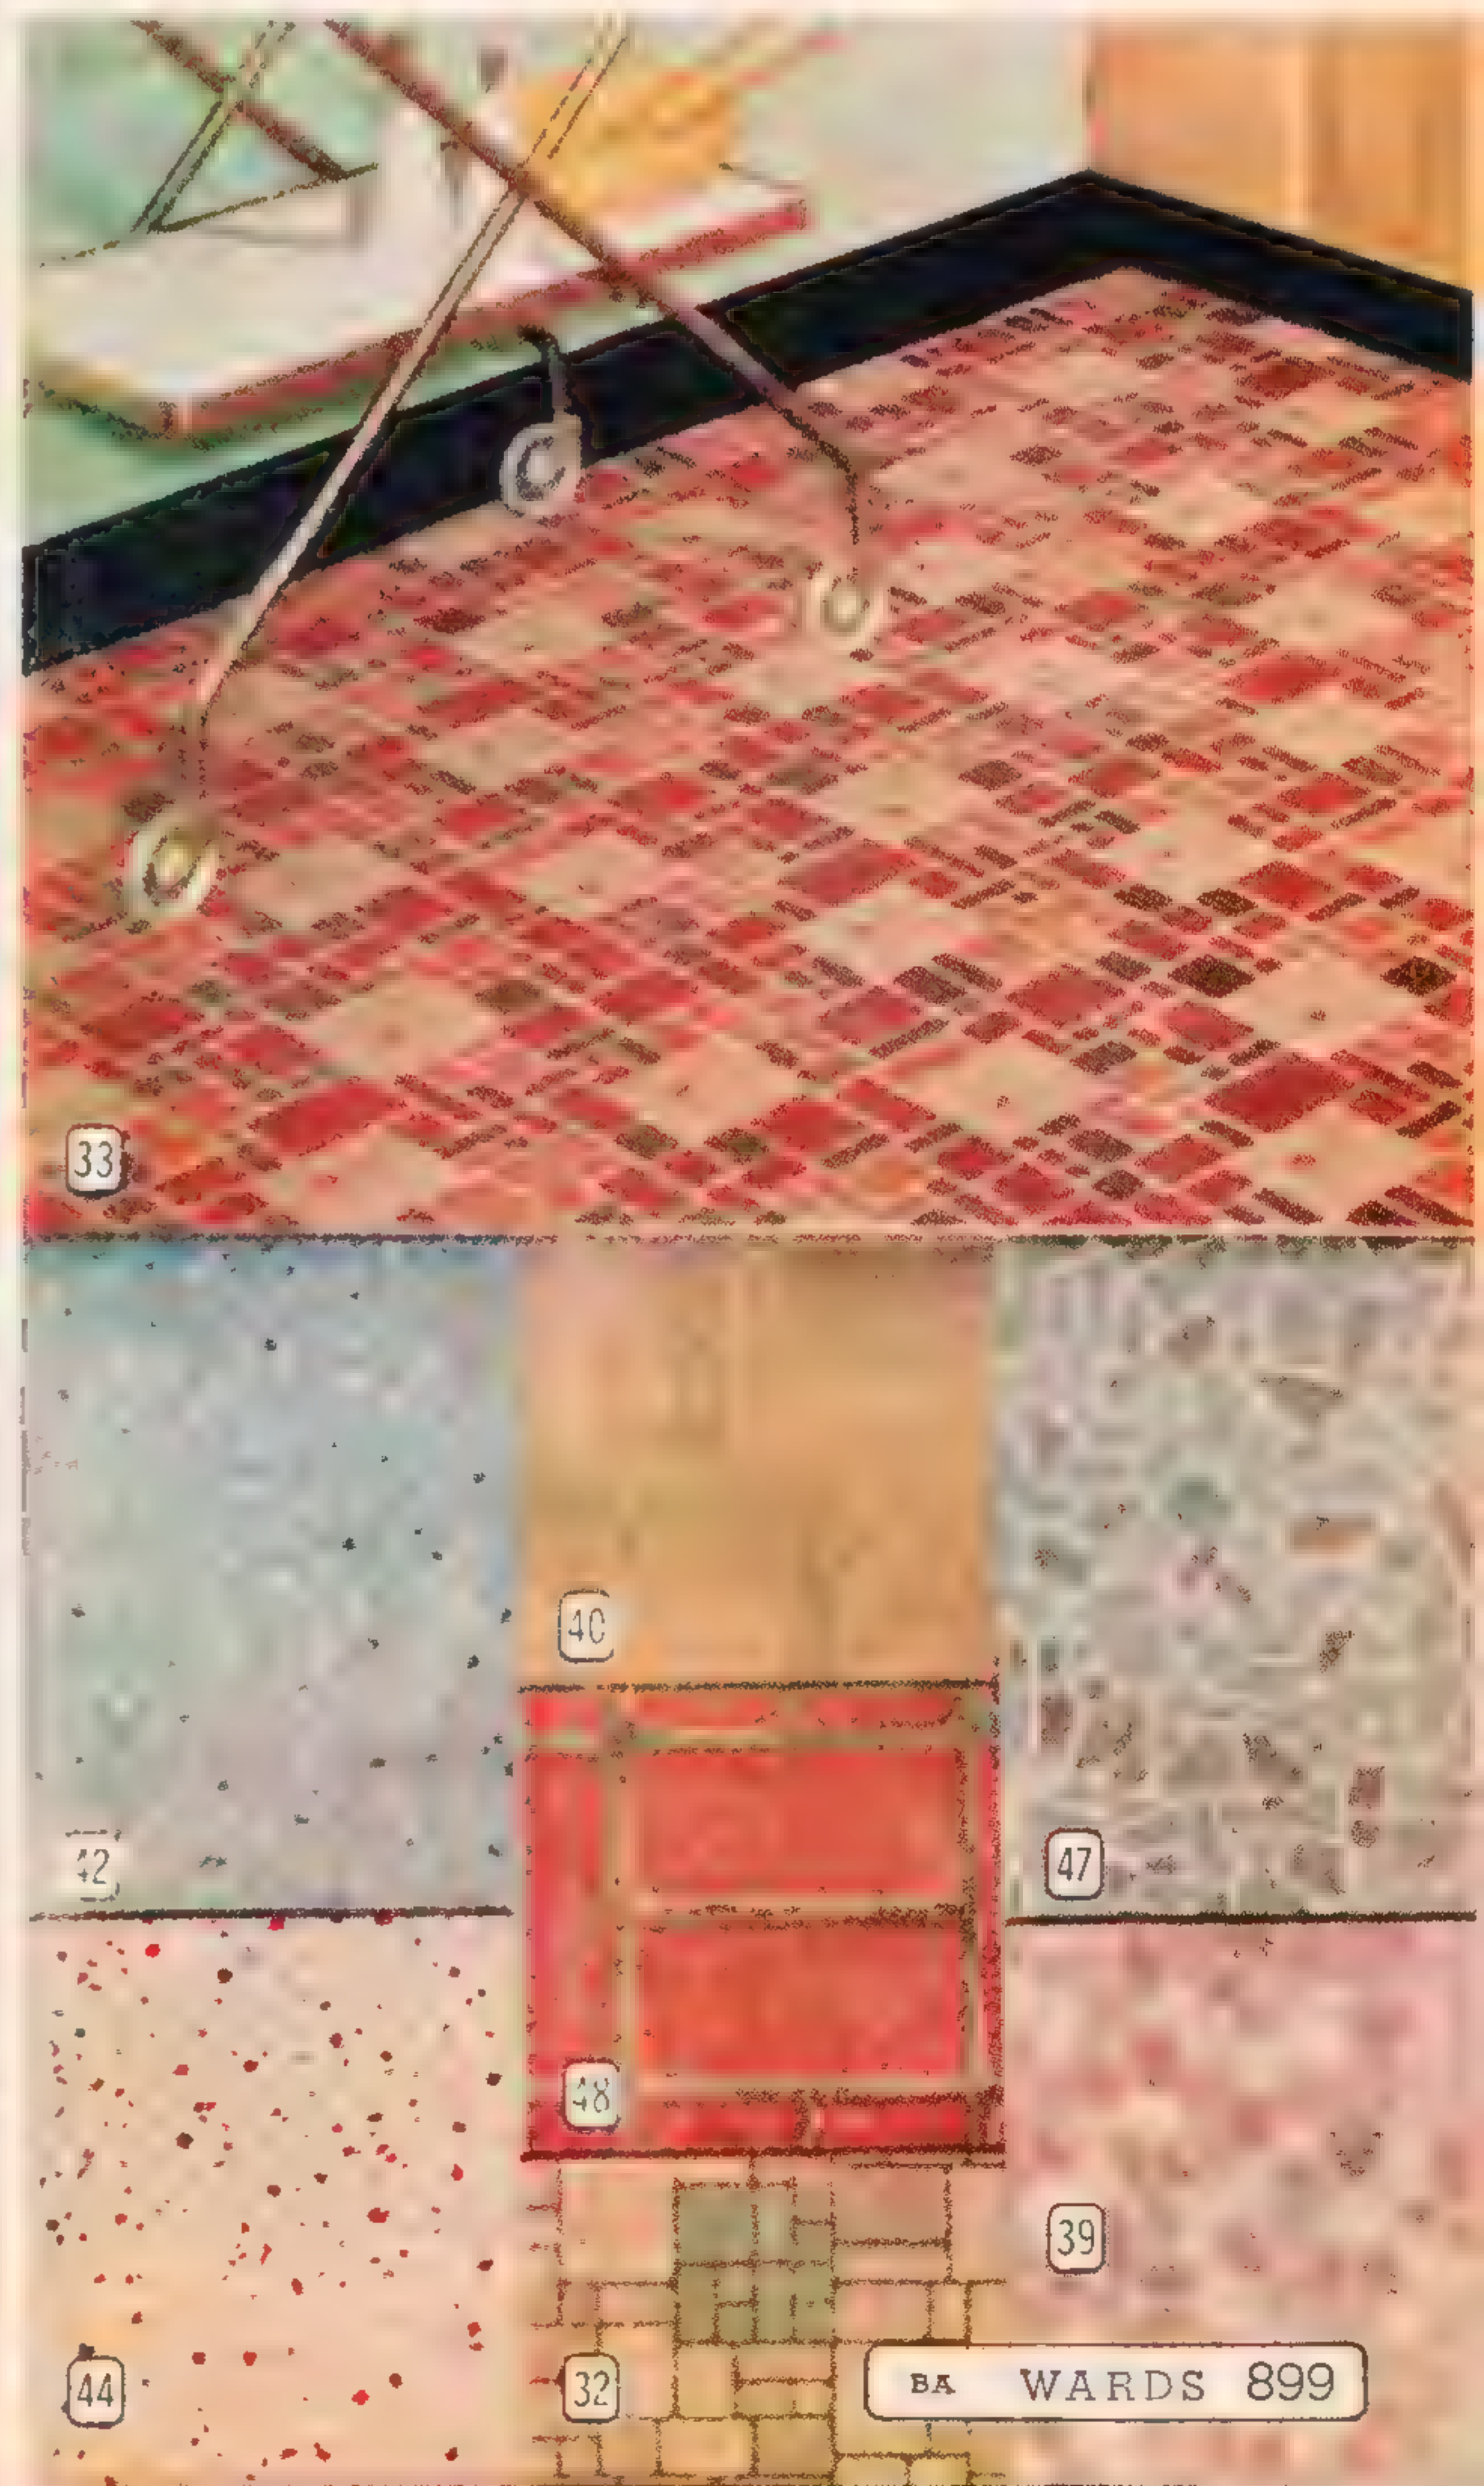

Exclusive Armstrong Design with pattern in shallow relief . . . lends a striking new texture, added interest to your floors. No deep crevices to catch dirt—easier to keep clean.

Use on Any Floor except concrete in direct contact with the ground. Armstrong Inlaid Linoleum may be laid loose, pasted direct to floor over lining felt. Adhesive and Lining Felt sold on Pages 909. "How to Measure" Instructions on Page 905-6. Lengths up to 15 ft. Mailable. Longer lengths shipped promptly from Stock by Freight, Truck or Express.

8 Smart Inlaid Patterns in a variety of attractive colors to fit any decorating scheme: Green Dutch Tile (32), Red Dutch Tile (in room) (33), Mocha Pebblestone (39), Wood Block (40), Gray Spatter (42), Fiesta White (44), Slate Multi Chipstone (47), Red Brick (48). State Pattern, Number.

72 A 616—1 Qt. covers abt. 65 sq. ft. Wt. 2 lbs. 12 oz. 1.69

### HOW TO MEASURE AND INSTALL WARDS FLOOR TILE

**Number of Tiles Needed**—see table at right. Measure off... such as alcoves, separately. For two or more colors, floor plan on squared paper. Tint squares in pattern. Lay all tile at the same time for exact color match. Order... later, if necessary.

**Wood Floors**—be sure floor is clean, smooth and double... construction (if floor is rough or single-layer, use Floor... see index). Lay Lining felt Pg. 909 across... Spread adhesive and set tile.

**Concrete.** Fill cracks and uneven spots with Wards Floor... and Leveler, Pg. 909. Do Not Use Lining Felt.

**Use Table**—Read across for length; down for width. Figure at which readings cross gives the number of... tile needed. Example: for 10 1/2 ft. x 12 ft. read 10.6... 12 across; the result, 224, is the number of tiles needed. 2 or 3 extra tiles per hundred for waste, breakage or replacement.

Width	Length of Room (7.6=7 ft. 6 in.; 8.3=8 ft. 3 in., etc.)										
	7.6	8.3	9	9.9	10.6	11.3	12	12.9	13.6	14.3	15

## Goodyear "NoScrub" Coordinated Tile and Countertop

TILE  $16\frac{1}{2}c$  ea. 9x9 in. COUNTERTOP  $79c$  Run. ft. 27 in. wide

**Solid Vinyl Wear Layer** bonded to 100% vinyl back for longer wear and greater resilience. Perfect for both counters and floors . . . reduces kitchen clatter, provides resilient underfoot comfort, cushions working areas. Countertop has greater flexibility for forming sharp square or rounded edges without scoring back . . . won't crack or split . . . eliminates dirt-catching trim. A clear and nick resistant clear vinyl film protects colors from fading. Unharmful by grease, oils, cleaners and household acids. Use Lining Felt (Pg. 909). See Goodyear Adhesives opposite page.

**Tile:** For above grade installation. White with Black (33); Beige (35); Black with White (37); Gold with White (40); Light Woodgrain (43); Gray (44); Aqua with Gold (45); White with Gold (46); Tan (47); Pink with Gold (48). Ship. by Frt., Truck or Exp. State Color and Number. 72 A 4126 R—9x9 in. Wt. 5 oz. . . . Each  $16\frac{1}{2}c$

**Countertop.** All basic colors are accented with shimmering flecks of gold: Coppertone (1); Gray (2); Beige (3); White (4); Pink (5); (in room) (6). State Color, Number, Length. 72 A 4429 MB—27 in. wide. 1 lb. 8 oz. . . . 72 A 4430 MB—36 in. wide. 1 lb. 12 oz. . . . 72 A 4431 MB—45 in. wide. 2 lbs. 6 oz. Ft. 5

## New . . . All Vinyl Tile LOW AS $18\frac{1}{2}c$ ea. 9x9 in.

**Clear, Heavy Vinyl Wear Layer** bonded on a 100% Vinyl back . . . gives both long wear and underfoot resilience. Tough, clear vinyl wear layer protects the sparkling colors from fading. Use Lining Felt and Adhesive 72A644-5M, opposite page.

**Scuff and Nick Resistant.** Unharmful by grease, oil, harsh cleaners and household acids. Cleans with damp mop. For above grade installation.

**Shipped promptly** from stock by Freight, Truck or Express.

**Mosaic Patterns:** White and Gold (20); Tan Multi (21); Wheat Gold (22); Lt. Beige Multi (23); State Color, Number. 72 A 4137 R—9x9 in. Wt. 5 oz. Ea.  $19\frac{1}{2}c$

**Modern Patterns with Gold Chips:** White (10); Beige and White (11); Gray and White (12); Black and White (13); Cantaloupe and White (14). State Color, No. 72 A 4138 R—9x9 in. Wt. 5 oz. Ea.  $18\frac{1}{2}c$

## Our Better "Vinyl 100" $27c$ ea. 9x9 in.

**100% Vinyl Tile.** Colors go all the way through—stay bright for life of tile. Thick solid vinyl absorbs shocks better than most vinyl tile. Provides resilient, underfoot comfort. Use in any room—even basements.

**Scuff and Nick Resistant.** Resistant to grease, oil, harsh cleaners or household acids. Whisks clean with a damp mop—stays bright for years. Factory buffed to a smooth luster.

**Easy to Install.** Use anywhere, on or below grade, or on concrete. Lining felt, adhesives opposite page.

**Terrazzo Colors:** Beige with White Eggshell with White (B); White Black (C); White with Red and Black (D); Black with White (E); Gray Black and White (F); Green Green and White (G); Pink White and Black (H). State Color. 72 A 4131 R—9x9 in. Wt. 8 oz. Ea.  $27c$

## Have the Quiet, Luxury and Resilience Only Cork Can Give LOW AS $18c$ ea. Plank

**For Both Floors and Walls**—a rich, textured look. Many of the underfoot advantages of hardwood plus carpeting. Beveled edges for extra styling. Imported from Portugal.

**2 Colors, 2 Sizes, 2 Wts.** Wax finished—easy to clean. Not for concrete in contact with ground. Not recommended for bath or kitchen. Use Linoleum Paste and Lining Felt, Pg. 909. State: Light Cork or Dark Cork.

## Appearance of Real Tile

Budget Plastic Wallcovering **42c** Run. ft.

Kitchen and Bathroom walls a tile-like appearance at low cost. Realistic designs give the appearance of real brick or expensive 3-dimensional tile.

Sealed in Tough Clear Plastic—durable asphalt backing. Alkali and grease won't penetrate. Cleans quickly with suds. Finish with Metal Paste, Pg. 909. Colors: Black (A); Tan with Brown (C); Green with Black (D); Pink with Charcoal (E); Red Brick (I); White Brick (K); Gray with Black (L). Feature borders are part of the design. Up to 30 ft. shipped by Freight, Truck or Express. Color and Letter.

54 in. wide. Wt. 1 lb. 8 oz. ....Run. ft. 42c

Wallcoverings: measure around room; doors, cabinets and other obstructions; add 6 in. ten feet (for pattern match). Trim to height. Cut at "Mortar Line" for neat seams.

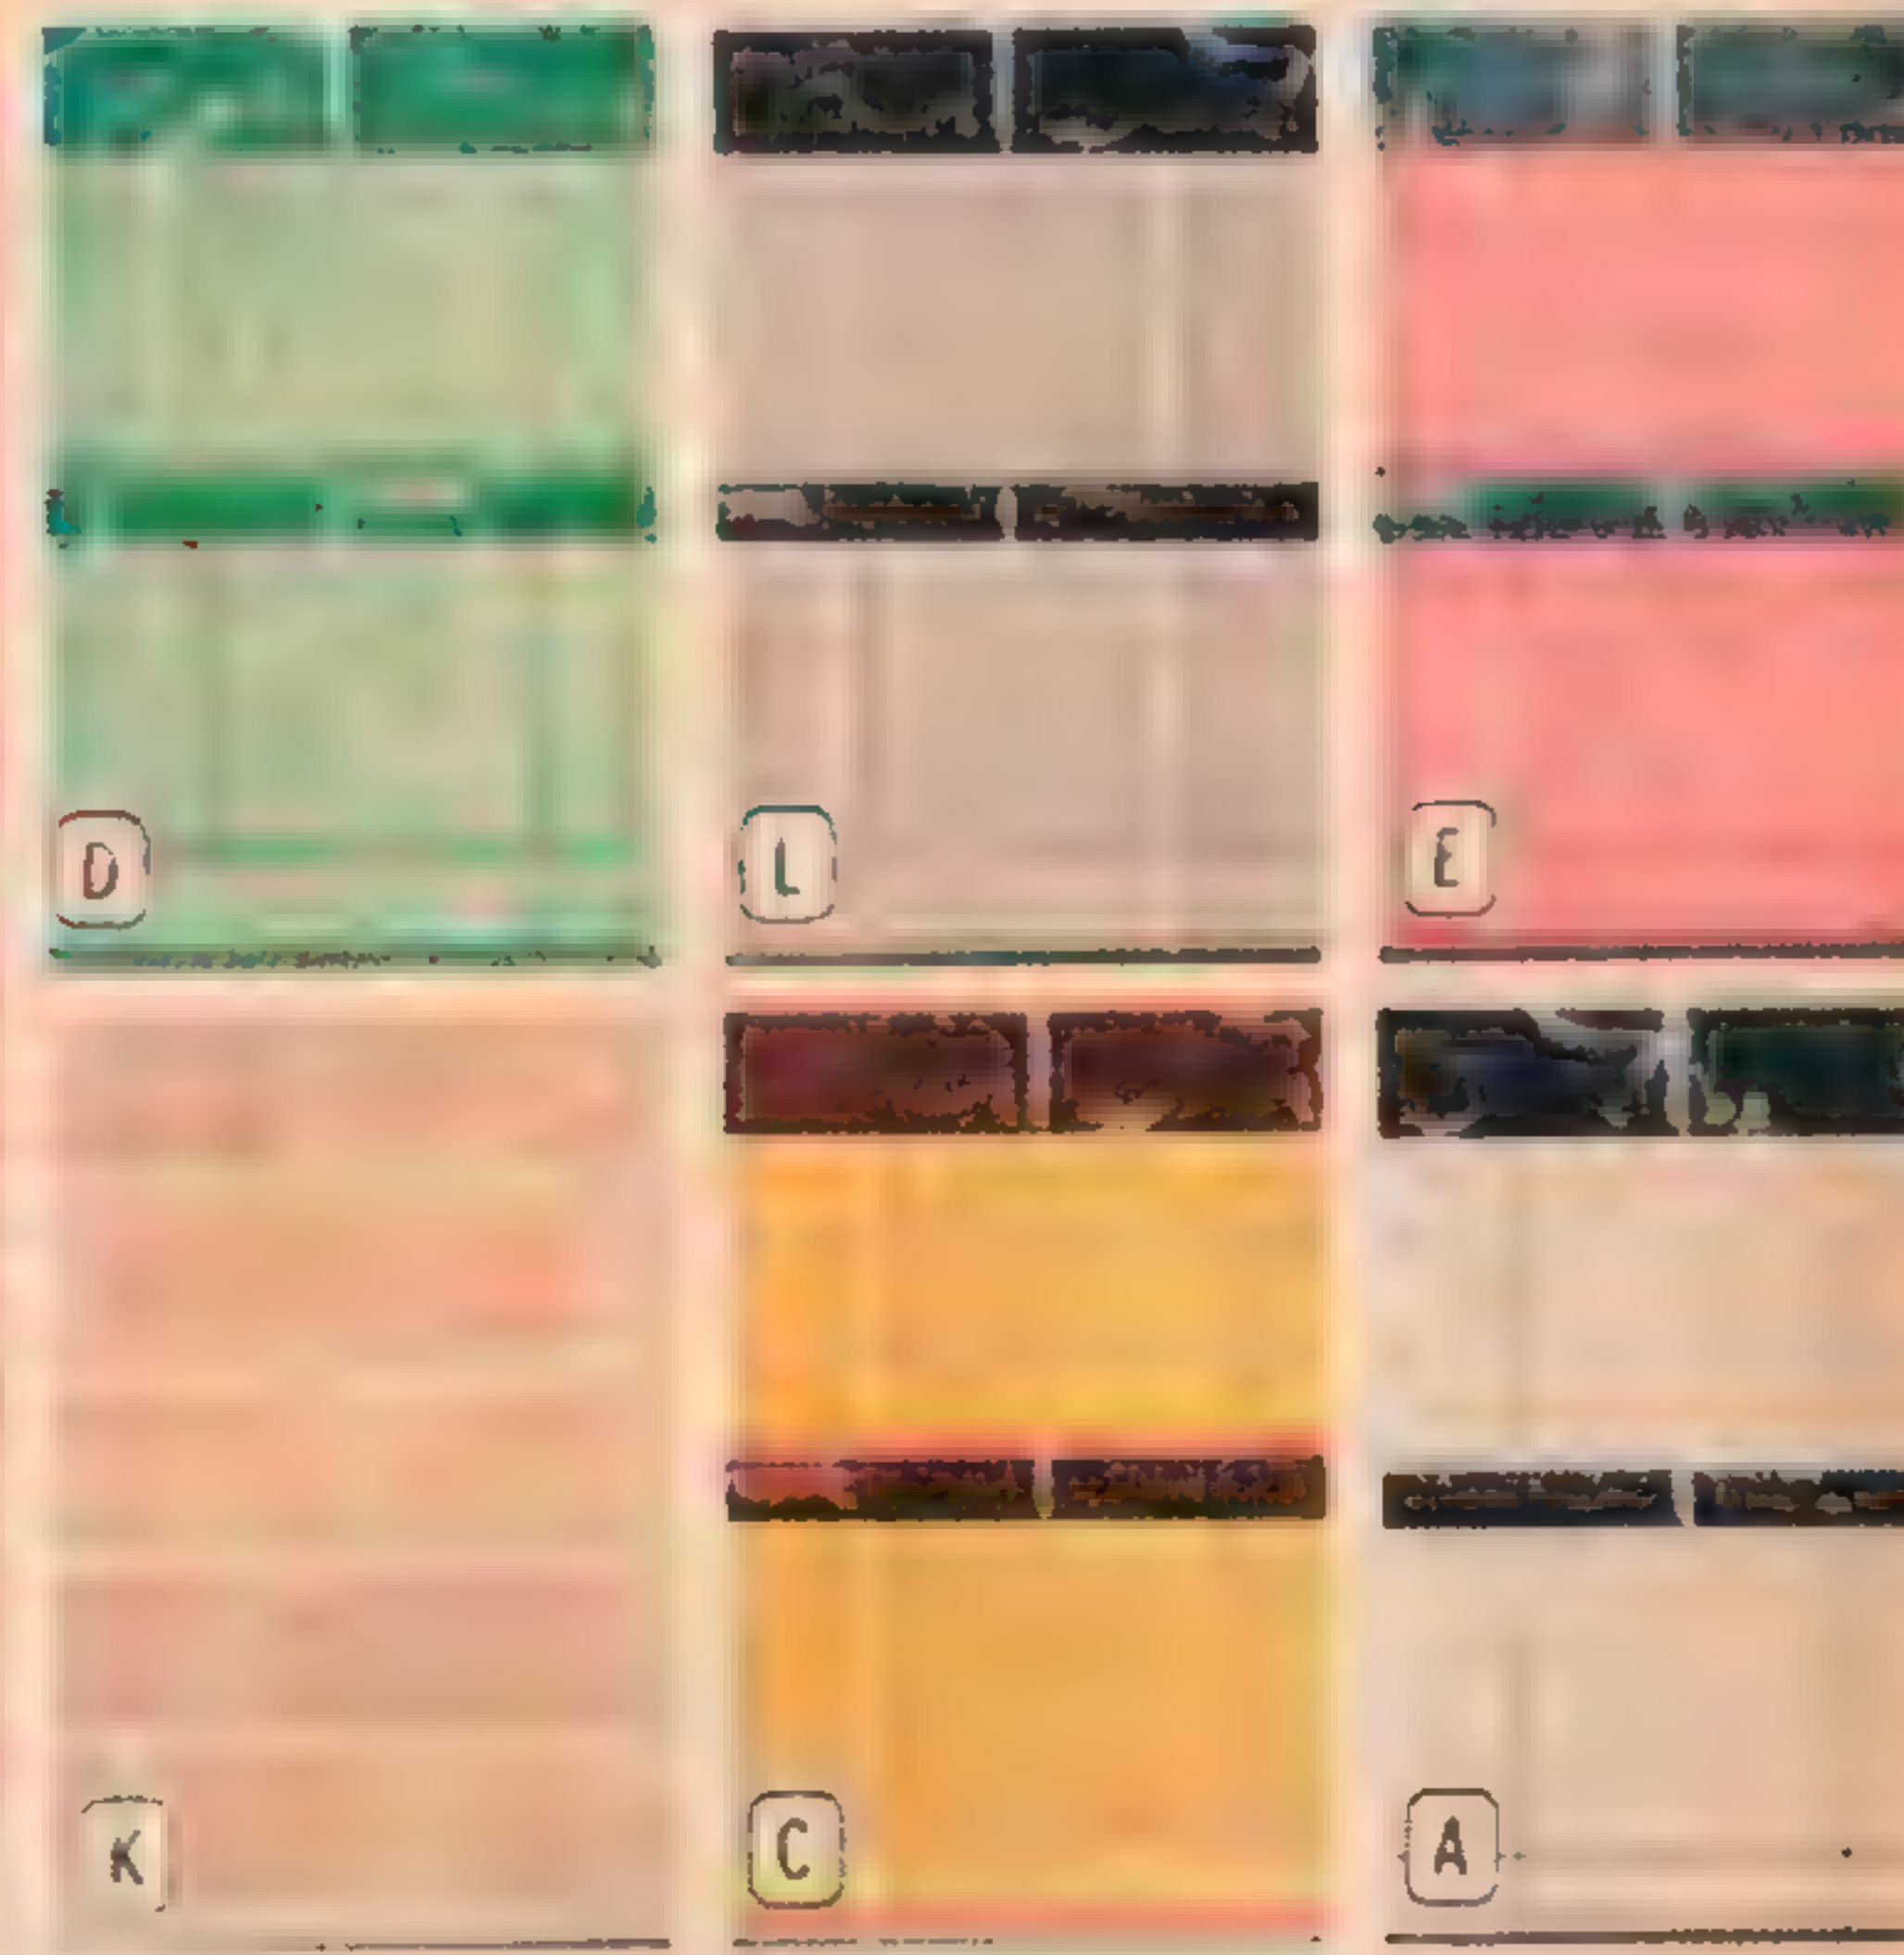

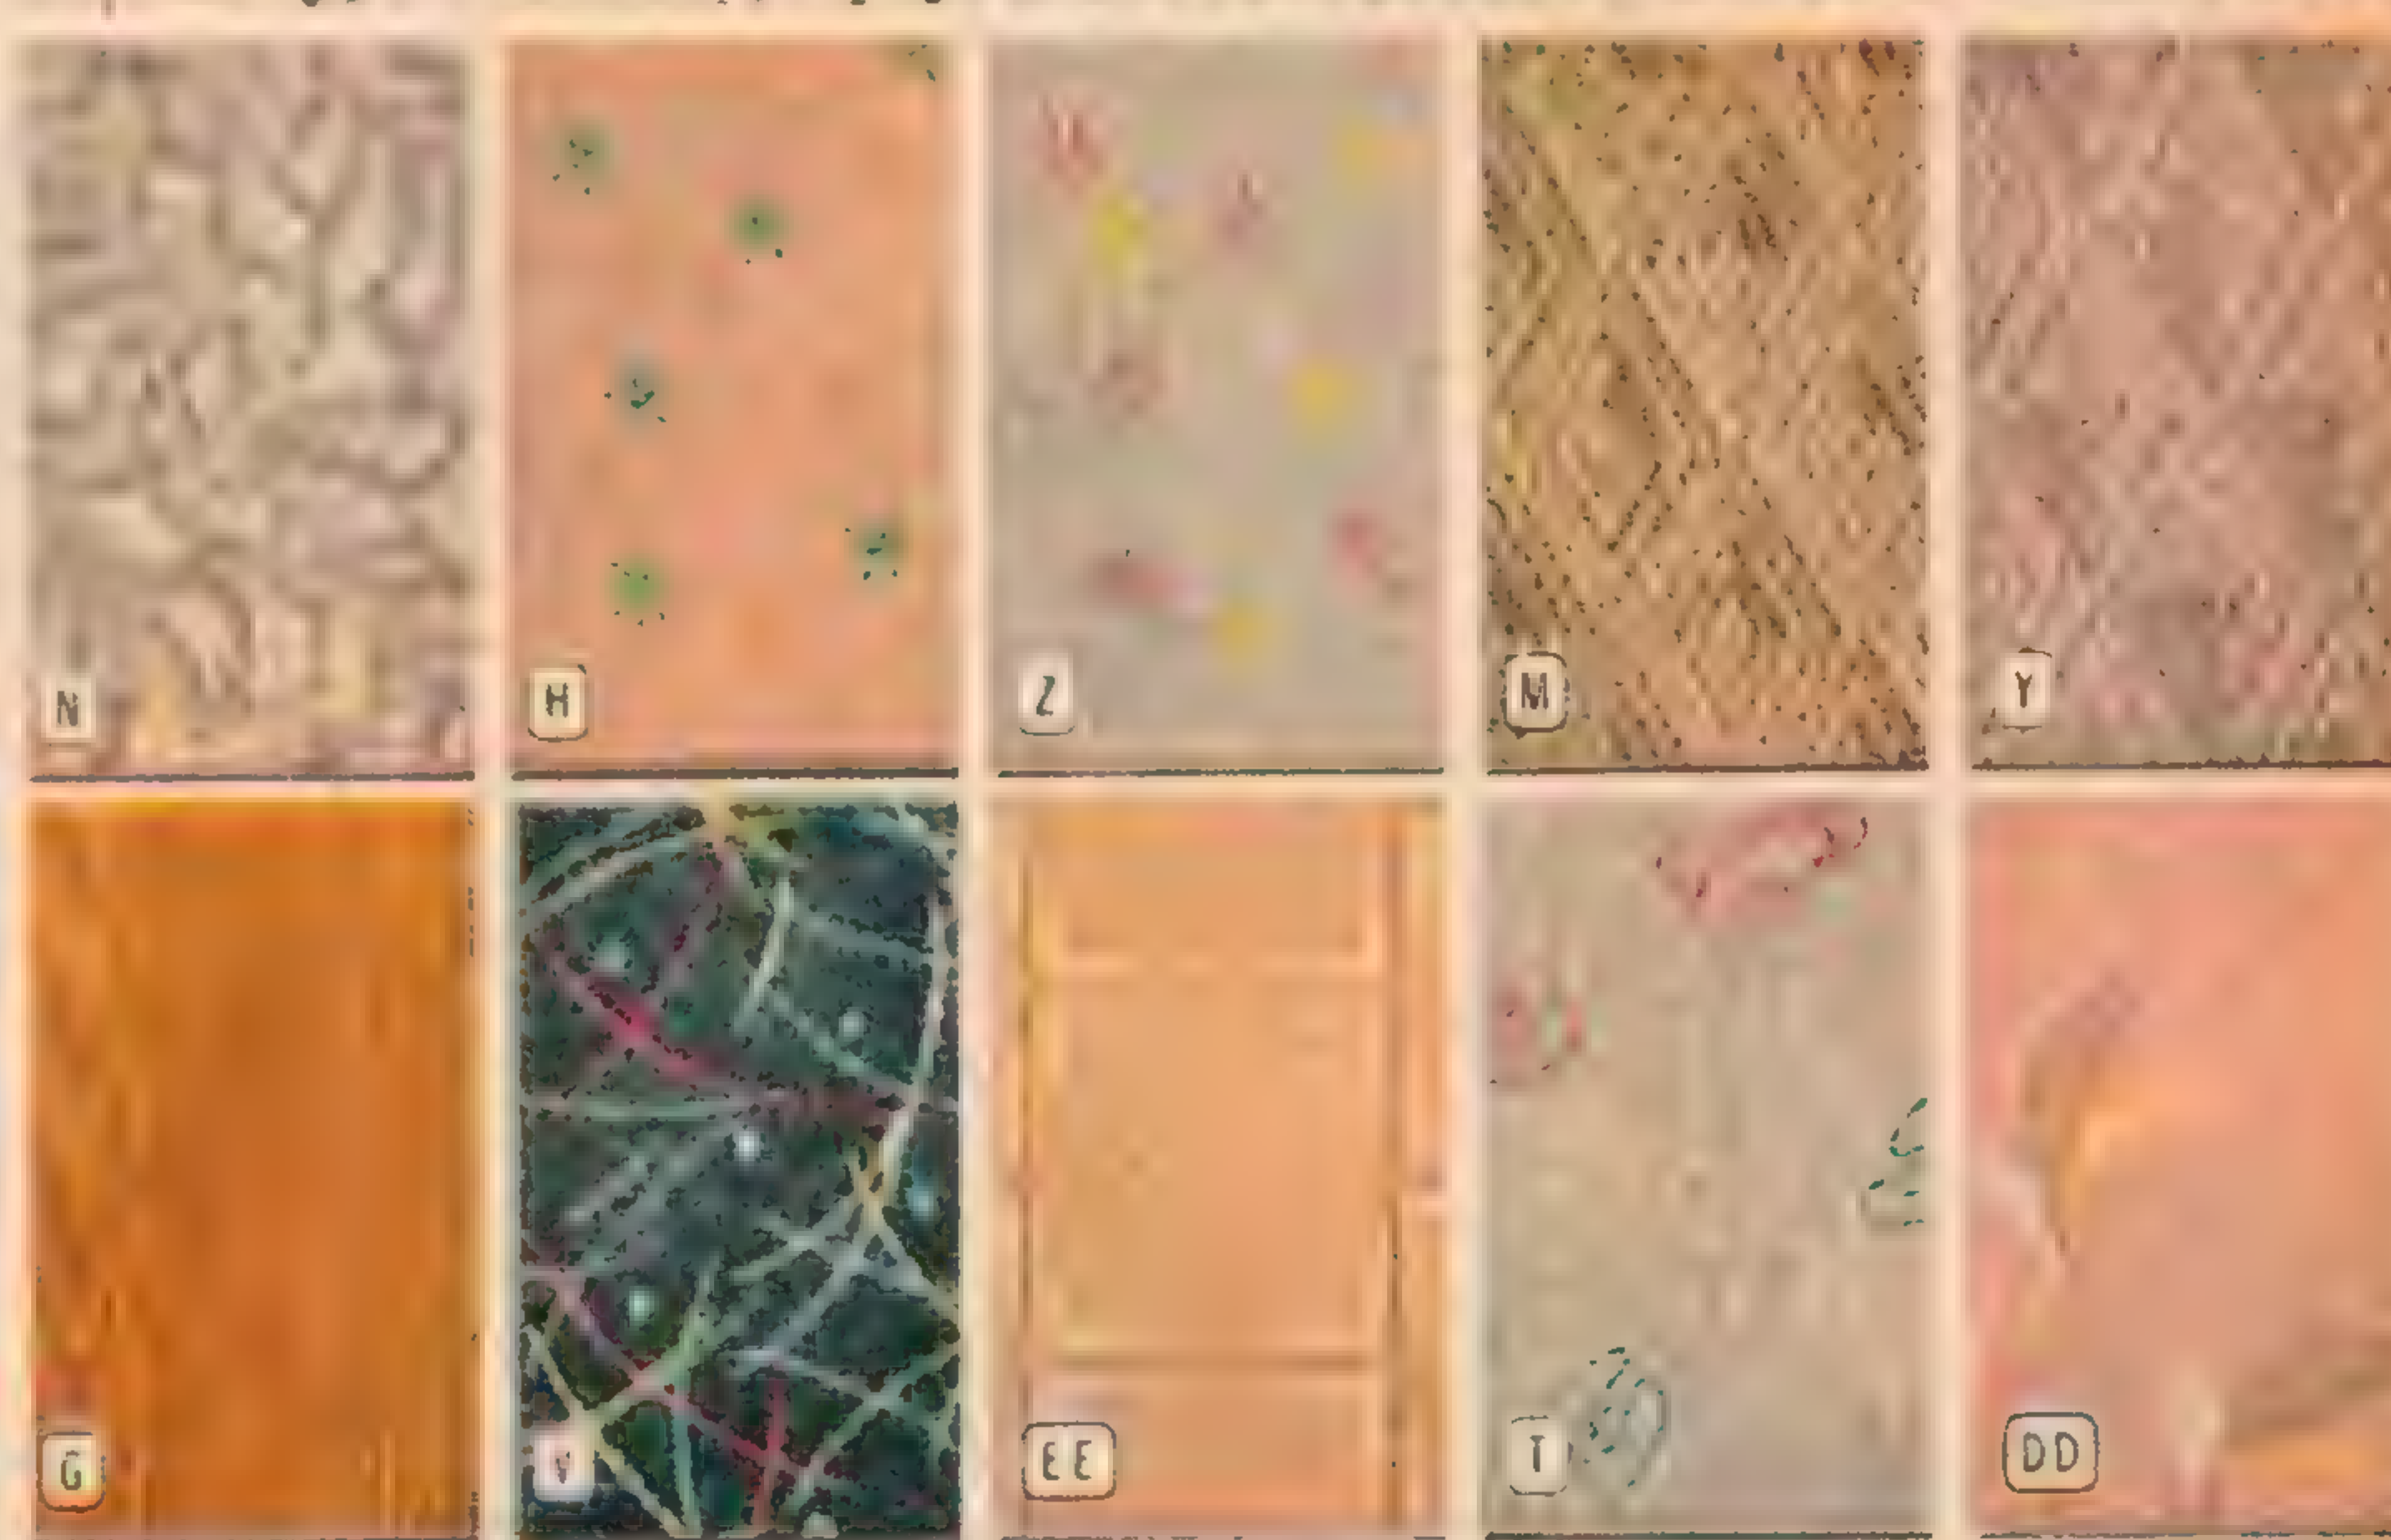

Order first piece actual length; add 18 in. additional piece for perfect pattern match.

ORDERING SERVICE: Send plan showing width in feet and inches; direction of floor; type of floor; above or below ground level. Customer Service, Ward Mail Order House.

## ENAMEL FLOOR COVERING

Wider than 12 ft. (or your selection is sold in 6-ft. width) you will need more than one piece. Order all lengths the same width and at the same time to avoid color variation. Patterns repeat. Order first piece actual length; add 18 in. additional piece for perfect pattern match.

ORDERING SERVICE: Send plan showing width in feet and inches; direction of floor; type of floor; above or below ground level. Customer Service, Ward Mail Order House.

## Budget Enamel Rugs 9x12-ft. \$4.55

Attractive, Smart, Practical... good quality enamel rugs at our lowest prices. Plastic reinforced for alkali resistance. Tough baked-on enamels on a sturdy asphalt saturated back.

Lies Flat without Pasting down permanently. Washes sparkling clean quickly and easily with just mild suds. Needs only occasional rewaxing.

Patterns: Nursery Pink with Blue (5); Nursery Blue with Pink (8)—not shown, like (5); Red Floral (16); Beige Floral (17); Gray Block with White (18); Red Block with White (19); Beige Leaf (20); Gray Leaf (21). State Color, Number and Size.

Pull-Down**

# Modernize Now...

The Easy, Economical Ward Way

## Luminous Panel Diffused Lighting... \$34.95

**Here's Truly Modern Lighting** for the American home. Glare-free light over your entire room... shadowless, evenly diffused, useful light! Ideal for kitchens, bathrooms, workshops, family-living rooms, etc. Satin aluminum channels and side rails support corrugated translucent vinyl diffusers. Entire panel "floats" invisibly from fluorescent fixtures—all wires, cords, lights, bulbs, etc. are hidden... you see only a glowing panel of light.

**EASY TO INSTALL.** Just connect PRE-WIRED double fluorescent lighting assembly to existing junction box. Two 40-watt fluorescent fixtures make up lighting assembly. Corrugated vinyl panels give sparkling, bright appearance. Easily removed from channels. Panel measures 40x54 in. Extends 9 in. from ceiling. Kit includes all necessary bulbs, fixtures, hardware and installation instructions. 83 A 4224 MO—Ship. wt. 29 lbs. \$3.50 Down... or Cash \$34.95

## 3-Way Mirror Light... No Extra Wiring

**They're Prewired!** Just one quick connection at old light puts 3 new mirror lights into operation. Built-in appliance outlets for electric shaver, etc. 21 1/4-in. between side lights. Fits standard mirror (not incl.). Takes six 60-W. bulbs.

**BEAUTIFUL LEAF PATTERN** on fired-on-enamel "U" shaped shades (shown). Chrome canopy and accents. Wt. 7 lbs.

83 A 2451—Polished alum. arms.. \$11.95

**ATTRACTIVE MODERN DESIGN** on rounded ceramic shades. White enamel finish.

83 A 2450—Ship. wt. 5 lbs. 8 oz.... \$9.95

Low as \$9.95

## Commercial Fluorescents... Buy 4... Save 10% More

**Additional 10% When You Purchase** Wire Fixtures (12) through (15) below. **Save 10% from the total price of order.**

**Streamline Rapid-Start Long-Tube Model.** The super length (takes 8-ft. bulbs!) and end-sections mean fast installation in large area lighting projects. Perfect for home, office, store, or plant. 24 in., extends 2 1/2 in. With 96-in. in. Slimline bulbs. **Not Mailable.**

83 A 3820D—1-Light. Wt. 22 lbs. .... \$19.95  
83 A 3821D—2-Light. Wt. 24 lbs. .... 21.95

**Louvered Fluorescents.** Excellent for garages, workshops, stores, etc. Louvers are easily removed. Heavy-duty with White baked-on enamel. Can be used in continuous strips. UL listed for continuous runs. **Not Mailable.**

# Wards Plastic Tile

End Yearly Redecorating Expense . . . Add a Lasting Home Improvement! Wide range of decorator colors in beautiful STYRON plastic . . . colors are permanently molded in. Long lasting tile won't crack, chip or peel, is completely fadeproof—easy to clean with damp cloth. Widest range of colors and patterns we know of. Deluxe high crowned style gives richer, deeper shadow lines. Choose from five patterns described below. **Easy to Install.** Wards send complete instructions. Tile spreader included

with every order—for tile cutter on loan, see below. Apply to any clean, dry plaster, plaster board, wood or painted surface. **To find square foot area to be tiled,** multiply height by width; add cutting waste. Deduct for windows, doors and other areas not to be tiled. For free estimate on tile needed, write Wards Customer Service Department, give all dimensions. Free sample on request; state color. **State Catalog No., Color and Amount. Mailable. Shipped from St.**

ONLY 36¢ sq. ft.

Less Than 31¢ sq. ft.

## NOW . . . ANYONE CAN INSTALL CERAMIC TILE!

- Wards Adhesives and "Sure-Space" lugs make it as easy to apply as plastic tile . . . Do the job yourself and save over 50% of the cost
- Luxurious, practical . . . Lasts the lifetime of the average home . . . Real ceramic, just like finest china—fused at 2000° temperatures
- Certified Quality—no finer made! Exceeds strict Federal Specifications SST-308. Fulfills all requirements for FHA approval

**One of the most imitated wall or floor coverings known.** Now, you can enjoy the many advantages it offers. Colors stay beautiful and bright—won't fade or discolor. Can't warp, dent, peel or burn. Easy to keep clean with just a damp cloth. Saves you hundreds of dollars on redecorating—no more painting or papering. Adds permanent value to your home.

**SURE-SPACE LUGS** are extra long—cover 60% of spacing edge—assure proper alignment—the secret of a professional-looking job. Complete trim listings including bathroom accessory sets (32) below.

**MASTER GRADE CERTIFICATE** included with each order from Wards—assurance that tile has been made to U.S. Bureau of Standards specifications R61-44. First quality, graded to eliminate all "seconds" or standard tiles. Each tile checked for shading, for approved color match.

**FIGURE YOUR NEEDS TODAY**—see how little more it costs to have the best. For estimate or Free Sample write Customer Sales and Engineering Department of Wards Mail Order House; state color wanted. Tile shipped promptly from Mail Order House with instructions. **State color on all orders.**

# Signature Gives You the Wash

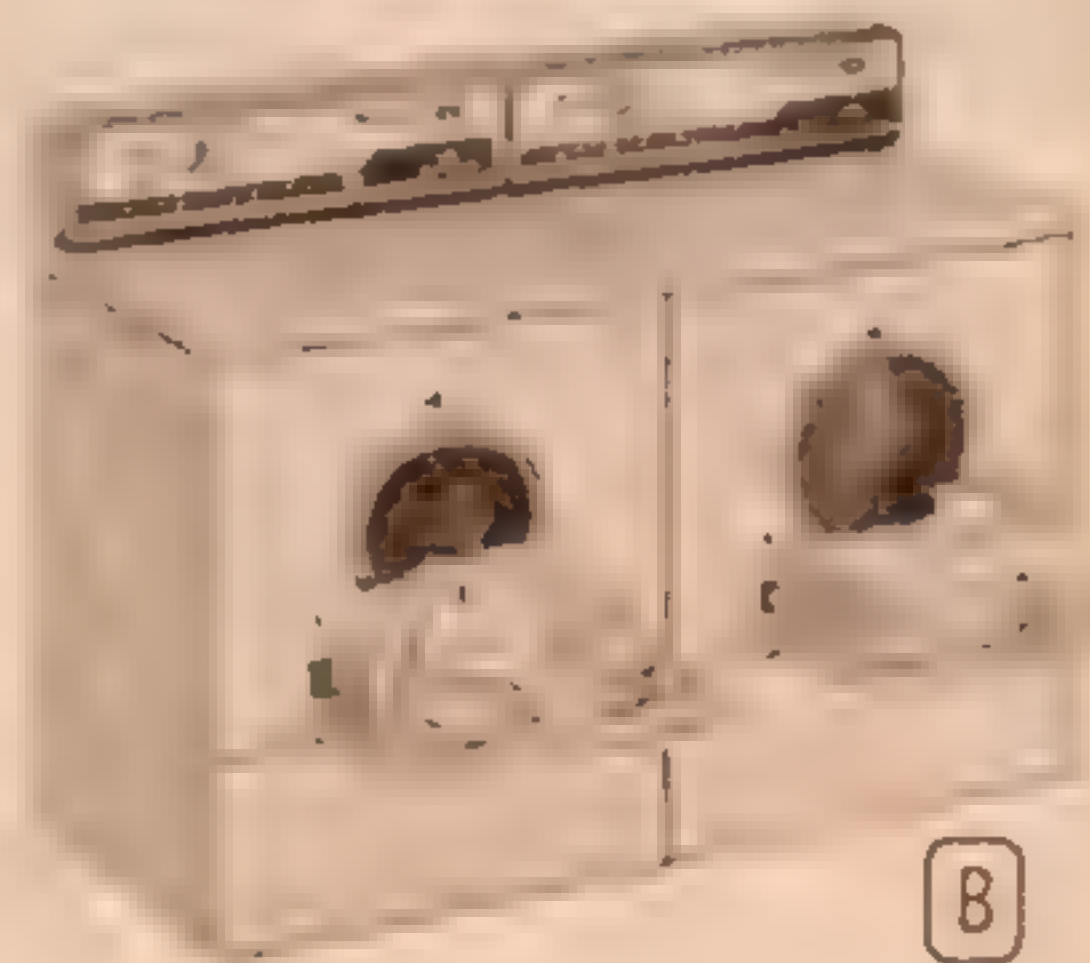

**You Can Pay More But You Can't Buy Better—HERE'S WHY:**

- ★ **SAVE WATER**—use  $\frac{1}{4}$  less water than top-loading washers.
- ★ **GIANT 11-LB. CAPACITY**—saves you and effort. You'll do fewer loads.
- ★ **SAVE DETERGENT**—use  $\frac{1}{2}$  less detergent than top-loading washers.
- ★ **WASH ALL FABRICS**—from most delicate bulky, wash-n-wear to woollens—perfect.

## GOOD QUALITY

**\$214<sup>95</sup> \$10 DOWN** **AUTOMATIC 4-CYCLE WASHER**

- Has All Starred Features Above PLUS:
- 4-Cycle Timer with Wash 'n Wear Cycle
- Built-in Filter, Self-Cleaning Tub
- 3 Separate Wash Water Temperatures
- 2 Separate Rinse Water Temperatures
- Water-Suds Saver for Smaller Loads

**(A)** Now launder anything from delicate lingerie and wash 'n wear clothes to heavily-soiled overalls and youngster's playclothes. Four custom cycles to give you proper washing action for all fabrics.

**So easy to use**—a single, simple dial controls both time and temperature of your washes and rinses. The secret of good washing is good rinsing and with Signature, you get not just 2 or 3, but 4 fully-agitated rinses—2 deep, 1 spray and 1 jet. Together, they flush away all loosened dirt and detergent scum in a way no other automatic can. Loosened dirt, detergent scum settle below level of clothes you are washing. Rotating drum and lint filter clean themselves.

**Water-Suds Saver** dial controls both wash and rinse water levels.

**Gleaming White Duracron** finish cabinet is 30x25 $\frac{1}{2}$ x43 $\frac{1}{4}$  in. high. Gray backguard trim. Cord, 3-prong adapter included. UL-listed. 110-120-V. AC. Read Shipping Note and 1- and 5-Year Guarantee, next page. Wt. 347 lbs. Only \$10 Down, \$11 Mo.

85 A 6631R.....Cash \$214.95

**(B)** **Save \$20—Buy Deluxe** laundry Twins. Washer (A) plus Dryer (A) described on Page 948. Still only \$10 Down, See Page 791.

85 A 9761R—Electric Twins. Ship. wt. 575 lbs. \$18 Mo.....Cash \$359.90

85 A 9861R—Washer, Gas Dryer. Wt. 584 lbs. \$19.50 Mo....Cash \$389.90

## BETTER QUALITY

**\$234<sup>95</sup> \$10 DOWN** **AUTOMATIC 5-CYCLE WASHER**

- Has All "Good" Features PLUS:
- 5-Cycle Timer—Custom Cycles for Wash 'n Wear, Silks, Synthetics
- 5-Position Wash and Rinse Water Temperature Selector
- Lighted Backguard, Drum Interior

**(C)** For only \$1 more per month than Signature's "Good" quality automatic, you get a washer so refined, it even has a separate cycle just for silks and synthetic fabrics—5 cycles in all. Naturally, your Supreme will do a better job on all fabrics from lace curtains and delicate wash 'n wear to grimy overalls.

**Other plus features** you will appreciate include a separate dial to let you choose from 5 combinations of wash and rinse water temperatures; fluorescent-lighted backguard to illuminate control panel; interior light in wash drum—no more "blind" feeling for small articles.

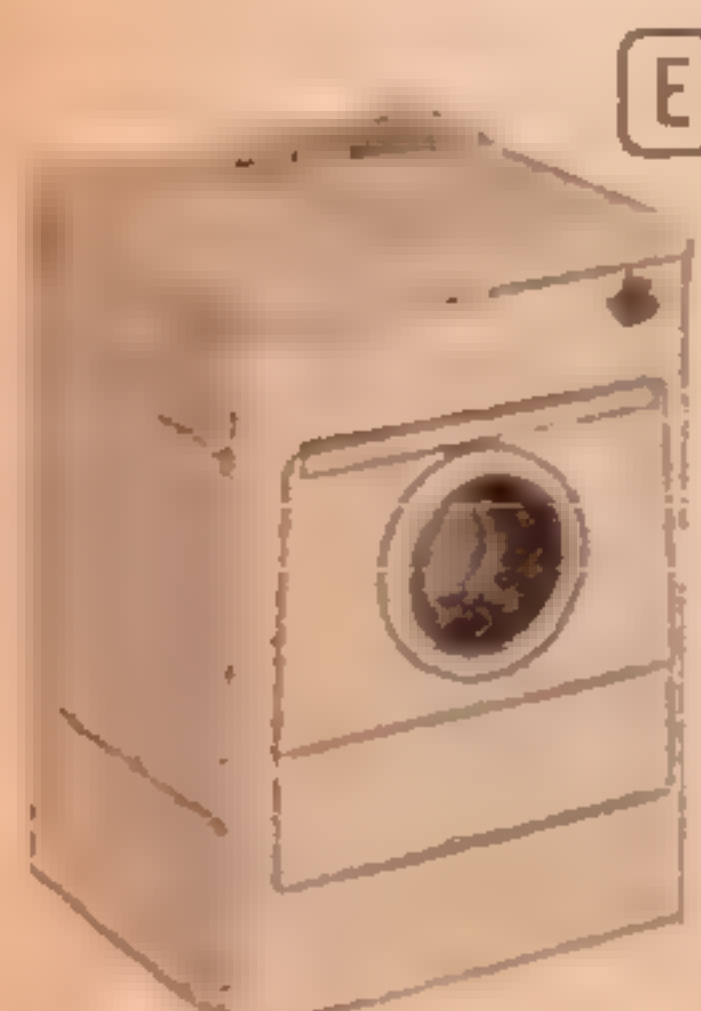

**The beauty of your Signature Supreme** will endure through the years. Its gleaming White Duracron finish won't chip, stain or yellow. Gray backguard trim. Cord, grounding adapter included. UL-listed. 110-120-V. AC. Same size as (A). Wt. 348 lbs. See Shipping Note, opposite page.

85 A 6731R—\$10 Dn., \$12 Mo. Cash \$234.95

**(D)** **Save \$20—buy Supreme Twins.** Washer (C) plus Dryer (B) on Page 949. \$10 Dn.

85 A 9771R—Electric Twins. Ship. wt. 578 lbs. \$20 Monthly.....Cash \$399.00

85 A 9871R—Washer, Gas Dryer. Ship. wt. 585 lbs. \$22 Monthly.....Cash \$439.00

**(E)** **Standard 9-Lb. Automatic Washer—\$149<sup>95</sup> \$5 DN.**

**(E)** **Wards lowest-priced automatic** washer with rotating agitator. Fills, washes, spin-dries all without attention. Three automatic deep rinses flush all dirt particles down the drain. Uses only one hose connection to standard mixing faucet (sold at right). Self-cleaning drum. Handy shelf-loading door with look-in window shuts machine off when opened.

946 WARDS BFCRDS

**Gleaming White Duracron** finish resists rust, chipping, cracking. Size: 25x25 $\frac{1}{2}$  in. wide, 36 in. high. 110-120-V. AC. Read 1- and 5-Year Guarantee. Ship. Notice on facing page. Ship. wt. 277 lbs.

85 A 6218R—\$7 Mo..Cash \$149.95

**Faucet Adapter Kit.** (Not shown.) Mixes hot and cold water through a single faucet for Washer (E).

85 A 768—Wt. 1 lb. 8 oz.....\$6.95

# u the Washer of the Future TODAY!

CITY—saves you  
fewer loads.

—from most delicate  
to woolens—per-

**PUFFY FINISH**—no untangling plastered-  
to-the-drum clothes . . . easy to remove.

**MORE WORK SURFACE**—unobstructed top  
and shelf-door add work space.

☆ **POSITIVE WATER LEVEL**—no overflowing  
when you open door to add clothes.

☆ **SAFETY-FIRST DOOR**—drum stops imme-  
diately when door is opened.

☆ **5-YEAR GUARANTEE**—all Signa-  
ture Automatic Washer drive  
mechanism repaired or re-  
placed **FREE** if defective. 1-Yr.  
Guarantee on other parts.

Experience of the past comes the washer of the future. Experience  
that the major cause of washer breakdowns is in the complicated  
gear box: Signature has replaced it with a simple belt drive  
guaranteed 5 years. Women want economy, but most automatics use too  
much detergent to be economical: Signature tipped the wash-drum  
—uses only part of the water and 1/2 the detergent of most others.

Washers are to wash, but can they when your clothes are submerged in dirty  
water? Signature tumbles your clothes in and through and out of the wash  
water while dirt particles settle below the level of your clothes. Signature  
tumbles each item according to its own need—a pair of overalls, for example,  
will wash more vigorously than a pair of nylons. This basic principle makes  
Signature the custom washer for any fabric known.

## BEST QUALITY

**\$284<sup>95</sup>**  
\$10 DOWN

**Pushbutton Automatic**

### 6-PROGRAM WASHER

“Better” Features PLUS:

- Pushbutton Controls—a Custom Program for  
Washable Fabric
- Automatic Dispenser Injects Just Enough  
Bleach at Just the Right Time
- Temperature Selectors for Your Choice of 3  
Rinse Temperatures
- Styling—Chrome Door Trim

Signature's Imperial—the ultimate in automation. Gives you  
everything you want in an automatic washer—more  
style, more capacity, more cleaning power.

Simple buttons automatically set the proper program. Push the  
kind of load you are washing, set the timer and that's  
washing action, temperatures of wash water and water used  
are preset for you and it's done precisely according  
to the fabric you're washing.

As an automatic bleach dispenser which you can pre-load,  
at the proper time in the washing program, exactly the  
amount of bleach is injected into the wash water to help  
even brighter, whiter washes.

Imperial's elegant styling will make it a showpiece in your home.  
It's gleaming White cabinet will stay White and picture-perfect  
because of Duracron's amazing protective properties. Size: 30x  
25 1/2 x 45 3/16 in. high. Blue backguard trim and chrome door trim.  
Cord and adapter included. UL-listed. 110-120-V. AC. Shipping

## Space-Saver Signature Combination \$299

(D)

Space a Problem? 32-inch wide home laundry takes over two feet less width than standard size washer and dryer twins.

Machine "Senses" Moisture. Shuts itself off when your clothes are properly dried.

NOT HOW LONG, BUT HOW DRY!

Pushbuttons Regulate Water Level—save to 12 gal. per load; save detergent, too.

(D) TRULY AUTOMATIC WASH-RINSE-DRY—Only one complete operation. Wash family size 10 lb. load in 1 hour.

Easy Operation—Only Three Controls. (1) Pushbutton Saver for small loads, Regular for capacity loads. (2) Wash set Warm or Hot, Full or Short Cycle; you automatically wash and rinse temperatures, correct washing time. (3) Fluff dries automatically; dewrinkles, too, as clothes last 8 minutes with heat off. For "ready-to-iron" set "Dry" or "Wash" or "Dry" may be used independently.

Rotating Agitator Provides Gentle, Thorough Washing. Three smooth tapered vanes tumble clothes around and around in wash water; each piece falls back according to its own weight. Heavy terry cloth towels wash more vigorously than regulars. Drum interior is fully porcelainized—there are no sharp edges; or turbulence in center to weaken clothes. With some automatic machines having centerpost.

Two Fully Agitated Deep Rinses plus flush rinse float detergent "scum"—leaves clothes whiter, brighter.

Flow Through, Fluff Drying. Warm air is forced directly into clothes, not first through heat absorbing perforated drum. Dry clothes have a fresh "sunshine" scent and feel. Fast drying is economical—saves electricity. Automatic safety door.

Sparkling White Acrylic Finish. Smooth and gleaming white, yet far more durable. Can't chip, crack, stain, or age—retains new look for years. 27½x32x38¾ in. high. 3-wire, 220-240 volt AC. Inlet hoses, drain hose included. See facing page and 947. Connecting cable, Page 1014; side Vent Kit, Page 585. Ship. wt. 360 lbs.

85 A 9618R—\$10 Down, \$14.50 Monthly. . . . . Cash 154.95

# Offer You ALL These MOST WANTED FEATURES

ON DIAL—simple  
the setting needs.

THROUGH BLOWER ACTION—the quietest,  
and even, most economical way to dry clothes.

★ QUALITY AT A LOW PRICE—you can pay more  
but you can't buy better than a Signature Dryer.

★ SAFETY-FIRST DOOR — stops drum immediately  
when door is opened, safer for everyone to operate.

\$234<sup>95</sup>

\$10 DOWN

ⓐ SIGNATURE'S FINEST 11-LB. CAPACITY—4 HEAT SETTINGS.  
FIVE AUTOMATIC PUSHBUTTONS for "custom" drying—  
each button answers the need of a particular group of fabrics.  
**Special Thermostat for Wash-n-Wear**—your clothes come out  
of the dryer, ready to put on with little or no pressing.

**Auto Dry System** is guided by moisture, not time; eliminates  
any possibility of overdrying, prevents wrinkles setting "in".  
Machine shuts off when clothes are properly dried. Regular  
Timer, too, for damp-dry, ready-to-iron garments. Plainly  
marked dial is divided into 5-minute sections.

**Ozone Sanitizer Lamp** gives clothes "sunshine" freshness, kills  
germs and bacteria. Ideal for baby diapers.

**Built-In Filter** leaves clothes, linens practically lint free.  
Illuminated backguard with chrome trim. Interior light goes  
on automatically when door is opened.

PLUS—Flow-Through Action, Automatic Dewrinkling, Dual  
Voltage, Duracron Finish—all described on facing page.  
Read Guarantee below. Order 220-240-V. connecting cable,  
Page 1014, outside Vent Kit, Page 858. 25½x30 in. wide, 45¼  
in. high. \$10 Down; \$12, \$14 Monthly. Save \$20 by buying  
"Laundry Twins" sold on Pages 946, 947.

85 A 7931R—ELECTRIC DRYER. Ship. wt. 236 lbs. Cash \$234.95

## Signature WRINGER WASHERS . . . Efficient and Fast

**10-Lb. Dry Clothes Capacity.** Holds 19 gallons to water line.  
**Triple Action Agitation** from 3-vane Duralite agitator. Flexes, turns and  
reaches piece up, down and around to remove even stubborn, deeply  
set dirt. Smooth rounded vanes are gentle to your clothes.

**Triple Agitated Rinse** with circulating pump removes all loosened dirt;  
water through plastic filter where scum, lint and fuzz are trapped and  
flushed through water. Easily removed for cleaning.

**Balloon Wringer Rollers** compensate automatically for thickness of  
clothing swings and locks in 8 positions. Automatic-tilt drainboard.

**Order with "Plus Power" Reserve** assures dependable washing action;  
Borg-Warner transmission by Borg-Warner—see Guarantee on Page 647.

**Double-Porcelain Enameled Tub** for durability; White baked-on enam-  
el lid. Chromed and Turquoise control panel. 50½ inches high.  
Includes Drain hose, cord and 3-prong adapter plug included.

### Signature BEST . . . Imperial Semi-Automatic

**Automatic Bell-Timer** shuts off washer and rings reminder bell at pre-  
selected washing time. Also "Hold" setting for heavily soiled pieces. Use  
dial to determine correct time for type fabric you're washing.

**Reverse Wringer**—safest we know of. It stops instantly, automatically at  
push or pull and safety release bar opens wide to free tangled  
clothes. Lever resets rollers to wringing position. Forward-Reverse  
switch, chrome plated automatic-tilt drainboard.

**Leveling Casters**, widely spaced for stability—tub will not tip even with  
load in extreme "swing-out"; two locks to prevent creeping.

85 A 820R—Ship. wt. 175 lbs. \$5 Down and \$7 Monthly . . . . . Cash \$139.95

### Signature BETTER . . . Supreme Quality

**Automatic Bell-Timer** rings reminder bell at preselected time. Wash Guide.

**Reverse Control Wringer.** Release bar. White enameled drainboard.

**Leveling Casters**—one locks to prevent tipping and creeping.

85 A 907R—Ship. wt. 170 lbs. \$5 Down and \$7 Monthly . . . . . Cash \$124.95

1-PC. ROPE ARMS...STRONGER

CAN'T TANGLE LINES WHEN FOLDED

## Signature OUTDOOR DRYERS... 32 Lines, 242-Ft. Drying Space... Only \$19<sup>94</sup>

... more rigid! Patented 1-pc. rope arms... extra-heavy gauge 1-pc. center post.  
... joints to weaken structure. Supports heavy wash load.

... lines opening or closing. 1-pc. rope arms lift lines out of your way.

... faster! Hangs straight, smooth... needs less ironing. Nylon core, plastic lines  
... are 6 ft. high. Clothes hang full length, can't drag on ground.

22 Lines, 242-Ft. Drying Space. Big-  
... strongest! Rugged 2-in. diam.  
... post; 1½-in. diam. rope arms.  
... Pre-galvanized finish  
... rope arms capped against  
... lines hold king-size sheets.  
... easier to carry, set up.  
... to store. Frt., Truck, Exp.  
... Ship. wt. 30 lbs. ....\$19.94

Better—30 Lines, 227-Ft. Drying Space.  
Same as Best, but 1¾-in. diam. center post;  
1-in. diam. rope arms. Frt., Truck, Exp.  
86 A 605 R—Ship. wt. 26 lbs. ....\$15.74

Good—28 Lines, 189-Ft. Drying Space. Like  
above, but 1½-in. diam. center post; 1-in.  
diam. rope arms. Freight, Truck, Express.  
86 A 604 R—Ship. wt. 22 lbs. ....\$11.44

Continuous Lines  
are easier to ad-  
just. Pull in slack  
with 1 or 2 tugs; 2  
knots tighten all  
lines. Saves time!

Patented Safety  
Clip holds dryer  
open automatic-  
ally—can't release  
accidentally. Press  
to close—no pins.

Easier to raise,  
lower. Lines won't  
tangle over rope  
arms when folded.  
Easy to store—  
folds compactly.

Ground Socket in-  
cluded—rust-resis-  
tant galvanized  
steel. Won't turn—  
capped to keep out  
moisture, debris.

### Portable Umbrella Dryers

1 Light to Carry... Simple to Set Up. Opens with effort-  
less upward motion... spring clip holds dryer open  
automatically. Depress clip... dryer folds to store.  
Defies Weather... pre-galvanized 1½-in. diam. steel  
tubing center post and capped ground socket; rustproof  
aluminum channel support arms; brass rope guides pro-  
tect lines from wear; rust-resistant cadmium plated  
hardware. Use indoors with stand 86 A 631M at left.  
Clothes Dry Fast! Staggered lines let air circulate...  
white plastic coating wipes clean, can't soil clothes.

130-Ft. Line Size. 61-in. outer line each side.

## A Cleaner Sweep Electrically

### FASTER . . .

Up to 17 times faster than manual  
 sweepers . . . thick nylon brushes vi-  
 brate 3500 times per minute.

### EASIER . . .

No need to push or press down . . .  
 motor-driven brushes do the work,  
 adjust at toe touch to thick, thin rugs.

### BETTER . . .

Brushes keep on cleaning even when  
 sweeper is standing still, pick up dust  
 better under low furniture.

**Wards Own Signature Sweeper.**  
 Gentle back and forth action  
 reaches dirt no ordinary sweeper can  
 touch. Easy on rugs, thorough. Bake-  
 lite case, all-around bumper. Easy-  
 to-empty dustpans. Slides on metal  
 glides—smooth, quiet. 3-pc. chrome-  
 plated handle. 18-ft. cord. 115-volt,  
 60-cycle, AC. UL-Approved.

**★EXTRA—with this sweeper. Choose**  
 any \$1 item from Pgs. 677, 682. Give  
 Cat. No., Ship. wt., write "EXTRA"  
 for price.

*Yours...through Wards Home Improvement Terms*

# A MODERN KITCHEN

• No Money Down

• 3 Years to Pay

Save 30% to 50% by installing your modern automatic heating. Wards experts design your system, help you plan and

Add a new bathroom, or modernize one. It's easy, with Wards help, and terms. Choose from white, 4 pastel

Unused space in basement or attic turned into a family room, with panel wallboard. Easy to install; easy to

Old-room remodeling is easy to do (and easy to pay for) with Wards money-saving tiling for walls, floor

## For Any Type of Home-Improvement Project

How many times have you and your family talked about modernizing your kitchen? Adding a room to your home, perhaps, or a recreation room in the basement? Remodeling a bedroom . . . enclosing a porch . . . or putting in another bathroom? If your home-improvement project has been talk without action, because of the immediate cash outlay involved, Wards have the answer:—extra-liberal credit terms that make your remodeling or extra room extra-easy to pay for. On any home-improvement purchase of \$100.00 or more, Wards ask no down payment, and allow you as long as 3 years to pay. (See complete list of merchandise included . . . below.) Wards building materials, plumbing and heating equipment also qualify for purchase under FHA loan plans. See your local financial institution for details.

## "Accessory" Merchandise May be Included

On these terms you may also order, up to 50% of total purchase, any appliances that are a part of your project. (In a kitchen remodeling, for example, you could include a new refrigerator and range.) To open an account, see page 1283.

## You Can Use These Convenient Terms for:—

Air Conditioners (Central)	Garbage Disposers	Plywood
Awnings	Garage Doors	Ranges, Built-in
Barbed Wire	Gutters, Troughs	Roofing, Metal

## New "SuperPlate" Fiber Glass . . . Lasts Longer, Stays Brighter

Extra Strong 6 oz. Fiber Glass Panels. Special "SuperPlate" coating of tough polyester thermosetting plastics makes extra hard, more weather-resistant surface . . . warranted 15 years (see details above at right). 2½-in. corrugated panels are reinforced with special additives, will support loads up to 100 lbs. per sq. ft. when installed over 4-ft. span. Superior smooth finish is easier to clean, has no thin spots as in inferior "crinkle

types", which also trap dirt and dust. Strong, yet lightweight panels are easy to handle—can be sawed, nailed, drilled just like lumber. Available in 11 colors shown above. Clear, Aqua, Snow White, Canary and Shamrock colors in 26 and 34 in. widths shipped from Mail Order House Stock; other colors and sizes shipped from Factories in Chicago, Atlanta or near New York City. State width and color. Not Mailable.

## Install Gutters Yourself, SAVE 50%

Do the job in spare time with just hammer, hacksaw, pliers and screwdriver. No soldering—Slip-Joint Connectors make water-tight joints without solder. All our rain-carrying equipment complies with specifications of the Roof Drainage Mfg. Institute. All Box-type Gutter meets FHA specifications. Caution: do not combine galvanized and aluminum.

**HOW TO ORDER:** measure eaves, divide by 10 to get number of lengths needed. Use 4 hangers for each 10-ft. length plus 2 hangers to hold each drop outlet used. Install 1 rainpipe for each 30 ft. of trough. Order 2 pipe hanger-bands for each length of rainpipe and for further help...

**WRITE WARDS FOR NEW  
FREE INSTRUCTION GUIDE**

**EXTRA**

Choose Downspout Splash-guard (35) or 15 ft. of Gutter-Screen (33) at no extra cost with your order of \$50 or more from this page, simply state choice of item and write "No Charge" in price column on order.

**Aluminum Box-Type Gutters 30c ft. (4-in.)**  
EASY-TO-HANDLE

**Galvanized Box-type Gutters 16c ft. (4-in.)**  
EFFICIENT, RUST-RESISTANT SYSTEM

Trough and fittings thicker yet half the weight of 26-ga. steel, easier to install, maintain. Never needs paint, won't stain or streak walls. 4-in. suitable for average homes; 5-in. less than 5-in. which gives maximum protection. 1/2 in. thick, over 10% thicker than 26-ga. steel, fits proper length. Rain pipe and fittings .020 in. Pipe resists freezing damage. Facia bracket (9) can be used for hangers. Shipped promptly from Mail Order House; from there or Detroit. For Freight rates see Page 1274. Mailable except (1), (12). State Cat. No., Size.

**(1) TO (18) Our Best Steel Trough—16% heavier than standard 28-gauge steel.** Beading on outside lip assures added rigidity, will not bend under a ladder's weight. Heavily galvanized by modern continuous-strip process, protects against rust, corrosion. Can be painted after 3 months' weathering. Rain pipe corrugated to resist freezing damage; 8-ft. length available for ranch type buildings. 4-in. trough for smaller homes, garages; 5-in. for larger buildings, handles more water than half-round type. Shipped from M.O. House; pay freight from there or Detroit. See rates, Page 1274. All Mailable. except (1), (12). State Cat. No., Size.

## Diamond Rib\* 82<sup>c</sup> Running Foot

### ROOFING AND SIDING

STRONGER—DISTINCTIVE—  
REFLECTS HEAT

Diamond-Rib for  
extra strength

Weather-controlled  
joints

Positively  
leak-proof

## 30 YEAR WARRANTY

1 New strength and matchless appearance in aluminum. Kaiser's Diamond-Rib\* construction gives panels girder-like strength to better support heavy wind and snow loads. Textured design creates handsome patterns of lights and shadows. High heat reflectivity (up to 85%) means more effective insulation. Light in weight (only 1/3 the weight of asphalt shingles, 1/3 that of corrugated galvanized steel). Takes minimum support framing; easy to position on roof or wall. Corrosion-resistant, need never be painted. Low in upkeep—surface does not scuff or dent easily. Extra-wide 50.3-in. sheets cover 48 inches after lapping. Minimum order 3 sheets. See shipping at right.

**Aluminum Screw-Thread Nails.** (29) opp. page. With neoprene washers for (1) only.

### TERMS OF WARRANTY

All Diamond-Rib\* panels, installed according to instructions, are warranted for 30 years against leaks caused by corrosion from natural elements. If such leakage occurs within the first ten years, damaged panels will be replaced free. During next 20 years, replacement will be 5% of the then current price for each year or part thereof commencing with the 11th year after purchase up to date of claim. For example: 15 years after purchase, replacement cost would be 25% of that year's price. Warranty extends only to farm and/or residential buildings.

### SHIPPING NOTICE

Aluminum Sheets and Accessories (opposite page) shipped promptly from Factories near Chicago; Columbus, O.; Kansas City, Kan.; Harrisburg, Pa.; or Atlanta (pay charges from nearest) except items with "R" after Cat. No. shipped promptly from Wards Mail Order House.

### SAVE 5% MORE

when you order \$150 or more from these two pages. Simply deduct 5% from prices shown and add in new amount on order.

## Diamond-Embossed Twin-Rib\* 64 1/2<sup>c</sup> Running Foot

### OUR LOWEST-PRICED ALUMINUM ROOFING

2 Better, stronger yet lower priced than our Standard 26-in. Wide Aluminum Sheets. Combines strength of paired ribs with beauty of diamond-embossing. Exceeds load requirements specified in all ordinary U.S. building codes. Designed especially for re-roofing—right over old asphalt or wood shingled roofs—or as siding when applied over solid sheathing. Used as siding, combines very well with Diamond-Rib roofing. Provides greater glare diffusion, ideal nailing pattern spaced 8 in. on center. Flat areas nail without dimpling. Deep ribs and wide trough for heavy rain runoff. Sheets are 49 1/4 in. wide overall (48 in. wide after sidelap). .0175 in. thick. Recommended load 24 lbs. per sq. ft. Minimum order 3 sheets. Use aluminum nails.

## Extra-Wide Aluminum Sheets . . . Low as 70<sup>c</sup> Running Foot

3 4 For average load demands and utility use where the distinctive design and features of (1) are not essential. Light-in-weight yet durable, with same corrosion resistance as (1). Give long dependable service. Easy-to-install. Eliminate heavy bracing to reduce initial cost. An efficient reflective insulation. Rustproof and non-flammable. No painting required, cuts cost of upkeep. Both types have pebble-grained embossing, are .019 in. thick.

(3) 2 1/2-in. Corrugated. Slightly heavier, covers slightly more area, available in 2 longer lengths. Use over wide-spaced sheathing.

(4) 8-V Crimp. Use only over solid sheathing.

Above sheets are ideal for farm, commercial buildings.

Coverage figures below allow for end and side laps. See "Shipping" (at right above), Nails, accessories, "How to Measure" and fiber glass panels for windows or skylights (opposite page). State Cat. No., length. Minimum order 3 sheets.

Actual widths below. Installed widths, allowing for overlap, are 48 in.

Galvanized Nails. Use 1½ lbs. per 100 sq. ft. Siding or Fiber Glass panels. 1 in. Shp. wt. 1 lb. .... Lb. 41c

INFORMATION: All Galvanized items marked (#) From Mail Order House; all others shipped promptly from Baltimore, Cincinnati, Cleveland or New York from nearest. "R" or "F" after Cat. No. See Terms, Page 960.

(9) to (12) Same fine quality fiber glass found in the best stores plus a new headliner in the industry ... Wards "Superplate" 2½-in. Corrugated sheet. So tough that we will warrant it for 15 years (see terms of warranty on Page 962). "Superplate" (10) above exceeds requirements of the standard building code. All panels above match our metal roofing exactly, admit a soft, diffused light. Ideal as windows or skylights in warehouses, barns, garages, etc. Save on interior lighting bills and need no costly framing or fitting, just nail in place. Can be sawed, screwed or drilled. Completely weather-proof, resist fire, can't crack. Lightweight, easy to handle. Choose between Jade (transmits over 70% of glare-free light) or Clear (over 80%). (9), (10) and in (11), all 26-in. wide sheets, have 24-in. installed width. (12), 50.3 wide, is 48 in. installed. (9), (10) and (12) weigh 6 oz. per sq. ft. and support 100 lbs. over a 4-ft. span; (11) weighs 5 oz., supports 100 lbs. over a 3-ft. span. State Color—Jade or Clear.

SHIPPING INFORMATION: "F" after Catalog Nos. means shipped promptly from Factories in Chicago, Atlanta or near New York. "R" means shipped promptly from Mail Order House (pay freight from there only). NOTE: Jade in 2½-in. Corrugated shipped from Factory only, Clear from M. O. House only.

## How to Measure Roof

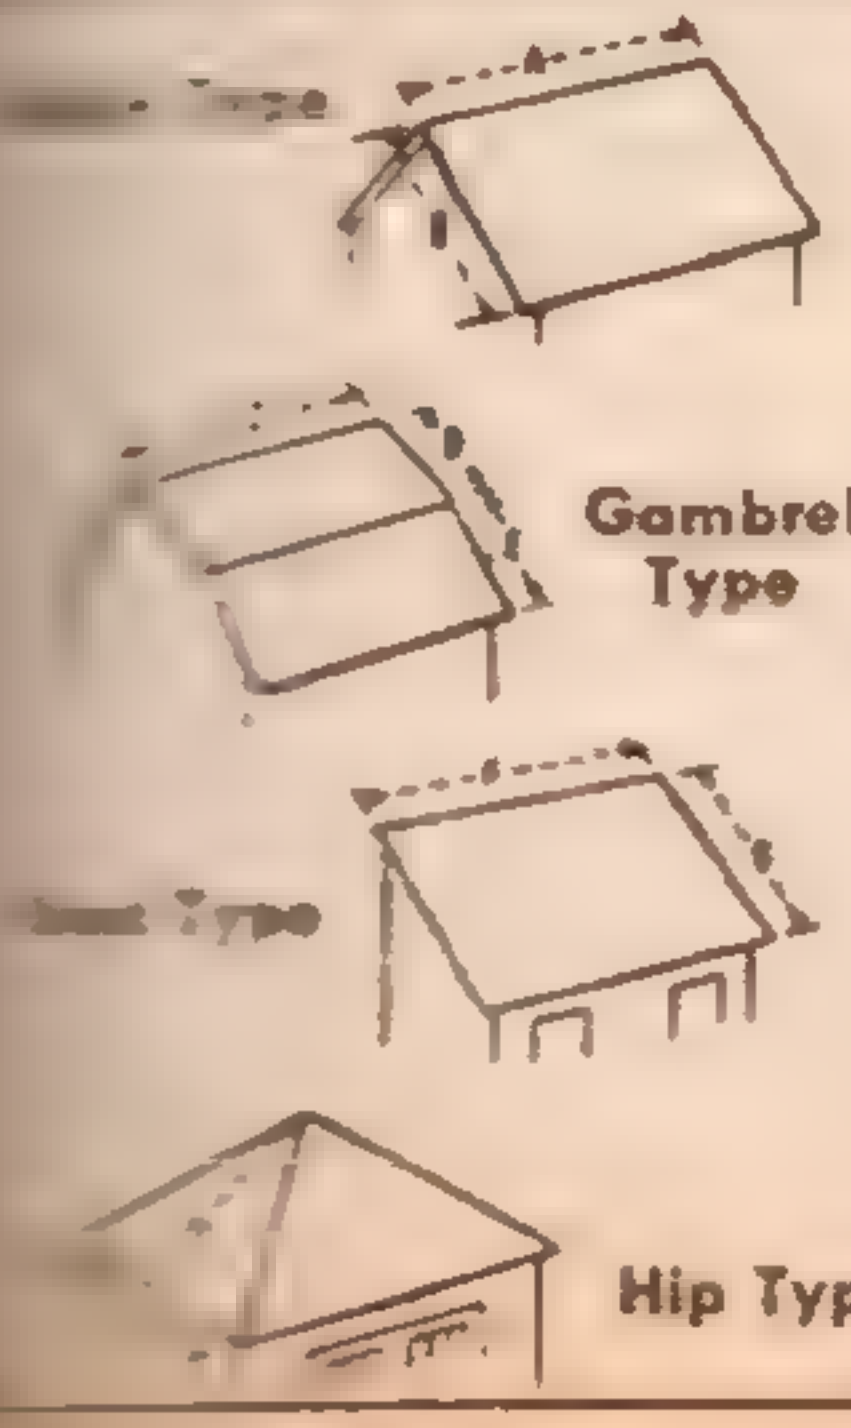

To find square feet needed:

Gable Type Roof. Multiply roof length (A) by (B). Multiply by 2.

Gambrel Type. Add length (D) and (E). Multiply by roof length (C). Multiply by 2.

Shed Type. Multiply roof length (F) by rafter (G).

Hip Type Roof. Multiply longest rafter (H) by eaves (J). Divide by 2. Add areas of each section for total.

## Aluminum Roofing Accessories

(17) Plain Valley. Use for valleys, flashing and eaves starter strip. Also for 5-V and 8-V Crimp as roof joint, side and end wall flashing. .019-in. thick rustproof aluminum.

(18) Aluminum Sheets. 36x96 in. Strong, lightweight, rustproof. Easy to bend, cut, drill and weld. Ideal for hobbyists. From M.O. House.

## Aluminum Siding for Permanent Home Beauty

STANDARD (MEETS FHA REQUIREMENTS) AND INSULATED  
TYPES . . . HORIZONTAL AND VERTICAL STYLES

LOW AS **36¢**

IN CHOICE OF  
**4**  
DECORATOR  
COLORS

- Non-chalking finish eliminates recurrent painting bills
- Relatively care-free, lowers maintenance and repair bills
- Insulates all year, reduces heating and cooling bills
- Pre-punched slots assure precision nailing, no dents
- Adds tangible value to your home, increases resale price

Aluminum Siding brings distinctive beauty, more comfort, lifetime service to your home. Exclusive vinyl resin enamel finish is oven-baked to provide a tough outer skin that resists the elements. Extreme temperatures do not damage it—won't chip, crack, peel or blister . . . nor will it chalk (a real boon to paint life). DESIGNED FOR LASTING DURABILITY—will never rust, rot, warp, sag or split. ALL-WEATHER PROTECTION—interlocking panels with 8-in. exposure seal out weather; weep holes drain out condensation; up to 90% heat reflectivity. No EXPOSED NAILS—concealed nailing slots (pre-punched) allow expansion without distortion, assure precision nailing. NON-COMBUSTIBLE . . . RODENT AND TERMITE-PROOF . . . EASY TO CLEAN—simply wash with a garden hose. Apply over wood, shingle, stucco, or brick. Locking device (at right) holds panels tightly. Write for free color card and instruction sheet. State Color: White, Pastel Gray, Coral, Pastel Green. Promptly from Factories in Detroit, Minneapolis, Louisville, Ky., Newark, N.J., Pittsburgh, Pa., Tampa, Fla. and Charlotte.

**NEW**  
Vertical  
Pattern  
Siding  
Panels

**1 Standard Horizontal Panels.** Made of slightly thicker aluminum than Insulated Panels and are without insulating board. Meet FHA Requirements for new construction. Have normal insulating value of aluminum (up to 90% reflectivity). State Color.  
74 A 1301F—Ship. wt. 24 lbs. . . 50 sq. ft. Ctn. **\$17.95**

**2 Insulated Horizontal Panels.** Two sidings for the price of one! Aluminum siding with 3/8-in. insulating board backing increases insulating value to better than 16 times its thickness of solid brick. Can fill entire insulation needs in mild climates—supplements to cut fuel bills in severe climates. State color.  
74 A 1321F—Wt. 53 lbs. . . . . 50 sq. ft. Ctn. **\$23.45**

**3 Standard Vertical Panels.** Attractive batten type. Ideal companion for horizontal siding—or use to achieve any number of special architectural effects (in combination with brick, stone or other siding material). 10 in. wide. State Color.  
74 A 1336 F—Ship. wt. 24 lbs. . . 50 sq. ft. Ctn. **\$21.95**

**4 Starter Strip for Horizontal Siding.** Nail behind bottom siding panel.  
74 A 1304 F—Wt. 1 lb. 8 oz. Per 10 ft. strip. . . . . **98¢**

**Outside Corner Post for Vertical Siding** (not shown.) Apply at corners. Be sure to State Color.  
74 A 1337 F—Ship. wt. 3 lbs. . . . . 10-ft. **\$5.25**

**5 Inside Corner for Horizontal Siding** (1) or (2). Apply before siding. State Color.  
74 A 1303 F—Ship. wt. 1 lb. . . . . 10 ft. **\$2.49**

**6 Outside Corner for Horizontal Siding** (1) or (2). Use 1 per panel at corners. State Color.  
74 A 1302 F—8 in. long. Wt. 2 oz. . . . . Each **29¢**

**7 Joint Wedge.** Needed only with (1) at overlapping joints, corners, window and trim areas.  
74 A 1305 F—Ship. wt. 1 oz. . . . . Each **5¢**

**8 Window and Door Trim for Horizontal Siding.** Covers cut edges of siding around doors and windows. Be sure to State Color Wanted.  
74 A 1307 F—Ship. wt. 1 lb. . . . . 10 ft. **\$1.95**

**Batten Bar for Vertical Siding** (not shown). cover joints where panels meet. State Color.  
74 A 1338 F—Ship. wt. 1 lb. . . . . 10 ft. **\$1.95**

**9 Aluminum Coil.** Use for flashing wherever necessary and to cover fascia board along eaves, etc. 10 in. wide, 50 lineal ft. per coil.  
74 A 1320 F—Wt. 16 lbs. State Color. . . . . Coil **\$3.95**

**10 Louver Panels.** Use with either horizontal or vertical siding for attic ventilation. Use at least proper cross ventilation. Length 24 in. Screen instructions included. Be sure to State Color Wanted.  
74 A 1315 F—Ship. wt. 2 lbs. 8 oz. . . . . Each **\$1.95**

**11 Aluminum Foil.** Use under Standard Siding (without insulating board backing) to cover sheetrock for additional insulation and protection. Roll 500 sq. ft. Not necessary for siding (2).  
74 A 1345 F—Ship. wt. 7 lbs. . . . . **\$1.95**

**12 Caulking Compound.** In same colors as siding. Use around windows, doors, eaves, etc. to seal out moisture from getting behind siding. One or two tubes will cover most jobs.  
74 A 1347 F—Wt. 11 lbs. State Color. . . . . Gallon **\$5.95**

**13 Touch-up Enamel.** Available in all colors of siding. Be sure to State Color Wanted.  
74 A 1348 F—Ship. wt. 8 oz. . . . . **\$1.95**

**Nails.** Use 1/2 lb. per 50 sq. ft. Ship. wt. 1/2 lb.  
74 A 1311 F—Plain nail. 1 3/4 in. long. . . . . 4¢  
74 A 1312 F—Spiral nail. 1 3/4 in. long. . . . . 4¢

All merchandise above shipped by freight or express—see Page 1274 for rates.

## NEW! Hardboard Lap Siding

Less than **26 1/2¢**

LASTS LONGER . . . LOOKS BETTER . . . GOES UP FASTER

- Many years of research brings you a special fiber formula that withstands weather
- Tough, grainless panels are prime coated—won't split, splinter or crack, ever
- And it's less expensive too! Priced 15% below our previous hardboard siding

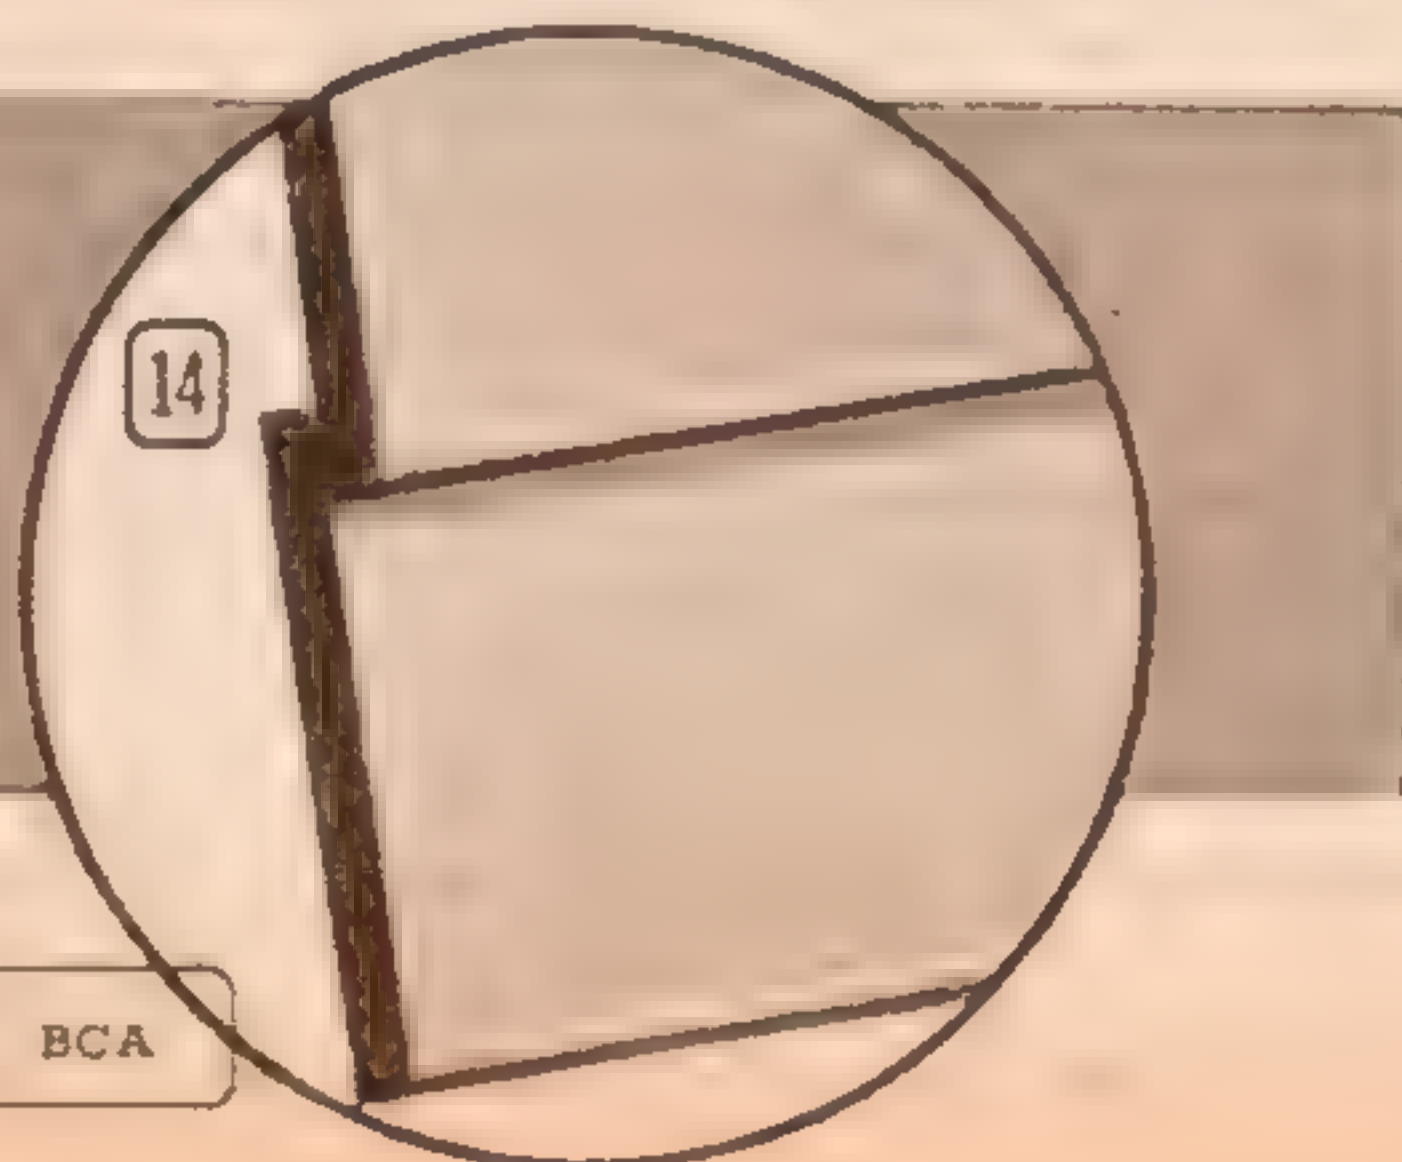

**14 Special fiber formulation** provides the utmost in stability and weather resistance—the two most important siding characteristics. And, it's easy to apply—guide lines are spaced for either 11-in. or 10 1/2-in. exposure to simplify installation. Otherwise it goes up just like beveled siding. Simply nail in place and apply outside corners. Easier to finish too because it's already prime painted gray, ready for finish coat (use linseed oil base paint for best results). Apply over sheathed or space sheathed walls with stud spacing not more than 24 in. on center. Starter strips for bottom panels may be sawed from regular panels. Use for all types of construction.

Panels are 7/16 in. thick, 12 in. wide, 48 in. long. Packed 5 pieces per carton so they cover 80 lineal feet and also 80 sq. ft. of siding. Nails included in each carton outside corners below.

TO ESTIMATE NEEDS: figure sq. ft. area of face to be covered and divide by 80. Round up to nearest whole number of cartons needed—for average—do not deduct for windows and doors.

74 A 3214 R—Wt. 159 lbs. . . . Per Carton **\$14.95**

**Outside Corners for Lap Siding.** Prime aluminum. Interlocking type. 12 in. long.  
74 A 3213 R—Ship. wt. 2 oz. . . . . **5¢**

# NEW SEALD-SHAKE Asbestos Siding Low as 18¢ Sq. Ft.

- IN 7 PLASTIC-SEALED COLORS
- CANNOT BURN OR WEAR OUT

Siding . . . wears like stone because it's made of Portland cement reinforced with asbestos fibers. Will never warp, rot, or be affected by rot, termites or weather; can not be burned. It's fireproof—protects your home and family year after year. Its handsome vertical graining offers distinctive beauty.

Sealed in, literally preserved in plastic; pigments are baked into plastic, then baked onto the surface of the siding. Colors stay uniform and keep their luster. Never peel, blister or chalk off. Washable, too . . . an amazing maintenance. "SEALD-SHAKE" SHINGLES—SHIM-SPACING and self-aligning; pre-drilled nail holes. Includes asphalt backing strips included. Shingles are 12 in. wide by 5/32 in. thick by 24 in. long, have 11-in. overlap. Order Metal Corners, Asphalt Felt and Cutter from Factories near Boston, Mass.; Erie, Pa. or New Jersey by Freight, Truck or Express. Bundle covers 33 1/3 sq. ft. Ship. wt. 53 lbs.

- Snow White 74 A 906F—Azure Blue
- Sunny Yellow 74 A 907F—Sea-Spray Green
- Cameo Coral 74 A 909F—Desert Sand
- 74 A 918F—Dove Gray

For Northern New Jersey . . . Bundle \$5.95  
Mass. . . . . Bundle 6.05

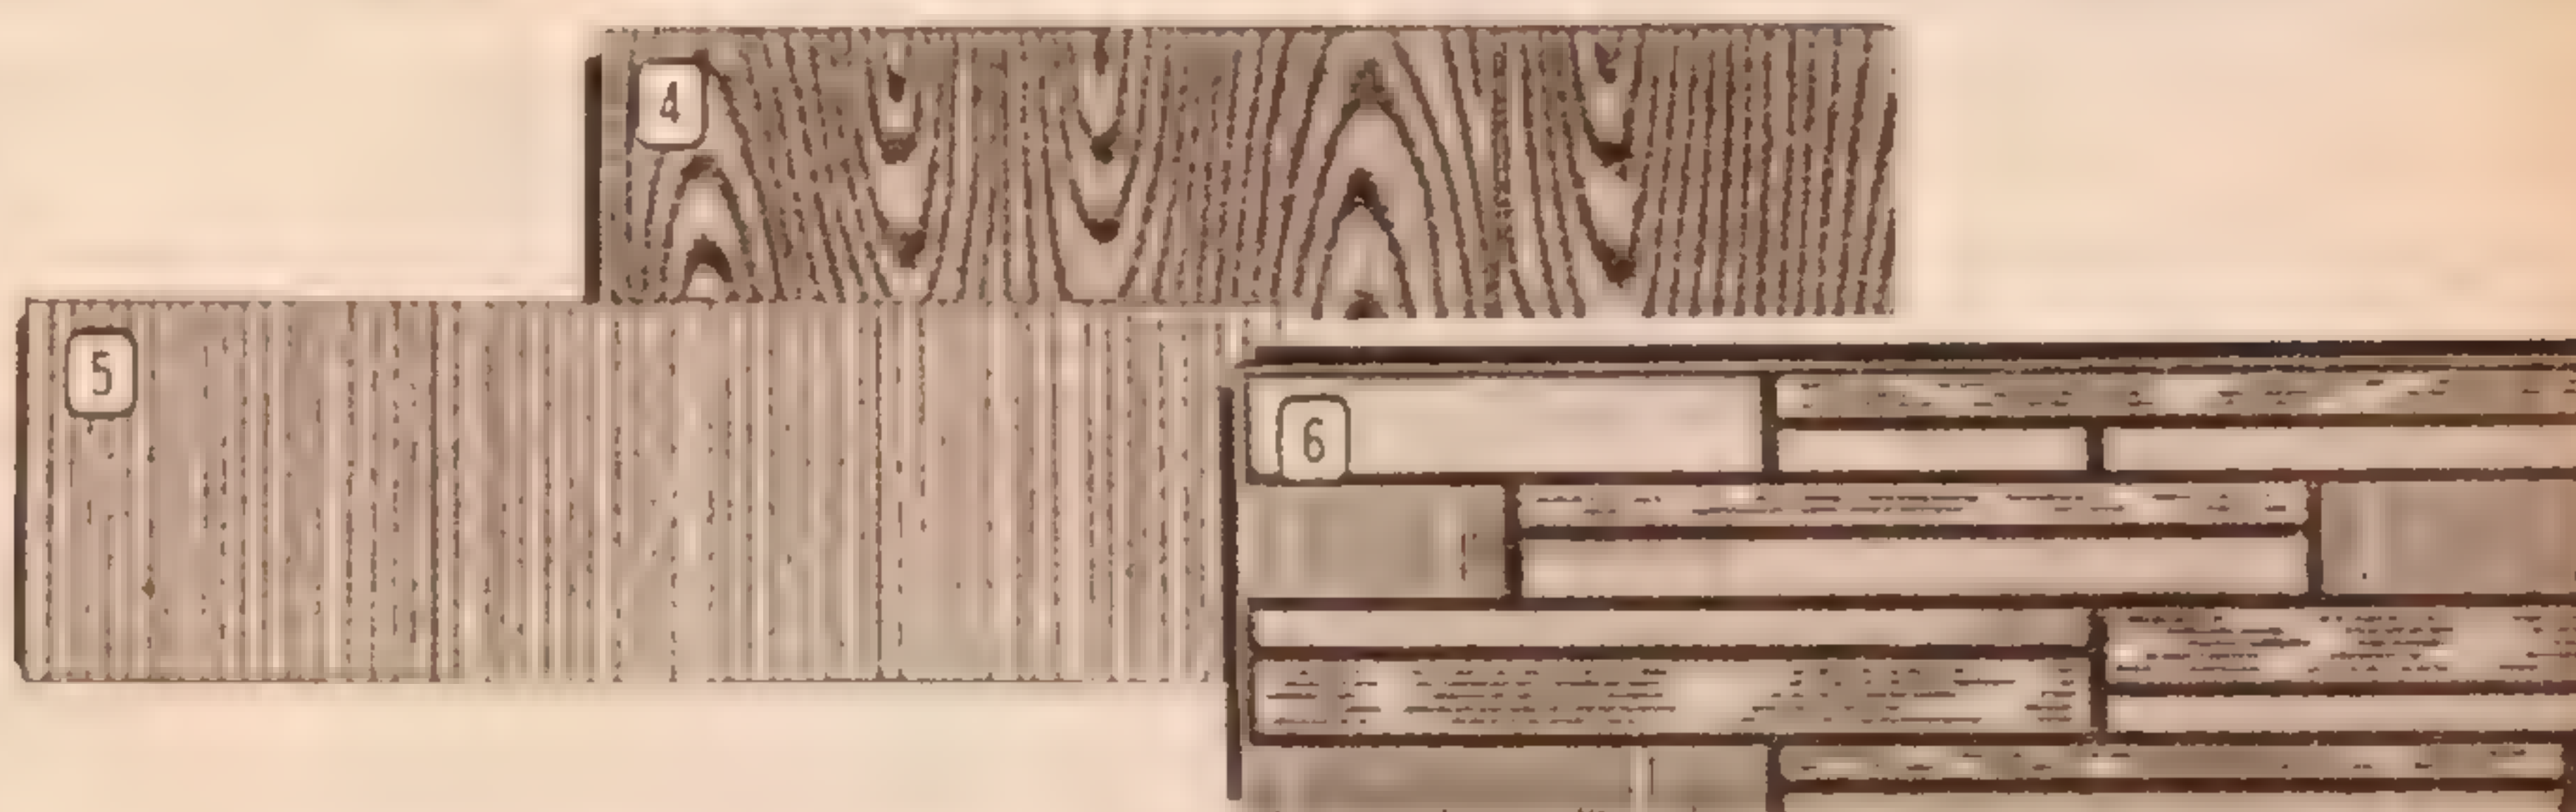

—Corners. 2 1/2 x 12 in. State Color to match siding.  
—F—Carton of 56 Corners. Ship. wt. 5 lbs. . . . . \$7.85

—Cutter. Makes all necessary cuts for application of asbestos. Can also punch nail holes. Operates easily. Instructional O. House. Return within 30 days for refund.

—Needs no adjustment. Wt. 9 lbs. Deposit. . . . \$16.00

—Felt (not shown). Apply before siding. Waterproof. 422 sq. ft. 36 in. wide x 144 ft. long.

—Ship. wt. per roll 60 lbs. . . . . Roll \$2.59

## Long-Lasting INSULATING SIDING . . . Low as 17¢ sq. ft.

- Popular Low-cost Way to Modernize
- Ceramic Granules Retain beauty Longer
- Never needs painting . . . FHA approved

Insulating Siding—permanent solution to siding problems. At low price and in one simple operation, you get all-around protection. You insulate, protect and beautify your home . . . actually increase property value. Features great structural strength, colorful high insulation value . . . equal to an 18-inch wall of poured concrete. Resistant, weatherproof, highly resistant to fire. Choose from a variety of colors and patterns.

Construction. Rigid 1/2-in. thick panels have double coating of weatherproof, mineral-stabilized asphalt. Panels are shipped in cartons for tight fit—keep in perfect alignment. Lightweight, easy to frame walls or to sheathing. Instructions included. Screws, nails and mastic separately at right.

Information. Corners, Nails, Mastic Caulking Compound Siding Not Mailable. Shipped promptly by freight from M.O. Factory near Harrisburg, Pennsylvania. Allow for transit time. Price sent on written request.

Estimate. Multiply length by height. Divide by coverage per panel to get number of cartons needed. Include areas taken up by windows to allow for waste.

(4) Cedar Grain Panels. Have look of real cedar graining. Panel 12 1/8 x 46 5/8 in.; carton of 9 covers 33 1/3 sq. ft. Corners same design baked-on aluminum; 12 in. long.

# Maintenance-Free FIBER GLASS PANEL Roll-up Garage Door

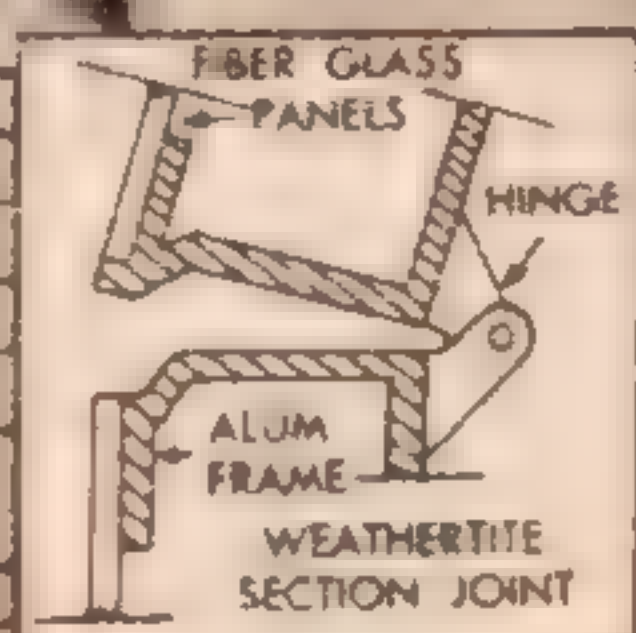

- Extra-Strong, yet weighs only  $\frac{1}{3}$  as much as wood garage doors
- Exceeds specifications of the U.S. Bureau of Standards
- Colorful Fiber Glass Panels let in daylight; choice of 3 colors

**1** The talk of any neighborhood! Nothing like it before. Works easier because it's lighter in weight... looks smarter because it has color... more free since it's corrosion resistant. Aluminum and fiber glass combine to form an exceptionally attractive door that will accent any style home. Panels are rustproof aluminum—the miracle metal—face panels specially-formed fiber glass that's reinforced with nylon for toughness, shatterproof, shrinkproof, weatherproof... won't warp or splinter.

BANISHES DARK CORNERS inside your garage. No window glass is needed. Lustrous property of fiber glass diffuses natural light throughout, yet you can see in. Door's smooth surface rejects dirt and grime... just a light keeps it clean, bright and new looking. Never needs paint.

GALVANIZED STEEL HARDWARE assures smooth, quiet operation. Door's weight means less strain and friction, extra-long wear. Oil-tempered steel. Flexible steel aircraft-type cable—same type used in modern jet plane ball-bearing sheaves with hardened races. Hinges and track gradu weatherproof seal. Automatic latching engages strikes for instant Bottom vinyl weatherstripped. Auto-type tumbler lock with key.

3 CLEAR-THROUGH COLORS. Snow White, Nile Green or Tan. Shipped from Factory near Chicago or New York City. State Cat. No., Size and Color.

For Doors

### Aluminum Awning-Canopy... Low as \$8<sup>89</sup>

**3** Remarkable design... remarkable low price! Here is smart economical protection for windows, doors, porches, air conditioning units. Use as door canopy or single window awning—set together for multiple window coverage. Rustproof aluminum in handsome, rigid step-down style. Easy to install—pitch and projection for doors or windows are changed by adjusting side arms. Unit is 48 in. wide. Single awning fits windows 20 to 40 in. wide, up to 68 in. high; doors up to 36 in. wide. For windows drop is 32 in., projection is 33 in. For doors drop is 12 in., projection 40 in. Use natural aluminum awning as is or paint to match your color scheme. Shipped promptly from M. O. House. Ship. wt. 15 lbs.

968 WARDS BFCKDAS

Adjustable to any shade position plus complete lock-down

2-section down window protection

### Fold-Down Awning... Adjusts to Fit the Weather \$16<sup>95</sup>

**4** It's all aluminum, it's modern, it's adjustable. Set it at any position for light control—from wide open to fully closed for storm protection and protection against vandalism. Simple thumb-screw raises or lowers awning instantly sired pitch and projection. Locks in down position... ideal for handy hose car. Aluminum side arms telescope during adjustment, have novel spear-tip entrance baked-on enamel finish in choice of 6 colors: Tile Red, Turquoise, E (medium Green), Coral Rose, White, and Forest (dark Green). White trim and section strips on all awnings. Forest and white color shipped from Mail Order House, others promptly from Factory in Tampa, Fla. or near Indianapolis, Ind. Brackets are included. See Credit Terms, Page 960.

## Aluminum Roll-up Awnings... Low as \$9.55... Lowest Prices We Know!

10 Advanced design eliminates springs in  
roll-up mechanism. So simple to raise and  
lower even a child can do it! Roll-up feature  
lets you adjust awning according to the  
weather. Rustproof aluminum slats with  
auto-type enamel finish... resist peeling,  
chipping and fading. Sturdy steel side arms  
for strength. Tie-down included for use in  
high-wind areas.

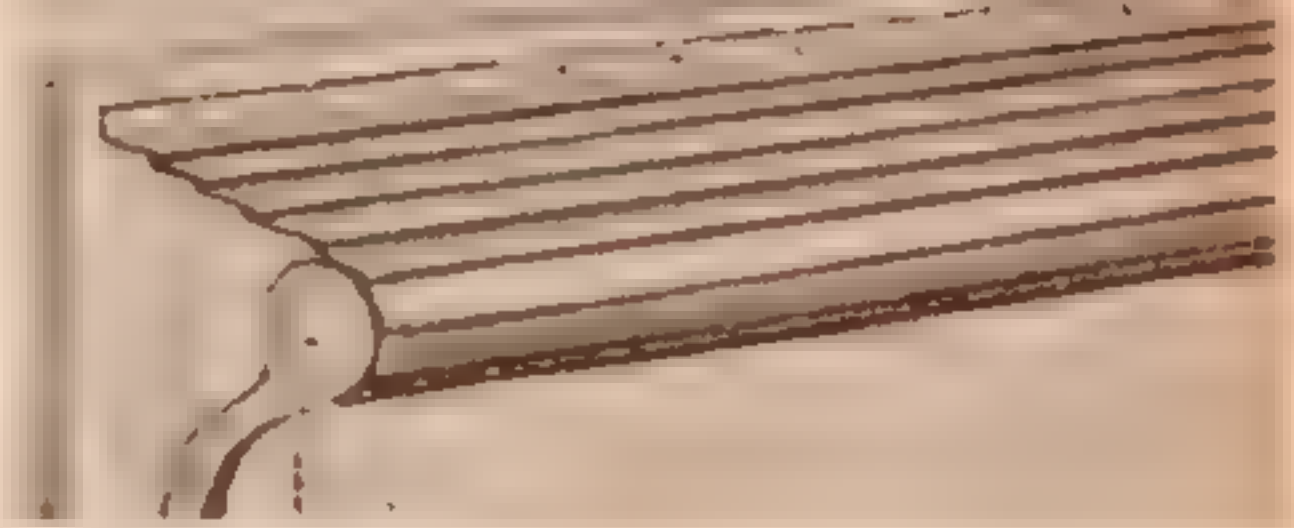

FITS WINDOW UP TO 60 IN. HIGH. Maximum  
projection about 28 in. Drop of awning ad-  
justable to 30 in. for best appearance and  
protection. Awnings semi-assembled, no  
slats to fit in place. Allow 2 1/2 in. beyond each  
side of awning for mounting side arms. Hard-  
ware, instructions. Choice of Forest Green or  
Tile Red—each with White stripes. Order  
before March 15 and Save 10%—see complete  
details on opposite page.

15th I\*

Bolt-fastening for easy, longest wear. Easiest to assemble—no unwieldy sections to handle. Do-it-yourself and save—extra-easy to install.

## PRICES CUT 15% TO 28% ON Iron Railings

Now Low As **\$1.06** Per foot

Customize your home with decorative iron railings. Easiest to assemble—no unwieldy sections to handle, and you can do the job yourself with only a screwdriver. Economical too because you buy only the parts you need.

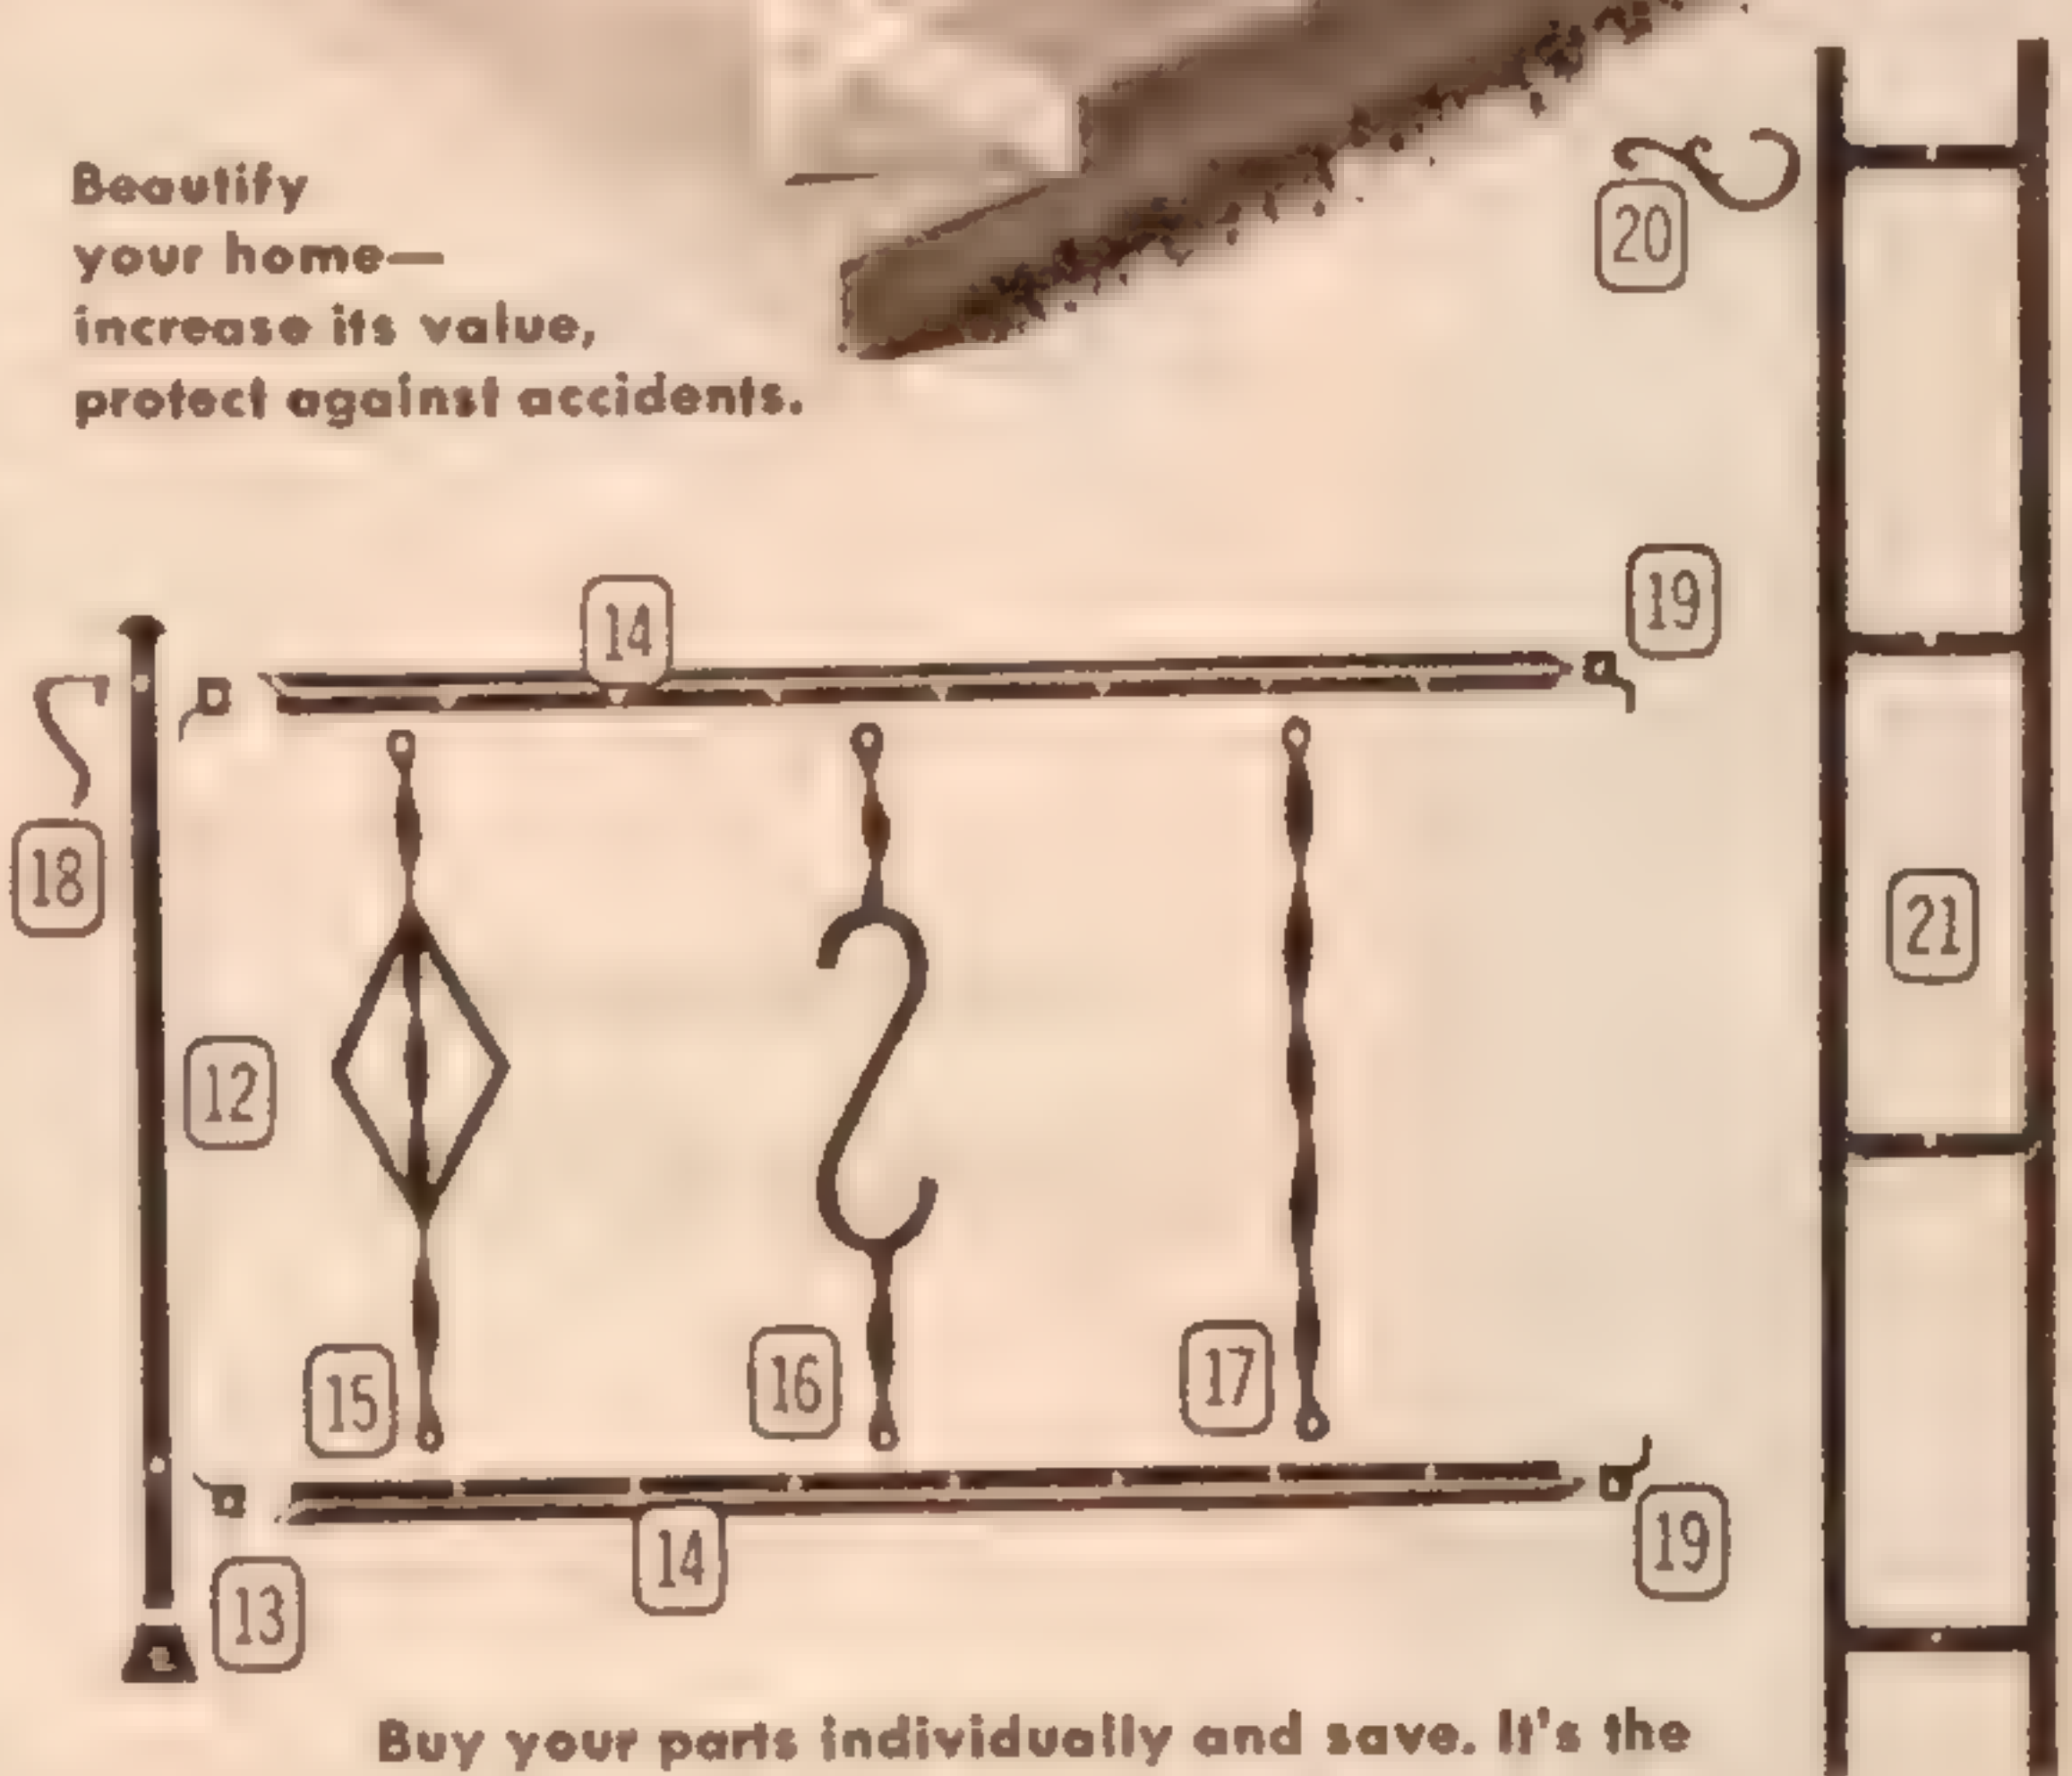

Hand wrought iron construction with exclusive bolt-fastening eliminates welds, gives longest wear. Spindles are bolted after adjustment—this prevents shifting or sag or bend, need no intermediate support. T-Bar style top and bottom railings stronger than ordinary channel types. Railings are prime painted black, enamel finish.

Post at front end, corner and between sections (needed only every 5 feet). Use spacers. Space SPINDLES OR ORNAMENTS 6 inches apart. Order COLUMN ORNAMENT. Use LAMBS TONGUE at end of railing for finished look. For stone or brick order FLOOR FLANGES, EXPANSION SHIELDS and LAG SCREWS. For wood order FLOOR FLANGES and LAG SCREWS. With instructions.

## New Rustproof Aluminum Railings

Only **\$1.68** Per ft.

28 to 31 New strength, new beauty, new ease of installation. Fully adjustable for slope, yet so strong no stub supports are needed underneath sections! Aluminum is rust-proof, needs no paint. Use posts between sections. Fasteners are included with railing, however if you cut section and use both parts order extra fasteners. Post floor flange is pre-drilled. Use RAIL SECTION (28) as a straight platform railing, or as a step railing—cut to desired length. PLATFORM NEWEL POST (31) and STEP NEWEL POST both have adjustable floor flanges and caps. Easy to install—instructions included. Mailable. Promptly from Stock.

Description	Length	Wt.	Cat. No.	Price

# You Can't Buy Better Hardboard

**REAL WOOD FIBERS PRESSED INTO HARDER, SMOOTHER BOARDS  
EXTRA STRONG AND RIGID . . . EASY TO SAW, NAIL, DRILL**

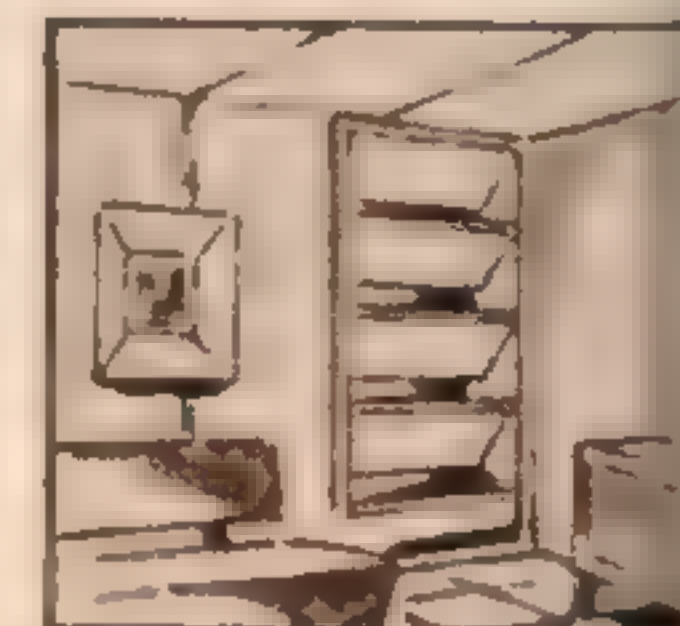

## UTILITY GRADE

**10½¢**

Sq. ft. ¼ in.

Wood fibers processed under tremendous pressure into hard, smooth panels that will not split, splinter or crack. Fibers are fused together with lignin—a natural wood bonding agent. Takes and holds almost all finishes with no grain to show through. Easily worked with ordinary woodworking tools. Can be fastened with screws, rivets, bolts, nails or adhesives. Unusually resistant to surface scars. No knots or grains. Natural wood color. Utility is lighter and less dense than Standard but is fine for most wallboard jobs. Smooth face, screened back. 4x8-ft. panel, ¼ in. thick. See shipping notice below.

74 A 3205 R—Ship. wt. 37 lbs. State Quantity. Not Mail. . . Each \$3.35

Use Utility for Interior Walls.

## STANDARD GRADE

**7¼¢ to 13¾¢**

Sq. Ft. ½ in.

Sq. ft. ¼ in.

Standard interior grade—light brown in color. Not as dense as tempered boards below, yet denser than most woods (where extreme humidity is encountered, tempered boards are recommended). Use ½-in. panels (minimum order 2 panels) over solid backing; nail ¼-in. panels directly to studs. Panels have smooth face side with screened back. State Cat. No., Size and Quantity. Ship. notice below.

Catalog No.	Thick.	Size	Ship. wt.	Each
74 A 3200R	½ in.	4x3 ft.	9½ lbs.	87¢
	½ in.	4x4 ft.	13 lbs.	\$1.20
	½ in.	4x8 ft.	25 lbs.	2.57
74 A 3201R	¼ in.	4x8 ft.	44 lbs.	4.37

Use Standard for Cabinets, Shelves.

## TEMPERED BOARD

**9½¢ to 17¾¢**

Sq. Ft. ½ in.

Sq. Ft. ¼ in.

Harder, smoother because it's impregnated with special compound that also increases moisture resistance. For interior or exterior applications. Use ½-in. (minimum order 2 panels) over solid backing, nail ¼-in. directly to studs. Order from table at right.

## Prefinished Oak Flooring Tiles

1 For Inexpensive Floors combining beauty, durability and cleaning ease.

Install over any smooth sub-surface of plywood or Hardboard under solid wood or concrete slab on grade (do not use in basements). Pre-finish saves you time, money. Interlocking tongue-and-groove joints with beveled edges. No nailing—just cement to floor (see installation kit). Rigid 3-ply construction resists warping, cracking. Laminated, beautiful face of Appalachian Oak—a durable wood completely finished, and polished by proven factory methods to accent and preserve the beauty of grain and color. Center ply of Poplar, back of Oak. Finish is to assure stability. Perfect flooring for homes, offices—may also be used covering. Each tile 9x9 in., ½ in. thick. Carton contains 48 pieces, covers 2 To get installation kit with orders of 5 cartons or more, simply add 74 A your order and write "NO CHARGE" in price column. Nothing Down, years to pay—see Page 960. See Shipping notice at bottom of page.

# Tested Quality Douglas Fir Plywood

## MEETS RIGID U.S. GOVERNMENT STANDARDS CS45-55 GRADE MARKED BY DOUGLAS FIR PLYWOOD ASSOCIATION

Interior or exterior grades  
Selector Chart as ordering guide

• Cross-ply construction quadruples strength  
• Insulating and sound-deadening qualities

• Work it just like ordinary lumber  
• Lacquer, varnish, stain or paint

### Interior Grade A-D Low as 12c Sq. Ft.

Face side is highest quality standard veneer—beautifully free from knots, splits or pitch pockets; sanded smooth, ready to finish. Back side is Grade D—has small knot holes and imperfections which do not impair overall strength. See Selector Chart below for typical uses. Use thicker panels where greater strength is required. Be sure to see "Shipping Note" at bottom of opposite page. *Not Mailable. State Catalog and Quantity. See Special Home Improvement Page 960. NOTE: all panels are 4x8 ft.*

1A—1/4 in. thick, 3-ply. Ship. wt. 27 lbs.....\$3.84  
1B—3/8 in. thick, 3-ply. Ship. wt. 37 lbs..... 5.20  
1C—3/4 in. thick, 5-ply. Ship. wt. 73 lbs..... 8.82

### Exterior Grade A-C Low as 13c Sq. Ft.

Grade A—best standard veneer. Back Grade C; both sanded, ready for finish. Plies bonded with waterproof glue—won't separate under water-soaking or extreme temperature changes. Designed for permanent outdoor exposure because it's weatherproof. Versatile, can be used on interior or exterior for siding, counter tops, workbenches, underlayment. See Selector Chart below for other uses. See "Shipping Note" at bottom of opposite page. See Special Home Improvement Terms, Page 960. NOTE: all panels are 4x8 ft.

2A—1/4 in. thick, 3-ply Ship. wt. 26 lbs.....\$4.16  
2B—3/8 in. thick, 3-ply. Ship. wt. 36 lbs..... 5.74  
2C—3/4 in. thick, 5-ply. Ship. wt. 72 lbs..... 9.61

### Interior Grade A-A Low as 18c Sq. Ft.

Both Sides Grade A—highest quality standard veneer. Beautifully grained, free from knots. Sanded smooth, ready to finish. All sheets (except 48x96-in. size) are approximately 1/8 in. smaller than sizes shown in table. See "Ship. Note", opp. page. *State Size.*

Size of Sheet		3 Ply—1/4 in. 74 A 3020R		3 Ply—3/8 in. 74 A 3021R		5 Ply—3/4 in. 74 A 3024R

48 in.	96 in.	26	5.76	36	7.36	72	11.32

### PlyScord Sheathing Low as 10c Sq. Ft.

C-D Sheathing grade. Both sides unsanded and have small knot holes—use where appearance is not important. Provides rigid subsurface for finishing materials. Excellent sheathing since it seals out drafts and dampness. Resists swelling and shrinking. Use 3-ply for sidewall sheathing, lining farm buildings, garages (3/8 in. can also be used for roof sheathing). Use 5-ply subflooring, roof sheathing or decking. See "Ship. Note", opp. page. NOTE: all panels are 4x8 ft.

74 A 3040R—5/16 in. thick, 3-ply. Wt. 31 lbs.....\$3.20  
74 A 3041R—3/8 in. thick, 3-ply. Wt. 36 lbs..... 3.56  
74 A 3043R—5/8 in. thick, 5-ply. Wt. 59 lbs..... 5.59

#### Wards Plywood Selector Chart Helps You Buy Wisely

VENEER QUALITY Face   Back		TYPICAL USES
A	D	"1-Side" grade for interior use. Paneling, built-ins, backing, underlayment, shelving, etc. Economical for one-side exposure.
A	C	"1-Side" grade for exterior use. Siding, fences, dormers, shutters, signs, utility, etc.
A	A	Both sides Grade A Douglas Fir for interior use where both sides are in view. Cabinet Doors, etc.
C	D	Unsanded sheathing or structural grade. For sub-flooring, barricades, garages, tool sheds, roof sheathing, sidewall sheathing, temporary structures, etc.

### MAKE YOUR OWN PING-PONG TABLE

It's really easy—order two 4 1/2 x 5-ft. pieces of plywood listed below and make two tables by mounting 4 legs on each piece. Simply place sections together for a regulation 5x9-ft. ping pong table that will provide many hours of family fun. Select table legs from Wards wide assortment on Page 977—order 28-in. size. See "Ship. Note" opp. page.

5x4 1/2-ft. Plywood. Interior Grade A-D. 5 ply.  
74 A 3013R—5/8 in. thick. Wt. 41 lbs.....\$6.17

### Insulating Wallboard Less than 8 1/4c Sq. Ft. (Bundles)

9 Full 1/2 in. thick . . . equals 19 inches of concrete in insulating value. Keeps summer heat out, winter heat in; deadens sound. Chemically treated. Fire-resistant white paint on face side—meets U.S. Commercial Standard CS42-49. Repaint, if desired. Nail direct to studs or over old plaster (nails below). Minimum order: 4 panels. See "Ship. Note", opp. page.

74 A 3301R—State Panel Size. Not Mailable.

## PRE-FINISHED HARDBOARD . . . Decorative, Care-Free

**Walnut Panels in Two Styles . . . Only 19½¢ Sq. Ft.**

**(1) (2) The Charm and Beauty of Natural Walnut Grain in Five-Groove or Random Design.** Styled to accent any interior. Perfect for any decor—use in home or office. Wood grains flow from panel to panel giving continuous harmony. Panels lend gracefulness, eye-pleasing design to walls. 4x8-ft. panels, ¼ in. thick, have smooth finish and uniform coloring and shading. Prefinished at factory, precision grained and grooved. Hard, dense, knot-free surface. Cut and work with ordinary carpenters' tools using standard methods. Saw without waste, chipping, splintering or 'splitting'. Has screened back.

**Now in Two Lustrous Finishes—**Choose Smoked Walnut in either Five-Groove or Random-Grooved design. Random-Groove also available in Dusty Rose. Smoked Walnut blends well with French Provincial, Scandinavian Modern or Contemporary interiors. Dusty Rose sets off charm of early American furnishings, excellent for family rooms. Grooved pattern conceals joints and nail locations, eliminates exposed nail heads. To preserve beauty of wood-grained surface, apply clear varnish, shellac or a good paste wax. Grain won't absorb dust or dirt. Stays clean longer. Easily cleaned with damp cloth. Easy to handle and install. Shipped promptly from Mail Order House. You pay freight on delivery. Ship. wt. 39 lbs. Not Mailable. State Quantity Wanted.

Design	Finish	Catalog No.	Ea. Panel
(1) 5-Groove	Smoked Walnut	74 A 3233R	4x8 ft.
(2) Random	Smoked Walnut	74 A 3234R	¼ in. thick
(2) Random	Dusty Rose	74 A 3236R	<b>\$6.24</b>

**Ring Groove Nails—**Smoked Walnut Prefinished heads—Use with above. Approx. 1300 nails. Wt. 1 lb. 74 A 3235 . . . Lb. 85c

**Beautiful Cherry Planks . . . Low as 26½¢ Sq. Ft.**

**(3) TO (5) All-Wood Hardboard—**in your choice of three stunning shades. New dimension in luxury living. Excellent in homes and offices. Hard finish resists scarring. No grain to raise and check or mar surface. Prefinished at factory, these beautifully grained planks are grooved. Pattern conceals joints; planks fasten together with clips (line). No unsightly nails to mar surface. Cut easily with woodworking tools. No split, splinter or crack—excellent wearing qualities. Permanent finish. resistance. Screened back. To preserve finish, apply a good paste wax. Planks are 16 in. x 8 ft., ½ in. thick. Carton packed, six planks to a carton. Carton covers 64 sq. ft. Minimum order 1 carton. From Mail Order House.

Plank	Catalog Number	Carton Ship. wt.	Per Carton	Plank Ship. wt.

## PRE-FINISHED PLYWOOD With Natural Wood Beauty

### Mahogany Veneer Paneling . . . Only 19¢ Sq. Ft.

- Costs Approximately \$58.00 to Panel Average 10x12 ft. Room
- Child-Proof! Mar-Resistant . . . Will Not Stain . . . Mellows With Age

Mahogany Veneer Bonded to Douglas Fir Plywood for lasting sturdiness. Improved panels are 1/4 in. thick; have hand rubbed brilliance and smooth finish—no sanding, buffing, priming or finishing coats necessary. Mellows with age. Here is much desired wood paneling at Wards low prices—paneling that adds a warm glow to any home. Eased edges form natural grooves. Will not split, splinter or warp. 74 A 7790 Adhesive (200 sq. ft. per gallon) on Page 972 or finishing nails. Scratches disappear with simple waxing, no more worry about children at play. Panels are ready to install.

74 A 3084 R—Ship. wt. 27 lbs. From M. O. House . . . . . 4x8-ft. panel \$6.08

### Grained Finish Hardwood Paneling Only 37¢ Sq. Ft.

- Factory Finished—Ready to Install, Easy to Maintain
- Evenly Matched Grain and Color—Eliminates Sorting
- Six Modern Finishes—Add Beauty to Your Home

**All-Wood Paneling**—Lauan Mahogany offered in six finishes shown above: Natural Walnut, Honey (Light) Hazelwood, Driftwood (Light) Walnut, Natural Cherry, Beige Hazelwood or Light Walnut. Easy-to-clean surface sealed to preserve finish against soil and stain. Ends re-decorating problems. Subdued hand rubbed look improves with occasional waxing. Adds a warm, friendly glow to your rooms. All panels have factory matched grain finish and thickness. Popular random groove pattern with grooved edges that make joints almost invisible when installed. Strong 3-ply, 1/4-in. thick construction. Use for partitions or for accenting walls in bedroom, living room, den, office or reception room. Use either 1 gallon of adhesive for 200 sq. ft. (74 A 7990R on Page 972) or 1 1/4-in. wire brads (steel nails) on Page 1083. State finish desired. Shipped promptly from Mail Order House.

74 A 3070 R—Ship. wt. per panel 23 lbs. . . . . 4x8-ft. panel \$11.84

**Putty Stick.** Used to cover nail heads when nails are used with above panels. Blends in well with panel.

74 A 3069—State Panel Finish . . . . . Per Stick 35¢

**SAVE MONEY ON SHIPPING CHARGES . . . up to 50% . . . by picking up your orders at your nearest Ward Catalog Store. Helpful salesclerks will be happy to notify you by phone or post card when your merchandise has arrived. Take advantage of fast, efficient service . . . call on us soon.**

### Unfinished Hardwood . . . Low as 19¢ Sq. Ft.

Choose from Three Luxurious, Natural Woods: Philippine Mahogany, Birch or Ash. Home handymen will find dozens of uses for these utility-size, fine-quality panels: flush doors, table tops, cabinets, furniture paneling. Easy to saw, nail and plane. Suitable for wide variety of finishes: lacquer, stain, wax or varnish. With ordinary care, panels will retain original beauty like any piece of fine furniture. Apply with either adhesive (74 A 7990R, Page 972) or nails. Handy 4x8 ft. panels, 1/4 in. thick. Strong 3-ply laminated construction resists cracking and warping. Shipped promptly from M.O. House. Remember—at Wards—Satisfaction Guaranteed or Your Money Back.

74 A 3084 R—Mahogany. Wt. 18 lbs. . . . . Panel \$6.08

# Look up to Fashion

**WARDS DECORATOR CEILING TILE  
... ACOUSTICAL OR SOLID SURFACE**

**Wards Tile Works for You**—cuts heat passage up to 25%, helps absorb and deaden waves, reflects light. Provides an inviting atmosphere for any room—restful, and low cost, too! Made of strong 1/2-in. thick insulating board pre-painted with coats of fire-resistant white paint—easily repainted. Interlocking edges concealed by stapling... make all joints neater... easier to install. Apply to new or old walls. Easy to clean and maintain. Borrow a Ward Stapler (Page 978) to install tiles on strips, especially if plaster is in poor condition. On smooth plaster, use cement.

**Acoustical Tile** absorbs up to 60% of all sound waves striking surface, reflects maximum amount of light. Ideal in recreation rooms, children's rooms. Choose from random or Celestile (tiny holes scattered among larger holes give lacey effect).

**Patterned Tile** comes predecorated in *Sparkler* (Silver Blue and Gold lineal design on white background) and *Fissure* (beige on white background, resembles marble). **PLAIN WHITE** available in two sizes (12x24 in. simulates 12x12 in.).

**Minimum Order** 1 carton of 40 sq. ft.—single tiles sold separately with orders for 10 or more. Installation instructions included. *State Catalog Number and Quantity*

**Shipped promptly from M. O. House.** You pay freight from Cleveland, Cincinnati, Indianapolis, Detroit, Memphis, St. Louis, or M. O. House.

A WARDS 977

# WARDS INSULATION An Investment NOT AN EXPENSE

PAYS FOR ITSELF IN SAVINGS ON HEATING AND AIR CONDITIONING COSTS IN 3 TO 5 YEARS

## "Spun" Rock Wool Batts . . . Low as 4¢ sq. ft.

- Choice of Covers: Reflective Aluminum Foil or Tough Kraft Paper
- Three thicknesses to choose from: 2, 3 or 6-in.
- All Batts have Asphalt coating—acts as moisture barrier
- 1 1/2-in. triple thick nailing or stapling flange for easy installation

① Much easier to handle and install than "open" batts. For new construction or accessible places. Made from thick layer of fibrous Rock Wool. Phenolic resin binder holds fibers firmly together. Batts are completely covered with Aluminum foil or Kraft paper on 4 sides, except 6-in. size has an "open" face. (6-in. batt especially effective for use in electrically heated, air conditioned homes.) Fire-resistant. 23x48-in. sizes and 6-in. thick size shipped promptly from Factories near New York City and Buffalo, N. Y. Others shipped from M. O. House or Factories. Coverage includes framing. Stapler and 1,000 5/16-in. staples included with \$75 order. Extra staples on Page 1045.

**Aluminum Foil Covered Batts** reflect up to 95% of radiant heat—more effectively stop winter heat loss, summer heat penetration; have aluminum foil cover on both sides.

**Kraft Paper Covered Batts** have tough vapor barrier face. State Catalog Number.

## Fiber Glass NEW CONCEPT IN HOME INSULATION

- Resilient and lightweight . . . resists settling, shrinkage
- Pays for itself in savings on heating, cooling costs
- Low heat capacity—cools off fast . . . non-combustible
- Two types—choice of Aluminum foil or Kraft paper

② Top-Quality Insulation in Roll Blanket Form. Made of extremely fine glass fibers . . . create countless microscopic cells for high thermal insulating efficiency. Because of blankets retain their full thickness, fit snugly against joists to effectively retard heat passage. Long-lasting, settling and shrinking, will not rot or crumble. Fire, moisture-resistant, vermin-proof and immune to fungi, bacteria. Pleasant to handle, easy to cut and apply. "Double" enable staples to do a better anchoring job with walls or attics. Choice of aluminum foil or Kraft paper 23-in. spacing. Coverage allows for framing. Shipped from Mail Order House. See louvers on opposite page for stapler below, bonus stapler above.

Cover	Size	Covers	Cat. No.	Ship.
Kraft	2 in.x15 in.x80 ft.	106 sq. ft.	74 A 3725R	15 lbs.
Kraft	2 in.x23 in.x80 ft.	160 sq. ft.	74 A 3726R	23 lbs.
Alum.	3 in.x15 in.x56 ft.	75 sq. ft.	74 A 3735R	15 lbs.
Alum.	3 in.x23 in.x56 ft.	112 sq. ft.	74 A 3736R	23 lbs.

## New Aluminum Foil Blanket Insulation

Less than  
**4 3/4¢**  
sq. ft.

Choice of 16-in. or 24-in. Width

③ The Original Multiple Layer Aluminum Foil Insulation; ideal especially for electrically-heated homes for these reasons: *High thermal efficiency* . . . resists all 3 forms of heat loss, holds down annual heat costs. *Saves up to 35% on fuel bills*, cools home up to 15% in summer. *Reflects up to 95% of all radiant heat*. *Complete condensation control* . . . has a separate vapor barrier that is positive and continuous. *Instant thermal action* . . . instead of "soaking up" heat, reflects it instantly and continuously. Means faster heating and faster cooling. *Positive application* . . . all you do is staple the flanges; multiple aluminum foil layers space themselves automatically. *Clean, permanent and dust-free* . . . made of pure aluminum foil in 2 layers with intervening air space, combined with an asphalt-treated moisture-vapor barrier and supporting Kraft paper. *Wind-resistance* . . . applied in unbroken lengths, completely sealed, blanket allows no drafts to seep in. Installs quickly, easily—instructions included. No ceiling load—blankets supported entirely by joists. See Stapler to loan (4). Rolls weigh 19 lbs., shipped promptly from Mail Order House.

**"Spun" Rock Wool****PREMIUM POUR-TYPE LOOSE FILL**

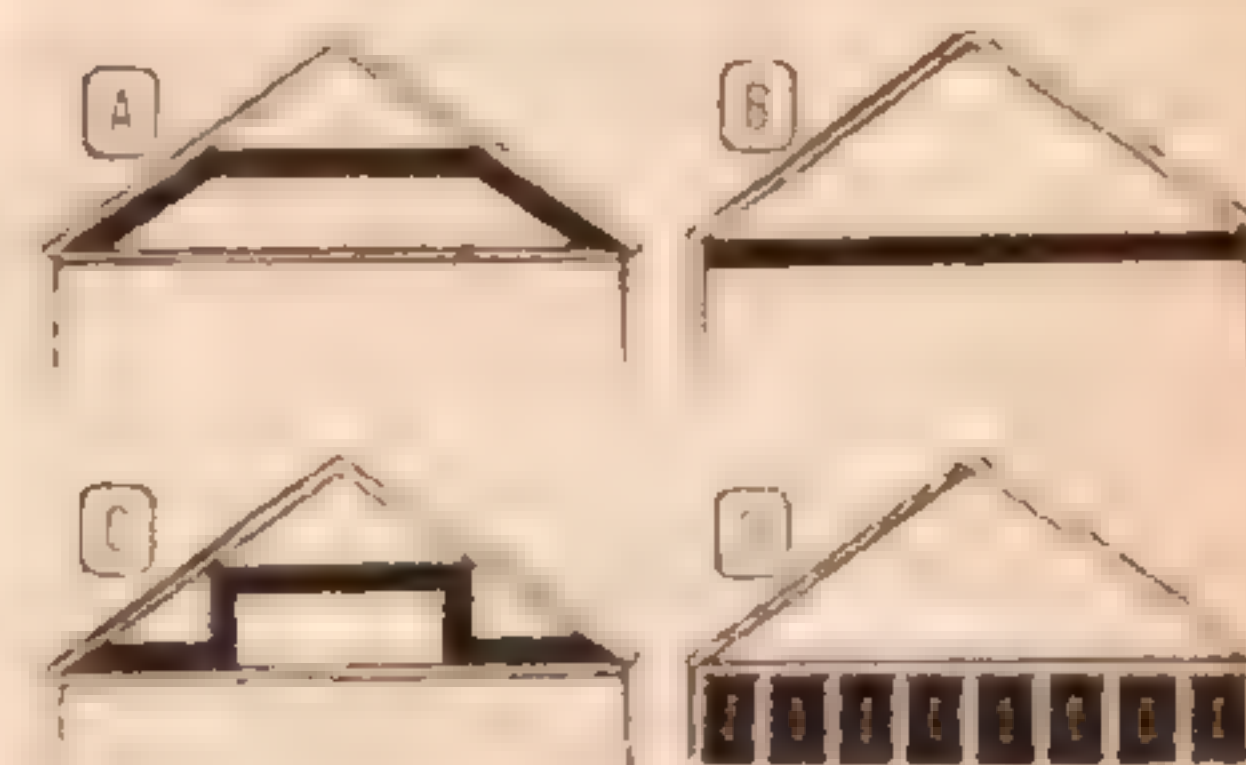

Spinning process develops long, lightweight fibers. This creates dead air spaces to stop heat passing through. Fireproof and non-conducting; may be used around exposed wiring. Odorless... won't attract insects. Not rot or deteriorate, lasts lifetime of home. Won't settle or pack down. Easy to install, covers attic floor joists and rake to desired depth. Covers 20 sq. ft. at 3-in. depth or 15 sq. ft. at 4-in. depth. Coverage includes framing. Only 2/3 as heavy as standard type rock wool—less shot, more air. Lower shipping charges to you. Shipped from Factory in Buffalo, New York or Mail Order House. Ship. wt. 20 lbs.

F—From Factory.....Per Bag 95c  
M—From M.O. House.....Per Bag \$1.10

**Una-Tem Loose-Fill****POUR-TYPE MINERAL-TREATED FIBERS**

Extra-light and very economical. Lasts entire lifetime of average home, protects against drafts and gives year 'round comfort. Resists fire, moisture and vermin. Non-conductor of electricity—will not support combustion. Weighs only 5 oz. per sq. ft. installed. Una-Tem saves you money in several ways: lower initial cost; reduction of up to 40% in winter fuel bills; much lower shipping charges (weighs only 6 lbs. per bag). Installation is simple, requires no tools or special skill. Just fluff from bag; no hand-packing or stuffing necessary. One bag covers 20 sq. ft. at 3-in. depth or 15 sq. ft. at 4-in. depth. Recommended for insulating ceilings, walls and other places which are hard to reach. Coverage includes framing. Instructions included. Shipped from Mail Order House.

74 A 3750 R—Ship. wt. 6 lbs. per bag.....Bag \$1.37

**HOW TO INSTALL  
INSULATION**

(A) ENTIRE ATTIC. If your attic is used for living quarters, insulate roof rafters and end wall studs.

(B) UNOCCUPIED ATTIC. Place insulation between joists of attic floor for a minimum-cost attic job.

(C) SEPARATE ROOM. Apply insulation on all sides and top. Cost is less than entire attic job.

(D) SIDEWALLS. Staple batts or blankets between studs. Be sure to cover entire wall area.

**WHY PUT OFF NEEDED IMPROVEMENTS?**

## Jalousie Combinations

All Aluminum . . . Choice of PRE-HUNG or Economy Models Low as \$61<sup>45</sup>

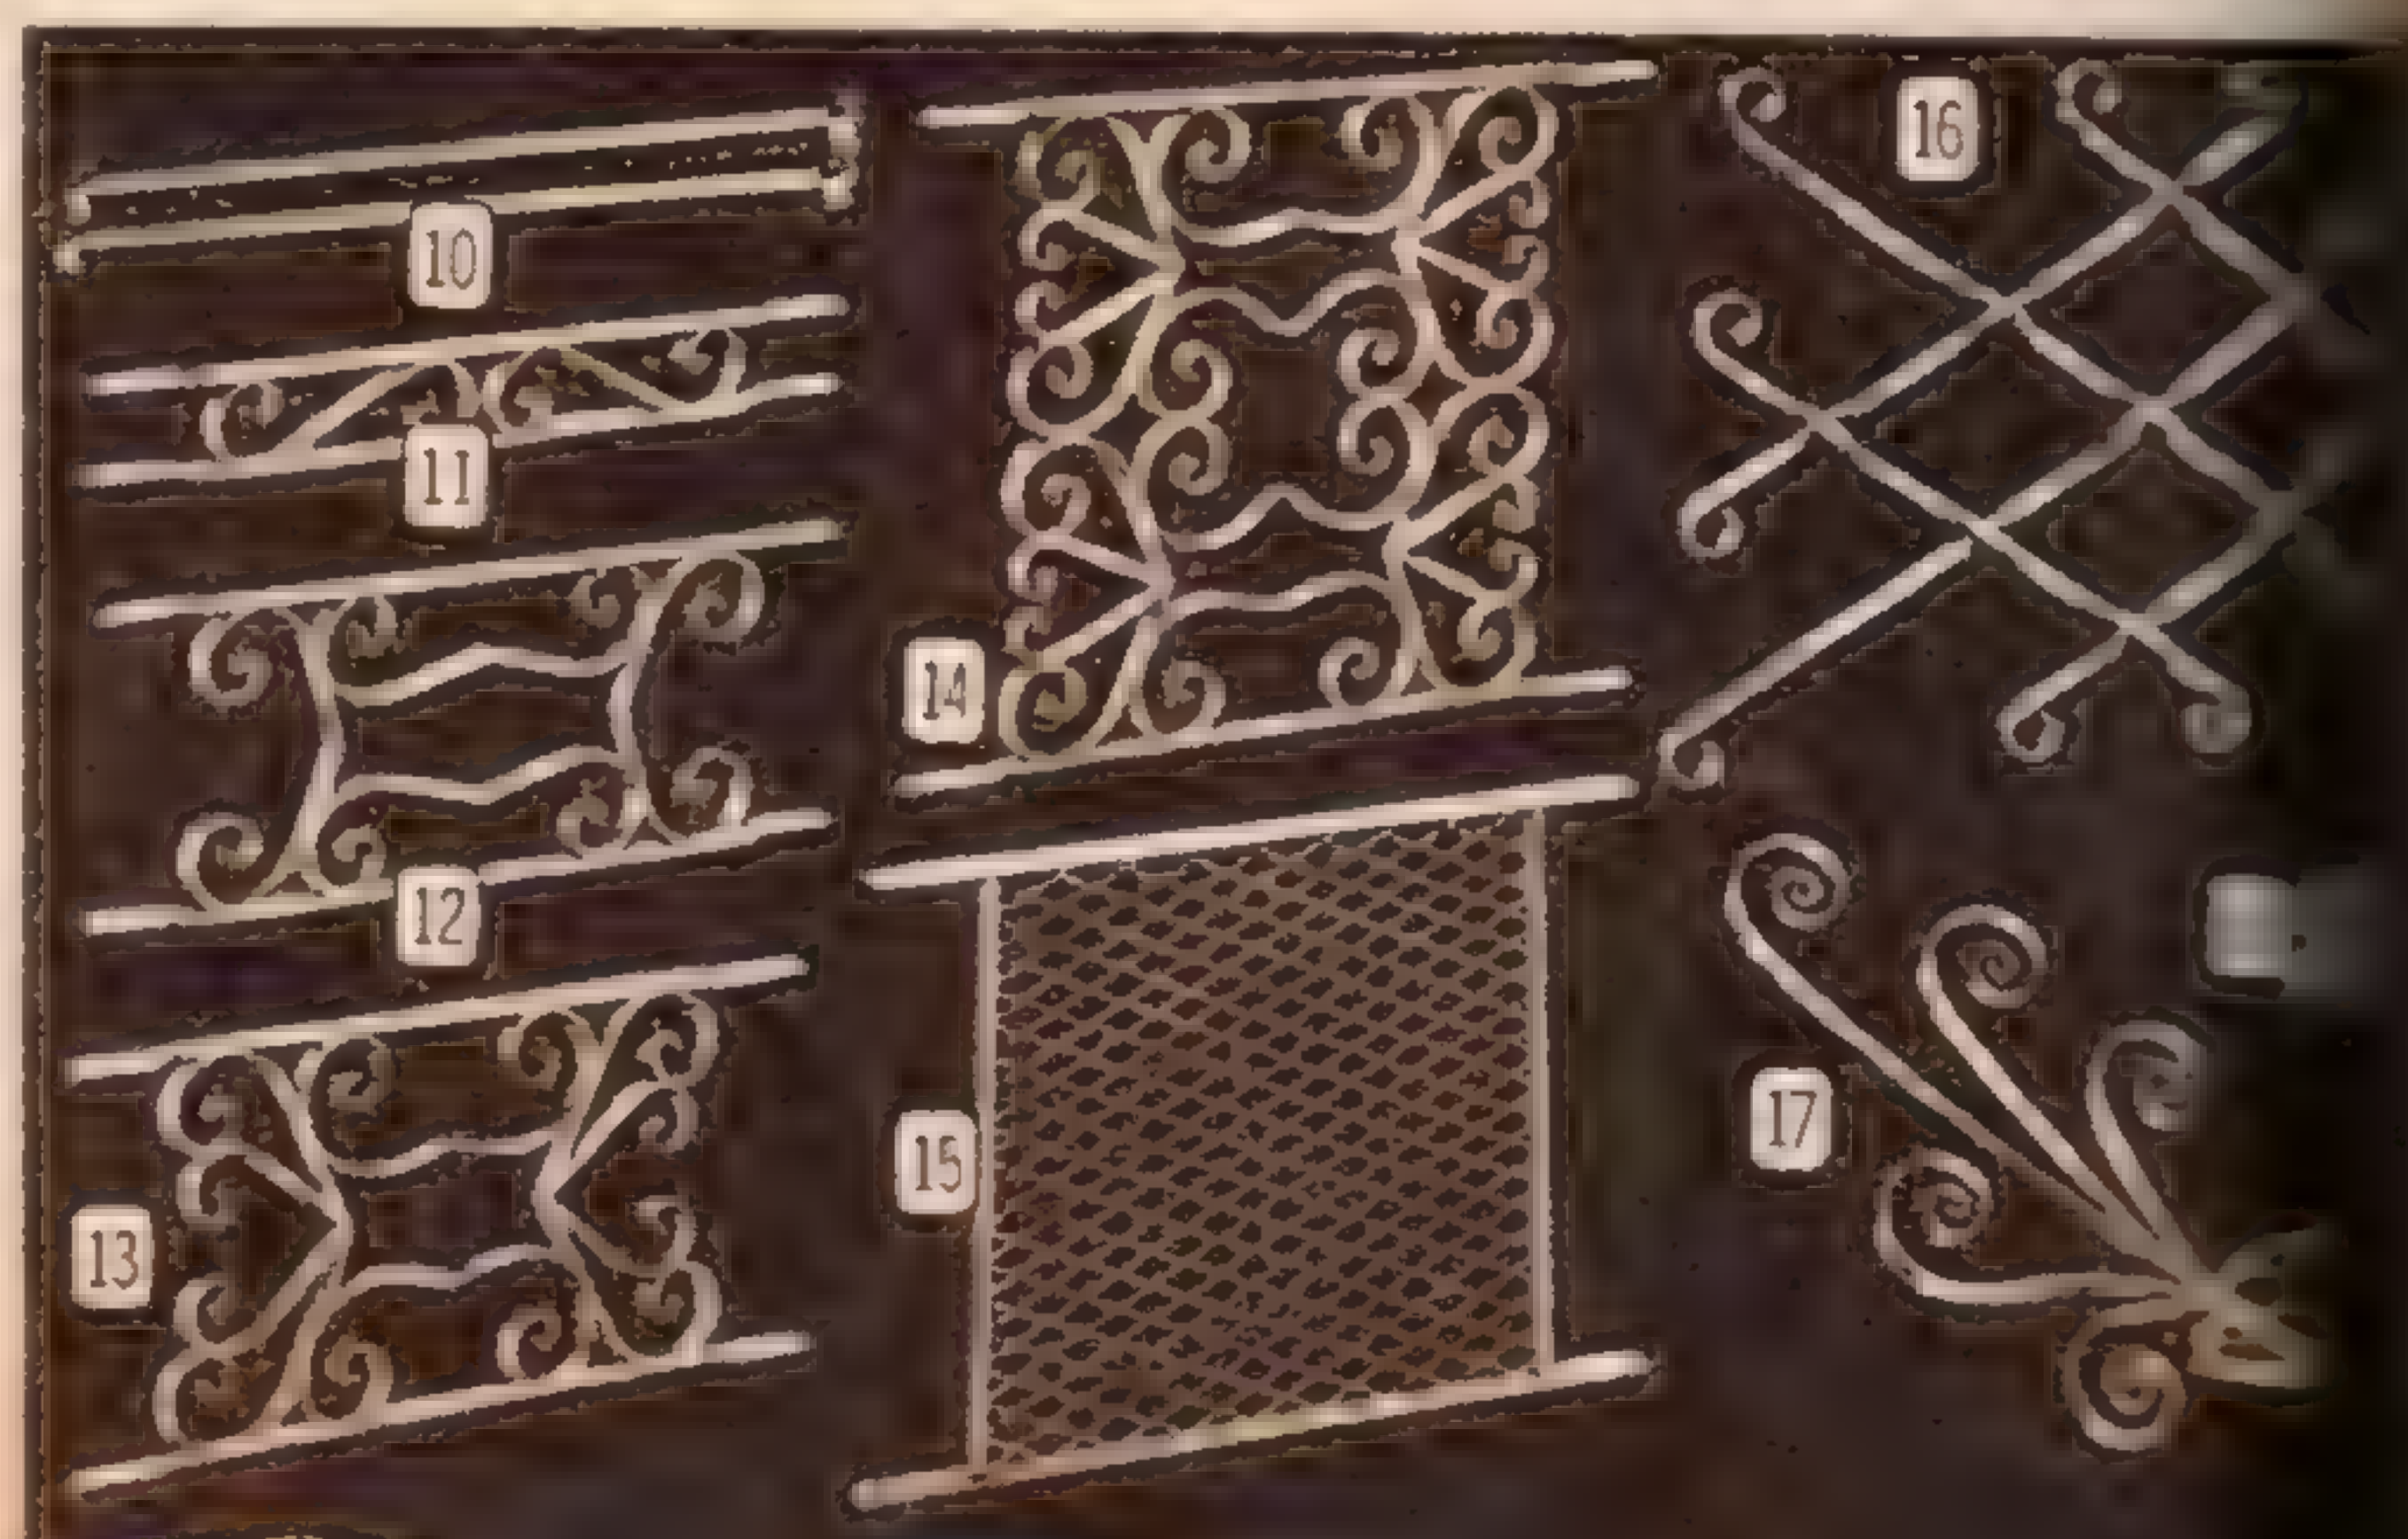

⑨ Our Best, feature by feature a quality stand-out: Pre-hung for installing convenience . . . unsurpassed in sturdy extruded aluminum construction (frame is full 1 inch thick throughout). Sagproof, never needs paint, requires minimum upkeep. Maximum rigidity due to U-channel CORNER BRACES, 3 built-in Tie-Rods and DOUBLE Kick-PANEL. Four HEAVY-DUTY HINGES plus 3-piece Z-BAR FRAME (both factory installed) to cover prior hinge marks. Built-in adjustable BOTTOM EXPANDER evens out-of-square openings. Full-length rustproof ALUMINUM SCREEN may be left in year 'round. CYLINDER LOCKSET (2 keys) inverts for right-hand installation. Automatic adjustable closer, inside pushbar.

15 CRYSTAL GLASS LOUVERS: 4 $\frac{1}{2}$  in. wide,  $\frac{7}{32}$  in. thick, overlap  $\frac{1}{2}$  in.; sturdier, easier to clean (same style on Jalousie windows, Page 988). Side-mounted roto-operator for easier adjustment . . . no stooping. Permits ventilation even when raining. See details of easy installation, top of opposite page. Order from table below.

Economy Jalousie Combination has same basic construction and features as (9) except: not pre-hung, without tie rods; has single heavy-duty ribbed kick-panel, standard hardware with latch.

State Door Size and "hinged (right or left)", viewed from outside. Storm Sash for extreme cold areas only. From M.O. House.

# Know The Facts

## About Aluminum Combination Doors

Combination Doors tend to look alike—but here the similarity ends. Prices and so does Quality. But the real differences don't show. Therefore, be sure to know what you pay for, the guide below about Wards Aluminum doors should be helpful to you in making a final choice:

**ALUM**—Frames are a full 1 inch thick, outside dimension. This is true so-called bargain doors. However, the gauge or "wall thickness" of Wards doors is .060 in. thick, 20% heavier than the .050 gauge used in bargain doors. For example, door (1) has 19.23 pounds of aluminum compared to 15.33 pounds used in a typical bargain door. This 25% weight advantage for life, easier maintenance . . . more satisfaction.

**ENGINEERING**—More hidden difference—like GREATER CORNER STRENGTH. Heavier extruded corner braces (11 oz. compared to 9½ oz. often used in bargain doors). Like STURDIER HINGING . . . full length extruded piano hinge is actually in the door frame and Z-bar, not screwed on. **NYLON BEARINGS** (no lubrication) in hinge section insure lifetime quietness, smoothness . . . no sagging, no loosening. **FRAMING** . . . glass insert panels are framed in heavy extruded (not rolled) aluminum. Glass itself sealed in WRAP-AROUND VINYL . . . weathertight, easier to install than drop-in glazing commonly used in bargain doors.

**Line Design**—Difference you can see: doors on this page bring you maximum privacy and daylight area. No awkward, bulky look.

**Features**—Wards offers newest features in all 3 styles: (1) Popular! prehung door; (2) New self-storing model with fingertip ventilation control; (3) Economy-priced model. Save even more by ordering with grille pictured.

**Important:** Use sizes below to order any door described on this page. State width, height, left or right hinge (as viewed from outside).

	Height	Fits Opening Widths	Fits Opening Hts.	
(1)	80 in.	29 7/8 to 30 3/4 in.	80 1/4 to 81 in.	One price buys any size. Illustrations show left hand hinge.
(2)	80 in.	31 1/8 to 32 3/4 in.	80 1/4 to 81 in.	
(3)	84 in.	31 7/8 to 32 3/4 in.	84 1/4 to 85 in.	
(4)	80 in.	33 7/8 to 34 3/4 in.	80 1/4 to 81 in.	
(5)	80 in.	35 7/8 to 36 3/4 in.	80 1/4 to 81 in.	
(6)	84 in.	35 7/8 to 36 3/4 in.	84 1/4 to 85 in.	

## PRE-HUNG Door . . . Install in 30 minutes

- No drilling or cutting • Finest quality hardware

**Finest Conventional Door.** Four inserts—two glass and TWO screen for ventilation year 'round. Insert panels set deep in frame for massive appearance. Main house door is still seen. Glass insert frames held together at tension stainless steel clips; remove and reassemble easily for re-glazing. Inserts on 3 sides, covers old hinge marks, allows for out-of-square openings—no need for Wool Pile weatherstripping (auto-type). Inserts hold firmly with rattle-resistant. Built-in bottom channel expander (corrects for out-of-square openings) and vinyl weather-seal. See installation details above right.

**MAINTENANCE** keeps its velvet finish new-looking. Complete with adjustable pneumatic closer, knob-latch with night lock, wind chain. Carton-packed, ship. promptly. House. See sizes above; state width, height, left or right hinge.

**PRICE**—WITHOUT GRILLE. Average ship. wt. 46 lbs. . . . \$35.95  
—WITH GRILLE. Average ship. wt. 48 lbs. . . . 38.45

## SELF-STORING and PRE-HUNG Door

- Instantly Converts . . . no inserts to change ever

**Self-storing eliminates storage and seasonal changing of inserts.** You control ventilation simply raising or lowering the inside lower glass panel to desired height; aluminum screen panel stays fixed all year. Cuts air-conditioner operating costs. Keeps heat out, cooled air in. Insert panels are tension-sealed against their track to keep out wind and rain; they cannot rattle. No OTHER door has the Dial-a-matic nylon rollers (two on each side) to release track tension, allow removal of inserts for cleaning. No screws to unfasten, no tools needed . . . new thumb-twirls of the rollers do the job. Inserts secure from outside tampering.

**ABOVE**, DOOR IS PRE-HUNG, has weatherstripped Z-bar frame, vinyl sealed heavy diamond-ribbed kickplate and easily maintained velvet-textured adjustable pneumatic closer, heavy wind chain.

**FEATURE:** distinctive colonial-style latch with quick-flip night-lock. Carton-packed, shipped promptly from M.O. House. See sizes above. State Width, Height, Left or Right Hinge (as viewed from outside).

**PRICE**—WITHOUT GRILLE. Average ship. wt. 48 lbs. . . . \$43.45  
—WITH GRILLE AND INSIDE PUSHBAR. Average ship. wt. 51 lbs. . . . 51.45

## New Champ of Economy Doors \$29.95 Less Grille

- Same piano hinge, same aluminum construction as doors above

**First economy-priced door to feature a built-in full-length piano hinge.** Makes it easier, quicker to install—troublesome, old-fashioned butt hinges are eliminated. Locking, built to last. Has 2 removable glass inserts; one large all-aluminum insert interchanges with top glass insert. Glass insert frames tension-joined at top, are easily reglazed. 3-piece Z-bar frame. Complete with adjustable pneumatic closer, knob-latch with night-lock, screws and instructions (not pre-hung). Carton-packed from M.O. House. See sizes above. Be sure to state Width, Height and Left or Right Hinge, outside view.

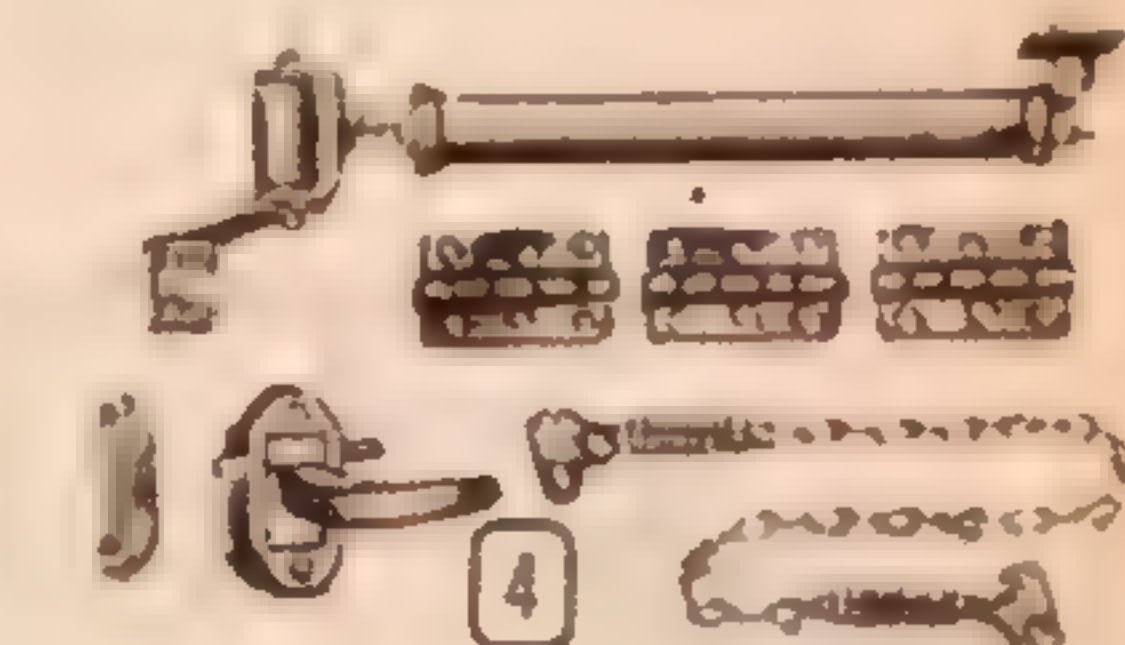

**PRICE**—WITHOUT GRILLE. Average ship. wt. 40 lbs. . . . \$29.95  
—WITH GRILLE. Average ship. wt. 42 lbs. . . . 32.45

Save up to \$15 in 30 Minutes. Easiest combination door to install—only screwdriver needed. Door pre-hung to Z-bar at factory—just set in place, screw frame into opening. Then attach latch, latch striker, pneumatic closer and wind chain.

Self-Storing in Action! Adjust lower glass insert for ventilation desired. Up . . . down . . . smoothly. So convenient for sudden weather changes.

**Replacement Hardware Set** for aluminum, wood combination doors. Includes pneumatic closer, latch set, safety chain, 3 hinges, screws. Aluminum finish. Mail. 84 A 1663—Wt. 4 lbs. . . . Set \$4.95

See Page 980, 1960 Fall Catalog for 7-in. diameter stove pipe, elbows and dampers. Takes logs up to 14 in. long. Fireplace is 35 in. wide, 28 in. deep, 41 in. high. Completely factory-built, easy to install, just attach masonry or foundation required. Carton packed. See Grate and Hearth tile at right. For complete order parts below.

74A—Ship. wt. 335 lbs. Cash \$169.00

## Bestos All-Fuel Chimney

For Complete Chimney: Starter and Section (7); Finishing Collar (8); Chimney Top Assembly (9) required for chimney housings. UL Listed.

Chimney Top Assembly. Attaches directly to chimney pipe (10) with die formed top. Includes adjustable roof flashing, round top and instructions.

Ship. wt. 20 lbs. \$23.00

Metal Chimney Housing—simulates masonry. Fits to roof pitch. 14 1/2 in. x 18 in. Includes cup and telescoping connecting chimney pipe (10). State Height.

Box	Buff Brick	Ht.	Ship. wt.	Each
74A	81 A 8643R	3 ft.	25 lbs.	\$22.00
74A	81 A 8644R	4 ft.	31 lbs.	25.00

Chimney Section and Chimney Support. Fasten to 16-in. joist framing to provide chimney support. Equal to 1 ft. of chimney. 7-in. diameter. Fireplace smokepipe connects into bottom of starter section.

Ship. wt. 26 lbs. \$15.95

Chimney Pipe Collar. Snaps on bottom of chimney section (7). Required where pipe passes through finished ceiling. Wt. 8 oz.

Polished Aluminum. \$2.26

Weatherproof Rain Cover. Required on top of chimney housings listed under (6) above. Keeps chimney place dry. UL approved. Best protection against draft control.

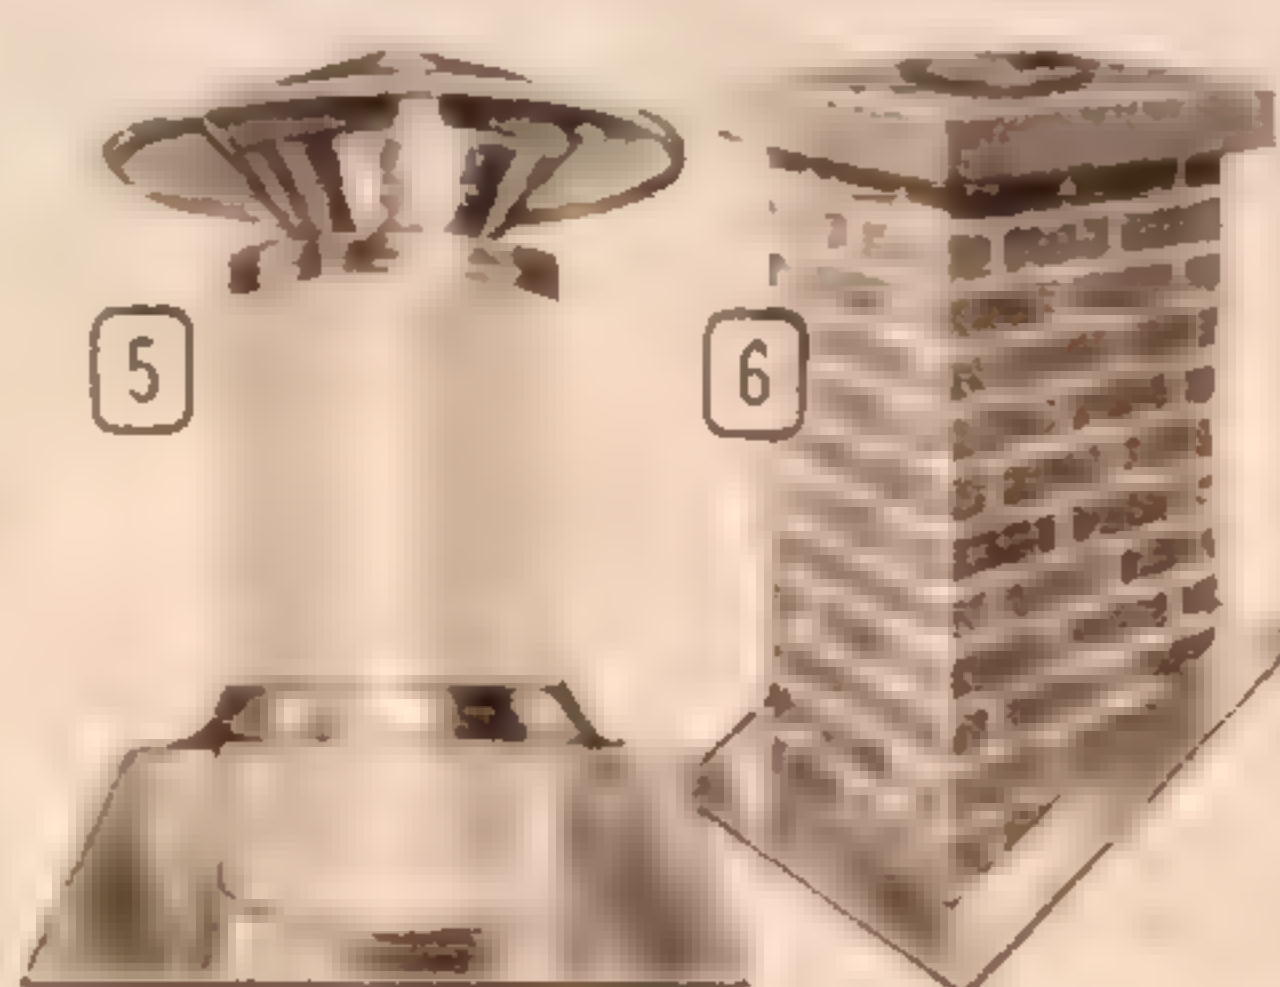

Ship. wt. 5 lbs. \$6.00

Chimney Pipe. Stainless steel inner pipe and galvanized steel outer case with temperature insulation between. See "Order" at right to determine lengths. Diameter: Inside, 7 in.; Outside 14 in.

18 in. long. Wt. 25 lbs. \$11.25

30 in. long. Wt. 37 lbs. \$18.75

See Heating Catalog for Wider Selections

Use Wards Home Improvement Terms  
See Page 960

### HOW TO ORDER

Round Top: Measure from underside of joists to highest point of roof (H) and add 2 ft. Order pipe (10) to equal this total.

Square Housing: Use dimension (H) plus 6 in. to determine total length of pipe (10). Top of chimney must be 2 ft. higher than any portion of bldg. or roof ridge if within 10 ft. of it.

SAVE 50%

## Wood Burning Fireplace Unit

AT 1/2 THE COST OF  
CONVENTIONAL UNIT

Add the Charm and  
Friendliness of a Fireplace  
To Your Home

LOW AS **\$12<sup>50</sup>** MO.

UL Approved

Treat Your Home to a Real Wood-burning Fireplace. Save 50% compared with cost of conventional unit—save even more by installing it yourself. No special tools needed.

UL Tests show unit can be installed directly against wall without danger. Unique double draft construction—chimney and fireplace walls never get more than slightly warm. Use only with chimney furnished—can't be connected to another flue; install at least 4 ft. from adjacent walls.

NO MASONRY OR SPECIAL SUPPORTS NEEDED. Just bolt to studs, cut holes in ceiling and roof, slip chimney and sections in place. Firebox 33 1/2 in. wide, 24 1/2 in. deep, 17 1/2 in. high. Chimney 14 1/2 in. square. Firebox bottom is 18 1/4 in. from floor. Firebox lined with ceramic firebrick; extruded aluminum-trim, angle-iron construction. Stainless steel flues.

FIREPLACE UNIT INCLUDES fireplace, screen, hood, chimney sections, cap and flashing. Order accessories below.

74 A 1960R—State distance (A) above, floor to roof peak.

### How to Order Fireplace

Measure distance (A) (See diagram) from floor to roof peak and order proper size fireplace unit from table above. "Rise", of roof determines maximum distance (B) that 63-in. high chimney housing can be from peak. Top 24-in. section must be higher than highest point of roof for proper draft. See Table for maximum distance (B).

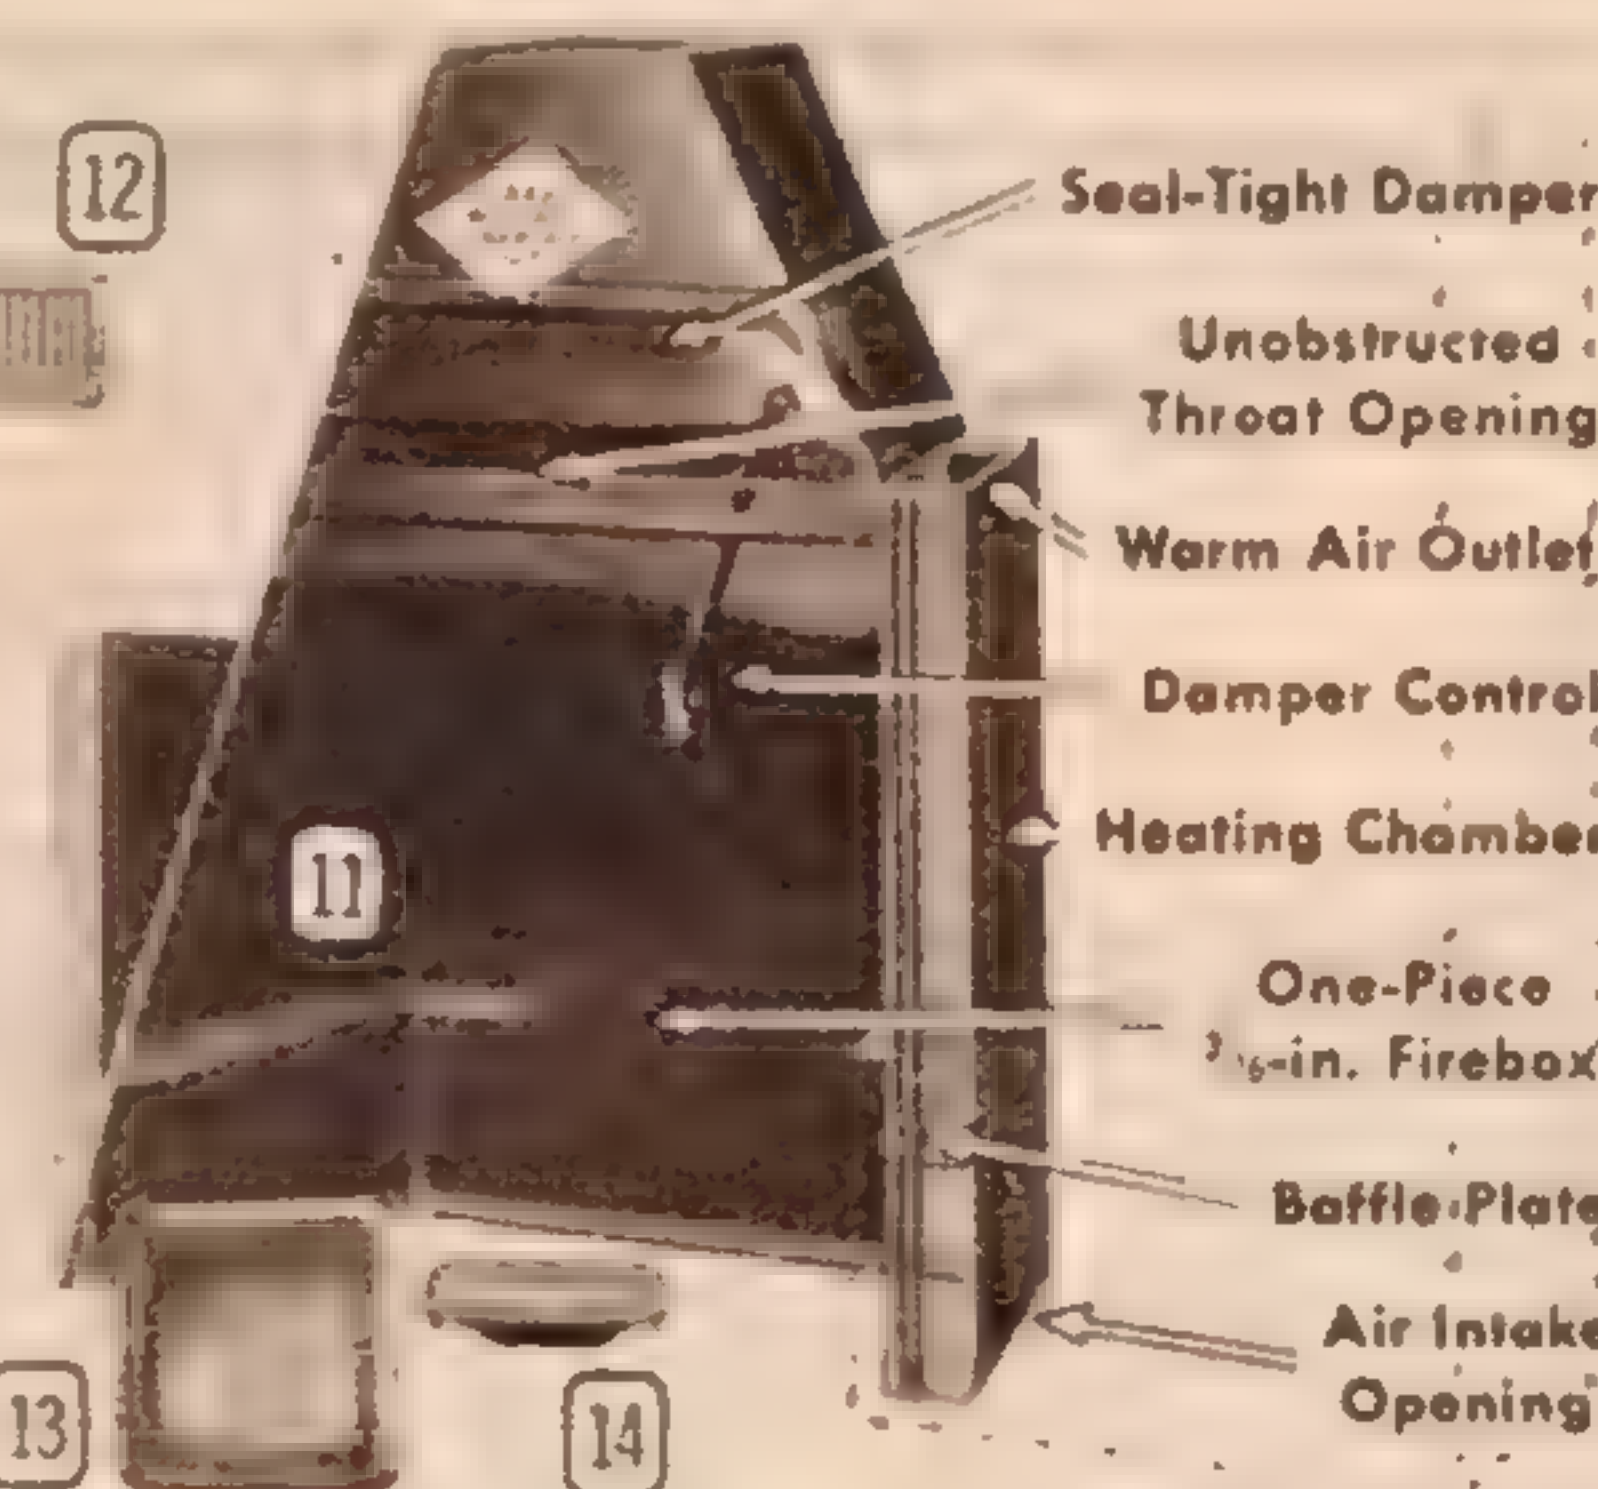

Roof Rise Per Foot	Dimension "B" Max.
flat	no limit

## Circulating Fireplace Liner

Low as  
**\$58<sup>95</sup>**  
Less Grille

Scientifically Developed by Heating Engineers—insures complete success. Circulating heat warms entire room, even adjoining rooms. Eliminates smoke. Requires only decorative masonry to finish installation. Features: Exclusive SEAL-TIGHT DAMPER, closes air tight when not in use; 3/16-in. DOUBLE-WALLED FIREBOX, surrounds fire; ONE-PIECE CONSTRUCTION provides durability; no obstruction throat tubes; no fins to hinder air flow. Cool air from floor is warmed by contact with walls, gently circulates through upper grilles to every part of room. Will not smoke. For use in any climate... in living room, basement, cottage etc. Ship. from Mail Order House.

## Finest Wood SLIDING WINDOWS

FULL HARDWARE; STORM, SCREEN OPTIONAL

Feasibility brings the charm of the outdoors inside your home, brightens with natural sunlight. Yet room space is conserved, because units do not interfere with furniture arrangements, floor area.

Beauty for Every Room of Your House—So versatile because high wall privacy for bedrooms, bathrooms; broad skyline view for living room light for kitchens, guest rooms, parlors—suitable anywhere!

Against Weather Damages, Discomforts—All sash have Z-type aluminum weatherstrip. Special Alumaflex at head has built-in spring tension.

Installation . . . Easier Cleaning. Windows stay "in square" from pre-assembly at factory until you set in place. Wash both sides from indoors.

Construction—Windows milled from kiln-dried Ponderosa Pine, chemically resist warping, splitting. Glide on nylon runners, friction-free sash tracks mounted on sill. Arrive fully glazed, hardware mounted.

Sash Units. Simply push up—come out easily, effortlessly. Have drain pan to protect interior. Frame adapts to brick veneer, masonry construction. Masonry opening 2 in. wider, 3/4 in. deeper. Jamb included.

6 Self-Storing Storm-Screen Units. Lower in price than individual storm sash and screens. 1 1/2-in. thick kiln-dried Ponderosa Pine frame chemically treated—cannot warp or swell. Includes 2 aluminum storm sash and 1 aluminum screen insert. Sash remove easily for cleaning from inside. Store insert not in use in front of either storm sash. Installation is simple.

Model No. and Sash Opening. Shipped promptly from M.O. House

# Crestline Stacking and Awning Windows

UNLIMITED WINDOW ARRANGEMENTS—  
STACK ON TOP OF EACH OTHER OR SIDE BY SIDE

LOW AS \$10.25

Beautiful floor-to-ceiling window wall

Tongue-and-groove edges—easy stacking

Roto-Type Operator—quick, easy operation

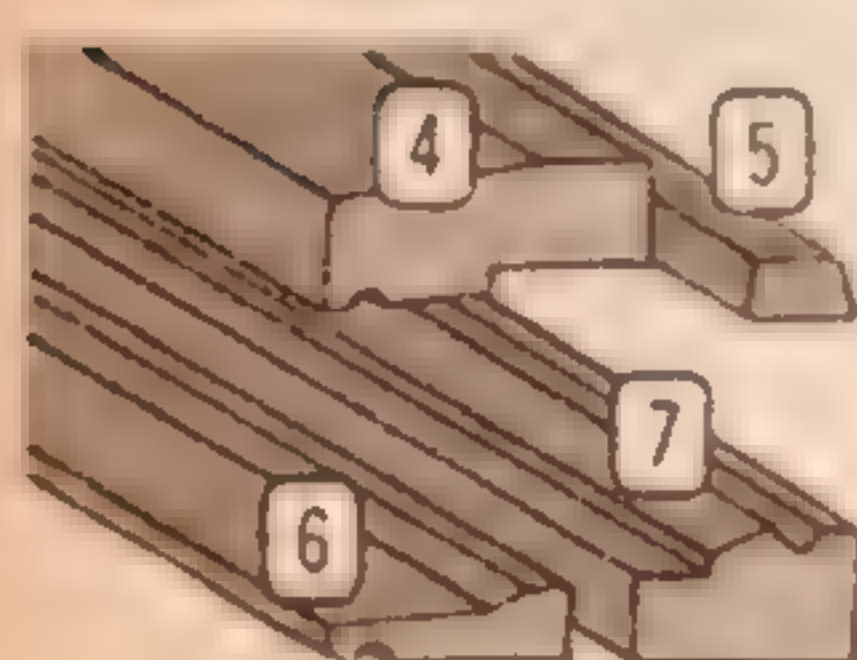

Snuggler-latch—positive security

**1 2 3** Use for Giant Window Walls or Singly for Greater Privacy. Roto-operators permanently attached to frame—open and close windows quietly, easily. Windows open outward full 90°—give full light and ventilation. Adjustable friction-type hinges... Unlocked sash stay open in any position, even in brisk wind. Z-type aluminum compression weatherstrip, factory applied on side jambs and top and bottom sash rails—no drafts, water leakage. Ponderosa Pine frames treated to resist warping, swelling. Choose with Crestpane insulating glass or single glazing. All glass bedded in fine grade mastic held securely by wood bead stops. For dry wall or lath-and-plaster construction. Aluminum screens—factory applied, easy to remove to clean window. Storm panel fits outside sash, opens and shuts with window. From M. O. House.

**How to Determine Rough Opening Dimensions For Frame or Brick Veneer Construction:** For single unit add 5 1/8 in. to glass width and 5 3/8 in. to glass height. When adding units side by side or one on top of another, find total glass measurements and add 5 1/8 in. to width and 5 3/8 in. for height for first unit plus 4 1/8 in. for each additional unit. To find rough opening for masonry construction, follow above, then add 1 3/4 in. to rough opening width, 1 1/4 in. to height. Rough opening dimensions allow for sub sill (4) below. State Catalog Number and Glass size desired. Use Wards Home Improvement Terms, see Page 960.

# Our Finest ALUMINUM JALOUSIE Window

- Full-Length Nickel-Alloy Stainless Steel Weatherstripping
- Polished Crystal Glass Louvers—Safety-Smooth Edges

LOW \$11.45  
AS with Screen

① Finest Heat Hardened Extruded Aluminum—Mill Finish—brilliant luster, stays new looking long. Permanently resistant to pitting—nothing to rub off—polish can't remove finish—only adds natural luster. Tension-tested construction. Bridge-type screw-together corners for rigidity. Rugged 2 7/8-in. deep frame fits all standard frame, brick, veneer or solid masonry wall construction. Full length stainless steel cushion weatherstripping (not ordinary plastic)—never requires adjustment. Louvers 4 1/2 in. wide, are extra-heavy 7/32-in. thick, crystal glass . . . packed separately to prevent breakage. Easy to install: clip in place, lock. Wide choice of sizes; carton packed. Overall dimensions include nailing fins—rough opening should be 1/2 in. smaller in width and height to allow wood or plaster return. Make rough opening after jalousies arrive. 18-louver sizes have 2 operators. If you need is not listed, write Wards Engineering Dept. at Wards Mail Order House, specifying overall width and height needed. Jalousie Windows shipped from Mail Order House. State Width and Height. ALUMINUM STORM SASH FOR ABOVE WINDOW. Attach on inside of jalousies with special clips included.

Jalousie Doors on Page 96

## Custom-Make Your Own Jalousies! Hardware Plus Glass \$7.44 Louvers . . . Low as

② TO ⑤ Same Superior Quality as Above except has lever operator. Jalousie jamb hardware available in 13 heights from 24 3/4 in. to 72 3/4 in. Economical way to enclose porches, breezeways, etc. Imagine a full 10x5-ft. window wall—everything included—only \$120.33! A real buy at Wards low prices. Louvers adjust to any angle for full scale ventilation control. Single lever control except 18-louver sizes which have 2 levers. Cannot be opened from outside, yet light touch opens unit from inside.

Here's All You Do. Screw aluminum jamb hardware (2) directly to vertical studs or framing. Cut head and sill weatherstripping (4) to fit opening widths and screw into place. Insert stainless steel tension springs (included with (2)) into glass clips. Slide glass into place. Minimum 3 3/8-in. stud depth needed when unit is used with your own outside screens or storm sash.

Glass Louvers (3) full 7/32 in. thick, 4 1/2 in. high. Bright polished edges—stronger, easier to clean. Available in 4 widths; you can easily cut to special widths. Closed, louvers overlap 1/2 in. for tight seal. Boxed to prevent breakage in transit. State Width, Quantity. See Page 960 for Wards Home Improvement Terms.

Aluminum Mullions (5) for joining jalousies, adds 1/8 in. to width of jalousie. Non-load bearing. State Height.

## PANEL-JAL . . . The Latest in Porch Enclosures

- Tighter Closure for Winter Comfort
- Lets Summer Breezes In—Keeps Rain Out
- Assembled, Glazed, Ready to Install
- Easier to Clean From Inside Home

⑥ Installs Like a Panel Window, Operates Like a Jalousie. Convert your porch or breezeway into a year 'round room or replace old-fashioned house windows. Double vinyl weatherstripped sections are self adjusting, overlap each other for draft-free comfort. Rugged crank operator closes, locks vents smoothly, easily. All nylon bearings. Spring tension torque bar assures closure of each vent. Built of heat hardened, extra-heavy gauge extruded aluminum. Vents detached from main frame for reglazing if necessary. 2 3/4-in. deep frame. Window completely assembled, glazed, ready to fasten in place. All aluminum screen included. Order storm sash separately. Screens and Storms mount inside—change without dangerous ladder climbing. For installation in masonry, order fin sets. Shipped from Mail Order House. State Width and Height. Not Mailed. Make rough opening 1/2 in. smaller in width and height than sizes in table. (Also in 158 other sizes.) Write Wards Customer Engineering Department for prices; specify overall dimensions needed.

## A Ward First! "Kota" THERMO-INSULATED WINDOWS—Aluminum Unit, Wood Frame

**Window**—all hardware, screens, storm sash included in 1 assembled unit.  
**Install** . . . just set in rough opening and nail in place.  
**Engineered** to fit standard framing with studs on 16-in. centers as recommend-  
 "House and Home" and the National Association of Home Builders.  
**Weatherstripped** with weatherproof wool pile . . . Both Inner and Outer  
 weatherstripped around entire perimeter on interior and exterior sides.  
 on glide on specially designed polyethylene guides—wax impregnated  
 smooth operation during the entire life of window—Rustproof aluminum track.  
**Lock Automatically**—lift out for washing. No storage or change-over problems.

**Modern sliding window we have ever offered.** Has aluminum sliding storm/screen  
 all built into one unit. Air cushion between windows and storm units, when  
 closed—provides insulation barrier—keeps home warm in winter, cool in summer.  
 install as ordinary wood windows. Place in rough opening, shim as required and  
 No outside trim required. Trim inside with your choice of materials (see wood  
 973). Interior glass  
 polyethylene guides in  
 that lifts out for clean-  
 aluminum unit built into  
 ersona Pine. Frame can be  
 match other windows in  
 width 5 1/4 in. Window  
 ally when inside panels  
 cannot be opened from  
 State Style No.

## Ambassador

### Fabric Folding Door With All Steel Frame Offers Style . . . Quality . . . Value

**1** Wards Most Popular Folding Door. Ambassador's textured fabric in fashionable pastel colors. Use to harmonize or contrast with walls, woodwork. No finishing needed! Durable plastic fabric on both sides backed by preshrunk cotton for extra durability. Won't chip, crack or peel—cleans quickly, easily with damp cloth. Stays fresh looking even after years of daily use. Saves valuable floor space.

**Twin Steel Pantograph Hinges Keep Door Rigid.** Vertical steel rods welded to hinges keep leading edge straight and folds even, top to bottom. This type of construction eliminates need for dirt-catching floor track. Welded steel framework folds to only 5 in. on the 32-in. door. Full-length rubber molding on leading edge.

**Sturdy Nylon Glides Slide in Overhead Steel Track.** Door won't creep, roll. Track hidden when door is closed. Hardware, plastic handles and complete instructions included. 32-in. and 38-in. sizes shipped promptly from Mail Order House Stock. 44-in. and 50-in. sizes shipped promptly from Factory in Detroit. All doors fit openings 80½ in. high. Choice of two pastel colors—Toast or Birchbark.

# NEW! Custom-Built Exterior Doors

- Mahogany or Birch Veneer in Choice of Ten Designs
- Sturdy Hollow Core or Extra-Strong Solid Core Construction

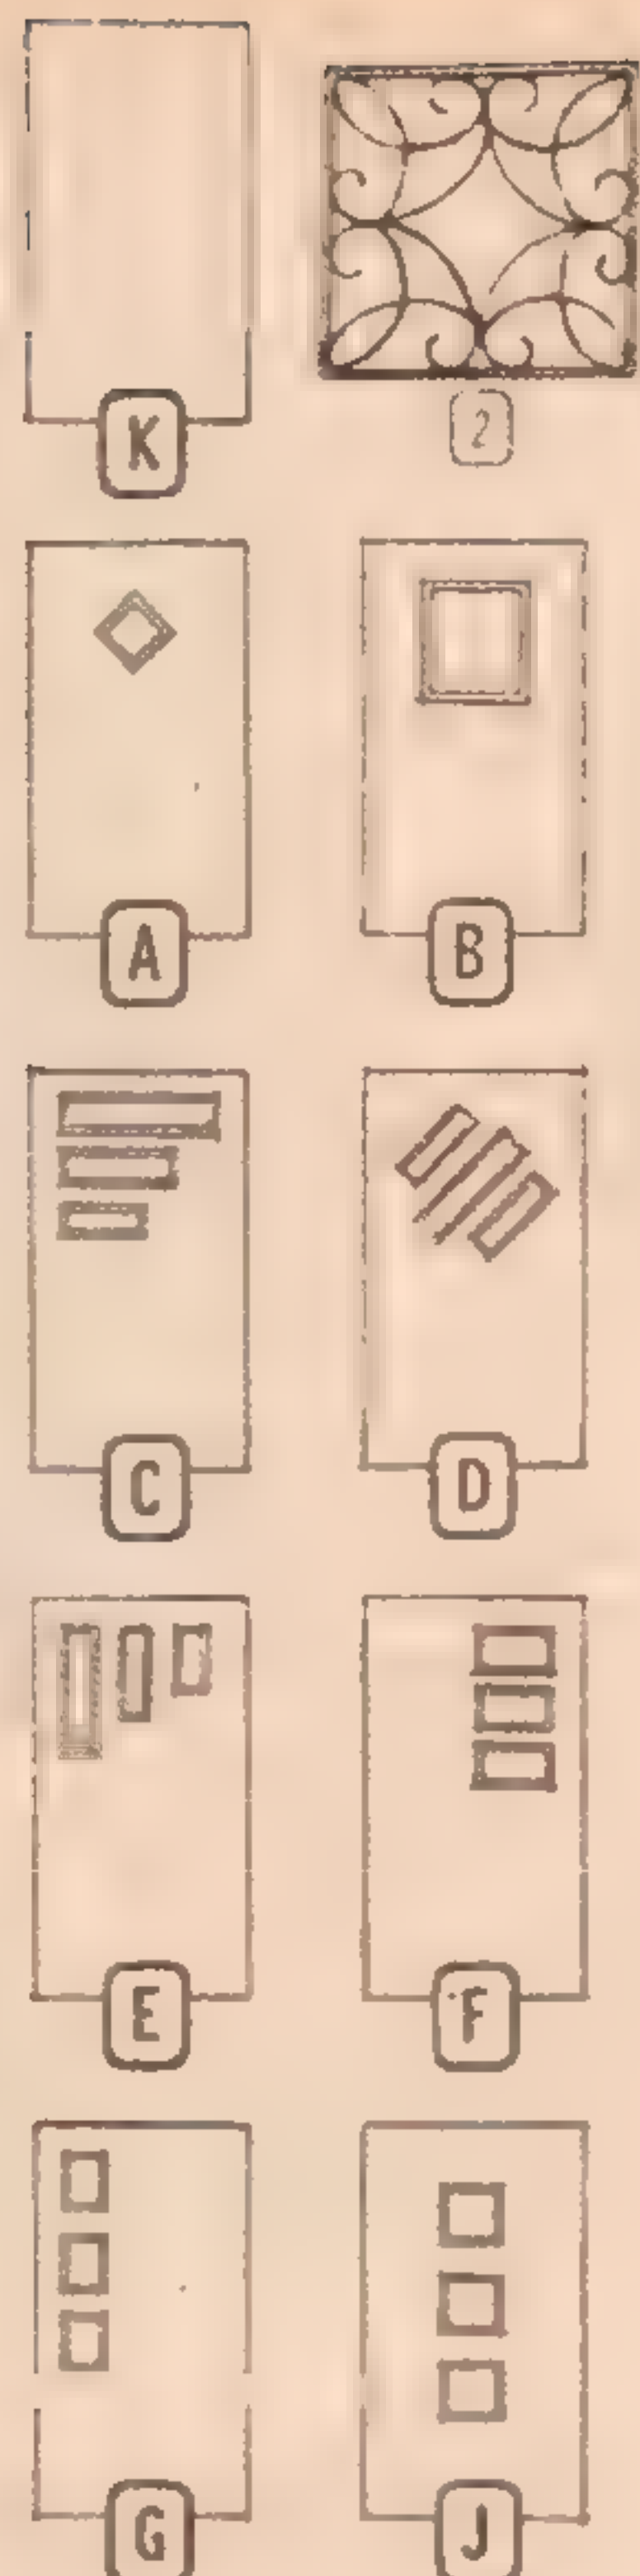

**(A) TO (K)** Wide Choice of Light Arrangements to Fit Any Architectural Style. All doors to highest standards of National Woodwork Manufacturers' Association. FHA approved for new construction. Mahogany or Birch veneers bonded to 7-ply construction with 3-ply face panels on each side. All doors available with Glass; Door (H) also available with black design glass (1); doors (A) and (J) available with gold design glass (2). See table below before ordering.

**Hollow Core Doors** have stain-grade veneers bonded to core with strong adhesive. Core is ladder-type construction with horizontal ribs 2 in. apart. All core materials kiln-dried western wood. Lock blocks on both sides so that door can be hung to left or right. Doors can also be used for making modern slab coffee tables, etc.

**Solid Core Doors** have premium grade veneers bonded to solid core with strong adhesives. All core blocks are properly kiln-dried western wood, precision machined to exact dimensions and assembled with grain running vertically and all butt joints mitered. Blocks are under 2-in. in size and are not edge glued, permitting expansion and contraction of each independent unit. This construction gives a dimensionally stable door.

All flush doors 6 ft. 8 in. high, 1 3/4 in. thick; can be trimmed 1/2 in. in width, 1 in. in height. Sanded smooth, ready for finishing. Be sure to seal all four edges of door. Design, Glass Type and Width.

Retail or Catalog Store

## Check These Facts Before Ordering

**Gas From Mains** is usually natural; may be manufactured or mixed—Check your area for type supplied. Gas in steel cylinders or tanks is bottled (LPG).

**To Choose Correct Size Water Heater.** Use table below as guide—count child under 7 as two. If you do laundry at home, especially with an automatic washing machine, choose larger size shown. Also consider recovery rate of water heater selected.

Family	Gas	Electric
2	20 to 30 gal.	30 gal.
3	30 gal.	40 to 50 gal.
4	30 to 40 gal.	50 gal.
5-7	40 to 50 gal.	50 to 82 gal.

**Recovery Rate** for heaters on Pages 994 through 997 is number of gallons of water raised 60° or 100° F. in one hour as stated.

## Soft Water Automatically

**GUARANTEED  
10 YEARS**

- All-Automatic Electric Operation, Just Plug In—Electric Timer Does The Job
- Triple-Action Operation—Softens, Filters, Even Removes Iron
- Automatic By-pass Supplies Water During Regeneration
- Automatic Back-Wash Action For Maximum Efficiency
- Regenerates While You Sleep

**1** Now You Can Own a Fully Automatic Water Softener for less money per month than it costs to rent . . . and you get Wards Guaranteed Satisfaction too. Make your water soft as rain . . . just fill 300-lb. salt tank and you're sure of continuous soft water for four to six months before refilling.

Baked white enamel finish on heavily galvanized steel tanks. Compact, highly efficient—requires a minimum of floor space. Mineral tank 8x36 in. Salt tank 18x32 in. 3/4-in. water connections. No special wiring needed—use on 110-120 volt, 60 cycle AC. Automatic timer may be set for regeneration from one to seven days to fit your needs.

**Guaranteed 10 Years.** If mineral tank fails during first five years you get a new softener FREE. If failure occurs during remaining five years you get a new softener but pay only 50% of current price, plus 10% for each succeeding year. Shipped promptly from Mail Order Stock.

81 A 2510R—Salt not included. Ship. wt. 185 lbs. . . . . Cash Price \$179.00

### WRITE WARDS FOR FREE WATER ANALYSIS

Let Wards analyze your water and recommend equipment best suited for your water condition. Write to your nearest Mail Order House for Water Analysis Mailing Container. You pay the mailing costs only.

**FAIRWAY Water Softeners** remove harmful minerals from hard water . . . save soap . . . brighten fabrics . . . add years to life of appliances. Complete selection of Filters available to handle all water conditions. Write Customer Engineering Dept. at your Mail Order House for complete details.

## Semi-Automatic and Manual Triple-Action Water Softeners

**GUARANTEED 10 YEARS**

- Remove Hardness from Water . . . For Healthier, Easier Living

**2 3** Quick, Easy Operation. Soften water, remove iron, filter out sediment—all in one operation. Galvanized steel; enamel finish. Backwashing operation keeps mineral bed clean, frees softener of iron, sediment, gives greater softening capacity. With salt funnel. See 10 Year Guarantee above. Ship. from Mail Order Stock.

**(2) Semi-Automatic Softener.** Just 1 lever, automatic timer, and a simple regeneration procedure—requires only minutes of your time. Automatic by-pass assures constant flow of water during regeneration.

BCKDAS WARDS 997

## COMPARE! FAIRWAY JET WATER SYSTEMS HAVE THESE PLUS FEATURES:

### Positive Self-Priming in All Wells . . .

Wards famous Multivane Diffuser provides more effective air separation for positive repriming (after initial prime) in shallow or deep wells. Foot valve can be completely exposed to air; pump will regain prime when foot valve is again submerged in water!

### Use Same Jet For Shallow or Deep Wells . . .

If water level in your well drops, you can use the same jet with your Fairway pump when you convert from a shallow well system to deep well use. You make a substantial saving on conversion since there is no separate jet, no extra parts, no expensive kits to purchase.

### Advanced Design, Engineering, Performance . . .

Styled by one of America's leading industrial designers. Trim, compact, neat. Built by a leading American pump manufacturer, setting a new standard of performance for completely trouble-free water service.

### How to Select Your Fairway Water System

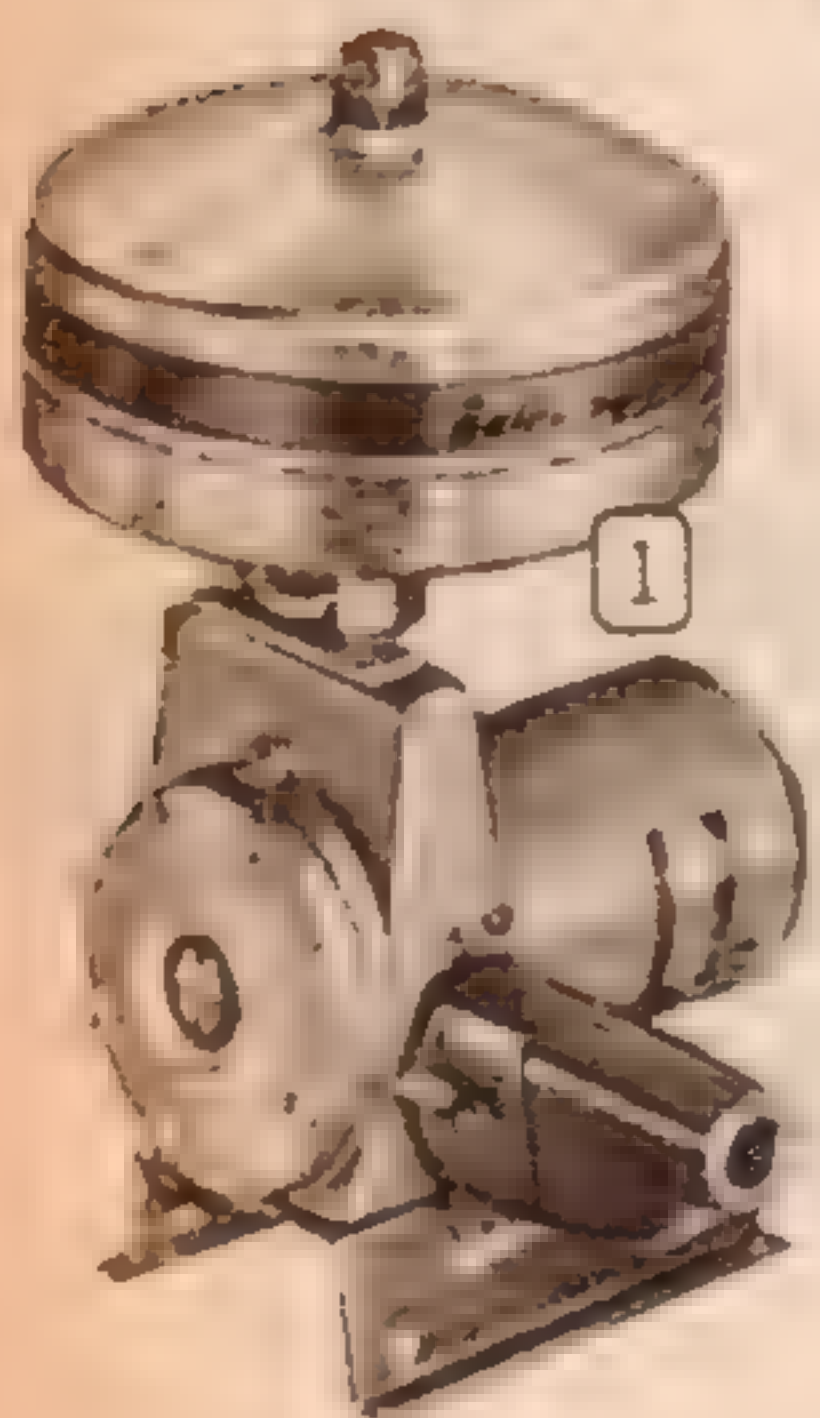

**Pump** Estimate water needs from following average daily totals: Each person, 50 gal.; each milk cow, 35 gals.; each dry cow or steer, 12 gals.; each horse, 12 gals.; 100 chickens, 4 gals.; each sheep, 2 gals.; 1/2-in. hose, 200 gals. per hr.; 3/4-in. hose, 300 gals. per hr. Divide total daily water use by 2 to determine per-hour capacity you need. Select pump size from capacity performance charts at lowest water level. Use any of these pumps for shallow well or deep well.

**Jet** If you have a shallow well where total distance to water is not more than 25 ft. at sea level (or 1 foot less than 25 ft. for each 1000 ft. above sea level) select jet and capacity from shallow well chart. When installing attach jet to pump (view (B) opposite page). Suction pipe extends from jet to water.

If you have a deep well where depth to water is below 25 ft., select jet from deep well chart to fit depth and well diameter to lowest water level in well. When installing suspend jet in well from suction and pressure pipes (view (C) opp. pg.). Order Plastic Pipe, Pg. 1007.

**Tank** Any HP-size Fairway pump can be used with any size Fairway pneumatic storage tank. Pump selected delivers the water you need. Depending on space available, Wards suggests use of 10- or 20-gal. sizes with 1/3-HP pumps, 20- or 30-gal. with 1/2-HP pumps and 30 or 42-gal. sizes with 3/4 and 1-HP pumps. Pump is supplied with bracket so that pump can be bolted to tank to make a "packaged" water system, or tank can be set at any location away from pump. You can also use your present tank with any new Fairway jet pump.

## Two-Gallon "Space-Saver" \$69.95

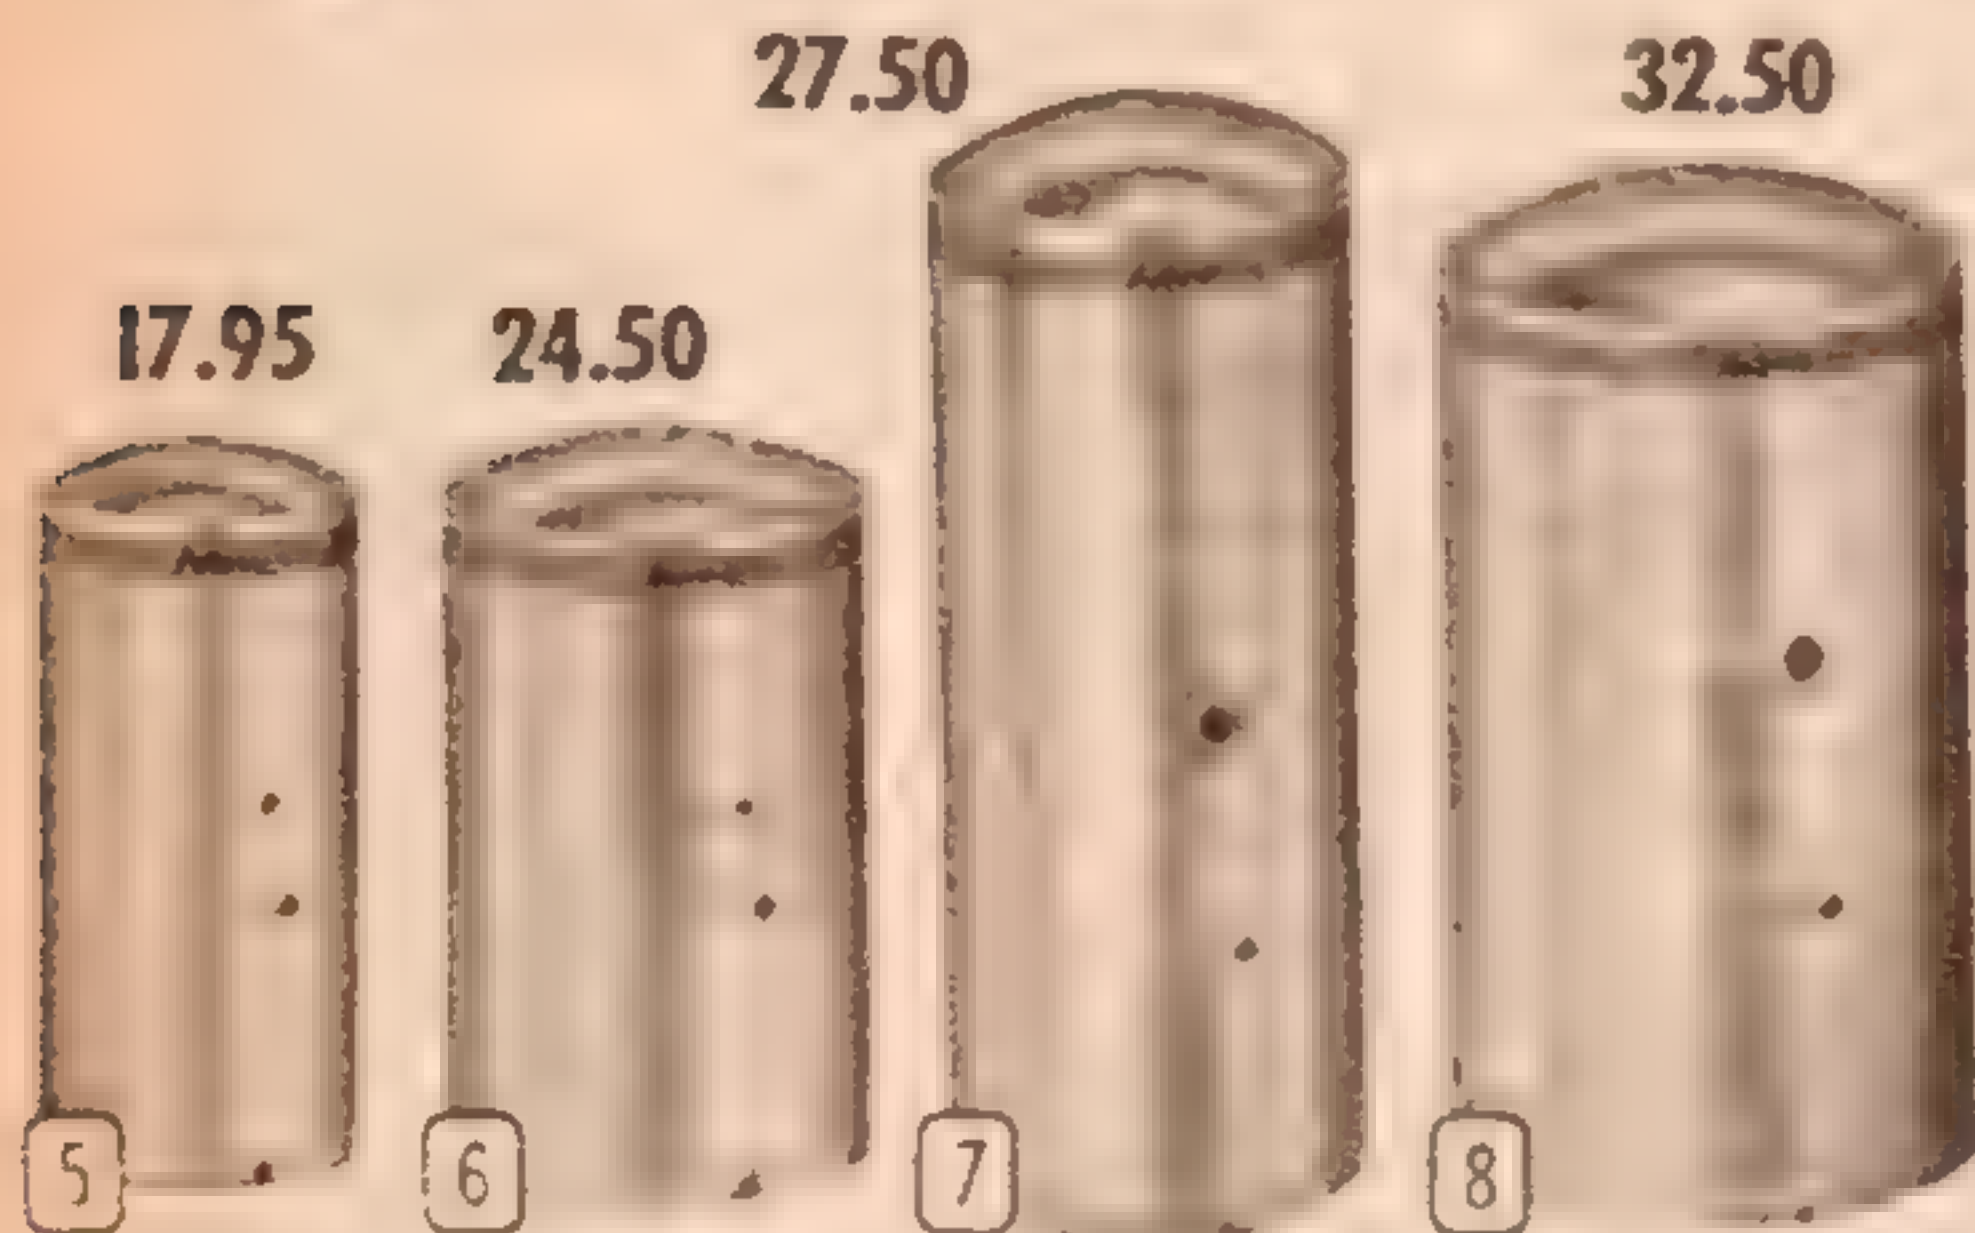

**1 FAIRWAY All-Purpose High Quality System** for wells to 50 ft. Has many fine features of "30 and 50" Single-Stage pumps (2). Ideal for cottages or other intermittent use. Takes space 16x16x21 in. high. Discharge size 3/4 in. Pressure switch set 20 to 40 lbs., adjustable for higher pressures. With Pump, Jet, 2-gal. Tank. For 115-v., 60 cy. AC. Order 1-in. foot valve 81 A 3917, Pg. 1001, item 20.

Use as SHALLOW WELL PUMP DOWN TO 25 Ft. with jet attached. Delivers 475 GPH at 20 lbs. pressure at 5-ft. lift; 295 GPH at 20-ft. lift. Use 1-in. suction pipe.

Use as DEEP WELL PUMP DOWN TO 50 Ft.—remove jet and suspend in well on 1 1/4-in. suction pipe and 1-in. pressure pipe. Pump delivers 470 GPH at 20 lbs. pressure at 30 ft.; 325 GPH at 50 ft.

81 A 3600 R—1/3 HP. Ship. wt. 60 lbs. . . . . \$69.95

**Galvanized Pneumatic Storage Tanks**

LOW AS \$17.95
